We have reviewed the financial statements of Abergele Golf Club Trading Limited for the year ended 31st March 2021, which comprise the Income Statement, Balance Sheet and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 105 'The Financial Reporting Standard applicable to the Micro-entities Regime'.

This report is made solely to the company's directors, as a body, in accordance with our terms of engagement. Our review has been undertaken so that we might state to the directors those matters that we have agreed with them in our engagement letter and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's directors as a body for our work, for this report or the conclusions we have formed.

A review of financial statements in accordance with ISRE 2400 (Revised) is a limited assurance engagement. We have performed additional procedures to those required under a compilation engagement. These primarily consist of making enquiries of management and others within the entity, as appropriate, applying analytical procedures and evaluating the evidence obtained. The procedures performed in a review are substantially less than those performed in an audit conducted in accordance with International Standards on Auditing (UK and Ireland). Accordingly, we do not express an audit opinion on these financial statements.

Based on our review, nothing has come to our attention that causes us to believe that the financial statements have not been prepared:

- in accordance with United Kingdom Generally Accepted Accounting Practice; and
