2.2 Interest on demands

If the Chargor fails to pay any sum on the due date for payment of that sum the Chargor shall pay interest on any such sum (before and after any judgment and to the extent interest at a default rate is not otherwise being paid on such sum) from the date of demand until the date of payment calculated on a daily basis at the rate determined by and in accordance with the provisions of clause 22.5 (*Interest on demand*) of the Intercreditor Agreement.

5. Further Assurance

5.1 Further Assurance: general

Subject to Clause 4 (*Perfection of Security*), the Chargor shall promptly execute and do all such assurances, acts and things and deliver all such documents as the Security Agent may reasonably require for perfecting or protecting the security created or intended to be created by or pursuant to this Assignment over the Assigned Rights or, following the occurrence of a Declared Default, for facilitating the realisation of such rights and the exercise of all powers, authorities and discretions vested in the Security Agent and shall, in particular, execute all floating charges, assignments and assurances of the Assigned Rights whether to the Security Agent or to its nominee(s) or otherwise and give all notices, orders and directions which the Security Agent may think expedient.

5.2 Necessary action

The Chargor shall at its own expense take all such action as the Security Agent may reasonably request (including making all filings and registrations) for the purpose of the creation, perfection, protection, confirmation or maintenance of the security created or intended to be created in favour of the Security Agent by or pursuant to this Assignment and, following the occurrence of an Event of Default, to facilitate the realisation of the Assigned Rights which are, or are intended to be, the subject of the security created or intended to be created by or pursuant to this Assignment.

5.3 Consent of third parties

The Chargor shall use all reasonable endeavours to obtain (in form and content reasonably satisfactory to the Security Agent) as soon as possible any consents which are necessary to enable the Assigned Rights to be assigned in security pursuant to Clause 3 (*Assignment in Security*) and, immediately upon obtaining any such consent, shall promptly deliver a copy of each consent to the Security Agent.

5.4 Amendments

Where such amendments, variations, modifications or waivers are prohibited pursuant to the terms of the Senior Facilities Agreement, the Chargor shall not at any time during the subsistence of this Assignment make or agree to make any amendments, variations or modifications to the Contracts or waive any of its rights under the Contracts, without the prior written consent of the Security Agent.

6.2 No disposal of interests

The Chargor shall not (and shall not agree to) at any time during the subsistence of this Assignment dispose of all or any of the Assigned Rights except as permitted pursuant to the Finance Documents.

7. Financial Collateral Arrangements

To the extent that any of the Assigned Rights constitutes "financial collateral" and this Assignment and the obligations of the Chargor hereunder constitute a "security financial collateral arrangement" (in each case as defined in, and for the purposes of, the Financial Collateral Arrangements (No. 2) Regulations 2003 (SI 2003 No. 3226) (the "**Regulations**")) the Security Agent shall have the right to appropriate all or any part of such financial collateral in or towards discharge of the Secured Obligations.

8. Application of Enforcement Moneys

8.1 Intercreditor Agreement

All monies received or recovered by the Security Agent pursuant to this Assignment or the powers conferred by it shall (subject to the claims of any person having prior rights thereto and to the extent permitted by applicable law) be applied by the Security Agent (notwithstanding any purported appropriation by the Chargor) in accordance with clause 18 (*Application of Proceeds*) of the Intercreditor Agreement.

8.2 Suspense Account

If the security created by this Assignment is enforced at a time when no amount is due under the Finance Documents but at a time when amounts may or will become due, the Security Agent may pay the proceeds of any recoveries effected by it into a suspense account.

9. Power of Attorney

9.1 Appointment and powers

The Chargor irrevocably appoints the Security Agent and any delegate thereof independently to be its attorney and in its name, if the Chargor has not complied with a further assurance or perfection obligation and any applicable grace period has expired or following the occurrence of a Declared Default, on its behalf to execute, deliver and perfect all documents and do all things which the attorney may consider to be required for:

- (a) carrying out any obligation imposed on the Chargor by this Assignment (including the completion, execution and delivery of any deeds, charges, assignments or other security and any transfers of the Assigned Rights) which the Chargor has not performed, to the extent then liable to be performed; and
- (b) following the occurrence of a Declared Default, enabling the Security Agent to exercise, or delegate the exercise of, any of the rights, powers, authorities and discretions conferred on it by or pursuant to this Assignment or by law and (without prejudice to the generality of the foregoing) to execute and deliver and otherwise perfect any deed, assurance, agreement, instrument or act which it may reasonably deem proper in or for the purpose of exercising any of such rights, powers, authorities and discretions.

9.2 Ratification

The Chargor shall ratify and confirm all things done and all documents executed by any attorney in the exercise or purported exercise of the power of attorney in Clause 9.1 (*Appointment and powers*).

9.3 Security Agent's power to remedy breaches

If at any time the Chargor fails to perform any of the undertakings contained in this Assignment it shall be lawful for the Security Agent, but the Security Agent shall have no obligation, to take such action on behalf of the Chargor (including, without limitation, the payment of money) as may in the Security Agent's reasonable opinion be required to ensure that such undertakings are performed. Any costs, charges and expenses (provided such costs, charges and expenses are properly incurred) and losses incurred by the Security Agent in taking such action shall be reimbursed by the Chargor on demand.

10. Effectiveness of Security

10.1 Continuing security

- (a) The security created by or pursuant to this Assignment shall remain in full force and effect as a continuing security for the Secured Obligations unless and until the security created by or pursuant to this Assignment has been retrocessed by the Security Agent in accordance with Clause 11 (*Retrocession*).

- (b) No part of the security from time to time intended to be constituted by this Assignment will be considered satisfied or discharged by any intermediate payment, discharge or satisfaction of the whole or any part of the Secured Obligations.
- 10.2 Cumulative rights**
The security created by or pursuant to this Assignment and the Collateral Rights shall be cumulative, in addition to and independent of every other security which the Security Agent or any Secured Party may at any time hold for the Secured Obligations or any other obligations or any rights, powers and remedies provided by law.
- 10.3 No prejudice**
The security created by or pursuant to this Assignment and the Collateral Rights shall not be prejudiced by any unenforceability or invalidity of any other agreement or document or by any time or indulgence granted to the Chargor or any other person, or the Security Agent (whether in its capacity as trustee or otherwise) or any of the other Secured Parties or by any variation of the terms of the trust upon which the Security Agent holds the security or by any other thing which might otherwise prejudice that security or any Collateral Right.
- 10.4 Remedies and waivers**
No failure on the part of the Security Agent to exercise, nor any delay on its part in exercising, any Collateral Right shall operate as a waiver of that Collateral Right, nor shall any single or partial exercise of any Collateral Right preclude any further or other exercise of that or any other Collateral Right.
- 10.5 No liability**
None of the Security Agent or its nominee(s) shall be liable by reason of (a) taking any action permitted by this Assignment or (b) any neglect or default in connection with the Assigned Rights or (c) realising all or any part of the Assigned Rights, except, in each case, to the extent directly caused by fraud, wilful misconduct or gross negligence on its part.
- 10.6 Partial invalidity**
If, at any time, any provision of this Assignment is or becomes illegal, invalid or unenforceable in any respect under the law of any jurisdiction, neither the legality, validity or enforceability of the remaining provisions of this Assignment nor of such provision under the laws of any other jurisdiction shall in any way be affected or impaired thereby and, if any part of the security intended to be created by or pursuant to this Assignment is invalid, unenforceable or ineffective for any reason, that shall not affect or impair any other part of the security.
- 10.7 Waiver of defences**
The obligations of the Chargor under this Assignment will not be affected by an act, omission, matter or thing which, but for this Clause, would reduce, release or prejudice any of its obligations under this Assignment (without limitation and whether or not known to it or any Secured Party) including:
- (a) any time, indulgence, waiver or consent granted to, or composition with, any person; or
 - (b) the release of any person under the terms of any composition or arrangement with any creditor of any member of the Group; or
 - (c) the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect, take up or enforce, any rights against, or security over assets of, any person or any non-presentation or non-observance of any formality or other requirement in respect of any instrument or any failure to realise the full value of any security; or
 - (d) any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of any person; or
 - (e) any amendment, novation, supplement, extension (whether of maturity or otherwise) or restatement (in each case however fundamental and of whatsoever nature) or replacement of a Finance Document or any other document or security or of the Secured Obligations (including, without limitation, any increase to the Secured Obligations as may be agreed by any Obligor from time to time); or
 - (f) any unenforceability, illegality, invalidity, voidability or non-provability of any obligation of any person under any Finance Document or any other document or security or of the Secured Obligations; or

- (g) any insolvency or similar proceedings.

10.8 Immediate recourse

The Chargor waives any right it may have of first requiring any Secured Party (or the Security Agent or agent on its behalf) to proceed against any other Obligor or any other person or enforce any other rights or security or claim payment from any person before claiming from the Chargor under this Assignment. This waiver applies irrespective of any law or any provision of this Assignment to the contrary.

10.9 Deferral of rights

Until such time as the Secured Obligations have been discharged in full, the Chargor will not exercise any rights which it may have by reason of performance by it of its obligations under this Assignment:

- (a) to be indemnified by any Obligor;
- (b) to claim any contribution from any other Obligor or any guarantor of any Obligor's obligations under any Finance Document; and/or
- (c) to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights of the Secured Parties under the Finance Documents or of any other guarantee or security taken pursuant to, or in connection with, this Assignment by any Secured Party.

11. Retrocession

11.1 Redemption of security

Upon (a) the Secured Obligations being irrevocably discharged in full and none of the Secured Parties being under any further or actual contingent obligation to make advances or provide other financial accommodation to any Obligor or any other person under any of the Finance Documents; or (b) the Chargor becoming unconditionally entitled pursuant to any provision in the Finance Documents to have any Assigned Rights released from the security created by or pursuant to this Assignment, the Security Agent shall, at the request and cost of the Chargor retrocede and re-assign to the Chargor (or as it shall direct) its whole right, title, interest and benefit in and to the Assigned Rights.

11.2 Avoidance of payments

If the Security Agent considers, on the basis of independent legal advice, that any amount paid or credited to it is capable of being avoided or reduced by virtue of any bankruptcy, insolvency, liquidation or similar laws the liability of the Chargor shall continue and such amount shall not be considered to have been irrevocably paid.

12. Set-Off

The Chargor agrees that the Security Agent may set off any matured obligation due from the Chargor under the Finance Documents (to the extent vested in the Security Agent) against any matured obligation owed by the Security Agent to the Chargor, regardless of the place of payment, booking branch or currency of either obligation. If the obligations are in different currencies, the Security Agent may convert either obligation at a market rate of exchange in its usual course of business for the purpose of the set-off.

13. Subsequent Security Interests

If the Security Agent (acting in its capacity as trustee or otherwise) or any of the other Secured Parties at any time receives or is deemed to have received notice of any subsequent Security affecting all or any part of the Assigned Rights or any assignment or transfer of the Assigned Rights which is prohibited by the terms of this Assignment or any other Finance Document, all payments made thereafter by or on behalf of the Chargor to the Security Agent (whether in its capacity as trustee or otherwise) or any of the other Secured Parties shall be treated as having been credited to a new account of the Chargor and not as having been applied in reduction of the Secured Obligations as at the time when the Security Agent received such notice.

14. Assignment

The Security Agent may assign and transfer all or any of its rights and obligations under this Assignment to the extent and in the manner permitted under the Intercreditor Agreement. The Security Agent shall be entitled to disclose such information concerning the Chargor and this Assignment as the Security Agent considers appropriate to any actual or proposed direct or indirect successor to the extent and in the manner permitted under the Intercreditor Agreement or to any other person to whom information may be required to be disclosed in accordance with any applicable law.

15. Notices

The provisions of clause 25 (*Notices*) of the Intercreditor Agreement shall apply to this Assignment.

16. Discretion and Delegation

16.1 Discretion

Save as provided to the contrary in this Assignment, any liberty or power which may be exercised or any determination which may be made under this Assignment by the Security Agent may (subject to the terms of the Intercreditor Agreement) be exercised or made in its absolute and unfettered discretion without any obligation to give reasons.

16.2 Delegation

The Security Agent shall have full power to delegate (either generally or specifically) the powers, authorities and discretions conferred on it by this Assignment (including the power of attorney) on such terms and conditions as it shall see fit which delegation shall not preclude any subsequent exercise, delegation or revocation of such power, authority or discretion by the Security Agent. The Security Agent shall not be in any way liable or responsible to the Chargor for any loss or damage arising from any act, default, omission or misconduct on the part of any such delegate or sub-delegate except, in each case, to the extent directly caused by fraud or wilful misconduct or gross negligence on its part.

16.3 Obligations on Security Agent

By its acceptance of the delivery of this Assignment and any Further Assignment in Security by the Chargor in respect of Customer Loans, the Security Agent acknowledges that it shall be bound by its terms and accepts the obligations imposed on it under this Assignment and any Further Assignment in Security.

17. Further Assignations

The Chargor shall:

- 17.1 on or around the last day of each period of three months after the date of delivery of this Assignment, grant a Further Assignment in Security in respect of all Customer Loans governed by Scots law which have been originated since, as applicable, the date of delivery of this Assignment or the date of the previously granted Further Assignment in Security;
- 17.2 promptly following the date of such Further Assignment in Security (and in any event within any statutory time limit), procure that particulars of such Further Assignment in Security are registered at Companies House in England and Wales under section 859A of the Companies Act 2006 and associated fees are paid; and
- 17.3 promptly following the registration and payment made in respect of such Further Assignment in Security pursuant to Clause 17.2 above, deliver such Further Assignment in Security together with evidence of such registration to the Security Agent.

18. Governing Law

This Assignment and any non-contractual obligations arising out of or in connection with it shall be construed and governed in all respects in accordance with the law of Scotland.

19. Jurisdiction

- 19.1 The courts of Scotland have exclusive jurisdiction to settle any dispute arising out of, or connected with this Assignment (including a dispute regarding the existence, validity or termination of this Assignment or the consequences of its nullity or any non-contractual obligations arising out of or in connection with this Assignment) (a "**Dispute**").
- 19.2 The Chargor agrees that the courts of Scotland are the most appropriate and convenient courts to settle Disputes and, accordingly, it will not argue to the contrary.

20. Consent to Registration

The Chargor hereby consents to the registration of this Assignment for preservation.
