## **Independent Auditors' Report to the members of ICAP Global Broking Investments**

### **Report on the financial statements**

#### **Our opinion**

In our opinion, ICAP Global Broking Investments' financial statements (the "financial statements"):

- give a true and fair view of the state of the Company's affairs as at 31 March 2016 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

#### **What we have audited**

ICAP Global Broking Investments' financial statements comprise:

- the Balance Sheet as at 31 March 2016;
- the Profit and Loss Account and Statement of Comprehensive Income for the year then ended;
- the Statement of Changes in Equity for the year then ended; and
- the notes to the financial statements, which include a summary of significant accounting policies and other explanatory information.

The financial reporting framework that has been applied in the preparation of the financial statements is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 101 "Reduced Disclosure Framework".

In applying the financial reporting framework, the directors have made a number of subjective judgements, for example in respect of significant accounting estimates. In making such estimates, they have made assumptions and considered future events.

#### **Opinion on other matters prescribed by the Companies Act 2006**

In our opinion, the information given in the Strategic Report and the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

#### **Other matters on which we are required to report by exception**

##### **Adequacy of accounting records and information and explanations received**

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- we have not received all the information and explanations we require for our audit; or
- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns.

We have no exceptions to report arising from this responsibility.

#### **Directors' remuneration**

Under the Companies Act 2006 we are required to report to you if, in our opinion, certain disclosures of directors' remuneration specified by law are not made. We have no exceptions to report arising from this responsibility.

# **ICAP GLOBAL BROKING INVESTMENTS**

## **Independent Auditors' Report to the members of ICAP Global Broking Investments**

### **Responsibilities for the financial statements and the audit**

#### **Our responsibilities and those of the directors**

As explained more fully in the Statement of Directors' Responsibilities, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view.

Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland) ("ISAs (UK & Ireland)"). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

This report, including the opinions, has been prepared for and only for the company's members as a body in accordance with Chapter 3 of Part 16 of the Companies Act 2006 and for no other purpose. We do not, in giving these opinions, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

#### **What an audit of financial statements involves**

We conducted our audit in accordance with ISAs (UK & Ireland). An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of:

- whether the accounting policies are appropriate to the Company's circumstances and have been consistently applied and adequately disclosed;
- the reasonableness of significant accounting estimates made by the directors; and
- the overall presentation of the financial statements.

We primarily focus our work in these areas by assessing the directors' judgements against available evidence, forming our own judgements, and evaluating the disclosures in the financial statements.

We test and examine information, using sampling and other auditing techniques, to the extent we consider necessary to provide a reasonable basis for us to draw conclusions. We obtain audit evidence through testing the effectiveness of controls, substantive procedures or a combination of both.

In addition, we read all the financial and non-financial information in the financial statements to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

## Notes to the financial statements for the year ended 31 March 2016

### 1. PRINCIPAL ACCOUNTING POLICIES

#### a) Basis of preparation

The financial statements have been prepared in accordance with Financial Reporting Standard 101, 'Reduced Disclosure Framework' (FRS 101) and the Companies Act 2006 (the Act) as applicable to companies using FRS 101 and under the historic cost convention. FRS 101 sets out a reduced disclosure framework for a 'qualifying entity' as defined in the standard which addresses the financial reporting requirements and disclosure exemptions in the individual financial statements of qualifying entities that otherwise apply the recognition, measurement and disclosure requirements of EU-adopted International Financial Reporting Standards ('IFRS'). The accounting policies have been applied consistently, other than where new policies have been adopted.

The Company is a qualifying entity for the purposes of FRS 101. Note 14 gives details of the Company's parent and from where its consolidated financial statements prepared in accordance with IFRS may be obtained.

The following disclosure exemptions have been adopted:

- financial risk management note;
- cash flow statements;
- process for managing capital;
- key management compensation; and
- related party transactions between wholly owned group companies.

The financial statements have been prepared on a going concern basis. The Company has exercised its entitlement not to produce consolidated financial statements since consolidated financial statements have been prepared by its ultimate parent company, ICAP plc.

#### b) Tax

Tax on the profit for the year comprises current tax as well as adjustments in respect of prior years. Tax is charged or credited to the profit and loss account, except when it relates to items charged or credited directly to equity, in which case the current tax and is also dealt with in equity.

Current tax is the expected tax payable on the taxable income for the year, using tax rates enacted, or substantially enacted by the balance sheet date.

#### c) Investments in subsidiaries

Investment in subsidiaries comprise equity shareholdings. These investments are recorded at historical cost less provision for any impairment in their values. However, where the transaction takes place for nil consideration, it is not considered to have a transaction price.

A subsidiary is an entity over which the Company has control. Control exists where the Company has the power to govern the financial and operating policies of an entity so as to obtain benefits from its activities.

#### d) Impairment of assets

An impairment review of the recoverable amounts of assets is undertaken at each balance sheet date or when such events or changes in circumstances indicate that an impairment loss may have occurred.

An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use.

#### e) Cash and cash equivalents

Cash and cash equivalents comprise of demand deposits.

The Company makes various judgements in applying its accounting policies and various assumptions and estimates, including about the future, when determining the carrying value of certain assets and liabilities.

As at 31 March 2016 the only such judgements are related to the impairment review of investments (note 15). When considering the investments' value in use, cashflow projections have been used which extend forward to a terminal value and which take account of the approved budget for the coming year. The Company applies a suitable discount factor to the future cash flows based on its weighted average costs of capital at 8.6% (2014: 8.5%). Growth rates are conservatively applied and do not exceed the expected growth in the local economy after the fifth year.
