Dear Sir/Madam

**Central A1 Limited & 1,795 other companies (together 'the Companies') - All in Creditors' Voluntary Liquidation**

I set out below an annual progress report in accordance with Section 104A of the Insolvency Act 1986 and Rule 18.4 of the Insolvency (England and Wales) Rules 2016 ('the Rules'). This report covers the period 5 October 2018 to 4 October 2019 ('the Period').

I refer to my previous reports in relation to the Companies, and I am now attending to final matters in the liquidations. This report also contains details regarding a decision process in which we request that an additional element of the Joint Liquidators' remuneration, in the sum of £12,304.14, be approved as a fixed set amount (the 'Final Remuneration').

**Statutory information regarding the Joint Liquidators**

The Joint Liquidators are Malcolm Cohen (officeholder No: 6825) and Shane Crooks (officeholder No: 15110) of BDO LLP, 55 Baker Street, London, W1U 7EU. The Joint Liquidators were appointed on 5 October 2016 and carry out their functions jointly and severally, meaning that any action can be done by one Liquidator or by both of them.

Please note that the Joint Liquidators are appointed over 1,796 separate companies, details of which can be found on the schedule enclosed at Appendix 8. Given the close relationship between the Companies and the similarities in their affairs, we are issuing one, consolidated report for all of the Companies, which includes a consolidated receipts and payment for the Period.

The Joint Liquidators consider that reporting on a consolidated basis maximises efficiencies and reduces the costs of reporting to the liquidation estates (which have common creditors).

Our annual report dated 4 December 2017 set out in detail the background to the Companies and the events leading up to their liquidation, therefore I do not propose to repeat that information in this report.

**Events following Joint Liquidators' appointment**

As discussed in previous reports, shortly after the Joint Liquidators' appointment, the former liquidator, Paul Appleton of David Rubin & Partners Limited ('DRP'), requested that DRP's outstanding reporting accountant fees be paid as an expense of the liquidation. DRP advised that the stat balance of the Companies' cash (c£2.88m) had been transferred into DRP's client account prior to the commencement of the liquidations.

On 28 October 2016, DRP commenced a Court application, to which the Joint Liquidators were named as Respondents, seeking various orders and declarations to the effect that the reporting accountant fee sought by DRP should be immediately paid as a reasonable and necessary expense of the liquidations. The Joint Liquidators defended this application, which resulted in protracted litigation and a three-day trial set to commence on 13 June 2017.

Shortly before the commencement of the trial, and following discussions between DRP and the Joint Liquidators, the application was settled between the parties. The terms of the settlement are confidential and cannot be disclosed by the Joint Liquidators, although we are able to advise that, as noted on the attached consolidated summary of our receipts and payments, a payment of c£2.122m was made to DRP in full and final settlement of DRP's reporting accountant fee (inclusive of VAT which has since been reclaimed by the Joint Liquidators).

This left a cash balance of c£767k (plus the VAT which has been reclaimed) across the liquidation estates.

#### **Receipts and Payments**

I enclose at Appendix 1, for your information, a consolidated summary of our receipts and payments, showing a balance in hand of £12,214 (in addition to a VAT control account of £13,904, a refund in respect of which will be requested shortly). I comment specifically on certain items elsewhere in this report, otherwise I consider that this summary is self-explanatory.

#### **Restoration of Dissolved Companies**

As previously reported, subsequent to the appointment of the Joint Liquidators, 92 of the Companies ('the Dissolved Companies') were struck off the Register and dissolved by Companies House, due to delays in the processing of documents by Companies House confirming the appointment of the Joint Liquidators.

It was agreed with DRP that it would meet half of the total legal costs of Holman Fenwick Willan LLP ('HFW') incurred in respect of the restoration of the Dissolved Companies, which totalled £49,640.32 plus VAT. The balance of the legal costs of restoration (£24,820.16 plus VAT) was settled in the Period. These costs were apportioned to the estate of each of the Dissolved Companies, on a pro-rata basis dependant on the quantum of funds held in each of the Dissolved Company's estates. This approach is consistent with our apportionment to date of all other legal and liquidators' costs across the liquidation estates.

Following an application to the County Court for Orders that the Dissolved Companies be restored to the Register, these Orders were sealed on 8 May 2018 and the Dissolved Companies have since been restored to the Register. *They are now correctly recognised as being in Creditors' Voluntary Liquidation following the re-filing of the necessary documentation.*

#### **Investigations**

The Joint Liquidators have a duty to investigate the affairs of the Companies and also the conduct of the directors and, in respect of the latter, to submit a confidential statutory report to the Secretary of State. We confirm that such a report has been submitted.

In addition, we have carried out further investigations into the affairs of the Companies and the circumstances of their failure, to establish whether there are any other potential assets that could be realised for the benefit of the Companies' creditors. These investigations have included meeting with the director of the firm of accountants which previously provided services to the Companies, to discuss its role in the operations of the Companies, along with other stakeholders who might have been able to provide relevant information.

Our investigations have now concluded and we are now taking steps to close the liquidations.

#### **Costs in the Liquidation**

Legal fees and disbursements (in addition to those relating to the restoration of the Dissolved Companies) totalling £44,397 have been paid in the Period to our legal advisors, HFW. This reflects a discount on the overall legal costs incurred during the Liquidation, which was agreed with HFW.

#### **Future of the Liquidations**

Following the payment of a first and final dividend to unsecured creditors, the Joint Liquidators are now in a position to conclude outstanding matters in the liquidations and are taking steps to close the liquidations.

#### **Creditors**

There are no secured creditors registered in respect of the Companies.

The Companies had no employees at the date of appointment and consequently there were no preferential claims.

The statements of affairs prepared for each of the Companies stated that there were three creditors with aggregate unsecured claims totalling £4,271,322. Unsecured claims of £47,215,347 were received in the liquidations, predominantly consisting of HMRC's final claim of £46,832,347 across the Companies. Of this claim, the sum of £339,382 was rejected as it related to companies outside of the Group. All other claims were admitted in full. On 31 May 2019, the Joint Liquidators paid a first and final dividend in all of the liquidations, which equated to an effective rate across the liquidations of 0.463p in the £.

As has been previously reported, the Joint Liquidators made provisions to allow for a 15% 'carve-out', which was specifically reserved from net realisations in the Companies' estates, to be made available for the benefit of creditors with agreed claims.

#### **Prescribed Part**

Under Section 176A of the Insolvency Act 1986 where, after 15 September 2003, a company has granted a floating charge to a secured creditor, a proportion of the net property of the company must be made available purely for the unsecured creditors. The Companies have not granted floating charges to any creditor after 15 September 2003 and consequently there has been no prescribed part in these liquidations.

#### **Joint Liquidators' Remuneration**

Pursuant to the Rules, the Joint Liquidators are obliged to fix their remuneration in accordance with Rule 18.16. This permits remuneration to be fixed either:

- (1) as a percentage of the assets realised and distributed; and/or
- (2) by reference to the time the Joint Liquidators and their staff have spent attending to matters in the liquidation; and/or
- (3) as a set amount; and/or
- (4) as a combination of the above.

The Joint Liquidators' remuneration in respect of 1,704 of the Companies (being all of the Companies with the exception of the Dissolved Companies) was approved on a fixed set amount as detailed in the appendices to our report dated 4 December 2017. These fees were approved by the majority of creditors and totalled c£411k. An additional fee approval of c£131k was sought in my previous report dated 20 November 2018 and subsequently approved.

To date, the Joint Liquidators have drawn £528k on account of their remuneration, £200k of which was drawn in the period since the last report dated 20 November 2018, as shown on the enclosed consolidated summary of the Joint Liquidators' receipts and payments. The balance of the fees, as currently approved by the creditors, will be drawn shortly, along with the final remuneration should the requisite approval be obtained.

As referred to above, the Joint Liquidators would now like to seek approval of their final remuneration in respect of the liquidations and to enable the cases to be closed. We wish to ask creditors to approve our remuneration on a fixed set amount.

The request for fee approval on a fixed set amount is enclosed at Appendix 9, and on average this amount is calculated at an additional £6.87 per company, and totals £12,304.14. Please note that this further fee resolution has been required as the previous fee resolution, calculated so as to provide the 15% 'carve-out' for unsecured creditors, underestimated the quantum of remuneration by the sum of £12,304.14. This further fee resolution therefore regularises the position previously agreed with the largest creditor.

For the purposes of comparison, I enclose at Appendix 2 a schedule detailing the time costs incurred by the Joint Liquidators and their staff to date. The consolidated time costs for dealing with the liquidations of the Companies are presently in the region of £785k, whilst the Joint Liquidators' total remuneration (if the Final Remuneration is approved by creditors) would be c£554k. Creditors will therefore note that the fixed fee proposed by the Joint Liquidators results in a better outcome for the liquidation estates and the Companies' creditors than if fees were sought on a time costs basis. The Joint Liquidators will consequently be required to write-off a substantial element of their time costs.

For guidance at Appendix 3, we enclose a document that outlines the policy of BDO LLP in respect of fees and disbursements.

We would now ask the creditors to consider approving the basis of the Joint Liquidators' remuneration. Under Section 246ZE of the Insolvency Act 1986, I enclose a formal notice of a Decision Process by correspondence together with a written resolution for creditors' attention at Appendix 4 and Appendix 6 respectively.

#### **Disbursements**

Where disbursements are recovered in respect of precise sums expended to third parties there is no necessity for these costs to be authorised. These are known as category 1 disbursements. Total category 1 disbursements of £18,142 have been incurred and drawn to date in these Liquidations.

#### **Liquidation Committee**

It is a requirement under Rule 6.19 of the Rules that, when convening a Decision Process, to at the same time deliver to creditors a notice inviting them to decide whether a Liquidation Committee should be established, if sufficient creditors are willing to be members of the committee.

To establish a committee there must be between 3 and 5 members. A guide to Liquidation Committees is available at <https://www.r3.org.uk/what-we-do/publications/professional/creditors-guides>.

If creditors wish to establish a Liquidation Committee, they should provide their consent on the enclosed Decision Process form.

In the event that a Liquidation Committee is not formed, we invite the creditors to consider approving the Joint Liquidators' remuneration. If a Liquidation Committee is appointed, it will be responsible for considering the resolutions.

#### **Creditors' Decision Process**

Please note that formal notice of Decision Process by Correspondence is enclosed covering my request for fee approval on a fixed set amount. Creditors may indicate their decision by completing and returning the written resolution form to this office by no later than the Decision Date, which is 29 October 2019. If a creditor has not already submitted a proof of debt, they must include one when returning the written resolution. A proof of debt is enclosed at Appendix 5.

Votes received after the Decision Date will not be counted. If creditors wish to consider the resolutions at a physical meeting they must notify me in writing within five business days of delivery of the enclosed notice. A meeting will be convened if sufficient creditors notify the Joint Liquidators within the timeframe. Section 246ZE of the Act sets the 'minimum number' of creditors for requisitioning a meeting at any of the following:

- (a) 10% in value of the creditors or contributories; or
- (b) 10% in number of the creditors or contributories; or
- (c) 10 creditors or contributories.

#### **Creditors' rights**

We provide at the end of this report an extract from the Rules setting out the rights of creditors to request further information and/or challenge the remuneration or expenses within the liquidations. Creditors may access information setting out creditors' rights in respect of the approval of a liquidator's remuneration at <https://www.r3.org.uk/what-we-do/publications/professional/fees>.

The Insolvency Service has established a central gateway for considering complaints in respect of Insolvency Practitioners. In the event that you make a complaint to me but are not satisfied with my response, you should visit <https://www.gov.uk/complain-about-insolvency-practitioner> where you will find further information on how you may pursue the complaint.

The Joint Liquidators are bound by the Insolvency Code of Ethics when carrying out all professional work relating to this appointment. A copy of the code is at: <http://www.icaew.com/en/members/regulations-standards-and-guidance/ethics/code-of-ethics-d>.

#### Central A1 Limited & 1,795 other companies - In Liquidation

In accordance with best practice I provide below details of policies of BDO LLP in respect of fees and expenses for work in relation to the above liquidations.

The current charge out rates per hour of staff within my firm who may be involved in working on the liquidations follows:

GRADE	£
Partner	783
Director/Manager	436-604
Assistant Manager	424
Senior Administrator	292-381
Administrator	108-263
Other staff	108

This in no way implies that staff at all such grades will work on the assignments. The rates charged by BDO LLP are reviewed on a regular basis and are adjusted to take account of inflation and the firm's overheads.

Time spent on casework is recorded directly using a computerised time recording system, and the nature of the work undertaken is recorded at that time. Units of time can be as small as 3 minutes. BDO LLP records work in respect of insolvency work under the following categories:

Pre Appointment  
Steps upon Appointment  
Planning and Strategy  
General Administration  
Asset Realisation/Management  
Trading Related Matters  
Employee Matters  
Creditor Claims  
Reporting  
Distribution and Closure  
Other Issues

Under each of the above categories the work is recorded in greater detail in sub categories. Please note that the 11 categories provide greater detail than the six categories recommended by the Recognised Professional Bodies who are responsible for licensing and monitoring insolvency practitioners.

An officeholder's remuneration will be subject to VAT at the prevailing rate.

Where remuneration has been approved on a time costs basis a periodic report will be provided to any Liquidation Committee appointed by the creditors or, in the absence of a Liquidation Committee, to the creditors. The report will provide a breakdown of the remuneration drawn and will enable the recipients to see the average rates of such costs.

## **Other Costs**

Where expenses are incurred in respect of the insolvent estate they will be recharged. Such expenses can be divided into two categories:

### **Category 1**

This heading covers expenses where BDO LLP has met a specific cost in respect of the insolvent estate where payment has been made to a third party. Such expenses may include items such as advertising, couriers, travel (by public transport), land registry searches, fees in respect of swearing legal documents etc. In each case the recharge will be reimbursement of a specific expense incurred.

### **Category 2**

Insolvency practice additionally provides for the recharge of expenses such as printing, stationery, photocopying charges, telephone, email and other electronic communications e.g. webhosting, which cannot be economically recorded in respect of each specific case. Such expenses, which are apportioned to cases, must be approved by the creditors in accordance with the Insolvency (England and Wales) Rules 2016 before they can be drawn, and these are known as category 2 disbursements.

A further disbursement under this heading is the cost of travel where staff use either their own vehicles or company cars in travelling connected with the insolvency. In these cases a charge of 45p per mile is raised which is in line with the HM Revenue & Customs Approved Mileage Rates (median - less than 10,000 miles per annum) which is the amount the firm pays to staff. Where costs are incurred in respect of mileage, approval will be sought in accordance with the Insolvency (England and Wales) Rules 2016 to recover this disbursement.

The policy of BDO LLP in respect of these appointments is not to recharge any expense which is not a specific cost to the case, therefore there will be no category 2 disbursements charged.

Where applicable, all disbursements will be subject to VAT at the prevailing rate.

**Shane Crooks**  
**Joint Liquidator**

The Joint Liquidators are Malcolm Cohen (officeholder No: 6825) and Shane Crooks (officeholder No: 15110) of BDO LLP, 55 Baker Street, London, W1U 7EU. The Joint Liquidators may also be contacted via Catherine Werner at [catherine.werner@bdo.co.uk](mailto:catherine.werner@bdo.co.uk).

Certain Rules apply to decision procedures. The full text of the Rules is set out overleaf but the effect of those Rules is summarised here:

**Creditor Voting rights (R.15.28):** Every creditor who has this notice is entitled to vote in respect of the debt due to the creditor. Where there is a physical meeting the creditor must submit a proxy form (not relevant at this stage). Creditors, including creditors whose debt is treated as a 'small debt' (£1,000 or less) must still deliver a proof for voting purposes, if they have not already done so.

**Calculation of creditors voting rights (R.15.31):** In respect of these liquidations creditors' claims will be calculated as at the date of liquidation, being 5 October 2016. Claims that have an uncertain value will be valued at £1, or a higher value if the chair allows.

**Requisite majority of creditors for making a decision (15.34):** In a Creditors' Voluntary Liquidation a decision is approved if a majority of creditors, by value, vote in favour by the Decision Date.

**Appeals against decisions (R.15.35):** Decisions of the Joint Liquidators in convening the Decision Procedure and dealing with voting is subject to appeal to the court by a creditor. Any appeal must be made within 21 days of the Decision Date.

**Physical Meeting:** If creditors want to consider the resolutions at a physical meeting they must notify in writing the Joint Liquidators, whose details are above, within five business days of delivery of this notice. A meeting will be convened if sufficient creditors notify the Joint Liquidators within the timeframe. Section 246ZE of the Insolvency Act sets the 'minimum number' of creditors for requisitioning a meeting at any of the following:

- (a) 10% in value of the creditors or contributories; or
- (b) 10% in number of the creditors or contributories; or
- (c) 10 creditors or contributories.

**Extract from the Insolvency (England and Wales) Rules 2016**

**Creditors' voting rights**

**15.28.**—(1) In an administration, an administrative receivership, a creditors' voluntary winding up, a winding up by the court and a bankruptcy, a creditor is entitled to vote in a decision procedure or to object to a decision proposed using the deemed consent procedure only if—

(a) the creditor has, subject to 15.29, delivered to the convener a proof of the debt claimed in accordance with paragraph (3), including any calculation for the purposes of rule 15.31 or 15.32, and

(b) the proof was received by the convener—

(i) not later than the decision date, or in the case of a meeting, 4pm on the business day before the meeting, or  
(ii) in the case of a meeting, later than the time given in sub-paragraph (i) where the chair is content to accept the proof; and

(c) the proof has been admitted for the purposes of entitlement to vote.

(2) In the case of a meeting, a proxy-holder is not entitled to vote on behalf of a creditor unless the convener or chair has received the proxy intended to be used on behalf of that creditor.

(3) A debt is claimed in accordance with this paragraph if it is—

(a) claimed as due from the company or bankrupt to the person seeking to be entitled to vote; or

(b) in relation to a member State liquidator, claimed to be due to creditors in proceedings in relation to which that liquidator holds office.

(4) The convener or chair may call for any document or other evidence to be produced if the convener or chair thinks it necessary for the purpose of substantiating the whole or any part of a claim.

(5) In a decision relating to a proposed CVA or IVA every creditor, secured or unsecured, who has notice of the decision procedure is entitled to vote in respect of that creditor's debt.

(6) Where a decision is sought in an administration under sub-paragraph 3.52(3)(b) (pre administration costs), paragraph 18.18(4) (remuneration: procedure for initial determination in an administration) or paragraph 18.26(2) (first exception: administrator has made statement under paragraph 52(1)(b) of Schedule B1), creditors are entitled to participate to the extent stated in those paragraphs.

**Calculation of voting rights**

**15.31.**—(1) Votes are calculated according to the amount of each creditor's claim—

(a) in an administration, as at the date on which the company entered administration, less—

(i) any payments that have been made to the creditor after that date in respect of the claim, and

(ii) any adjustment by way of set-off which has been made in accordance with rule 14.24 or would have been made if that rule were applied on the date on which the votes are counted;

(b) in an administrative receivership, as at the date of the appointment of the receiver, less any payments that have been made to the creditor after that date in respect of the claim;

(c) in a creditors' voluntary winding up, a winding up by the court or a bankruptcy, as set out in the creditor's proof to the extent that it has been admitted;

(d) in a proposed CVA—

(i) at the date the company went into liquidation where the company is being wound up,

(ii) at the date the company entered into administration (less any payments made to the creditor after that date in respect of the claim) where it is in administration,

(iii) at the beginning of the moratorium where a moratorium has been obtained (less any payments made to the creditor after that date in respect of the claim), or

(iv) where (i) to (iii) do not apply, at the decision date;

(e) in a proposed IVA—

(i) where the debtor is not an undischarged bankrupt—

(aa) at the date of the interim order, where there is an interim order in force,

(bb) otherwise, at the decision date,

(ii) where the debtor is an undischarged bankrupt, at the date of the bankruptcy order.

(2) A creditor may vote in respect of a debt of an unliquidated or unascertained amount if the convener or chair decides to put upon it an estimated minimum value for the purpose of entitlement to vote and admits the claim for that purpose.

(3) But in relation to a proposed CVA or IVA, a debt of an unliquidated or unascertained amount is to be valued at £1 for the purposes of voting unless the convener or chair or an appointed person decides to put a higher value on it.

(4) Where a debt is wholly secured its value for voting purposes is nil.

(5) Where a debt is partly secured its value for voting purposes is the value of the unsecured part.

(6) However, the value of the debt for voting purposes is its full value without deduction of the value of the security in the following cases—

(a) where the administrator has made a statement under paragraph 52(1)(b) of Schedule B1 and the administrator has been requested to seek a decision under paragraph 52(2); and

(b) where, in a proposed CVA, there is a decision on whether to extend or further extend a moratorium or to bring a moratorium to an end before the end of the period of any extension.

(7) No vote may be cast in respect of a claim more than once on any resolution put to the meeting; and for this purpose (where relevant), the claim of a creditor and of any member State liquidator in relation to the same debt are a single claim.

(8) A vote cast in a decision procedure which is not a meeting may not be changed.

(9) Paragraph (7) does not prevent a creditor or member State liquidator from—

- (a) voting in respect of less than the full value of an entitlement to vote; or
- (b) casting a vote one way in respect of part of the value of an entitlement and another way in respect of some or all of the balance of that value.

#### **Requisite majorities**

15.34.—(1) A decision is made by creditors when a majority (in value) of those voting have voted in favour of the proposed decision, except where this rule provides otherwise.

(2) In the case of an administration, a decision is not made if those voting against it—

- (a) include more than half in value of the creditors to whom notice of the decision procedure was delivered; and
- (b) are not, to the best of the convener or chair's belief, persons connected with the company.

(3) Each of the following decisions in a proposed CVA is made when three-quarters or more (in value) of those responding vote in favour of it—

- (a) a decision approving a proposal or a modification;
- (b) a decision extending or further extending a moratorium; or
- (c) a decision bringing a moratorium to an end before the end of the period of any extension.

(4) In a proposed CVA a decision is not made if more than half of the total value of the unconnected creditors vote against it.

(5) For the purposes of paragraph (4)—

- (a) a creditor is unconnected unless the convener or chair decides that the creditor is connected with the company;
- (b) in deciding whether a creditor is connected reliance may be placed on the information provided by the company's statement of affairs or otherwise in accordance with these Rules; and
- (c) the total value of the unconnected creditors is the total value of those unconnected creditors whose claims have been admitted for voting.

(6) In a case relating to a proposed IVA—

- (a) a decision approving a proposal or a modification is made when three-quarters or more (in value) of those responding vote in favour of it;
- (b) a decision is not made if more than half of the total value of creditors who are not associates of the debtor vote against it.

(7) For the purposes of paragraph (6)—

- (a) a creditor is not an associate of the debtor unless the convener or chair decides that the creditor is an associate of the debtor;
- (b) in deciding whether a creditor is an associate of the debtor, reliance may be placed on the information provided by the debtor's statement of affairs or otherwise in accordance with these Rules; and
- (c) the total value of the creditors who are not associates of the debtor is the total value of the creditors who are not associates of the debtor whose claims have been admitted for voting.

#### **Appeals against decisions under this Chapter**

15.35.—(1) A decision of the convener or chair under this Chapter is subject to appeal to the court by a creditor, by a contributory, or by the bankrupt or debtor (as applicable).

(2) In a proposed CVA, an appeal against a decision under this Chapter may also be made by a member of the company.

(3) If the decision is reversed or varied, or votes are declared invalid, the court may order another decision procedure to be initiated or make such order as it thinks just but, in a CVA or IVA, the court may only make an order if it considers that the circumstances which led to the appeal give rise to unfair prejudice or material irregularity.

(4) An appeal under this rule may not be made later than 21 days after the decision date.

(5) However, the previous paragraph does not apply in a proposed CVA or IVA, where an appeal may not be made after the end of the period of 28 days beginning with the day—

(a) in a proposed CVA, on which the first of the reports required by section 4(6) or paragraph 30(3) of Schedule A1 was filed with the court(a); or

(b) in a proposed IVA—

- (i) where an interim order has not been obtained, on which the notice of the result of the consideration of the proposal required by section 259(1)(a) has been given, or
- (ii) otherwise, on which the report required by section 259(1)(b)(b) is made to the court.

(6) The person who made the decision is not personally liable for costs incurred by any person in relation to an appeal under this rule unless the court makes an order to that effect.

(7) The court may not make an order under paragraph (6) if the person who made the decision in a winding up by the court or a bankruptcy is the official receiver or a person nominated by the official receiver.

#### **Eligibility for membership of creditors' or liquidation committee**

17.4.—(1) This rule applies to a creditors' committee in an administration, an administrative receivership, and a bankruptcy and to a liquidation committee in a creditors' voluntary winding up and a winding up by the court.

(2) A creditor is eligible to be a member of such a committee if—

- (a) the person has proved for a debt;
- (b) the debt is not fully secured; and
- (c) neither of the following apply—

- (i) the proof has been wholly disallowed for voting purposes, or
  - (ii) the proof has been wholly rejected for the purpose of distribution or dividend.
- (3) No person can be a member as both a creditor and a contributory.
- (4) A body corporate may be a member of a creditors' committee, but it cannot act otherwise than by a representative appointed under rule 17.17.

**Extract from the Insolvency Act 1986 (as amended)**

**Section 246ZE Decisions by creditors and contributories: general**

- (1) This section applies where, for the purposes of this Group of Parts, a person ("P") seeks a decision about any matter from a company's creditors or contributories.
- (2) The decision may be made by any qualifying decision procedure P thinks fit, except that it may not be made by a creditors' meeting or (as the case may be) a contributories' meeting unless subsection (3) applies.
- (3) This subsection applies if at least the minimum number of creditors or (as the case may be) contributories make a request to P in writing that the decision be made by a creditors' meeting or (as the case may be) a contributories' meeting.
- (4) If subsection (3) applies P must summon a creditors' meeting or (as the case may be) a contributories' meeting.
- (5) Subsection (2) is subject to any provision of this Act, the rules or any other legislation, or any order of the court—
- (a) requiring a decision to be made, or prohibiting a decision from being made, by a particular qualifying decision procedure (other than a creditors' meeting or a contributories' meeting);
  - (b) permitting or requiring a decision to be made by a creditors' meeting or a contributories' meeting.
- (6) Section 246ZF provides that in certain cases the deemed consent procedure may be used instead of a qualifying decision procedure.
- (7) For the purposes of subsection (3) the "minimum number" of creditors or contributories is any of the following—
- (a) 10% in value of the creditors or contributories;
  - (b) 10% in number of the creditors or contributories;
  - (c) 10 creditors or contributories.
- (8) The references in subsection (7) to creditors are to creditors of any class, even where a decision is sought only from creditors of a particular class.
- (9) In this section references to a meeting are to a meeting where the creditors or (as the case may be) contributories are invited to be present together at the same place (whether or not it is possible to attend the meeting without being present at that place).
- (10) Except as provided by subsection (8), references in this section to creditors include creditors of a particular class.
- (11) In this Group of Parts "qualifying decision procedure" means a procedure prescribed or authorised under paragraph 8A of Schedule 8.
