 - (i) a **"Chargor"**, the **"Security Agent"** or any other **"Secured Party"** or any other person shall be construed so as to include its successors in title, permitted assigns and permitted transferees and, in the case of the Security Agent, any person for the time being appointed as Security Agent or Security Agents in accordance with the Finance Documents;
 - (ii) **"this Deed"**, the **"Master Facilities Agreement"**, any other **"Finance Document"** or any other agreement or instrument is a reference to this Deed, the Master Facilities Agreement, that other Finance Document or that other agreement or instrument as amended, supplemented, extended, restated, novated and/or replaced in any manner from time to time (however fundamentally and even if any of the same increases the obligations of any member of the Group or provides for further advances); and
 - (iii) **"Secured Obligations"** includes obligations and liabilities which would be treated as such but for the liquidation, administration or dissolution of or similar event affecting any member of the Group.
- (c) Each undertaking of a Chargor (other than a payment obligation) contained in this Deed:
 - (i) must be complied with at all times during the Security Period; and

- (e) If the Security Agent or the Agent reasonably considers that an amount paid by any member of the Group to a Secured Party under a Finance Document is capable of being avoided or otherwise set aside on the liquidation or

administration of such member of the Group, then that amount shall not be considered to have been irrevocably paid for the purposes of this Deed.

- (f) The Parties intend that this document shall take effect as a deed notwithstanding the fact that a Party may only execute this document under hand.

1.3 Joint and several

The liabilities and obligations of each Chargor under this Deed are joint and several. Each Chargor agrees to be bound by this Deed notwithstanding that any other Chargor which was intended to sign or be bound by this Deed did not so sign or is not bound by this Deed.

1.4 Inconsistency between this Deed and the Intercreditor Agreement

If there is any conflict or inconsistency between any provision of this Deed and any provision of the Intercreditor Agreement, the provision of the Intercreditor Agreement shall prevail.

1.5 Trust

All Security and dispositions made or created, and all obligations and undertakings contained, in this Deed to, in favour of or for the benefit of the Security Agent are made, created and entered into in favour of the Security Agent as trustee for the Secured Parties from time to time on the terms of the Master Facilities Agreement.

Save as expressly provided to the contrary in this Deed, a person who is not a Party has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce or enjoy the benefit of any term of this Deed.

2 COVENANT TO PAY

2.1 Covenant to pay

- (a) Each Chargor, as principal obligor and not merely as surety, covenants in favour of the Security Agent that it will pay and discharge the Secured Obligations from time to time when they fall due.
- (b) Every payment by a Chargor of a Secured Obligation which is made to or for the benefit of a Secured Party to which that Secured Obligation is due and payable in accordance with the Finance Document under which such sum is payable to that Secured Party, shall operate in satisfaction to the same extent of the covenant contained in Clause 2.1(a).

2.2 Default interest

5 FLOATING CHARGE

Each Chargor charges and agrees to charge by way of first floating charge all of its present and future:

6.4 Scottish property

Clause 6.3 (*Automatic conversion*) will not apply to any assets situated in Scotland if, and to the extent that, a Receiver would not be capable of exercising his powers in Scotland pursuant to section 72 of the Insolvency Act 1986 by reason of such automatic conversion.

6.5 Partial conversion

The giving of a notice by the Security Agent pursuant to Clause 6.1 (*Conversion by notice*) in relation to any asset or class of assets of any Chargor shall not be construed as a waiver or abandonment of the rights of the Security Agent to serve similar notices in respect of any other asset or class of assets or of any other right of the Security Agent and/or the other Secured Parties.

7 CONTINUING SECURITY

7.1 Continuing security

The Debenture Security is continuing and will extend to the ultimate balance of the Secured Obligations regardless of any intermediate payment or discharge in whole or in part. This Deed shall remain in full force and effect as a continuing security for the duration of the Security Period.

7.2 Additional and separate security

This Deed is in addition to, without prejudice to, and shall not merge with, any other right, remedy, guarantee or Security which the Security Agent and/or any Secured Party may at any time hold for any Secured Obligation.

This Deed may be enforced against each or any Chargor without the Security Agent and/or any other Secured Party first having recourse to any other right, remedy, guarantee or Security held by or available to it or any of them.

8 LIABILITY OF CHARGORS RELATING TO SECURITY ASSETS

Notwithstanding anything contained in this Deed or implied to the contrary, each Chargor remains liable to observe and perform all conditions and obligations assumed by it in relation to the Security Assets. The Security Agent is under no obligation to perform or fulfil any such condition or obligation or to make any payment in respect of any such condition or obligation.

9 ACCOUNTS

No monies at any time standing to the credit of, and no rights and benefits relating to, any account (of any type and however designated) of any Chargor:

- (a) held with the Security Agent and/or any other Secured Party; or
- (b) held with any person other than the Security Agent and/or any other Secured Party,

shall be capable of being assigned to any person other than a Secured Party, save (in the case of the accounts referred to in paragraph (b) above) as permitted under the Master Facilities Agreement.

The Original Chargor makes the representations and warranties set out in this Clause 10 to the Security Agent and to each other Secured Party.

24.4 Protective Clauses

- (a) Each Chargor is deemed to be a principal debtor in relation to this Deed. The obligations of each Chargor under, and the security intended to be created by, this Deed shall not be impaired by any forbearance, neglect, indulgence, extension or time, release, surrender or loss of securities, dealing, amendment or arrangement by any Secured Party which would otherwise have reduced, released or prejudiced this Debenture Security or any surety liability of a Chargor (whether or not known to it or to any Secured Party).
- (b) Clause 23 of the Master Facilities Agreement (*Guarantee and indemnity*) applies in relation to this Deed as if references to the obligations referred to in such Clause respectively were references to the obligations of each Chargor under this Deed.

25 NOTICES

25.1 Master Facilities Agreement

Subject to Clause 25.2 (*Notices through the Parent as Obligors' Agent*):

- (a) Clause 43 (*Notices*) of the Master Facilities Agreement is incorporated into this Deed as if fully set out in this Deed; and
- (b) the address and fax numbers of each Party for all communications or documents given under or in connection with this Deed are those identified with its name in the execution pages to this Deed or subsequently notified from time to time by the relevant Party for the purposes of the Master Facilities Agreement or this Deed.

25.2 Notices through the Parent as Obligors' Agent

- (a) All communications and documents to or from the Chargors (or any of them) may be sent through the Parent as Obligors' Agent under the Master Facilities Agreement.
- (b) Any communication or document made or delivered to the Parent in accordance with this Clause 25 will be deemed to have been made or delivered to each of the Chargors.

26 CALCULATIONS AND CERTIFICATES

Any certificate of or determination by a Secured Party, the Security Agent or the Agent specifying the amount of any Secured Obligation due from a Chargor (including details of any relevant calculation thereof) is, in the absence of manifest error, conclusive evidence against the relevant Chargor of the matters to which it relates.

27 PARTIAL INVALIDITY

All the provisions of this Deed are severable and distinct from one another and if at any time any provision is or becomes illegal, invalid or unenforceable in any respect under any law of any jurisdiction, neither the legality, validity or enforceability of any of the remaining provisions nor the legality, validity or enforceability of such provision under the law of any other jurisdiction will in any way be affected or impaired.

28 REMEDIES AND WAIVERS

No failure to exercise, nor any delay in exercising, on the part of the Security Agent (or any other Secured Party), any right or remedy under this Deed shall operate as a waiver, nor shall any single or partial exercise of any right or remedy prevent any further or other exercise, or the exercise of any other right or remedy. The rights and remedies provided are cumulative and not exclusive of any rights or remedies provided by law.

29 AMENDMENTS AND WAIVERS

Any provision of this Deed may be amended only if the Security Agent and the Chargors (or the Parent as Obligor's Agent on their behalf) so agree in writing and any breach of this Deed may be waived before or after it occurs only if the Security Agent so agrees in writing. A waiver given or consent granted by the Security Agent under this Deed will be effective only if given in writing and then only in the instance and for the purpose for which it is given.

30 COUNTERPARTS

This Deed may be executed in any number of counterparts, and this has the same effect as if the signatures (and seals, if any) on the counterparts were on a single copy of this Deed.

31 RELEASE

31.1 Release

Upon the expiry of the Security Period (but not otherwise, save as provided in Clause 31.2 (*Permitted Disposals*) below), the Security Agent and each Secured Party shall, at the request and cost of each Chargor, promptly take any action, including preparing and delivering all documents and instruments (including any termination or release letter or deed) and performing all acts and deeds (including returning share certificates, related share transfer forms and any other document belonging to any such Chargor and sending notifications counterparties to the Assigned Assets) which are, in each case, necessary or otherwise requested by any Chargor (acting

reasonably) in order to release the Security Assets from the security constituted by this Deed.

31.2 Permitted Disposals

Where a Chargor disposes of an asset under a Permitted Disposal, the Security Agent shall and each other Secured Party shall, at the request and cost of the relevant Chargor, take all reasonable steps to evidence the release or re-assignment of the Security Assets which are the subject of such Permitted Disposal.

31.3 Reinstatement

Where any discharge (whether in respect of the obligations of any Chargor or any security for those obligations or otherwise) is made in whole or in part or any arrangement is made on the faith of any payment, security or other disposition which is avoided or must be restored on insolvency, liquidation or otherwise (without limitation), the liability of each Chargor under this Deed shall continue as if the discharge or arrangement had not occurred. The Security Agent may concede or compromise any claim that any payment, security or other disposition is liable to avoidance or restoration.

32 GOVERNING LAW

This Deed and any non-contractual obligations arising out of or in connection with it shall be governed by English law.

33 ENFORCEMENT

33.1 Jurisdiction of English courts

- (a) The courts of England have exclusive jurisdiction to settle any dispute arising out of or in connection with this Deed (including a dispute relating to the existence, validity or termination of this Deed or any non-contractual obligation arising out of or in connection with this Deed) (a "**Dispute**").
- (b) The Parties agree that the courts of England are the most appropriate and convenient courts to settle Disputes and accordingly no Party will argue to the contrary.
- (c) This Clause 33.1 is for the benefit of the Finance Parties and Secured Parties only. As a result, no Finance Party or Secured Party shall be prevented from taking proceedings relating to a Dispute in any other courts with jurisdiction. To the extent allowed by law, the Finance Parties and Secured Parties may take concurrent proceedings in any number of jurisdictions.

IN WITNESS of which this Deed has been duly executed by the Original Chargor as a deed and duly executed by the Security Agent and has been delivered on the first date specified on page 1 of this Deed by the Original Chargor.
