REPORT OF THE TRUSTEES (CONT)

OBJECTIVES AND ACTIVITIES

Objectives and aims

To preserve for the benefit of the people of the town of Ledbury and of the nation the historical, architectural and constructional heritage that exists in and around Ledbury in buildings (including any structure or construction or any part of a building) of particular beauty or historical or constructional interest.

To promote and facilitate education concerning the social, economic and architectural history and heritage of Ledbury and surrounding area.

To promote and facilitate for the benefit of the public, regeneration in areas of social and economic deprivation in and around the area.

Public Benefit

The trustees have considered the Charity Commission's guidance on public benefit, including the guidance "Public benefit: running a charity (PB2)"

ACHIEVEMENTS AND PERFORMANCE

Main Achievements

The Charity continues to remain in close association with its founding bodies; The Ledbury and District Society Trust Limited (known as Ledbury Civic Society), Ledbury Town Council and the Ledbury and Area Development Trust Limited.

Ledbury Poetry continued to occupy the Barrett Browning Institute building on a three-year lease with effect from 1 April 2023. A Viability Study and Project Development Phase has now been completed, funded with two grants received from the Architectural Heritage Fund. A small project oversight committee has been formed and meets on a regular basis to oversee the planning of the major refurbishment of the Barrett Browning Institute. The long-term aim continues to be for Ledbury Poetry take on a long-term tenancy once complete.

Trustees continued work at the Old Grammar School to refurbish the museum exhibits and displays with the refurbishment work on the Upper Floor completed. Following a successful funding application for money from Herefordshire Council, via Ledbury Town Council, improved lighting has been installed in the Upper Floor and Heritage Centre.

The Heritage Centre opened to visitors at Easter 2023 but once again only for four days per week, due to a limited number of volunteers available. This has once again impacted on income generation for the Heritage Centre with a diminished footfall compared to pre-pandemic levels when the Heritage Centre had been open seven days a week from Easter to the end of October.

The Big Pottery Throwdown fundraising evening in September 2022 where Stuart Houghton (local potter and Trustee) aimed to throw 100 porcelain pots in two days. The event raised a large sum of money for Ledbury Places.

The new website for Ledbury Places was launched in November 2022 with Friends of Ledbury Places invited to an evening of wine and canapes.

As a charity year on year Ledbury Places continues to lose money and Trustees agreed that it was essential for the charity to increase income either through grants for projects or through the sale of retail merchandise and increase in donations. Trustees were working to increase footfall to the Heritage Centre.

FINANCIAL REVIEW

Review of the charity's financial position at the end of the year

The Charity received the following grants during the financial year 2022/23 and along with donations and sales through the Heritage Centre Museum, these were the main sources of income:

REPORT OF THE TRUSTEES (CONT)

- £750 grant received from Ledbury Town Council shop fronts improvement grant (September 2022)
- £2,500 grant received Ledbury Town Council/Herefordshire Council energy efficient lighting (November 2022)
- £9,480 grant received from the Association of Independent Museums as part of the New Stories New Audiences programme (February 2023)
- £12,422 grant received from the Architectural Heritage Fund to carry out the Project Viability Study for the Barrett Browning Institute. (March 2023)

Reserves Policy

The Trustees have adopted a reserves policy with the aim to hold free reserves to meet the administration of the charity and obligations of owning the buildings over one year (£10,000). The general fund had reserves at the end of the year of £701 (2022: £8,447).

The Trustees have in place designated reserves in relation to Heritage Centre activities, the reserve stands at £2,416 (2022: £5,763).

The Trustees have placed the funds that the Barret Browning Institute received from Herefordshire Council for dilapidations of the building into a designated reserve. The cash balance of this stands at £58,258 (2022: £60,096).

The Trustees are satisfied that the charity remains a going concern.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its Memorandum and Articles of Association and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006. The liability of each member is limited to £10.

Recruitment and appointment of new trustees

Directors are elected at a General Meeting. The following organisations, while they are members of Ledbury Places are entitled to nominate directors (number of directors shown in brackets): Ledbury Town Council (2), Ledbury and District Society Trust Limited (2), Barrett Browning Institute (1) and Ledbury and Area Development Trust Limited (1).

Induction and training of new trustees

On appointment the trustees receive a copy of the governing documents and Charity Commission documents regarding trusteeship. New trustees are briefed on the history, background and work of the charity.

DECLARATIONS

The company has taken advantage of the small companies' exemption in preparing the report above.

The trustees declare that they have approved the trustee's report (including director's report) above.

Independent Examiner's Report to the trustees of Ledbury Places

I report on the accounts for the year ended 30th June 2023 which comprise the Statement of Financial Activities, the Summary Income and Expenditure Account, the Balance Sheet and the related notes.

Respective responsibilities of trustees and examiner

The charity's trustees (who are also the directors for the purposes of company law) are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year (under Section 144(2) of the Charities Act 2011 (the 2011 Act)) and that an independent examination is required.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts under Section 145 of the 2011 Act
- to follow the procedures laid down in the General Directions given by the Charity Commission (under Section 145(5)(b) of the 2011 Act); and
- to state whether particular matters have come to my attention.

Basis of the independent examiner's report

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statements below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that, in any material respect, the requirements
- to keep accounting records in accordance with Section 386 and 387 of the Companies Act 2006; and
- to prepare accounts which accord with the accounting records, comply with the accounting requirements of Sections 394 and 395 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities

have not been met; or

- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Notes to the Accounts (cont)

Governance and support costs

Support costs have been allocated between governance costs and other support. Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice.

Support costs include central functions and have been reported separately to charitable activities. The support costs incurred are all in relation to meeting the aims and objectives of the charity.

2.3 Assets

Heritage assets

The buildings that the charity owns have been acquired in the fulfilment of the charity objectives. Heritage assets are carried at cost for purchased assets, there are no comparable market based transactions at which to assess a fair value.

The Barrett Browning Institute is a donated asset and is carried at the 2017 Market Value. The valuation was determined by an RICS Surveyor. This was treated as it's deemed cost. The asset is impaired in value and this was recognised in the 2017 valuation.

It is considered that all of the buildings owned by the charity have indefinite lives and will not be depreciated.

Stocks and work in progress

Stocks held for sale as part of charitable activity are measured at the lower of cost or net realisable value.

Debtors

Debtors (including trade debtors and loans receivable) are measured on initial recognition at settlement amount after any trade discounts or amount advanced by the charity. Subsequently, they are measured at the cash or other consideration expected to be received.
