-------------------	---

THIS DEED is dated 29 June 2021 and is made

BETWEEN:

- (1) **THE COMPANIES LISTED IN SCHEDULE 1 (THE CHARGORS)** (each a **Chargor** and together the **Chargors**); and
- (2) **WELLS FARGO BANK, N.A., LONDON BRANCH** (the **Security Agent**) as agent and trustee for the Secured Parties (as defined in the Credit Agreement defined below).

BACKGROUND:

- (A) Pursuant to a security agreement dated 1 October 2015 between each Chargor and the Security Agent (the **Original Security Agreement**), each Chargor created security interests over certain of its assets as security for, among other things, the present and future obligations and liabilities of each Transaction Obligor under the Finance Documents (as amended or supplemented).
- (B) On 23 July 2018, the Credit Agreement was amended by an amendment and restatement agreement between, among others, the Chargors and the Security Agent (the **First Amendment and Restatement Agreement**), and therefore the Chargors and the Security Agent entered into a confirmatory security agreement on the date of the First Amendment and Restatement Agreement (the **First Confirmatory Security Agreement**).
- (C) On or about the date of this Deed, the Credit Agreement was amended by an amendment and restatement agreement between, among others, the Chargors and the Security Agent (the **Second Amendment and Restatement Agreement**).
- (D) The Chargors and the Security Agent consider that the security interests created by the Chargors under the Original Security Agreement and the First Confirmatory Security Agreement secure payment of the Secured Liabilities (as defined below), but enter into this Deed in case they do not.
- (E) This Deed is supplemental to the Original Security Agreement and the First Confirmatory Security Agreement.
- (F) It is intended that this document takes effect as a deed notwithstanding the fact that a party may only execute this document under hand.

IT IS AGREED as follows:

1. INTERPRETATION

1.1 Definitions

In this Deed:

Credit Agreement means the credit agreement dated 1 October 2015 between (among others) the Chargors and the Security Agent, as amended, supplemented or restated from time to time.

Secured Liabilities means all present and future obligations and liabilities (whether actual or contingent and whether owed jointly or severally or in any other capacity whatsoever) of each Transaction Obligor to any Secured Party under each Finance Document including those obligations and liabilities as they are amended by the First Amendment and Restatement Agreement and the Second Amendment and Restatement Agreement.

1.2 Construction

- (a) Capitalised terms defined in the Original Security Agreement have, unless expressly defined in this Deed, the same meaning in this Deed except that references to the Original Security Agreement will be construed as references to this Deed.
- (b) The provisions of clause 1.2 (Construction) to 1.4 (Third party rights) of the Credit Agreement apply to this Deed as though they were set out in full in this Deed except that references to the Credit Agreement will be construed as references to this Deed.
- (c)
 - (i) A Finance Document or other agreement or instrument includes (without prejudice to any prohibition on amendments) any amendment to that Finance Document or other agreement or instrument, including any change in the purpose of, any extension of or any increase in the amount of a facility or any additional facility;
 - (ii) the term **this Security** means any security created by this Deed but other references to “Security” have the meaning given to them in the Credit Agreement; and
 - (iii) a reference to any asset includes present and future properties, revenues and rights of every description.
- (d) Any covenant of a Chargor under this Deed (other than a payment obligation) remains in force during the Security Period.
- (e) The terms of the other Finance Documents and of any side letters between any Parties in relation to any Finance Document are incorporated in this Deed to the extent required to ensure that any purported disposition of any freehold or leasehold property contained in this Deed is a valid disposition in accordance with section 2(1) of the Law of Property (Miscellaneous Provisions) Act 1989.
- (f) If the Security Agent considers that an amount paid to a Secured Party under a Finance Document is capable of being avoided or otherwise set aside on the liquidation or administration of the payer or otherwise, then that amount will not be considered to have been irrevocably paid for the purposes of this Deed.
- (g) Unless the context otherwise requires, a reference to a Security Asset includes the proceeds of sale of that Security Asset.
