1. Introduction

The purpose of this paper is to study the properties of the function

$$f(x) = \sum_{n=0}^{\infty} \frac{x^n}{n!}.$$

It is well known that this function is the exponential function, i.e., $f(x) = e^x$. However, we will study its properties from a different perspective.

2. Preliminary Results

Let $f(x)$ be a function defined on the interval $[0, \infty)$. We assume that $f(x)$ is continuous and differentiable on this interval.

Let $f'(x)$ denote the derivative of $f(x)$. We will study the properties of $f(x)$ and $f'(x)$ in the following sections.

3. Main Results

Let $f(x)$ be a function defined on the interval $[0, \infty)$. We assume that $f(x)$ is continuous and differentiable on this interval. Let $f'(x)$ denote the derivative of $f(x)$.

4. Conclusion

Let $f(x)$ be a function defined on the interval $[0, \infty)$. We assume that $f(x)$ is continuous and differentiable on this interval. Let $f'(x)$ denote the derivative of $f(x)$.

$$f(x) = \sum_{n=0}^{\infty} \frac{x^n}{n!}.$$

Let $f'(x)$ denote the derivative of $f(x)$. We will study the properties of $f(x)$ and $f'(x)$ in the following sections.

$$f'(x) = \sum_{n=0}^{\infty} \frac{x^n}{n!}.$$

$$f''(x) = \sum_{n=0}^{\infty} \frac{x^n}{n!}.$$

$$f'''(x) = \sum_{n=0}^{\infty} \frac{x^n}{n!}.$$

DECISION-MAKING BY DIRECTORS

13. Directors to take decisions collectively⁷

Any decision of the Directors must be either a majority decision at a meeting or a decision taken in accordance with Article 19.

14. Calling a Directors' meeting

14.1.1 Two Directors may (and the Secretary, if any, must at the request of two Directors) call a Directors' meeting

14.1.2 A Directors' meeting must be called by at least seven Clear Days' notice unless either:

- i. all the Directors agree; or
- ii. urgent circumstances require shorter notice.

14.1.3 Notice of Directors' meetings must be given to each Director.

14.1.4 Every notice calling a Directors' meeting must specify:

- i. the place, day and time of the meeting; and
- ii. if it is anticipated that Directors participating in the meeting will not be in the same place, how it is proposed that they should communicate with each other during the meeting.

14.1.5 Notice of Directors' meetings need not be in Writing.

14.1.6 Notice of Directors' meetings may be sent by Electronic Means to an Address provided by the Director for the purpose.

15. Participation in Directors' meetings

15.1.1 Subject to the Articles, Directors participate in a Directors' meeting, or part of a Directors' meeting, when:

- i the meeting has been called and takes place in accordance with the Articles; and

1. The first step is to identify the problem or question that needs to be addressed. This involves understanding the context and the specific requirements of the task.

2. The second step is to gather relevant information and resources. This may involve research, consultation with experts, or reviewing existing data.

3. The third step is to develop a plan or strategy to address the problem. This involves breaking down the problem into smaller, manageable tasks and determining the sequence of actions to be taken.

4. The fourth step is to implement the plan. This involves carrying out the tasks and actions as outlined in the plan, while monitoring progress and making adjustments as needed.

5. The fifth step is to evaluate the results and outcomes. This involves comparing the actual results against the expected outcomes and identifying any areas for improvement.

6. The final step is to document the process and findings. This involves creating a record of the steps taken, the information gathered, and the results achieved, which can be used for future reference and learning.

As a result of the above, the following is proposed as the definition of the *mean* of a fuzzy number \tilde{A} :

$$\text{mean}(\tilde{A}) = \frac{1}{2}(\text{lower}(\tilde{A}) + \text{upper}(\tilde{A}))$$

where $\text{lower}(\tilde{A})$ and $\text{upper}(\tilde{A})$ are the lower and upper bounds of \tilde{A} , respectively.

6. The following table shows the results of the regression analysis for the dependent variable $\ln Y$ (the natural logarithm of the dependent variable) for the years 1980, 1985, 1990, and 1995. The results show that the model is highly significant for all years, with the adjusted R^2 values ranging from 0.85 to 0.95. The coefficients for the independent variables are also shown, with the t -statistics in parentheses. The results indicate that the model is a good fit for the data, and the independent variables are significant predictors of the dependent variable.

Such a resolution may not be passed unless the member has been given at least 14 Clear Days' notice that the resolution is to be proposed, specifying the circumstances alleged to justify expulsion, and has been afforded a reasonable opportunity of being heard by or of making written representations to the Directors. A member expelled by such a resolution will nevertheless remain liable to pay to the Company any subscription or other sum owed by him or her.

ORGANISATION OF GENERAL MEETINGS²¹

29. General meetings

29.1.1 The Directors may call a general meeting at any time.

29.1.2 The Directors must call a general meeting if required to do so by the members under the Companies Acts.²²

30. Length of notice

All general meetings must be called by either:

30.1.1 at least 14 Clear Days' notice; or

30.1.2 shorter notice if it is so agreed by [a majority of the members having a right to attend and vote at that meeting. Any such majority must together represent at least [90%] of the total voting rights at that meeting of all the members].

31. Contents of notice

31.1.1 Every notice calling a general meeting must specify the place, day and time of the meeting, whether it is a general or an annual general meeting, and the general nature of the business to be transacted.

31.1.2 If a special resolution is to be proposed, the notice must include the proposed resolution and specify that it is proposed as a special resolution.

31.1.3 In every notice calling a meeting of the Company there must appear with reasonable prominence a statement informing the member of his or her rights to appoint another person as his or her proxy at a general meeting.

32. Service of notice

Notice of general meetings must be given to every member, to the Directors and to the auditors of the Company.

33. Attendance and speaking at general meetings

33.1.1 A person is able to exercise the right to speak at a general meeting when that person is in a position to communicate to all those attending the meeting, during the meeting, any information or opinions which that person has on the business of the meeting.

33.1.2 A person is able to exercise the right to vote at a general meeting when:

- i. that person is able to vote, during the meeting, on resolutions put to the vote at the meeting; and
- ii. that person's vote can be taken into account in determining whether or not such resolutions are passed at the same time as the votes of all the other persons attending the meeting.

33.1.3 The Directors may make whatever arrangements they consider appropriate to enable those attending a general meeting to exercise their rights to speak or vote at it.

33.1.4 In determining attendance at a general meeting, it is immaterial whether any two or more members attending it are in the same place as each other.

33.1.5 Two or more persons who are not in the same place as each other attend a general meeting if their circumstances are such that if they have (or were to have) rights to speak and vote at that meeting, they are (or would be) able to exercise them.

34. Quorum for general meetings

34.1.1 No business (other than the appointment of the chair of the meeting) may be transacted at any general meeting unless a quorum is present.

34.1.2 Two persons entitled to vote on the business to be transacted (each being a member, a proxy for a member or a duly Authorised Representative of a member); or 10% of the total membership (represented in person or by proxy), whichever is greater, shall be a quorum.

34.1.3 If a quorum is not present within half an hour from the time appointed for the meeting, the meeting shall stand adjourned to the same day in the next week at the same time and place, or to such time and place as the Directors may determine, and if at the adjourned meeting a quorum is not present within half an hour from the time appointed for the meeting those present and entitled to vote shall be a quorum.

35. Chairing general meetings

35.1.1 The Chair (if any) or in his or her absence some other Director nominated by the Directors will preside as chair of every general meeting.

35.1.2 If neither the Chair nor such other Director nominated in accordance with Article 35.1.1 (if any) is present within fifteen minutes after the time appointed for holding the meeting and willing to act, the Directors present shall elect one of their number to chair the meeting and, if there is only one Director present and willing to act, he or she shall be chair of the meeting.

35.1.3 If no Director is willing to act as chair of the meeting, or if no Director is present within fifteen minutes after the time appointed for holding the meeting, the members present in person or by proxy and entitled to vote must choose one of their number to be chair of the meeting, save that a proxy holder who is not a member entitled to vote shall not be entitled to be appointed chair of the meeting.

36. Attendance and speaking by Directors and non-members

36.1.1 A Director may, even if not a member, attend and speak at any general meeting.

36.1.2 The chair of the meeting may permit other persons who are not members of the Company to attend and speak at a general meeting.

37. Adjournment

37.1.1 The chair of the meeting may adjourn a general meeting at which a quorum is present if:

- i. the meeting consents to an adjournment; or
- ii. it appears to the chair of the meeting that an adjournment is necessary to protect the safety of any person attending the meeting or ensure that the business of the meeting is conducted in an orderly manner.

37.1.2 The chair of the meeting must adjourn a general meeting if directed to do so by the meeting.

37.1.3 When adjourning a general meeting, the chair of the meeting must:

- i. either specify the time and place to which it is adjourned or state that it is to continue at a time and place to be fixed by the Directors; and
- ii. have regard to any directions as to the time and place of any adjournment which have been given by the meeting.

37.1.4 If the continuation of an adjourned meeting is to take place more than 14 days after it was adjourned, the Company must give at least seven Clear Days' notice of it:

- i. to the same persons to whom notice of the Company's general meetings is required to be given; and
- ii. containing the same information which such notice is required to contain.

VOTING AT GENERAL MEETINGS

38. Voting: general

- 38.1.1 A resolution put to the vote of a general meeting must be decided on a show of hands unless a poll is duly demanded in accordance with the Articles.
- 38.1.2 A person who is not a member of the Company shall not have any right to vote at a general meeting of the Company; but this is without prejudice to any right to vote on a resolution affecting the rights attached to a class of the Company's debentures.²³
- 38.1.3 Article 38.1.2 shall not prevent a person who is a proxy for a member or a duly Authorised Representative from voting at a general meeting of the Company.

39. Votes

- 39.1.1 On a vote on a resolution on a show of hands at a meeting every person present in person (whether a member, proxy or Authorised Representative of a member) and entitled to vote shall have a maximum of one vote.
- 39.1.2 On a vote on a resolution on a poll at a meeting every member present in person or by proxy or Authorised Representative shall have one vote.
- 39.1.3 In the case of an equality of votes, whether on a show of hands or on a poll, the chair of the meeting shall not be entitled to a casting vote in addition to any other vote he or she may have.
- 39.1.4 No member shall be entitled to vote at any general meeting unless all monies presently payable by him, her or it to the Company have been paid.
- 39.1.5 The following provisions apply to any organisation that is a member ("a Member Organisation"):
- i a Member Organisation may nominate any individual to act as its representative ("an Authorised Representative") at any meeting of the Company;
 - ii. the Member Organisation must give notice in Writing to the Company of the name of its Authorised Representative. The Authorised Representative will not be entitled to represent the Member Organisation at any meeting of the Company unless such notice has been received by the Company. The Authorised Representative may continue to represent the Member Organisation until notice in Writing is received by the Company to the contrary;

- iii. a Member Organisation may appoint an Authorised Representative to represent it at a particular meeting of the Company or at all meetings of the Company until notice in Writing to the contrary is received by the Company,
- iv. any notice in Writing received by the Company shall be conclusive evidence of the Authorised Representative's authority to represent the Member Organisation or that his or her authority has been revoked. The Company shall not be required to consider whether the Authorised Representative has been properly appointed by the Member Organisation;
- v. an individual appointed by a Member Organisation to act as its Authorised Representative is entitled to exercise (on behalf of the Member Organisation) the same powers as the Member Organisation could exercise if it were an individual member;
- vi. on a vote on a resolution at a meeting of the Company, the Authorised Representative has the same voting rights as the Member Organisation would be entitled to if it was an individual member present in person at the meeting; and
- vii. the power to appoint an Authorised Representative under this Article 39.1.5 is without prejudice to any rights which the Member Organisation has under the Companies Acts and the Articles to appoint a proxy or a corporate representative.

40. Poll votes

40.1.1 A poll on a resolution may be demanded:

- i. in advance of the general meeting where it is to be put to the vote; or
- ii. at a general meeting, either before a show of hands on that resolution or immediately after the result of a show of hands on that resolution is declared.

40.1.2 A poll may be demanded by:

- i. the chair of the meeting;
- ii. the Directors;
- iii. two or more persons having the right to vote on the resolution;
- iv. any person, who, by virtue of being appointed proxy for one or more members having the right to vote at the meeting, holds two or more votes; or
- v. a person or persons representing not less than one tenth of the total voting rights of all the members having the right to vote on the resolution.

40.1.3 A demand for a poll may be withdrawn if:

- i. the poll has not yet been taken; and
- ii. the chair of the meeting consents to the withdrawal.

40.1.4 Polls must be taken immediately and in such manner as the chair of the meeting directs.

41. Errors and disputes

41.1.1 No objection may be raised to the qualification of any person voting at a general meeting except at the meeting or adjourned meeting at which the vote objected to is tendered, and every vote not disallowed at the meeting is valid.

41.1.2 Any such objection must be referred to the chair of the meeting whose decision is final.

42. Content of proxy notices

42.1.1 Proxies may only validly be appointed by a notice in writing (a "Proxy Notice") which:

- (i) states the name and address of the member appointing the proxy;
- (ii) identifies the person appointed to be that member's proxy and the general meeting in relation to which that person is appointed;
- (iii) is signed by or on behalf of the member appointing the proxy, or is authenticated in such manner as the directors may determine; and
- (iv) is delivered to the Company in accordance with the Articles and any instructions contained in the notice of the general meeting to which they relate.

42.1.2 The Company may require Proxy Notices to be delivered in a particular form, and may specify different forms for different purposes.

42.1.3 Proxy Notices may specify how the proxy appointed under them is to vote (or that the proxy is to abstain from voting) on one or more resolutions.

42.1.4 Unless a Proxy Notice indicates otherwise, it must be treated as:

- (i) allowing the person appointed under it as a proxy discretion as to how to vote on any ancillary or procedural resolutions put to the meeting; and
- (ii) appointing that person as a proxy in relation to any adjournment of the general meeting to which it relates as well as the meeting itself.

43. Delivery of proxy notices

43.1.1 A person who is entitled to attend, speak or vote (either on a show of hands or on a poll) at a general meeting remains so entitled in respect of that meeting or

any adjournment of it, even though a valid Proxy Notice has been delivered to the Company by or on behalf of that person.

43.1.2 An appointment under a Proxy Notice may be revoked by delivering to the Company a notice in Writing given by or on behalf of the person by whom or on whose behalf the Proxy Notice was given.

43.1.3 A notice revoking the appointment of a proxy only takes effect if it is delivered before the start of the meeting or adjourned meeting to which it relates.

44. Amendments to resolutions

44.1.1 An ordinary resolution to be proposed at a general meeting may be amended by ordinary resolution if:

- i. notice of the proposed amendment is given to the Company in Writing by a person entitled to vote at the general meeting at which it is to be proposed not less than 48 hours before the meeting is to take place (or such later time as the chair of the meeting may determine); and
- ii. the proposed amendment does not, in the reasonable opinion of the chair of the meeting, materially alter the scope of the resolution.

44.1.2 A special resolution to be proposed at a general meeting may be amended by ordinary resolution, if:

- i. the chair of the meeting proposes the amendment at the general meeting at which the resolution is to be proposed; and
- ii. the amendment does not go beyond what is necessary to correct a grammatical or other non-substantive error in the resolution.

44.1.3 If the chair of the meeting, acting in good faith, wrongly decides that an amendment to a resolution is out of order, the chair's error does not invalidate the vote on that resolution.

WRITTEN RESOLUTIONS

45. Written resolutions

45.1.1 Subject to Article 45.1.3, a written resolution of the Company passed in accordance with this Article 45 shall have effect as if passed by the Company in general meeting:

- i. A written resolution is passed as an ordinary resolution if it is passed by a simple majority of the total voting rights of eligible members.
- ii. A written resolution is passed as a special resolution if it is passed by members representing not less than 75% of the total voting rights of eligible members. A written resolution is not a special resolution unless it states that it was proposed as a special resolution.

1. The first part of the paper is devoted to the study of the properties of the function $f(x)$ defined by the equation

$$f(x) = \int_0^x \frac{1}{1+t^2} dt$$
 and to the investigation of its behavior as $x \rightarrow \infty$.

2. In the second part we consider the function $F(x)$ defined by the equation

$$F(x) = \int_0^x \frac{1}{1+t^2} dt$$

and study its properties. We show that $F(x)$ is a monotonic increasing function and that it has a horizontal asymptote at $y = \frac{\pi}{2}$.

3. In the third part we consider the function $G(x)$ defined by the equation

$$G(x) = \int_0^x \frac{1}{1+t^2} dt$$
 and study its properties. We show that $G(x)$ is a monotonic increasing function and that it has a horizontal asymptote at $y = \frac{\pi}{2}$.

4. In the fourth part we consider the function $H(x)$ defined by the equation

$$H(x) = \int_0^x \frac{1}{1+t^2} dt$$
 and study its properties. We show that $H(x)$ is a monotonic increasing function and that it has a horizontal asymptote at $y = \frac{\pi}{2}$.

5. In the fifth part we consider the function $I(x)$ defined by the equation

$$I(x) = \int_0^x \frac{1}{1+t^2} dt$$
 and study its properties. We show that $I(x)$ is a monotonic increasing function and that it has a horizontal asymptote at $y = \frac{\pi}{2}$.

$$I(x) = \int_0^x \frac{1}{1+t^2} dt$$

$$I(x) = \int_0^x \frac{1}{1+t^2} dt$$

6. In the sixth part we consider the function $J(x)$ defined by the equation

$$J(x) = \int_0^x \frac{1}{1+t^2} dt$$
 and study its properties. We show that $J(x)$ is a monotonic increasing function and that it has a horizontal asymptote at $y = \frac{\pi}{2}$.

7. In the seventh part we consider the function $K(x)$ defined by the equation

- 45.1.2 In relation to a resolution proposed as a written resolution of the Company the eligible members are the members who would have been entitled to vote on the resolution on the circulation date of the resolution.
- 45.1.3 A members' resolution under the Companies Acts removing a Director or an auditor before the expiration of his or her term of office may not be passed as a written resolution.
- 45.1.4 A copy of the written resolution must be sent to every member together with a statement informing the member how to signify their agreement to the resolution and the date by which the resolution must be passed if it is not to lapse. Communications in relation to written notices shall be sent to the Company's auditors in accordance with the Companies Acts.
- 45.1.5 A member signifies their agreement to a proposed written resolution when the Company receives from him or her an authenticated Document identifying the resolution to which it relates and indicating his or her agreement to the resolution.
- i. If the Document is sent to the Company in Hard Copy Form, it is authenticated if it bears the member's signature.
 - ii. If the Document is sent to the Company by Electronic Means, it is authenticated [if it bears the member's signature] or [if the identity of the member is confirmed in a manner agreed by the Directors] or [if it is accompanied by a statement of the identity of the member and the Company has no reason to doubt the truth of that statement] or [if it is from an email Address notified by the member to the Company for the purposes of receiving Documents or information by Electronic Means].
- 45.1.6 A written resolution is passed when the required majority of eligible members have signified their agreement to it.
- 45.1.7 A proposed written resolution lapses if it is not passed within 28 days beginning with the circulation date.

Explanatory Notes : CIC Limited by Guarantee, Schedule 1, Large Membership

¹ On articles of association generally, see [Part 5] of the Regulator's information and guidance notes. If you are an existing company wishing to become a community interest company, there is no need to adopt completely new articles, but you must comply with the requirements of the Community Interest Company Regulations 2005 (as amended) ("the Regulations") by including the provisions set out in Schedule 1 to the Regulations in the articles of your company.

² See [Part 6] of the Regulator's information and guidance notes. Inclusion of the provisions contained in article 3.1 to 3.3 is mandatory, reflecting sub-paragraphs (1) to (3) of paragraph 1 of Schedule 1 to the Regulations.

³ See regulation 23 of the Regulations and [Parts 6 and 10] of the Regulator's information and guidance notes. If the company does not specify that the remaining residual assets are to be transferred to a particular Asset Locked Body, an appropriate recipient will be chosen by the Regulator, in consultation with the company's directors and members.

⁴ On the specification of the company's objects, see [Part 5] of the Regulator's information and guidance notes.

⁵ On limited liability, see [Part 3] of the Regulator's information and guidance notes. On guarantees generally see [Chapter 3.2] of the Regulator's information and guidance notes.

⁶ Articles 11 and 12 allow the directors to delegate any of their functions. Delegation may take the form of, for instance, the Directors giving a managing director general authority to run the company's day to day business, or responsibility for specific matters being delegated to particular directors (e.g. financial matters to a finance director), or may be equally appropriate to delegate matters to persons other than Directors. In all cases, it is important to remember that delegation does not absolve Directors of their general duties towards the company and their overall responsibility for its management. This means, amongst other things, that Directors must be satisfied that those to whom responsibilities are delegated are competent to carry them out.

⁷ Article 13 states that the Directors must make decisions by majority at a meeting in accordance with article 15; or unanimously if taken in accordance with article 19.

⁸ Article 15.2 is designed to facilitate the taking of decisions by the directors communicating via telephone or video conference calls. Note the requirement to keep a written record of meetings and decisions (article 48).

⁹ The quorum may be fixed in absolute terms (e.g. "two Directors") or as a proportion of the total number of Directors (e.g. "one third of the total number of Directors"). You may even wish to stipulate that particular named Directors, or Directors representing particular stakeholder interests, must be present to constitute a quorum. In any event, it is recommended that the quorum should never be less than half of the total number of Directors.

¹⁰ Article 18 reflects paragraph 4 of Schedule 1 to the Regulations, which is required to be included in the articles of all community interest companies.

¹¹ You may wish to include a provision which gives the chair of the board a casting vote. This will enable the directors to resolve any deadlock at board level.

¹² Article 19 is designed to facilitate the taking of decisions by directors following discussions in the form of, for example, email exchanges copied to all the directors. Note the requirements as to recording the decision in articles 19.2 and 48.

¹³ The provisions in articles 20 and 21 reflect the position under the Companies Act 2006. However, it is recommended that, as a matter of good practice, all actual and potential conflicts of interest are disclosed in writing or at a meeting, as the case may be.

¹⁴ Private companies are obliged to have at least one director. Provisions can be inserted into the articles providing for a minimum number of directors. Where the company has just one director, that director must be a natural person. You may wish to consider whether provision should also be made for a maximum number of directors (eg. "and the total number of directors in office at any one time shall not exceed four"). While it is often important to ensure proper representation of a number of different groups on a board of directors, very large boards can become unwieldy and a maximum number of directors provision may help to guard against this.

¹⁵ The board of directors cannot remove a director other than in accordance with the provisions in article 24 and the Companies Act 2006.

¹⁶ See the guidance on directors' remuneration in [Part 9] of the Regulator's information and guidance notes.

¹⁷ See section 112 of the Companies Act 2006. A company's members are (i) the subscribers to its memorandum; and (ii) every other person who agrees to become a member of the company and whose name is entered in its register of members.

¹⁸ There is no need for all those who wish to become Members to subscribe to the Memorandum on incorporation; they can become Members and be entered in the register of Members after the company has been formed.
