GLOBAL BEER COMPANY LTD
Accountants' Report
For the year ended 28 February 2021

Accountant's report

You consider that the company is exempt from an audit for the year ended 28 February 2021 . You have acknowledged, on the balance sheet, your responsibilities for complying with the requirements of the Companies Act 2006 with respect to accounting records and the preparation of accounts. These responsibilities include preparing accounts that give a true and fair view of the state of affairs of the company at the end of the financial year and of its profit or loss for the financial year.

In accordance with your instructions, we have prepared the accounts which comprise the Profit and Loss Account, the Statement of Comprehensive Income, the Balance Sheet, the Statement of Changes in Equity and the related notes from the accounting records of the company and on the basis of information and explanations you have given to us.

We have not carried out an audit or any other review, and consequently we do not express any opinion on these accounts.

General Information

GLOBAL BEER COMPANY LTD is a private company, limited by shares, registered in England and Wales, registration number 09432703, registration address 71-75 Shelton Street, Covent Garden, London, WC2H 9JQ

The presentation currency is £ sterling.

1. Accounting policies

Significant accounting policies

Statement of compliance

These financial statements have been prepared in compliance with FRS 102 – The Financial Reporting Standard applicable in the UK and Republic of Ireland and the Companies Act 2006.

Basis of preparation

The financial statements have been prepared on the going concern basis and under the historical cost convention as modified by the revaluation of land and buildings and certain financial instruments measured at fair value in accordance with the accounting policies.

The financial statements are prepared in sterling which is the functional currency of the company.

Group accounts

The company is a parent company subject to the small companies regime. The company and its subsidiary comprise a small group. The company has, therefore, taken advantage of the option provided by section 398 of the Companies Act 2006 not to prepare group accounts.

Turnover

Turnover comprises the invoiced value of services supplied by the company, net of Value Added Tax and trade discounts.

Government grants

Government grants received are credited to deferred income. Grants towards capital expenditure are released to the income statement over the expected useful life of the assets. Grants received towards revenue expenditure are released to the income statement as the related expenditure is incurred.

Operating lease rentals

Rentals payable under operating leases are charged against income on a straight line basis over the lease term.

Research and development expenditure

Research and development expenditure is charged to the income statement in the period in which it is incurred.

Foreign currencies

Monetary assets and liabilities denominated in foreign currencies are translated into sterling at the rate of exchange ruling at the balance sheet date. Transactions in foreign currencies are recorded at the rate ruling at the date of the transaction. All foreign exchange differences are included to the income statement.

Taxation

Taxation represents the sum of tax currently payable and deferred tax. Tax is recognised in the statement of income, except to the extent that it relates to items recognised in other comprehensive income or directly in capital and reserves. The company's liability for current tax is calculated using the tax rates and laws that have been enacted or substantively enacted at the reporting date. Current and deferred tax assets and liabilities are not discounted

Preference dividends

Where preference shares are classed as liabilities rather than equity any preference dividends paid are included in interest payable and similar charges within the income statement.

Goodwill

Acquired goodwill is stated at cost less amortisation. Amortisation is calculated on a straight line basis over the estimated expected useful economic life of the goodwill of years.
