**Report of the Trustees
for the Year Ended 31 May 2023**

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 May 2023. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

Our Vision

Park Lane Stables RDA is a place of kindness, where horses help people and people help horses, and everyone leaves **happier** than when they arrived.

OBJECTIVES AND ACTIVITIES

Objectives and aims

We are an award-winning Riding for The Disabled Group based in Southwest London offering equine therapy: riding, carriage driving, hippotherapy and stable yard activities to hundreds of children and adults with physical, sensory and learning disabilities, plus those with mental health issues and those from disadvantaged backgrounds, to improve their mental and physical wellbeing.

Horse riding, or indeed just being near horses, is proven to be highly therapeutic for a person's physical and mental wellbeing.

Park Lane Stables RDA, based in Teddington, in the London Borough of Richmond upon Thames, is a friendly and inclusive Riding for the Disabled Association group, offering local children and adults with a wide and complex range of physical, sensory and learning disabilities and mental health needs the opportunity to ride and care for horses and ponies in a safe and nurturing environment.

The Group's objectives uphold the RDA ethos, "It's what you CAN do that counts":

- To make a positive and tangible difference to disabled person's fitness, core strength, balance, confidence, communication skills, enjoyment and general well-being through being with and/or riding horses.
- To promote inclusivity and positively encourage participants to achieve success and maximise their potential within a safe and supportive environment - whether that is just learning to steer a pony unaided, or taking part in additional activities such as Pony Club, or competing at horse shows, sponsored rides and local or national competitions.
- To put the participant first and never stop challenging ourselves to improve the service and experience we offer through new pioneering initiatives and projects to meet the ever-changing needs and demands of our clients.

**Report of the Trustees

- Stable management and yard activities including Wellbeing sessions
- Tea with a Pony
- Pony visits to schools and care homes
- Pony Club activities including Summer Camp
- Participation in RDA competitions and activities

Review of the year

Park Lane Stables moved from its home in Teddington to its temporary new home at Manor Farm in Petersham TW10 on 1 June 2021.

Our temporary venue has allowed us to expand our provision and services - offering regular weekly activities to various SEN schools, charities and community groups. As a result, we were able to, once again, increase the number of participants accessing our services this year and significantly increase the number of sessions/ activities.

There were 1080 participants in 2022-23 (compared with 687 participants in 2021-22) - an increase of 57% - which we are delighted to have achieved.

We continued to broaden our participation criteria to include, not just those with disabilities, but also those 'in need' e.g. young carers, those with mental health issues, those from socially disadvantaged backgrounds etc.

In all, we ran 6065 sessions in 2022-23, compared with 4023 sessions in 2021-22 - an increase of 51%, demonstrating the breadth and scale of what the team is delivering. The executive and Trustees are extremely proud of this achievement.

We also saw an increase in carriage driving participation in 2022-23 with 208 participants and 349 sessions. This compares with 111 participants and 270 sessions in 2021-22 (an increase of 87% participation and 29% sessions). The Trustees were delighted that one of our carriage driving participants represented Park Lane Stables RDA at the Windsor Horse Show competition and another participant qualified for the RDA National Championships.

Achievements in 2022-23

- Over 500 friends and visitors came to our Queen's Platinum Jubilee celebration event on 2 June 2022
- Founder and Managing Director, Natalie O'Rourke's book, Only Heroes and Horses, was published.
- Our volunteers were awarded the prestigious Queens Award for Voluntary Service. Two of our volunteers were invited to Buckingham Palace to receive the award in May 2023.
- Natalie O'Rourke, was awarded an MBE for her work for the charity and the local community. The award was presented by HRH Prince William at Windsor Castle in December 2022.
- A record number of 15 participants qualified to represent Park Lane Stables at the RDA Regional Championships and 9 of them went on to the RDA 2023 National Championships, bringing home a bagful of rosettes for Countryside Challenge, Show Jumping, Carriage Driving and Dressage competitions.
- Park Lane Stables was selected as one of 18 London charities for the Jubilee Tree Planting Ceremony in March 2023.

**Report of the Trustees
for the Year Ended 31 May 2023**

OBJECTIVES AND ACTIVITIES

- Natalie O'Rourke was in high demand for her engaging public speaking at several conferences and events across the UK to tell the story of Park Lane Stables, with themes such as inclusivity, diversity, and overcoming adversity, including: Pony Club UK Conference in Belfast, RDA Coaching Conference in Warwickshire, RAC Club in Epsom, the London International Horse Show at ExCel and the Racing Together Industry Day at Ascot to name a few, alongside our ambassadors Philippa and Louis.
- We visited the Chelsea Flower show, Ascot Champions Day, the London International Horse Show and Richard Hannon's racing yard to name a few.
- We attracted lots of high profile visitors to the stables too, including: Brentford FC players, Savills, McVities, Spillers, The Sunday Times, Equine America, and fact-finding dignitaries from China and South Korea.

Public benefit

In shaping the objectives for the year and planning the activities, the trustees have considered the Charity Commission's guidance on public benefit, including the guidance on public benefit and fee charging.

Volunteers

All RDA Volunteers undergo a vigorous recruitment process which includes: two satisfactory references, an enhanced DBS check (if aged 16 or over) and Green Card training before they start volunteering.

We received 205 enquiries from people who wanted to become a volunteer during 2022-23 and 106 of these progressed through the recruitment and training process to become fully-fledged volunteers.. We continue to need new volunteers in order to cope with the demand, so we hold regular recruitment drives, with an emphasis on ensuring there is a good fit - matching volunteer motivation with the needs of our wider community.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

Save Our Stables Campaign

In December 2020 the owner and landlord of the Park Lane premises in Teddington gave us written notice, stating that our lease was not going to be renewed as he wished to sell the property. If we could not raise the money to buy the property, then we would have to leave the premises on 31 May 2021, being the end date of our lease.

On New Year's Eve of December 2020, we launched our Save Our Stables (SOS) Campaign via Crowdfunder.com with the seemingly impossible target of needing to raise at least £1M in donations by 25 February 2021. Miraculously, by 18 February 2021 we had raised around half a million pounds, which was an unbelievable feat, but if we did not achieve the £1M target by the deadline of 25 February, our "All or Nothing" Campaign meant that all pledges had to be returned. Then, on 19 February 2021, BBC Breakfast ran a long feature introduced by Rob Brydon about the stables and the important work we do, pre and during the pandemic. A BBC film crew came to the stables to interview Natalie O'Rourke our founder and current Managing Director and a selection of our participants. In order to meet our horses and within thirty minutes we had melted the nation's hearts and the donations came flooding in from all over the world. We exceeded our £1M target whilst still on air, so the camera crew came back to the stables to celebrate the fantastic outcome.

We then experienced a period of uncertainty and somewhat of a rollercoaster ride with our appointed legal team and Trustees trying to negotiate the purchase of the Teddington property. It was not an easy process. We were hoping to have purchased the stables before our lease expired but this was not to be, so on 31 May 2021 we vacated Park Lane and moved to our new temporary location of Manor Farm in Ham. The Teddington stables and connected premises were finally purchased in December 2021.

The Trustees recognised that the premises required a significant degree of refurbishment before we could take occupation, which would require planning and public consultation.

In pursuit of our commitment to being a responsible developer of our community facility in Teddington, over the past year we dedicated significant efforts to engage with the local authority and wider stakeholders to ensure a transparent and inclusive approach for our planning application. We initiated the process with an outline planning application to the local authority and, at the same time, involved comprehensive consultations and discussions aimed at aligning our project with community needs and expectations. A series of meetings were held with various stakeholders, including residents, local businesses and community organisations allowing us to gather valuable feedback and insights. Following this phase, we diligently prepared and submitted our detailed application with an emphasis on seeking to meet the needs of our existing environment and addressing concerns raised during the consultation process.

This inclusive approach not only ensures we followed regulatory requirements but also reflects the collective aspirations and concerns of the local community. We remain committed to fostering this collaborative approach as we move forward. We were delighted to receive planning permission on 23 June 2023. At the time of writing, the Trustees hope to be able to return to Teddington in late 2023 or early 2024, subject to costing and the actual build itself.

Our temporary new home at Manor Farm in Ham is still within the London Borough of Richmond, so not too far for our participants to travel to. The facilities at Manor Farm are fantastic, so it has given us a perfect base to continue our work whilst the purchase and refurbishment of the Teddington property is ongoing.

ACHIEVEMENT AND PERFORMANCE
Our Trustees

We have changed materially over the last few years - going from a very small charity which, on occasion, struggled to survive financially, to one of the most well-known and in-demand charities in the south of England with our range of services. As a result, the corporate requirements of the Charity and Trustees increased significantly. Changes needed to take place in order to reflect the level of expertise that was now required to take the charity forward.

The Trustees and executive have focused on developing our expertise in law, marketing, fundraising and communication. We meet at least six times a year as a group to ensure we optimise the services we provide. We held our second AGM on 29 March 2023 at Teddington Rugby Club.

We said farewell to three Trustees: Rachel Maund on 20/12/23; Ruth Kelly at the AGM on 29/3/23; and Kath Dillon on 10/5/23. We would like to place on record our thanks to all three for their service and commitment to Park Lane Stables, and especially to Kath Dillon who had served the charity for many years.
