1 INTRODUCTION

- 1.1 This report has been produced in accordance with Rule 18.3 of the Insolvency (England and Wales) Rules 2016 (“the Rules”) to provide creditors with an update on the progress of the Administration of Hulk Scaffolding Limited (“the Company”) for the period from 21 July 2022 to 20 January 2023. This is the Joint Administrators’ second progress report to creditors.
- 1.2 Much of the information contained in this report encompasses the whole period of the Administration. Please be aware, however, that where reference is made to “the period of this report”, this specifically means 21 July 2022 to 20 January 2023, being the period since the end of the period covered by the last progress report.

2 STATUTORY INFORMATION

- 2.1 Mike Dillon and Andrew Poxon were appointed as Joint Administrators of the Company in the jurisdiction of High Court of Justice Business and Property Courts in Manchester - Company & Insolvency List (CHD), number CR-2022-MAN-000057 on 21 January 2022. The Administration appointment was made by the Directors. The Joint Administrators can confirm that there has been no change in office-holder since the date of Administration.
- 2.2 The Administration is being handled by the Manchester office of Leonard Curtis, which is situated at Riverside House, Irwell Street, Manchester, M3 5EN.
- 2.3 The principal trading address of the Company was 83 Barton Road, Eccles, Manchester, M30 7AE. The business traded under its registered name.
- 2.4 The registered office address of the Company at the date of the appointment of the Joint Administrators was 70 Market Street, Tottington, Bury, Lancashire BL8 3LJ. Following the appointment, this was changed to Riverside House, Irwell Street, Manchester, M3 5EN. The registered number of the Company is 09054118.
- 2.5 For the purposes of paragraph 100(2) of Schedule B1 to the Insolvency Act 1986 (as amended), it should be noted that during the period in which the Administration Order is in force, any act or function required or authorised under any enactment to be done by the Joint Administrators may be exercised by all or any of the persons holding that office.
- 2.6 The insolvency proceedings are COMI proceedings.

3 JOINT ADMINISTRATORS’ PROPOSALS

- 3.1 Attached at Appendix A is a summary of the Joint Administrators’ approved proposals for achieving one of the three statutory purposes of Administration.
- 3.2 The Proposals were deemed approved by creditors on 17 February 2022.
- 3.3 There have been no major amendments to, or deviations from, the proposals during the course of the Administration to date.

- 3.4 The objective of the Administration is to realise property in order to make a distribution to one or more secured or preferential creditors.
- 3.5 The Joint Administrators are of the opinion that the objective will be achieved as it is anticipated that there will be sufficient realisations to enable a dividend to be declared to preferential creditors. The Joint Administrators are continuing to liaise with the pension provider to ascertain the level of any pension arrears to assess whether they constitute preferential or unsecured claims. This position is further detailed at section 9.5 of this report. At this time, the prospective level of preferential claims is estimated to be £225.60. It is therefore anticipated that the preferential creditors will be paid in full with further realisations being available to secondary preferential creditors, although the quantum and timing of any dividend is unknown at this time. A further update will be provided to creditors in our next progress report to creditors.

4 PROGRESS OF THE ADMINISTRATION

- 4.1 Attached at Appendix B is the Joint Administrators' receipts and payments account for the period from 21 July 2022 to 20 January 2023.

Sale of Business

- 4.2 As reported and detailed in the previous progress report, a sale of the business and assets has been completed, with the sale consideration of £42,170.75 having been received in full. It should be noted that the Purchaser overpaid by £1 and this is currently being held with a view to repayment in due course.

Inter-Company Debtors

- 4.3 As previously reported to creditors, company records indicate an Inter-Company Debtor position totalling £374,220.23 as at 21 January 2022. The position is detailed below:

	£
Brickwork 365 Ltd	99,670.17
Scaffolding 365 Limited	17,455.65
Brickwork Contracting Services Limited	35,829.46
Newbuild 2015 Limited	221,091.38
Rendtec Limited	Nil
365 (2012) Ltd	173.57
Total	374,220.93

- 4.4 In the CVA proposal, dated 4 June 2019, Rendtec Limited were a debtor in the sum of £12,887 but are now identified in the Company records as being owed £17,807. It should be noted that following the presentation of a petition on 29 April 2020, Rendtec Limited was placed into Compulsory Liquidation on 14 September 2020.
- 4.5 During the period of this report, the Joint Administrators have been conducting further reconciliations of these debts and have written to the respective companies to request repayment of the sums owed. No response has been received in the period to date following the issue of these letters. Further dialogue will be sought to be undertaken with a view to seeking a resolution to this matter as quickly as possible. In the event of no further response, the Joint Administrators will explore what their available options are to recover the sums.
- 4.6 A further update will be provided to the creditors in our next report.

Unpresented Creditor Cheques in CVA

- 4.7 In the preceding CVA of the Company there was a first and final dividend paid to the unsecured creditors at a rate of approximately 2 pence in the pound on admitted claims.

- 4.8 Upon the termination of the CVA, there were unclaimed dividend monies in the total sum of £11.50 in respect of creditors who had not banked their dividend cheques upon receipt.
- 4.9 The CVA Proposals detailed the following. “Where the Company has entered into an alternative insolvency procedure in the post CVA period, the unclaimed / unpresented dividends may be accepted by the office holders in the alternative insolvency procedure. After two attempts of trying to pay the unclaimed dividend to the relevant creditor, the office holders in the alternative insolvency procedure shall retain the funds as general assets available within the alternative insolvency procedure, without any recourse from the relevant creditor.”
- 4.10 As the funds remained unclaimed after two further attempts had been made to make payment, the total sum of £11.50 was subsequently transferred to the Administration account for the benefit of the estate. No further funds are anticipated in this regard.

Bank Interest

- 4.11 During the period of the Administration, bank interest in the sum of £166.68 has been received, of which £121.95 has been received during the period of this report.

Cash at Bank

- 4.12 As detailed in our previous report, the Company operated bank facilities with Barclays Bank Plc. A request was sent to the bank following the appointment of the Joint Administrators for the account to be frozen. Company records indicated that the current account held a balance of £200.31 on appointment of the Joint Administrators.
- 4.13 The Joint Administrators have been liaising with Barclays in respect of any credit balance to be transferred to the Administration Estate. During the period of this report, copy bank statements were received from Barclays highlighting that the balance on the account was overdrawn by £24.45 following payments having been made from the account.
- 4.14 As the account balance was overdrawn, no monies will be received in respect of the balance at bank.

5 ASSETS STILL TO BE REALISED

- 5.1 As detailed at section 4 above, the remaining assets to be realised are in respect of the inter-company debtor balances due to the Company.

6 INVESTIGATIONS

- 6.1 Following their appointment, the Joint Administrators considered the information acquired in the course of appraising and realising the business and assets of the Company, together with information provided by the Company's directors and its creditors, to identify any further possible realisations for the estate and what further investigations, if any, might be appropriate.
- 6.2 The Joint Administrators have reviewed the financial records as provided by the Company and are continuing to make enquiries in respect to certain matters to finalise their investigations. During the period of this report, the Joint Administrators have been liaising with the Directors in respect of certain transactions that required clarification. The discussion in regard to these transactions remain ongoing and a further update will be provided to creditors in our next progress report.
- 6.3 Regardless of the above, the Joint Administrators have complied with their statutory obligations under the Company Directors Disqualification Act 1986 and the appropriate report has been submitted to the relevant authority.

7 JOINT ADMINISTRATORS' REMUNERATION AND EXPENSES**Pre-Administration Costs**

- 7.1 On 24 June 2022, the general body of creditors agreed to the following pre-Administration costs and expenses being paid as an expense of the Administration:

The costs that have been paid are detailed in the receipts and payments account attached at Appendix B. The outstanding costs will be paid in due course when available funds permit.

Joint Administrators' Remuneration

- 7.2 On 24 June 2022, the general body of creditors agreed that the basis of the Joint Administrators' remuneration be fixed by reference to time properly spent by them and their staff in attending to matters arising from the Administration for an amount not exceeding £85,700.00, as set out in a Fees Estimate.
- 7.3 The time charged by the Joint Administrators for the period of this report to 20 January 2023 amounts to £8,494.50. This represents 29.1 hours at an average rate of £ 291.91 per hour. A summary of time costs incurred in the period is set out at Appendix C, together with a detailed description of work undertaken in the period, attributable to each category of time costs, and an explanation of why it was necessary for that work to be performed.
- 7.4 Attached, at Appendix D, is a summary of time costs incurred to date compared with time costs as set out in the Joint Administrators' original fees estimate.
- 7.5 You will note that time costs incurred to date do not exceed the time as set out in the Fees Estimate. As demonstrated at Appendix D, costs attributable to each category of time generally fall within those anticipated.
- 7.6 The Administration is not yet complete, and it is therefore anticipated that further time costs will be incurred in dealing with this matter. The Joint Administrators do not anticipate that the Fees Estimate will be exceeded. However, should information come to light during the course of the Administration which means that the Joint Administrators will be required to undertake work not envisaged at the time that the Fees Estimate was provided,

it may be necessary for the Joint Administrators to revert to the creditors for further approval. The information provided above is therefore for information purposes only.

- 7.7 Further guidance may be found in “Administration: A Guide for Creditors on Insolvency Practitioner Fees” (Version 1 – April 2021) which may be downloaded from:

<https://www.r3.org.uk/technical-library/england-wales/technical-guidance/fees/>

- 7.8 If you would prefer this to be sent to you in hard copy please contact Rhuari Robb of this office on 0161 831 9999.
- 7.9 No remuneration has been drawn in respect of the Joint Administrators remuneration to date.

8 JOINT ADMINISTRATORS’ EXPENSES

- 8.1 Creditors will recall that the Joint Administrators have previously circulated a ‘Statement of Likely Expenses’ in this matter.

Expenses are separated into the following categories:

- (i) Standard Expenses: this category includes expenses payable by virtue of the nature of the Administration process and / or payable in order to comply with legal or regulatory requirements.
- (ii) Case Specific Expenses: this category includes expenses likely to be payable by the Joint Administrators in carrying out their duties in dealing with issues arising in a particular case. Also included within this category are costs that are directly referable to the Administration but are not paid to an independent third party (and which may include an element of allocated costs). These are known as “Category 2 expenses” and are subject to the approval of the creditors.

Additionally, with effect from 1 April 2021, the Joint Administrators are required to disclose to those responsible for approving our remuneration whether any payments we intend to make from an insolvency estate are to associates of Leonard Curtis. Payments to associates are subject to the same level of approval as the office holder’s fees and category 2 expenses and further details are included at Appendix E and F.

On 24 June 2022, the general body of creditors also approved that category 2 expenses and payments to associates could be drawn by the Joint Administrators, as detailed at Appendix F.

- 8.2 A copy of the Joint Administrators’ statement of likely expenses, together with comparative details of expenses incurred during the current reporting period and confirmation as to whether those amounts are paid or unpaid is set out at Appendix E.
- 8.3 You will note that, in general, the nature and value of expenses incurred to date fall within those anticipated within the original statement of expenses.
- 8.4 Attached at Appendix F is additional information in relation to the firm’s policy on staffing, the use of sub-contractors, expenses and details of our current charge-out rates by staff grade. Please be aware that the firm’s charge out rates have been amended with effect from 1 March 2021.
- 8.5 Under Rule 18.9 of the Rules, within 21 days of receipt of this report, a secured creditor, or an unsecured creditor with either the concurrence of at least 5% in value of the unsecured creditors (including the creditor in question), or with the permission of the court, may make a written request to the Joint Administrators for further information about remuneration or expenses set out in this report.
- 8.6 Under Rule 18.34 of the Rules, any secured creditor, or any unsecured creditor with either the concurrence of at least 10% in value of the unsecured creditors (including that creditor) or the permission of the court, may apply to

the court, on the grounds that the basis fixed for the Joint Administrators' remuneration is inappropriate, or the remuneration or expenses charged by the Joint Administrators are, in all the circumstances, excessive.

- 8.7 The application must be made no later than eight weeks after receipt of the progress report that first reports the fee basis, the charging of the remuneration or the incurring of the expenses in question.
- 8.8 Unless the court orders otherwise, the costs of the application shall be paid by the applicant and are not payable as an expense of the Administration.

9 ESTIMATED OUTCOME FOR CREDITORS

- 9.1 In order to assist the various classes of creditors in assessing the quantum of any dividend which may or may not be payable to them, we have produced an Estimated Outcome Statement. This is attached at Appendix G.

Secured Creditors

- 9.2 As previously reported, there are no Secured Creditors in this case.

Preferential Claims

- 9.3 The only categories of claims which have preferential status are those of employees in respect of wages and accrued holiday pay and certain pension contributions.
- 9.4 The Company employed 4 members of staff who were transferred to the Purchaser under the Transfer of Undertakings (Protection of Employment) Regulations 2006 ("TUPE") immediately following the sale of business and assets therefore mitigating preferential claims for wages and accrued holiday pay.
- 9.5 We understand that there are outstanding pension contributions that have been deducted from pay but not paid to the pension scheme from May 2020 to the date of appointment. Outstanding employee pension contributions for the four months preceding the relevant date of insolvency, being the date of the commencement of the Administration, can be claimed preferentially within the Administration. Preferential claims within the Administration are estimated to total £225.60. The Joint Administrators are continuing to liaise with the pension scheme provider to confirm the level of arrears as at the date of Administration in order to ascertain the level of preferential claims in the Administration. Clarification is yet to be received from the pension scheme provider, and dialogue will continue until confirmation is provided. Once the preferential claim status is provided, a preferential dividend will be progressed, if appropriate, depending upon the response provided by the pension scheme provider. A further update will be provided in our next report to creditors.
- 9.6 It is anticipated that preferential creditors will be paid in full, dependent upon the level of claims to be received.

Secondary Preferential Creditors

- 9.7 With respect to insolvencies commencing on or after 1 December 2020, HMRC will rank ahead of floating charge holders and unsecured creditors in respect of certain unpaid taxes that the relevant company collects on behalf of HMRC. These taxes are known as Priority Taxes and include:
- VAT;
 - PAYE (including student loan repayments);
 - Construction Industry Scheme deductions; and
 - Employees' NI contributions.
- 9.8 Company records detail c£197k is due to HMRC in respect of VAT and c£43k in respect of PAYE, which are deemed to be Priority Taxes. In respect of the CIS Liability, c£144k is due to HMRC however, the Company no

longer held Gross Payment Status with effect from 14 August 2019 and management have advised that funds totalling £133k should be deducted in this respect.

- 9.9 During the period of this report an initial claim has been received from HMRC. The claim details that £25,005.39 is owed in respect of PAYE and £84,829.80 in respect of VAT, both of which are deemed to be Priority Taxes and therefore make up HMRC's Secondary Preferential Claim, which totals £109,835.19.
- 9.10 It is anticipated that there may be sufficient funds available to declare a dividend to Secondary Preferential creditors however the quantum is unknown at this time. The timing of the issue of the Secondary Preferential creditor dividend will be subject to the determination of the position relating to the prospect of there being a Preferential creditor dividend.

Prescribed Part

- 9.11 As the Company has no unsatisfied post-Enterprise Act charges, there will be no requirement to asset aside a prescribed part in this case.

Unsecured Non-Preferential Claims

- 9.12 From April 2017, the Joint Administrators have had the discretion to admit claims from creditors with claims under £1,000 without receiving a proof of debt. The Joint Administrators confirm that, to date, no claims have been admitted under the small claims provisions.
- 9.13 At present, it is considered unlikely that there will be sufficient funds available to enable any form of distribution to unsecured creditors.

10 MATTERS STILL TO BE DEALT WITH

- 10.1 Matters still to be dealt with before conclusion of the Administration include the following:
- The realisation of the remaining assets, as detailed in sections 4 and 5, in particular the matter relating to the outstanding inter-company debtor balances;
 - The determination of whether there is a preferential creditor claim in the Administration;
 - The formal agreement of the preferential creditor claims, if any;
 - A first and final distribution to the preferential creditors, if appropriate;
 - The formal agreement of HMRC's Secondary Preferential claim;
 - Payment of a first and final distribution to the Secondary Preferential creditor; and
 - The unpaid remuneration and expenses will need to be defrayed.

11 EXTENSIONS TO THE ADMINISTRATION

- 11.1 The appointment of Administrators ordinarily ceases to have effect at the end of the period of one year from the date of their appointment.
- 11.2 In certain circumstances it becomes necessary to extend the Administrators' term of office.
- 11.3 As you will be aware, the period of the Administration was extended until 20 January 2024 with the consent of:
- unsecured creditors via a decision procedure.
- 11.4 The Joint Administrators will be discharged from liability immediately upon their appointment as Administrators ceasing to have effect.

12 NEXT REPORT

- 12.1 The Joint Administrators are required to provide a progress report which must be delivered within one month of the end of the next six months of the Administration or earlier if the Administration has been finalised.

13 DATA PROTECTION

- 13.1 Finally, when submitting details of your claim in the Administration, you may disclose personal data to the Joint Administrators. The processing of personal data is regulated in the UK by the General Data Protection Regulation EU 2016/679 as supplemented by the Data Protection Act 2018, together with other laws which relate to privacy and electronic communications. The Joint Administrators act as Data Controllers in respect of personal data they obtain in relation to this administration and are therefore responsible for complying with Data Protection Law in respect of any personal data they process. The Joint Administrators' privacy notice, which is attached to this report at Appendix I, explains how they process your personal data. Terms used in this clause bear the same meanings as are ascribed to them in Data Protection Law.

If you wish to discuss the issues raised in this report or require any additional information, please contact this office.

Yours faithfully
for and on behalf of

DESCRIPTION OF TIME SPENT BY CATEGORY

The work carried out during the period of this report to 20 January 2023 has comprised of the following categories.

Statutory and Review

This category of activity encompasses work undertaken for both statutory and case management purposes. Whilst this work will not directly result in any monetary value for creditors, it ensures that the case is managed efficiently and resourced appropriately, which is of benefit to all creditors. The work carried out under this category during the period of this report has comprised the following:

- Case management reviews. These have been carried out periodically throughout the life of the case, including during the period of this report, to discuss the case progression and strategy regarding the outstanding matters to be dealt with in the Administration and to ensure that statutory and regulatory requirements are adhered to;
- Completing and updating the Joint Administrators' Statutory Insolvency Practitioner Record; and
- Preparation and review of Month 9 review checklist and supporting documentation to understand the outstanding matters and the prospective proposal to the extension to the period of the Administration.

Receipts and Payments

This category of work will not result in a direct financial benefit for creditors. However, close monitoring of case bank accounts is essential to ensure that bank interest is maximised where possible, estate expenses are properly managed and kept to a minimum and amounts payable to creditors are identified and distributed promptly.

- Liaising with HMRC by post regarding outstanding pre-appointment liabilities and returns;
- Preparation, review and submission of post appointment VAT returns to HMRC;
- Preparation, review and submission of VAT7 form to HMRC to request for prompt de-registration of the Company for VAT purposes;
- Reviewing and updating the Estimated Outcome Statement ("EOS") to ensure all receipts and payments have been correctly allocated within the Administration estate;
- Liaising with instructed third-party agents in respect of outstanding costs and expenses from the Administration estate; and
- Managing estate expenses and payments to third parties

Insurance, Bonding and Pensions

Insolvency Practitioners are obliged to comply with certain statutory requirements when conducting their cases. Some of these requirements are in place to protect company assets (see insurance and bonding matters below), whilst requirements in respect of company pension schemes are there to protect the pension funds of Company employees. Whilst there is no direct financial benefit to Company creditors in dealing with these, close control of case expenditure is crucial to delivering maximum returns to the appropriate class of creditor.

- Periodic review of bonding requirements to ensure that creditors are appropriately protected. The bond is reviewed upon each large receipt of monies into the case and also at three month intervals in accordance with best practice.

Assets

The work set out in this category may bring a financial benefit for creditors. This may be a distribution to secured creditors of the Company only (from which a Prescribed Part fund may be set aside for the benefit of unsecured creditors) or may, depending on realisations, costs and the extent of any 3rd party security, result in a distribution to the preferential and / or unsecured creditors.

- Case review and strategy meeting undertaken between the Joint Administrators and their staff in regards to the outstanding inter-company debtor balances and steps to be taken to realise balances due to the Company;

HULK SCAFFOLDING LIMITED – IN ADMINISTRATION

- Preparation, review and issuing of demand letters to inter-company debtors to request for debtor balances to be paid to the Administration Estate; and
- Liaising with the former Joint Supervisors of the Company in respect of the unpresented creditor cheques and arranging for balances to be paid over to the Administration account.

Liabilities

This category of time includes both statutory and non-statutory matters and will not necessarily bring any financial benefit to creditors generally. The more employees and creditors a company has, the more time and cost will be involved in dealing with those claims.

Statutory

- Processing of claims from the Company's creditors – All claims received from the Company's prospective 24 creditors will be logged in the Administration. During the period of this report, 2 claims have been logged in the Administration. No claims have been admitted as yet and it is not anticipated that there will be sufficient realisations to allow for a distribution to be made to the unsecured creditors; and
- Preparation, review and submission of the Joint Administrators' First Progress Report to creditors.

Non-statutory

- Liaising with HMRC in respect of the submission of their Secondary Preferential and unsecured claims in the Administration for review; and
- Preparation, review and issuing of letter to unsecured creditors in respect of the Deemed Consent Procedure to approve the proposed extension to the period of the Administration.

Post Appointment Creditors' Decisions

Agreeing and reporting on our proposals and fee basis is a statutory requirement. This work will not directly result in any financial benefit for creditors.

Work completed to date includes the following:

- Preparation, review and issuing of notification to all known creditors and third parties in respect of the approval of the Deemed Consent Procedure for the extension to the period of Administration; and
- Report on outcome of deemed consent procedure.

LEONARD CURTIS POLICY REGARDING FEES AND EXPENSES

The following Leonard Curtis policy information is considered to be relevant to creditors:

Staff Allocation and Charge Out Rates

We take an objective and practical approach to each assignment which includes active director involvement from the outset. Other members of staff will be assigned on the basis of experience and specific skills to match the needs of the case. Time spent by secretarial and other support staff on specific case related matters, e.g. report despatching, is not charged.

Where it has been agreed by the appropriate body of creditors that the office holders' remuneration will be calculated by reference to the time properly given by the office holders and their staff in attending to matters as set out in a fees estimate, then such remuneration will be calculated in units of 6 minutes at the standard hourly rates given below. In cases of exceptional complexity or risk, the insolvency practitioner reserves the right to request and obtain authority from the appropriate body of creditors that their remuneration on such time shall be charged at the higher complex rates given below.

The following hourly charge out rates apply to all assignments undertaken by Leonard Curtis:

	6 Jan 2014 onwards		1 Aug 2019 onwards		1 March 2021 onwards	
	Standard	Complex	Standard	Complex	Standard	Complex
	£	£	£	£	£	£

Administrator 4	150	187	165	206	175	219
Support	0	0	0	0	0	0

In respect of assignments pre-dating 1 March 2022, office holders' remuneration may include costs incurred by the firm's in-house legal team, which may be used for non-contentious matters pertaining to the insolvency appointment.

Use of Associates

We are required to disclose to those responsible for approving our remuneration whether any payments we intend to make from an insolvency estate are to Associates of Leonard Curtis (LC). The term "Associate" is defined in s435 of the Insolvency Act 1986, but we are also required to consider the substance or likely perception of any association between the appointed insolvency practitioner, their firm (LC) or an individual within the firm and the recipient of a payment. Payments to Associates are subject to the same level of approval as the office holder's fees and category 2 expenses (see table on the next page for further details).

Leonard Curtis Legal Limited (LC Legal) are part of the Leonard Curtis group; as such they are an "Associate" of LC. Where LC Legal are instructed to assist an office-holder in a particular matter from 1 March 2022 onwards, details of their proposed costs will be provided to creditors and specific approval for payment will be sought.

Additionally, Pelstar Limited (Pelstar) provides insolvency case management software and document hosting facilities to LC. Until 31 December 2022, LC employed an individual who is married to a director of Pelstar, and as such, whilst not meeting the legal definition of "Associate", we were aware that there was a perceived association between LC and Pelstar and specific approval of their costs were sought accordingly. As this individual is no longer employed by LC, this is no longer required and Pelstar costs invoiced with effect from 1 January 2023 will be paid without prior approval.

Use of Professional Advisors

Details of any professional advisor(s) used will be given in reports to creditors. Unless otherwise indicated the fee arrangement for each is based on hourly charge out rates, which are reviewed on a regular basis, together with the recovery of relevant disbursements.

The choice of professional advisors is based around a number of factors including, but not restricted to, their expertise in a particular field, the complexity or otherwise of the assignment and their geographic location.

Use of Subcontractors

Where we subcontract out work that could otherwise be carried out by the office holder or his/her staff, this will be drawn to the attention of creditors in any report which incorporates a request for approval of the basis upon which remuneration may be charged. An explanation of why the work has been subcontracted out will also be provided.

Categorisation of Expenses

We are required to provide creditors with an estimate of the expenses we expect to be incurred in respect of an assignment and report back to them on actual expenses incurred and paid in our periodic progress reports. There are two broad categories of expenses: standard expenses and case specific expenses. These are explained in more detail below:
