 - (b) it is proposed (either by the Director in question or another) that the Board authorise the matter and upon the resolution to do so the requirement for the quorum is met without counting the Director in question and the resolution was agreed to without such Director voting or would have been agreed to if that conflicted Director's vote had not been counted.
- 25. Any terms determined by the Board under Article 24 may be imposed at the time of authorisation or may be imposed subsequently and may include (without limitation):

PRE-EMPTIVE TRANSFERS

39.1. Save as provided by Article 38 (*permitted transfers*) and Article 39.13 - 39.19 (*compulsory transfers*) and Articles 41 to 41.3 (*change of control, tag-along and drag-along*) no member or person entitled by transmission shall transfer or dispose of or agree to transfer or dispose of or grant any interest or right in any Equity Share to any person (a "**transferee**") without first offering the same for transfer to the holders for the time being of Equity Shares (other than the proposing transferor). Such offer may be in respect of all or part only of the Equity Shares held by the proposing transferor, and shall be made by the proposing transferor by the giving in writing of a notice to the Company (a "**Transfer Notice**"). For the avoidance of doubt (as set out in article 11.2), a B shareholder shall not be entitled to

give a Transfer Notice in respect of his B shares (but a deemed Transfer Notice may still arise in respect of B shares).

- 39.2. Each Transfer Notice shall specify the number and class of Equity Shares offered (the "**Sale Shares**") and (unless the Transfer Notice is deemed given as provided by these Articles) the price at which the Sale Shares are offered (the "**Specified Price**") and the identity(ies) of the proposed transferee(s) (if any) and it shall constitute the Directors as the agent of the proposing transferor for the sale of the Sale Shares to the other holders of Equity Shares (other than the proposing transferor and other than the B shareholders unless a Threshold Event has occurred).
- 39.3. Subject to Article 39.12, upon receipt or deemed receipt by the Company of the Transfer Notice the Directors shall forthwith give written notice to the holders of Equity Shares (other than the proposing transferor and other than the B shareholders unless a Threshold Event has occurred) of the number and class of the Sale Shares and the Specified Price, and (unless the Transfer Notice is deemed given as provided by these Articles) the identity(ies) of the proposed transferee(s) (if any) and this notice shall invite each of such holders to state by notice in writing to the Company within 60 days whether he is willing to purchase any and, if so, what maximum number of the Sale Shares ("**Maximum**") he is willing to purchase. A person who, pursuant to such a notice, expresses a willingness to purchase any Sale Shares is referred to below as a "**Purchaser**".
- 39.4. Within 10 days of the expiration of the said period of 60 days the Directors shall, subject to Article 39.6 below, allocate the Sale Shares to or amongst the Purchasers.
- 39.5. Each allocation among the relevant persons identified in Article 39.4 shall, in the case of competition, be made pro-rata to the number of shares of the relevant class (which is being offered for sale) as is held by them (leaving out of such calculation the shares offered), but individual allocations shall not exceed the Maximum which the relevant person shall have expressed a willingness to purchase.
- 39.6. If the Transfer Notice shall state that the proposing transferor is not willing to transfer part only of the Sale Shares, no allocation shall be made unless all the Sale Shares are allocated.
- 39.7. Forthwith upon such allocation being made, the Purchasers to or amongst whom such allocation has been made shall be bound to pay to the Company (as agent for the proposing transferor) the Specified Price for, and to accept a transfer of, the Sale Shares so allocated to them respectively and the proposing transferor shall be bound forthwith upon payment of the Specified Price as aforesaid to deliver to the Company (as agent for the Purchasers) such documents as are required to transfer such shares to the respective Purchasers.
- 39.8. If in any case the proposing transferor, after having become bound to transfer Sale Shares as aforesaid, makes default in so doing the Company may receive the Specified Price and the Directors may appoint some person to execute instruments of transfer of such Sale Shares in favour of the Purchasers and shall thereupon, subject to such transfers being

properly stamped, cause the name of each of the Purchasers to be entered in the Register of Members as the holder of those Sale Shares allocated to him as aforesaid and shall hold the Specified Price in trust for the proposing transferor. The issue of a receipt by the Company therefor shall be a good discharge to the Purchasers and after their names shall have been entered in the Register of Members in exercise of the aforesaid power the validity of the transactions shall not be questioned by any person.

- 39.9. If, at the expiration of the period of 10 days referred to in Article 39.4 above, any of the Sale Shares have not been allocated (as there are insufficient Purchasers as referred to in article 39.3) the Directors shall have 5 days to give notice to the transferor that they have allocated such shares pursuant to article 39.12 and if no such notice is given, the proposing transferor may at any time within a period of 60 days after the expiration of the said period of 15 days (being the 10 days referred to in Article 39.4 and the 5 days referred to here) transfer such unallocated Sale Shares to the proposed transferee(s) (if any) specified in the Transfer Notice, or to any other person at any price not being less than the Specified Price provided that:
- 39.9.1. if the Transfer Notice shall contain the statement referred to in Article 39.6 the proposing transferor shall not be entitled hereunder to transfer any of such Sale Shares unless in aggregate all of such Sale Shares are so transferred;
- 39.9.2. the Board may require to be satisfied on reasonable grounds that such unallocated Sale Shares are being transferred in pursuance of a bona fide sale for the consideration stated in the transfer without any deduction, rebate or allowance whatsoever to the transferee and if not so satisfied may refuse to register the instrument of transfer.
- 39.10. The restrictions on transfer contained in this Article shall apply to all transfers and transmissions by operation of law or otherwise of Equity Shares.
- 39.11. Where a member or other person is under these Articles deemed to have served a Transfer Notice in respect of Equity Shares, such Transfer Notice shall be deemed not to contain the statement referred to in Article 39.6.
- 39.12. If the proposing transferor is an Employee Member, and/ or if the shares are B shares being sold pursuant to the Compulsory Transfer provisions, or if the Board directs in any other case, the Directors may allocate some or all of the Sale Shares to be bought back by the Company or to existing or prospective employees of the Company (or any of its subsidiaries and/or to a trust established for the benefit of such employees or former employees) or to any other persons as the Directors think is merited in exceptional circumstances, in which event the provisions of Articles 39.3 to 6 (inclusive) and Article 39.9 shall not apply to the Sale Shares allocated pursuant to this Article 39.12 (and the person/s to whom the Directors have allocated the Sale Shares pursuant to this paragraph shall be the Purchasers for the purposes of articles 39.7 and 39.8).

COMPULSORY TRANSFERS

- 39.13. The following provisions (articles 39.14 to 39.19), the "Compulsory Transfer provisions", apply to determine whether a person is required to sell his or her shares on becoming a Leaver, and, if so, at what price.
- 39.14. A Leaver shall be deemed on the date of cessation (as determined in accordance with the definition of "Leaver") to have served a separate Transfer Notice in respect of all of the Equity Shares then held by him or her (and such deemed Transfer Notice shall supersede any previous Transfer Notice which has not completed) and, subject always to articles 39.16 and 39.17, the provisions of Articles 39.1- 39.12 (*pre-emptive transfers*) shall apply to such Equity Shares (as supplemented by the following Compulsory Transfer provisions).

- 39.15.5. in respect of a Good Leaver who becomes a Leaver after the third Anniversary, the Fair Price for all the shares,
- provided that the Board may acting in its discretion) may, by notice in writing served on a Good Leaver within 10 Business Days of the deemed Transfer Notice referred to above, specify that the Good Leaver shall (notwithstanding articles 39.15.2 to 39.15.5) determine that the Specified Price shall be Fair Price for all shares (or some additional number of shares above the number determined pursuant to articles 39.15.2 to 39.15.5).
- 39.16. A Good Leaver may elect, by written notice to the Board, within 10 Business Days of the deemed Transfer Notice referred to above, that he or she shall retain some or all of his or her shares (but not to exceed the number of shares for which the Fair Price would

otherwise be received under 39.15 (either under articles 39.15.2 to 39.15.5 or pursuant to the Board's discretion in article 39.15)), and in such a case the Compulsory Transfer Provisions shall have no further application to such shares.

39.17. The Board (acting in its discretion) may, by notice in writing served on the Leaver within prior to the expiry of 10 Business Days of the deemed Transfer Notice referred to above, specify that a Bad Leaver may retain some or all of his or her shares, and in such a case the Compulsory Transfer Provisions shall have no further application to such shares.

39.18. Notwithstanding any other provision herein contained, if a Leaver retains shares, he or she shall have all the rights of and shall rank *pari passu* with the other holders of the class or classes of shares held by him save that (if the Board determines this article shall apply to such Leaver):

39.18.1. at any general meeting or class meeting of the Company he or she shall be deemed to vote (whether on a poll or otherwise) in the same manner as the majority of votes cast at the relevant meeting by the holders of the relevant class or classes of shares held by him;

39.18.2. in a written resolution he or she will be deemed to resolve in the same manner as the majority of the holders of the relevant class or classes of shares held by him or her; and

39.18.3. in relation to any matter where the consent of the holders of the class or classes of shares held by him or her is required he or she shall be deemed to grant consent if the majority of the holders of the relevant class or classes of shares held by him grant such consent;

and he or she hereby appoints any Director from time to time to sign any such resolution, consent, transfer form or other document and/or take any other act in his or her name and on his or her behalf to implement all or any of the above provisions.

39.19. If, in the opinion of the Board (acting reasonably), any member to whom Article 39.18 applies takes or seeks to take any action contrary to the terms of Article 39.18 or seeks to prevent any Director from taking any action pursuant to the authority conferred on them pursuant to the terms of Article 39.18 any Director may, by serving written notice on the Company and the relevant member deem such member to have served a Transfer Notice in respect of all of the shares then held by him and in respect of which the Specified Price shall be the price which would have been applicable had he become a Leaver on the date of that written notice.

40. **"Fair Price"** means the price per share as at the date of Transfer Notice, as agreed between the selling shareholder and the Directors within 21 days (or such extended period as they agree) or, in the absence of such agreement, the price as at such date certified in writing by the Valuer as being in their opinion the fair value of the shares as between a willing seller and a willing buyer (with no discount to reflect the unquoted status of the shares) provided that the Valuer, in determining the fair value of any of such shares shall be instructed to:

- 40.1.1. determine the sum in cash which a willing buyer would offer to a willing seller for the whole of the relevant class of Equity Shares of which the shares the subject of the Transfer Notice form part;
- 40.1.2. divide the resultant figure by the number of issued Equity Shares of such class (and any outstanding options or rights to acquire Equity Shares of that class, on the assumption that such option or rights will be exercised in full);

but so that there shall be no addition or subtraction of any premium or discount arising in relation to the size of the holding which is the subject of the relevant transfer, or in relation to any restrictions on the transferability of the shares or on account of whether the Purchaser will increase his or her holding in the Company by any amount, and provided further that the Valuer shall take into account in relation to determining the appropriate figure for Article 40.1.1 above any bona fide offer from any third party to purchase any holdings the subject of a Transfer Notice, and PROVIDED THAT Fair Price shall be not less than £50/ A Share and £1 per B Share. The costs of the Valuer shall be borne between the Company and the selling shareholder in the proportions as the Valuer shall determine to be fair and reasonable in the circumstances having regard to the merits of each party's arguments as to value.

CHANGE OF CONTROL

41. Notwithstanding any other provision of these Articles, but save for transfers pursuant to Articles 38 (permitted transfers), no sale or transfer of, or transfer of any interest in, any shares conferring a right to vote at general meetings of the Company to any person whomsoever, which would result in such person (together with any persons acting in concert with such person) obtaining or increasing a Controlling Interest in the Company, shall be made or registered and no right to subscribe for any shares which would result, when such shares are issued, in such a person obtaining or increasing a Controlling Interest in the Company shall be exercised unless prior to such transfer or subscription being completed a General Offer is made to all members by the person or persons proposing to acquire or increase the Controlling Interest to purchase all the Equity Shares in issue and all the unissued Equity Shares for which any person shall then be entitled to subscribe.

Any General Offer shall conform to the requirements of the Code (so far as applicable and subject as provided in these Articles) as if the Code applied to such General Offer (with the Board making any determinations or dispensations which would otherwise fall to be made by the Panel (such determinations or dispensations to be binding on all of the members provided they are made by the Board in good faith in what it believes to be the interests of the members as a whole)) and shall attribute an equal value to each Equity Share of the same class being a value not less than the highest value paid or agreed to be paid (other than pursuant to (articles 39.13 et seq, the Compulsory Transfer provisions)) for an Equity Share of each class by the proposed acquiror(s) of the Controlling Interest in the 6 months preceding the date of the General Offer and shall offer equivalent type of consideration and terms of sale for each class of shares to all holders of Equity Shares.

It shall be a term of a General Offer and of any agreement to acquire any shares pursuant thereto that a Controlling Interest is only obtained or increased in consequence of such General Offer or agreement if such General Offer is accepted in respect of a number of shares which would result in the offeror holding more than 50% of the Voting Rights. Any General Offer shall be made in writing (stipulated to be open for acceptance for at least twenty-eight days) to all shareholders and shall include an undertaking by the offeror that neither he nor any person acting in concert with him has within the 6 months immediately preceding or will within the 6 months immediately succeeding the making of the General Offer entered into or will enter into more favourable terms with any member for the purchase of shares of the same class. Such a General Offer shall be accepted or rejected in writing within the time period reasonably stipulated and shall be deemed to have been rejected by a member if he does not respond within such time period.

TAG-ALONG

- 41.1. If as the result of a General Offer a person or persons (in this Article the "**Buyer**") together, with persons acting in concert with such person, acquires shares which would (together with any existing holding) give such person more than 50% of the Voting Rights, the Company shall forthwith notify all members accordingly and any member who did not accept the General Offer may by written notice to the Company served within 60 days of such notification require the Company as agent for such member to serve a notice (in this Article a "**Compulsory Purchase Notice**") on the Buyer requiring it to buy such member's shares at, in respect of a General Offer, the consideration applicable to such General Offer. The Company shall serve the Compulsory Purchase Notice forthwith upon receipt of any such written notice by a member.
- 41.2. The Buyer shall complete the purchase of all shares in respect of which a Compulsory Purchase Notice has been given no later than 21 days from the date of the serving of such Compulsory Purchase Notice on it. The consideration shall be payable in full without any set off. Any transfer pursuant to a Compulsory Purchase Notice shall not require the proposing transferor to give a Transfer Notice. The Directors shall not register any transfer to the Buyer and the Buyer shall not be entitled to exercise or direct the exercise of any rights in respect of any shares to be transferred to the Buyer until in each case the Buyer has fulfilled all his obligations pursuant to this Article. If and for so long as the Buyer fails to comply with the provisions of this Article, the shares held by the Buyer shall confer on the Buyer no right to receive notice of, attend or vote at any general meeting of the Company or at any separate general meeting of the holders of the shares of that class or on any resolution of the Company whatsoever until the obligations of the Buyer hereunder have been complied with and such shares shall confer no right to receive notice of, attend or vote at any meeting of the Company unless and until the Buyer has complied with such obligations under this Article.

DRAG-ALONG

- 41.3. If as the result of a General Offer a person or persons (in this Article the "**Buyer**"), together with persons acting in concert with such person, acquires shares which would (together with any existing holding) give such person more than 50% per cent of the Voting Rights)

then the Buyer may by written notice to the Company served within 60 days of such acquisition require the Company as agent for the Buyer to serve notices (in this Article each a "**Compulsory Purchase Notice**") on members who have not accepted such offer (the "**Minority Shareholders**") requiring them to sell their shares (if any) at the consideration applicable to such General Offer. The Company shall serve the Compulsory Purchase Notices forthwith and for the period of 21 days from the service of the Compulsory Purchase Notices the Minority Shareholders shall not be entitled to transfer their shares to anyone except the Buyer or a person identified by the Buyer.

- 41.4. The Buyer shall complete the purchase of all shares in respect of which a Compulsory Purchase Notice has been given at the same time and no later than 21 days from the date of the serving of such Compulsory Purchase Notices. The consideration shall be payable in full without any set off. Any transfer pursuant to a Compulsory Purchase Notice shall not require the proposing transferor to give a Transfer Notice. The Directors shall not register any transfer to the Buyer and the Buyer shall not be entitled to exercise or direct the exercise of any rights in respect of any shares to be transferred to the Buyer until in each case the Buyer has fulfilled all his obligations pursuant to this Article 41.4.
- 41.5. If in any case a Minority Shareholder, on the expiration of 21 days from the service of the Compulsory Purchase Notice, shall have not transferred his shares to the Buyer or a person identified by the Buyer against payment of the price therefor, the Directors may authorise some person to execute and deliver on his behalf any necessary transfer in favour of the Buyer or the person identified by the Buyer and shall receive the consideration in respect of such shares and shall thereupon (subject to the transfer being duly stamped) cause the name of the Buyer (or the person identified by the Buyer) to be entered into the Register of Members as the holder of the relevant shares. The Company shall hold the consideration in trust for the Minority Shareholder but shall not be bound to earn or pay interest thereon. The issue of a receipt by the Company for the consideration shall be a good receipt for the price for the relevant shares but the Buyer shall not be discharged from procuring that the Company applies the money in payment to the Minority Shareholder which shall be made against delivery by the Minority Shareholder of the certificate in respect of the shares or an indemnity in respect of the same. After the name of the Buyer or the person identified by the Buyer has been entered in the Register of Members in purported exercise of the aforesaid powers the validity of the proceedings shall not be questioned by any person.
