Structure, governance and management

The charity is a company limited by guarantee and was formed on 16 January 2015. It is governed by a memorandum and articles of association as amended by special resolution on 19 August 2016. The liability of the members in the event of the company being wound up is limited to a sum not exceeding £1.

Method of recruitment and appointment of trustees

The trustees of the charity are also the directors for the purposes of company law and are appointed by the members at the AGM.

Trustees' report (continued) for the year ended 31 March 2018

Objectives and activities

The charity's objects

To advance heritage generally and/or preserve, for the benefit of the general public, the historical, architectural and constructional heritage existing in and around Marsden in buildings (including any structure or erection, and any part of a building as so defined) of particular beauty or historical, architectural or constructional interest;

To advance the arts, culture, education, health and well-being by (but not restricted to) the provision of facilities in which these activities can take place for the benefit of the public in Marsden and/or those who, by reason of their youth, age, infirmity or disability, financial hardship or social and economic circumstances, have need of such facilities.

To provide or assist in the provision of recreational facilities for the public at large.

To advance environmental protection and improvement in Marsden through the provision, maintenance and/or improvement of public open space and other public amenities and other environmental and regeneration projects (but subject to appropriate safeguards to ensure that the public benefits so arising clearly outweigh any private benefit thereby conferred on private landowners)

To advance community development through the promotion of trade and industry within Marsden for the benefit of the general public; and

To further such other exclusively charitable purposes according to the law of England and Wales as the Directors in their absolute discretion from time to time determine.

The charity's main activities

Marsden Community Trust exists to take on assets and run them for the benefit of Marsden, West Yorkshire, and the surrounding areas.

Public benefit statement

In setting our objectives and planning our activities our Trustees have given serious consideration to the Charity Commission's general guidance on public benefit and in particular the advancement of education and the advancement of arts and heritage.

Achievements and performance

This is the first full year of activity for Marsden Community Trust and it has comfortably exceeded hopes and expectations. The Trust generates income that more than meets its day to day expenditure and now has the support of two part-time members of staff. The Trust has more work to do in diversifying its income streams in particular to address some of the repair work required on the Mechanics Hall fabric. This is a challenge at a time of austerity and economic uncertainty but by having a broad appeal to the community we are confident that the Trust can continue to build a lasting legacy. One example of this is the refurbishment of the library which has transformed the space so we can use it in ways to generate income, a refurbishment skillfully designed and managed by the Trust to come in on time and under budget. With skills like these the Trust can only succeed!

Financial review

The net income for the year was £73,027, including net income of £72,032 on unrestricted funds and net income of £995 on restricted funds.

Reserves policy

The charity's free reserves, excluding fixed assets, at the year end were £4,235.

The charity aims to build reserves to cover 6 months operating expenditure. They also aim to set aside a monthly amount for a building maintenance fund to cover planned and unexpected maintenance needs.

Marsden Community Trust Limited Trustees' report (continued) for the year ended 31 March 2018

Statement of trustees' responsibilities

The trustees (who are also the directors for the purposes of company law) are responsible for preparing the Trustees report and the financial statements in accordance with the applicable law and UK Accounting Standards.

Company law requires the trustees to prepare financial accounts for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for the year. In preparing these financial statements, the trustees are required to:

select suitable accounting policies and apply them consistently;

observe the methods and principles in the Charities SORP;

make judgements and estimates that are reasonable and prudent;

state whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;

prepare the accounts on a going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial accounts comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

This report has been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities (Charities SORP (FRS102)), and in accordance with the special provisions of the Companies Act 2006 relating to small companies.

Independent examiner's report to the trustees of Marsden Community Trust Limited

I report to the charity trustees on my examination of the accounts of the charitable company for the year ended 31 March 2018, which are set out on pages 6 to 12.

Responsibilities and basis of report

As the charity's trustees of the charitable company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the charitable company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

Leeds LS10 2QW

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the company as required by section 386 of the 2006 Act, or
- 2 the accounts do not accord with those records; or
- 3 the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
- 4 the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

For the year ending 31 March 2018 the charitable company was entitled to exemption from audit under section 477 of the Companies Act 2006 relating to small companies.

The members have not required the charitable company to obtain an audit of its accounts for the year in question in accordance with section 476. The trustees (who also the directors for the purposes of company law) acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of accounts.

These accounts have been prepared in accordance with the provisions applicable to companies subject to the small companies' regime and with FRS 102 (effective January 2015).

The financial statements were approved by the board of trustees on

Date: 18 Sept 2018

Signed: (Trustee)

Marsden Community Trust Limited Notes to the accounts for the year ended 31 March 2018

1 Accounting policies

Basis of accounting

These accounts have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these accounts. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) The charity constitutes a public benefit entity as defined by FRS 102.

There has been no change to the accounting policies since last year. No changes have been made to the accounts for previous years.

Going concern

The trustees are satisfied that there are no material uncertainties about the charity's ability to continue.

Incoming resources

All incoming resources are included in the Statement of Financial Activities (SOFA) when the charity becomes entitled to the resources, it is more likely than not that the trustees will receive the resources and the monetary value can be measured with sufficient reliability.

Grants and donations

Grants and donations are only included in the SOFA when the charity has unconditional entitlement to the resources.

Where grants are related to performance and specific deliverables, they are accounted for as the charity earns the right to consideration by its performance.

Donated goods for resale are valued at the amount actually realised upon their sale.

Donated assets, facilities or services are valued at their estimated value to the charity. This is the price that the charity estimates it would pay in the open market for equivalent items; or services and facilities of equivalent utility to the charity.

Expenditure and liabilities

Expenditure is recognised on an accrual basis as a liability is incurred. Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out the resources and the amount of the obligation can be measured with reasonable certainty.

Taxation

As a charity the organisation benefits from rates relief and is generally exempt from income tax and capital gains tax but not from VAT. Irrecoverable VAT is included in the cost of those items to which it relates.

Tangible fixed assets

Tangible fixed assets costing more than £500 are capitalised and included at cost including any incidental expenses of acquisition. Gifted assets are shown at the value to the charity on receipt. Depreciation is provided on all tangible fixed assets at rates calculated to write off the cost on a straight line basis over their expected useful economic lives as follows:

Freehold land and buildings: over 50 years

Fixtures and Fittings: over 5 years

Marsden Community Trust Limited Notes to the accounts continued for the year ended 31 March 2018

1 Accounting policies continued

Pensions

The charity operates a defined contribution scheme for the benefit of its employees. The costs of contributions are recognised in the year they are payable.

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity.

Designated funds are unrestricted funds earmarked by the trustees for particular purposes.

Restricted funds are subjected to restrictions on their expenditure imposed by the donor or through the terms of an appeal.

Further explanation of the nature and purpose of each fund is included in the notes to the accounts.

Leases

Rents under operating leases are charged on a straight line basis over the lease term or to an earlier date if the lease can be determined without financial penalty.
