19 2 2 if the Company is then carrying on business as a going concern, on the assumption that it will continue to do so,

19 2 3 that the Sale Shares are capable of being transferred without restriction,

19 2 4 valuing the Sale Shares as a rateable proportion of the total value of all the issued Shares without any premium or discount being attributable to the percentage of the issued share capital of the Company which they represent; and
