4. PROGRESS SINCE MY LAST REPORT

This is my final report and account of the liquidation and should be read in conjunction with my previous progress reports to creditors.

Receipts and Payments

Attached at Appendix 1 is our abstract of receipts and payments for the period from 30 June 2021 to 21 July 2021.

RECEIPTS

No funds have been received during the period of this report

PAYMENTS

Clarke Mairs LLP has been paid £817.90 in relation to providing assistance in making the distribution to the creditors.

What work has been done in the period of this report, why was that work necessary and what has been the financial benefit (if any) to creditors?

Details of the types of work that generally fall into the headings mentioned below are available on my firm's website - http://www.begbies-traynorgroup.com/work-details Under the following headings I have explained the specific work that has been undertaken on this case. Not every piece of work has been described, but I have sought to give a proportionate overview which provides sufficient detail to allow creditors to understand what has been done, why it was necessary and what financial benefit (if any) the work has provided to creditors.

My previous reports contain details of the work undertaken since my appointment.

General case administration and planning

I have maintained records to demonstrate how the case has been administered and to document the reasons for any decisions that affect the case. I have also carried out regular reviews of the case. There was no financial benefit to creditors.

Compliance with the Insolvency Act, Rules and best practice

Time has been spent during the period preparing and distributing the annual progress report to the Registrar of Companies, members and creditors, in line with my Statutory obligations.

Realisation of assets

No assets have been realised during the period.

Dealing with all creditors' claims (including employees), correspondence and distributions

A distribution has been made to unsecured creditors during the period.

Other matters which includes seeking decisions from creditors (via Deemed Consent Procedure and/or Decision Procedures), tax, litigation, pensions and travel

Time has been spent corresponding with HM Revenue & Customs to finalise the Company's tax affairs.

OUTCOME FOR CREDITORS

Details of the sums owed to each class of the Company's creditors were provided in my previous progress report.

On the basis of realisations, the outcome for each class of the Company's creditors is as follows:

Secured creditors

There are no known secured creditors.

Preferential creditors

There are no known preferential claims.

Prescribed Part for unsecured creditors pursuant to Section 176A of the Act

Details of how the prescribed part is calculated have previously been provided in my previous progress report.

To the best of our knowledge and belief, there are no unsatisfied floating charges created or registered on or after 15 September 2003 and, consequently, there is no net property as defined in Section 176A(6) of the Act and, therefore, no prescribed part of net property is available for distribution to the unsecured creditors.

Unsecured creditors

A dividend of 73 pence in the £1 was paid on 19 July 2021.

REMUNERATION & DISBURSEMENTS

Remuneration

A report was issued to creditors on 9 July 2018 requesting that the Liquidators' fees be approved on a time cost fee basis totalling £10,360.00 for different categories of work and that the Liquidator be permitted to recover category 2 disbursements. No approval was received.

As no approval was received, I instructed Clarke Mairs LLP to make an application to court in order to obtain fee approval in this matter. Court approval for my fees was granted at a hearing held on the 10 December 2019.

I am also authorised to draw for services provided by our firm and/or entities within the Begbies Traynor group, in accordance with my firm's policy, which is attached at Appendix 2 of this report.

My time costs for the period from 30 June 2021 to 21 July 2021 amount to £4,147.00 which represents 14.2 hours at an average rate of £292.04 per hour.

The following further information in relation to my time costs and disbursements is set out at Appendix 2:

- Begbies Traynor (Central) LLP's charging policy
- Time Costs Analysis for the period 30 June 2021 to 21 July 2021

To 21 July 2021, I have drawn funds on account of my remuneration totalling £10,360.00, against total time costs of £20,306.00 incurred since the date of my appointment.

Time Costs Analysis

The Time Costs Analysis for the period of this report attached at Appendix 2 shows the time spent by each grade of staff on the different types of work involved in the case, and gives the total costs and average hourly rate charged for each work type.

Please note that the analysis provides details of the work undertaken by me and my staff following my appointment only.

Work undertaken prior to appointment

In addition to the post appointment costs, the costs relating to work undertaken prior to my appointment in assisting with the preparation of the statement of affairs and seeking the decisions of creditors on the nomination of the liquidator was approved by the creditors on 30 June 2016. This was approved on a fixed fee basis of £2,000. These costs have been paid, as detailed in the attached receipts and payments account.

8. UNREALISABLE ASSETS

There are no assets that have proved to be unrealisable.

9. OTHER RELEVANT INFORMATION

Investigations and reporting on directors conduct

You may be aware that a liquidator has a duty to enquire into the affairs of an insolvent company to determine its property and liabilities and to identify any actions which could lead to the recovery of funds. In addition, a liquidator is also required to consider the conduct of the Company's directors and to make an appropriate

submission to the Department for Business, Energy and Industrial Strategy. I can confirm that we have discharged our duties in these respects.

Connected party transactions

I have not been made aware of any sales of the Company's assets to connected parties.

Use of personal information

Please note that although it is my intention to conclude the liquidation, in the course of me continuing to discharge my statutory duties as liquidator, I may need to access and use personal data, being information from which a living person can be identified. Where this is necessary, I am required to comply with data protection legislation. If you are an individual and you would like further information about your rights in relation to my use of your personal data, you can access the same at https://www.begbies-traynorgroup.com/privacy-notice If you require a hard copy of the information, please do not hesitate to contact me.

10. CONCLUSION

This report and account of receipts and payments is my final account of the winding-up, showing how the liquidation has been conducted and details of how the Company's property has been disposed of.

Unless creditors object, by giving notice in writing within 8 weeks of the delivery of the notice of my final account, I will have my release from liability at the same time as vacating office. I will vacate office upon my delivering to the Registrar of Companies my final account.

Should you require further explanation of any matters contained within this report, you should contact my office and speak to the case manager, Martin Daley in the first instance, who will be pleased to assist.
