TO ALL MEMBERS, CREDITORS AND THE REGISTRAR OF COMPANIES

1 INTRODUCTION

- 1.1 Siann Huntley and Andrew Beckingham were appointed Joint Liquidators of Tempus Energy Technology Ltd ("the Company") on 2 November 2020 following the making of a winding-up order on 2 November 2020.
- 1.2 Siann Huntley and Andrew Beckingham are authorised to act as insolvency practitioners in the UK by the Institute of Chartered Accountants in England and Wales under office holder numbers 19130 and 8683, respectively.
- 1.3 There has been no change in office holder since the date of the Liquidator's appointment set out in section 1.1 above.
- 1.4 This report provides an update on the conduct of the Liquidation for the period from 2 November 2020 to 1 November 2021, as required by Rule 18.3 of the Insolvency (England and Wales) Rules 2016 ("the Rules"). It contains details of the progress made, the expected outcome for creditors and other information that the Joint Liquidators are required to disclose.
- 1.5 All figures are stated net of VAT.

2 CONDUCT OF THE LIQUIDATION

- 2.1 The Company's registered office was changed to Leonard Curtis, Sophia House, 28 Cathedral Road, Cardiff, CF11 9LJ on 13 January 2020.

Assets Realised

2.2 Barclays Charges Refund

On 28 May 2021, Barclays advised the business was owed a refund of charges totalling £2,213.38. The funds have been paid into the Insolvency Services Account.

Assets Still to be Realised

- 2.3 The Company was party to court proceedings prior to the liquidation, whereby security was lodged at court in the total of £150,000. Legal advice given to the Joint Liquidators indicated the Company held an interest in some of these funds and an application was made to court in this regard. Unfortunately, the court determined that while the Company was due £30,000, costs of £19,400 were to be borne by the Company and paid as an expense of the liquidation. After payment of the costs and counsel's fees, there are no funds available to the liquidation estate.

3 RECEIPTS AND PAYMENTS ACCOUNT

- 3.1 A summary of the Joint Liquidators' receipts and payments for the period from 2 November 2020 to 1 November 2021 is attached at Appendix A.

4 OUTCOME FOR CREDITORS

Secured Creditors

- 4.1 As previously advised during the Administration, it would appear at Companies House that Origin Energy Limited hold two charges dated 2 August 2018 and 21 December 2018. However, our solicitors have advised that the documentation registered in both cases consist of loan agreements, not debenture documentation, therefore there

are no charging provisions. Given the dates on which the documents were submitted any charge documents are now out of time for registering. Therefore, there is no valid security registered against the Company.

Preferential Creditors

- 4.2 There are no preferential creditors in this matter.

Prescribed Part

- 4.3 As the Company has no unsatisfied post-Enterprise Act charges, there was no requirement to set aside a prescribed part in this case.

Ordinary Unsecured Creditors

- 4.4 As at the date of Liquidation, there were 7 ordinary unsecured creditors, with estimated claims totalling £1,090,772.79.
- 4.5 The funds realised have already been distributed or used or allocated for paying the expenses of the Liquidation. As a result, there will be no dividend to the ordinary unsecured creditors.
- 4.6 The Joint Liquidators have collated and acknowledged (where requested) the claims of the ordinary unsecured creditors, although, in view of the fact that there will be no distribution to this class of creditor, unsecured claims have not been formally agreed.

5 INVESTIGATIONS

- 5.1 Following their appointment, the Joint Administrators considered the information acquired in the course of appraising and realising the business and assets of the Company, together with information provided by the Company's directors and its creditors, to identify any further possible realisations for the estate and what further investigations, if any, might be appropriate.
- 5.2 That assessment did not identify any possible further realisations. The Joint Administrators concluded that no further investigations were required. If, however, any creditor is aware of any matters which they consider require investigation, they should send full details to this office.

6 JOINT LIQUIDATORS' REMUNERATION, EXPENSES AND DISBURSEMENTS AND CREDITORS' RIGHTS

Remuneration

- 6.1 The Joint Administrator's fees were set as a fixed amount of £30,000 by way of an application to Court. The Court order dated 2 November 2020 approved the Joint Administrator's Fees albeit we do not anticipate that there will be any funds available in relation to payment of these fees and they will therefore be written off
- 6.2 The Joint Liquidators' time costs from 2 November 2020 to 1 November 2021 are £41,753.20, which represents 95.5 hours at an average hourly rate of £437.21. Attached at Appendix B is a time analysis which provides details of the activity costs incurred by staff grade during the period. Since it is not anticipated that sufficient funds will be available to discharge the outstanding Joint Administrators' fees, nor any funds available to pay any fees to the Joint Liquidators, approval of the Joint Liquidators' remuneration is not being sought from creditors. The time costs incurred during the liquidation will therefore be written off.
- 6.3 At Appendix C is a detailed description of work undertaken attributable to each category of time costs and an explanation of why it was necessary for that work to be performed.

Expenses

6.4 Details of the Joint Liquidators' expenses from 2 November 2020 to 1 November 2021 are attached at Appendix D. To assist creditors' understanding of this information, it has been separated into the following two categories:

- *Standard Expenses*: this category includes expenses payable by virtue of the nature of the liquidation process and / or payable in order to comply with legal or regulatory requirements.
- *Case Specific Expenses*: this category includes expenses likely to be payable by the Joint Liquidators in carrying out their duties in dealing with issues arising in this particular Liquidation. Included within this category are costs that are directly referable to the Liquidation but are not paid to an independent third party (and which may include an element of allocated costs). These are known as 'category 2 expenses and they may not be drawn without creditor approval.

With effect from 1 April 2021, the Joint Liquidators are also required to disclose to those responsible for approving our remuneration whether any payments we intend to make from an insolvency estate are to associates of Leonard Curtis. Payments to associates are subject to the same level of approval as the office holder's fees and category 2 expenses. Further details are included at Appendix C and E.

6.5 There are no funds available in the liquidation for payment of these expenses and they will therefore be borne by Leonard Curtis.

6.6 Attached at Appendix D is additional information in relation to the firm's policy on staffing, the use of subcontractors, disbursements and details of current charge-out rates by staff grade. Please be aware that the firm's charge out rates have been amended with effect from 1 March 2021.

6.7 The following professional advisors ("PA") and / or subcontractors ("S") have been instructed:

Name of Professional Advisor	PA / S	Service Provided	Basis of Fees
Francis Wilks & Jones Solicitors	PA	Legal Counsel	Time Costs

Francis Wilks and Jones Solicitors ("FWJ") were instructed during the Administration to assist with the recovery of funds held at court in respect of the aforementioned court proceedings.

FWJ were selected to assist with this matter due their experience in handling similar cases. Although their costs have not been finalised, we consider that the basis of their fees is fair and reasonable in light of the service they have provided. There will be insufficient funds available to enable payment of their costs in full and they will only receive a small amount in contribution towards the costs incurred.

Creditors' Rights

6.8 Under Rule 18.9 of the Rules, within 21 days of receipt of this report, a secured creditor, or an unsecured creditor with either the concurrence of at least 5% in value of the unsecured creditors (including the creditor in question), or with the permission of the court, may request in writing that the Joint Liquidators provide further information about their remuneration or expenses which have been itemised in this report.

6.9 Under Rule 18.34 of the Rules, any secured creditor, or any unsecured creditor with either the concurrence of at least 10 % in value of the unsecured creditors (including that creditor) or the permission of the court, may within eight weeks of receipt of the progress report that first reports the fee basis, the charging of the remuneration or the incurring of the expenses in question, make an application to court on the grounds that, in all the circumstances, the basis fixed for the Joint Liquidators' remuneration is inappropriate and/or the remuneration charged or the expenses incurred by the Joint Liquidators, as set out in the progress report, are excessive.

6.10 Unless the court orders otherwise, the costs of the application shall be paid by the applicant and are not payable as an expense of the Liquidation.

7 MATTERS STILL TO BE DEALT WITH

7.1 Matters still to be dealt with before conclusion of the Liquidation include the following:

- Recovery of VAT;
- Case closure procedures.

APPENDIX C

DETAILED NARRATIVE OF WORK PERFORMED BY THE JOINT LIQUIDATORS AND THEIR STAFF

Statutory and Review

This category of activity encompasses work undertaken for both statutory and case-management purposes. Whilst this work will not directly result in any monetary value for creditors, it will ensure that the case is managed efficiently and resourced appropriately, which will be of benefit to all creditors. The work to be carried out under this category will comprise the following:

- Case-management reviews. These have been carried out periodically throughout the life of the case. A month one review was undertaken by the firm's compliance team to ensure that all statutory and best practice matters were dealt with appropriately. As the case progressed, further six monthly reviews were undertaken to ensure that the case progressed as planned.
- Allocation of staff, management of staff, case resourcing and budgeting.
- Review of time costs data to ensure accurate posting of time and to ensure compliance with Statement of Insolvency Practice 9.
- Review of work carried out by more junior members of staff to ensure quality of work and adherence to standards, legislation and best practice.

Receipts and Payments

This category of work will not result in a direct financial benefit for creditors; however, close monitoring of case bank accounts is essential to ensure that bank interest is maximised where possible, estate expenses are properly managed and kept to a minimum and amounts payable to creditors are identified and distributed promptly.

- Liaising with the Insolvency Service regarding receipts into the Insolvency Services Account
- Preparation of periodic receipts and payments accounts for inclusion in statutory reports.
- Timely completion of all post-appointment tax and VAT returns.
- Liaising with HMRC to recover reclaimable VAT.
- Managing estate expenses.

Insurance, Bonding and Pensions

Insolvency Practitioners are obliged to comply with certain statutory requirements when conducting their cases. Some of these requirements are in place to protect Company assets (see insurance and bonding matters below), whilst requirements in respect of Company pension schemes are there to protect the pension funds of Company employees. Whilst there is no direct financial benefit to Company creditors in dealing with these, close control of case expenditure is crucial to delivering maximum returns to the appropriate class of creditor.

- Calculation and request of Joint Liquidators' bond in accordance with the Insolvency Practitioners' Regulations 2005. A bond is a legal requirement on all liquidations and is essentially an insurance policy to protect creditors against the fraud or dishonesty of the Insolvency Practitioner. The bond is calculated by reference to the value of assets which are estimated before costs, to be available to unsecured creditors.
- Periodic review of bonding requirements to ensure that creditors are appropriately protected. The bond is reviewed upon each large receipt of monies into the case and also at three month intervals in accordance with best practice.

Assets

- Liaising with FWJ regarding ongoing litigation;
- Liaising with Company's bankers re pre-appointment bank accounts and charges refund.

Liabilities

This category of time includes both statutory and non-statutory matters.

Statutory

- Processing of claims from the Company's creditors – All claims received from the Company's 7 creditors will be logged. In this instance, it is not anticipated that there will be sufficient funds available to enable a distribution to be made to the unsecured creditors of the Company and therefore claims are not being formally agreed at this stage.
- Preparation and submission of periodic progress reports to creditors.

Non statutory

- Dealing with enquiries from the Company's creditors – This will include dealing with creditors general queries by post, telephone and email. Time will also be incurred providing updates to the secured creditors on the progress of the liquidation.

General Administration

- General planning matters.
- Setting up and maintaining the liquidators' records.
- Dealing with general correspondence and communicating with directors and shareholders.

Appointment

- Statutory notifications to creditors and other interested parties following the liquidators' appointment.
- Preparation of case plan.

LEONARD CURTIS POLICY REGARDING FEES, EXPENSES AND DISBURSEMENTS

The following Leonard Curtis policy information is considered to be relevant to creditors:

Staff Allocation and Charge Out Rates

We take an objective and practical approach to each assignment which includes active director involvement from the outset. Other members of staff will be assigned on the basis of experience and specific skills to match the needs of the case. Time spent by secretarial and other support staff on specific case related matters, e.g. report despatching, is not charged.

Where it has been agreed by the appropriate body of creditors that the office holders' remuneration will be calculated by reference to the time properly given by the office holders and their staff in attending to matters as set out in a fees estimate, then such remuneration will be calculated in units of 6 minutes at the standard hourly rates given below. In cases of exceptional complexity or risk, the insolvency practitioner reserves the right to request and obtain authority from the appropriate body of creditors that their remuneration on such time shall be charged at the higher complex rates given below.

The following hourly charge out rates apply to all assignments undertaken by Leonard Curtis:

	6 Jan 2014 onwards		1 Aug 2019 onwards		1 March 2021 onwards	
	Standard	Complex	Standard	Complex	Standard	Complex
	£	£	£	£	£	£
Director	450	562	525	656	550	688
Senior Manager	410	512	445	556	465	581
Manager 1	365	456	395	494	415	518
Manager 2	320	400	345	431	365	456
Administrator 1	260	325	280	350	295	369
Administrator 2	230	287	250	313	265	331
Administrator 3	210	262	230	288	245	306
Administrator 4	150	187	165	206	175	219
Support	0	0	0	0	0	0

Office holders' remuneration may include costs incurred by the firm's in-house legal team, which may be used for non-contentious matters pertaining to the insolvency appointment.

Use of Associates

We are required to disclose to those responsible for approving our remuneration whether any payments we intend to make from an insolvency estate are to Associates of Leonard Curtis. The term "Associate" is defined in s435 of the Insolvency Act 1986 but we are also required to consider the substance or likely perception of any association between the appointed insolvency practitioner, their firm (LC) or an individual within the firm and the recipient of a payment. Payments to Associates are subject to the same level of approval as the office holder's fees and category 2 expenses (see table below).

Whilst we are not aware of any third parties who meet the legal definition of "Associate" we are aware that there is a perceived association between LC and Pelstar Limited. Pelstar Limited provides insolvency case management software and document hosting facilities to LC. LC employs an individual who is married to a director of Pelstar Limited. Pelstar Limited's costs are set out in the tables below.

Use of Professional Advisors

Details of any professional advisor(s) used will be given in reports to creditors. Unless otherwise indicated the fee arrangement for each is based on hourly charge out rates, which are reviewed on a regular basis, together with the recovery of relevant disbursements.

The choice of professional advisors is based around a number of factors including, but not restricted to, their expertise in a particular field, the complexity or otherwise of the assignment and their geographic location.

Use of Subcontractors

Where we subcontract out work that could otherwise be carried out by the office holder or his/her staff, this will be drawn to the attention of creditors in any report which incorporates a request for approval of the basis upon which remuneration may be charged. An explanation of why the work has been subcontracted out will also be provided.

Categorisation of Expenses

We are required to provide creditors with an estimate of the expenses we expect to be incurred in respect of an assignment and report back to them on actual expenses incurred and paid in our periodic progress reports. There are two broad categories of expenses: standard expenses and case specific expenses. These are explained in more detail below:

- a) Standard Expenses – this category includes expenses which are payable in order to comply with legal or regulatory requirements and therefore will generally be incurred on every case. They will include:
