Business Review

The CIC has had successful prior years fundraising for our new programme, which saw new supporters and donors come on board which is very encouraging. Our new programme was due to commence in May 2020, however this has been postponed due to the Covid 19 pandemic. As our programme delivery relies on recruiting young people and volunteer mentors and physically taking them on a programme of visits/events, we have had no option but to pause our delivery until May 2022 to run the 12 month C4L programme safely. No funding has been lost and we have £17,830 of deferred income which is being held for this purpose. Since the year end CIC has been awarded a £30,000 grant from the Fore (Bulldog Trust) of which £15,000 is to be received in 2022, and the other £15,000 in 2023. This funding is to enable us to recruit a part time administrator/project co-ordinator.

Small companies provision statement

This report has been prepared in accordance with the special provisions relating to companies subject to the small companies regime within Part 15 of the Companies Act 2006.

Statement of Directors' Responsibilities

The directors acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of accounts.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the surplus or deficit of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Basis of preparation

These financial statements have been prepared using the historical cost convention except that as disclosed in the accounting policies certain items are shown at fair value.

COVID-19

The directors of the company have considered the impact of COVID-19. In the opinion of the directors, the company has sufficient working capital within existing facilities to continue to trade for the foreseeable future, and therefore the financial statements have been prepared on a going concern basis. For more information about the impact of COVID-19, please see the Directors' Report.

Recognition and measurement

Financial instruments are recognised when the company becomes party to the contractual provisions of the instrument and derecognised when in the case of assets, the contractual rights to cash flows from the assets expire or substantially all the risks and rewards of ownership are transferred to another party, or in the case of liabilities, when the company's obligations are discharged, expire or are cancelled.

Basic financial assets comprise short term trade and other debtors and cash and bank balances. Basic financial liabilities comprise short term trade and other creditors.

Such instruments are initially measured at transaction price, including transaction costs, and are subsequently carried at the undiscounted amount of the cash or other consideration expected to be paid or received, after taking account of impairment adjustments.

PART 1 - GENERAL DESCRIPTION OF THE COMPANY'S ACTIVITIES AND IMPACT

In the space provided below, please insert a general account of the company's activities in the financial year to which the report relates, including a description of how they have benefited the community.

In the last financial year, Citizenship for Life CIC has been unable to deliver a programme for young people due to the Pandemic and schools being closed and all school trips for young people cancelled.

Citizenship for Life CIC has therefore focused efforts on raising funds from grants and donations and we managed to secure a significant grant from The Fore (Bulldog Trust) which will enable us to recruit a part time project co-ordinator in our next financial year.

This will free up the volunteer directors to enable them to focus on raising future funds and recruiting some new directors to plus skills gaps.

Our new C4L programme will start in May 2022 and much of the time has been spent planning the design and delivery of that.

(If applicable, please just state "A social audit report covering these points is attached").

(Please continue on separate continuation sheet if necessary.)

PART 2 – CONSULTATION WITH STAKEHOLDERS – Please indicate who the company's stakeholders are; how the stakeholders have been consulted and what action, if any, has the company taken in response to feedback from its consultations? If there has been no consultation, this should be made clear.

The company's stakeholders include young people, parents, schools, supporters and businesses from which volunteer mentors are drawn.

We have consulted with all these groups through a variety of means and have notified them all of the reasons which have meant the 2021 programme has been put on hold until 2022, all of them completely understand the C4L decision taken due to the Pandemic crisis.

(If applicable, please just state "A social audit report covering these points is attached").

PART 3 – DIRECTORS' REMUNERATION – if you have provided full details in your accounts you need not reproduce it here. Please clearly identify the information within the accounts and confirm that, "There were no other transactions or arrangements in connection with the remuneration of directors, or compensation for director's loss of office, which require to be disclosed" (See example with full notes).
