1. Introduction

- 1.1 The Liquidation commenced on 05 September 2022 and on this date David Kerr was appointed Liquidator. The Liquidator is now in a position to conclude the Liquidation and obtain their release as Liquidator.
- 1.2 Accordingly, this final account of the winding up is being delivered to members and to the Registrar of Companies pursuant to S94 of the Act.
- 1.3 Statutory information regarding the Liquidation and definitions used in this report are provided in the appendix.

2. Administration of the Winding Up

- 2.1 Attached is the Liquidator's Final Receipts and Payments Account for the winding up as a whole. The contents are in the main self-explanatory.

Cash at Bank

- 2.2 The Company's pre-Liquidation bank account was closed and the closing balance of £290,457.68 was transferred to the Liquidation account.

Tax Refund

- 2.3 According to the DOS, a pre-appointment VAT refund of £240.00 was expected. After the DOS was completed, updated information was received from the director who confirmed that the sum was received prior to appointment.

Statutory and General Administration

- 2.4 At the date of the Liquidator's appointment, no threats to compliance with the Code of Ethics had been identified. A further review of ethical issues has been carried out and no threats have been identified in respect of the management of the Liquidation.
- 2.5 The Liquidator has complied with their statutory and regulatory duties, including the following:
 - 2.5.1 checking all statutory documentation completed by the director and arranging for statutory filing at Companies House and advertising in the Gazette;
 - 2.5.2 maintaining case files, which must include records to show and explain the administration of this Liquidation and any decisions made by the Liquidator that materially affect the administration;
 - 2.5.3 conducting periodic case reviews to ensure that the Liquidation is progressing efficiently, effectively and in line with the statutory requirements;
 - 2.5.4 maintaining and updating the estate cash book and bank account, including regular bank reconciliations and processing receipts and payments;
 - 2.5.5 completing a closure review of all files and seeking clearance from HMRC and other parties to enable the Liquidator to bring the case to a close; and
 - 2.5.6 issuing the Liquidator's proposed final account.

3. The Liquidator's Remuneration and Expenses

- 3.1 At the meeting of members held on 05 September 2022, it was resolved that the fee for assisting with the placing of the Company into Liquidation and for attending to matters relating to, and arising in, the Liquidation be agreed at £3,000, plus VAT and disbursements. This fee has been paid in full and the VAT has been reclaimed from HMRC.
- 3.2 The meeting of members also resolved that the Liquidator be authorised to draw their firm's disbursements as categorised in SIP9 as Category 2. The appendix provides information on the bases on which these disbursements are calculated. The Liquidator is entitled under statute to discharge their Category 1 expenses from the estate.
- 3.3 When instructing third parties to provide specialist advice and services, the Liquidator must ensure that such advice or work is warranted and that the advice or work contracted reflects the best value and service for the work undertaken. SFP maintains an approved supplier list and reviews these annually to ensure best value. Before instructing specialists on an assignment, the Liquidator assesses whether the instruction is warranted and which approved supplier is appropriate. If the Liquidator prefers to use a specialist that is not on the approved supplier list, that specialist undergoes an assessment process to ensure that best value and service is anticipated. The specialists chosen usually have knowledge specific to the insolvency industry and, where relevant, to matters specific to the insolvency appointment. Periodically throughout the Liquidation, the performance and fees of the specialists are reviewed to assess the value and service provided. The processes were formalised after the current Insolvency Code of Ethics came into force on 1 May 2020.
- 3.4 The Receipts and Payments Account attached provides information on all expenses paid.

4. Dividends and Distributions

Creditors

- 4.1. A notice to creditors requiring them to submit claims was published in the Gazette. In addition, several letters were sent to HMRC seeking confirmation that no tax liabilities remained.

Date of payment	Class of creditor / payment	Total amount paid
24 October 2022	Non-preferential unsecured creditors – 100p in the £	£78.00

Direct Expenses (Category 1 Expenses)

Category 1 Expenses are paid directly to the third party from the liquidation estate. These have been charged at cost (plus VAT where applicable), with no uplift. The quantum of these costs are dependent on the circumstances and needs of the case and are set by third parties. For example, the bank charges a set amount for transfers to/from foreign currency accounts. We may also have incurred other direct expenses, such as courier charges and Land Registry fees, which have been charged at cost. On occasions, the following Category 1 Expenses are paid, depending on the circumstances of the case.

Insurance

If possible, the current insurance policy should be maintained throughout the Liquidation process with the Liquidator's name noted which will prevent the requirement to take out any further cover. If additional insurance has been required, the premium may have been paid from the liquidation estate.

Solicitors' and agents' fees

Should solicitors or agents have been required, we will have provided you with quotes on a case by case basis.

A number of documents to place the company into Liquidation were required to be signed in the presence of a solicitor. A charge by the solicitor is usually applicable, however, unless arranged through this firm, this would have been a cost borne by the directors personally and would not have formed part of our disbursements.

Indirect Expenses (Category 2 Expenses)

All other expenses charged to the Liquidation are Category 2 Expenses. SFP charges the following expenses, the bases of which have been approved by shareholders' resolution. All prices are exclusive of VAT, which has been reclaimed where possible.

Mileage (where necessary)

45p per mile

Stationery, photocopying and postage

£10

The expenses listed below have been incurred on the case and usually would be paid directly from the estate according to the external supplier's standard terms. However, in order to facilitate efficient progress of the Liquidation, they were invoiced by us immediately upon the Liquidator's appointment. For the avoidance of doubt, these were charged at cost and with no uplift:

Anti-Money Laundering Searches

In contemplation of the Liquidator's appointment, we usually carry out anti-money laundering searches of the Company's beneficial owners via an independent party's electronic databases. The supplier charges SFP £5.25 per individual search and this cost is included in the Liquidator's fees and disbursements invoice.

Swearing Fee

In some cases, the director(s) ask us to help liaise with a solicitor to enable the DOS to be sworn by remote means. Where the solicitors have billed SFP, we include this cost in the Liquidator's fees and disbursements invoice.

Specific Bond Premium

A bond is required to protect the assets of the company during the Liquidation process. The bond premium is scaled depending upon the level of assets under our control. Members were provided with a guide to the cost of this bond premium prior to the Liquidator's appointment, however the exact cost was ascertained once the Declaration of Solvency had been sworn.
