Lorady Shipping (UK) Limited
Statement of directors' responsibilities
Year ended 31 December 2018

The directors are responsible for preparing the directors' report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting practice (United Kingdom Accounting Standards and applicable law), including Financial Reporting Standard 102, The Financial Reporting Standard applicable to the UK and Republic of Ireland (FRS102).

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006.

They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

1 Statement of compliance

The financial statements have been prepared in accordance with the provisions of FRS 102 Section 1A, "The Financial Reporting Standard applicable in the United Kingdom and the Republic of Ireland" relevant to a company following the small entity regime and the Companies Act 2006.

2 Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities measured at fair value through profit and loss.

The financial statements are prepared in US dollars, which is the functional currency of the entity.

Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. There were no significant judgements during the year and no key assumptions and other sources of estimation uncertainty that have a significant risk of causing material adjustment to the carrying amounts of assets and liabilities within the next financial statements.

Revenue recognition

Income from fixed asset investments represent income derived from Lorady Shipping Limited Partnership in which the company holds 0.5% interest as the general partner. Income is recognised in accordance with the partnership agreement.

Taxation

The company has elected to be in the UK tonnage regime. Under the tonnage tax regime, the current year tax charge is calculated by reference to the net tonnage of the qualifying ship chartered in by the partnership. To the extent that the company generates profits/losses which do not qualify for inclusion under the above regime, they will be taxable under UK tax principles.

Deferred taxation is not recognised in respect of profits/losses arising within the tonnage tax regime. However, where the company generates profits/losses which do not qualify for inclusion under the above regime, deferred taxation will be considered.

Investments/provisions

All investments are initially recorded at cost, being their fair value of the consideration given and including the share of profits associated with the investment.

Investments, which represent the company's interest in Lorady Shipping Limited Partnership, are accounted for at cost plus share of accumulated profits less accumulated losses of the partnership. Where the partnership has net liabilities the company's share of those liabilities is shown within provisions.

Foreign currencies

Monetary assets and liabilities in foreign currencies are translated into US dollars at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are translated into US dollars at the rate of exchange ruling at the date of the transaction. Exchange rate differences are taken into account in arriving at the operating profit.

2 Accounting policies (continued)

Financial instruments

Financial instruments are classified and accounted for, according to the substance of the contractual arrangement, as either financial assets, financial liabilities or equity instruments. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities.

Impairment

A review of indicators of impairment is carried out at each reporting date with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.
