Progress in the Liquidation

Asset realisations

Receipts and payments accounts are attached at Appendix C. No assets have been realised during the period.

As per the Declarations of Solvency the only assets are amounts owed by group companies of US\$1 per Company. These intercompany receivables have been distributed in specie to Companies' respective members on 22 January 2024.

Creditors

There were no known creditors at the date of liquidation for the Companies. Following our appointment, statutory advertisements were placed in the London Gazette and Times newspaper inviting claims. No claims have been received to date.

As detailed in our earlier annual progress report, we were advised by the Companies' parent group that the final pre-liquidation corporation tax return for BP Russian Ventures Limited was submitted to HMRC in September 2023. The Companies were not registered for VAT or PAYE.

We have now received confirmation from HMRC that they have no final claim against the Companies.

Return on capital

As stated above, first and final distributions in specie of the US\$1 owed by group undertakings were made to the Companies' respective members on 22 January 2024.

Other matters

In addition to the above matters, we have dealt with all statutory matters required by legislation and administrative work incidental to our duties as Joint Liquidators.

Joint Liquidators' remuneration

The Joint Liquidators' remuneration was approved on a time cost basis by the members.

BP Exploration (Greenland) Limited

Time costs to 22 January 2024 of £5,990 have been incurred over 20 hours at an average rate of £307 per hour. Since our previous progress report, time costs of £1,706 were incurred over 5 hours at an average rate of £371 per hour.

BP Russian Ventures Limited

Time costs to 22 January 2024 of £6,545 have been incurred over 19 hours at an average rate of £347 per hour. Since our previous progress report, time costs of £2,331 were incurred over 5 hours at an average rate of £428 per hour.

The Joint Liquidators have drawn no remuneration to date, and as the Companies do not have any cash assets, the costs of the liquidations, including expenses, will be met by a group company.

A detailed report of the time incurred and a narrative of the work done since our previous progress report is attached in Appendix D.

Joint Liquidators' expenses

A breakdown of expenses incurred and paid during the liquidations is set out in Appendix E.

Release of the Joint Liquidators

Following receipt of confirmation from the Company's members that there were no queries on the conduct of the liquidations, the Joint Liquidators will vacate office and be released from liability on the delivery of the Final Account to the Registrar of Companies.

Members' rights

Within 21 days of receipt of the Proposed Final Account, members with at least 5% in value of the total voting rights of all members having the right to vote at general meetings of the Companies or any member with the permission of court, may request in writing that the Joint Liquidators provide further information about their remuneration or expenses which have been itemised in the Proposed Final Account.

Within 14 days of receipt of the request, the Joint Liquidators must provide all of the information asked for, unless they think that:

- the time or cost in preparing the information would be excessive, or
- disclosure of the information would be prejudicial to the conduct of the liquidations or might reasonably be expected to lead to violence against any person, or
- they are subject to confidentiality obligations in respect of the information.

The Joint Liquidators are also required to give reasons for not providing all of the requested information.

Members with at least 10% in value of the total voting rights of all members having the right to vote at general meetings of the Companies may, within eight weeks of receipt of the Proposed Final Account, make an application to court that the basis fixed for the Joint Liquidators' remuneration, the remuneration charged, or the expenses incurred by the Joint Liquidators, as set out in the Proposed Final Account, are excessive.

The Joint Liquidators may conclude that the affairs of the Companies are fully wound up before 10 April 2024 if every member confirms in writing to us that they do not intend to make any request for further information about remuneration or expenses or a court application. Such confirmation has been received.

When the affairs of the Companies are fully wound up the Joint Liquidators will make up the Final Account and deliver it to the members. When the Final Account is delivered to the Registrar of Companies the Joint Liquidators will be released under Section 171(6) of the Act.
