For the year ending 31/03/2017 the company was entitled to exemption under section 477 of the Companies Act 2006 relating to small companies.

The members have not required the company to obtain an audit in accordance with section 476 of the Companies Act 2006.

The directors acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of accounts.

These accounts have been prepared and delivered in accordance with the provisions applicable to companies subject to the small companies regime.

The directors have decided not to deliver to the registrar a copy of the company's profit and loss account.

Approved by the board on 21/11/2017 and signed on their behalf by

Dr Koushik B S Naik

Director

NOTES TO THE ACCOUNTS FOR THE YEAR ENDED 31/03/2017

1. ACCOUNTING POLICIES

1a. Basis Of Accounting

The accounts have been prepared under the historical cost convention.

The accounts have been prepared in accordance with FRS102 - The Financial Reporting Standard applicable in the UK and Republic of Ireland and the Companies Act 2006.

1b. Depreciation

Depreciation has been provided at the following rates in order to write off the assets over their estimated useful lives.

Fixtures and Fittings

reducing balance 15%

1c. Stocks

Stocks are stated at the lower of cost and estimated selling price less costs to complete and sell (net realisable value). Costs, which comprise direct production costs, are based on the method most appropriate to the type of inventory class, but usually on a first-in-first-out basis. Overheads are charged to profit or loss as incurred. Net realisable value is based on the estimated selling price less any estimated completion or selling costs.

When stocks are sold, the carrying amount of those stocks is recognised as an expense in the period in which the related revenue is recognised. The amount of any write-down of stocks to net realisable value and all losses of stocks are recognised as an expense in the period in which the write-down or loss occurs. The amount of any reversal of any write-down of stocks is recognised as a reduction in the amount of stocks recognised as an expense in the period in which the reversal occurs.

1d. Goodwill

Goodwill arising in connection with the acquisition of businesses is capitalised and amortised over its estimated economic life to a maximum of 20 years. Goodwill is reviewed annually for impairment if events or changes in circumstances indicate that the carrying value may not be recoverable.

2. INTANGIBLE FIXED ASSETS
