Network Cars & Courier Services Limited

Notes to the financial statements for the Period from 9 January 2014 to 31 January 2015

1 Accounting policies

Trading status

The company was dormant and has not traded during the period.

Financial instruments

Financial instruments are classified and accounted for, according to the substance of the contractual arrangement, as financial assets, financial liabilities or equity instruments. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities. Where shares are issued, any component that creates a financial liability of the company is presented as a liability in the balance sheet. The corresponding dividends relating to the liability component are charged as interest expense in the profit and loss account.
