3 Summary of significant accounting policies

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

(a) Basis of preparation

These financial statements have been prepared under the historical cost convention, as modified by certain financial assets and liabilities measured at fair value through profit or loss, as when it is required by FRS 102. The preparation of financial statements in conformity with FRS 102 requires the use of certain critical accounting estimates. FRS 102 allows a qualifying entity certain disclosure exemptions, subject to certain conditions, which have been complied with, including notification of, and no objection to, the use of the exemptions by the Company's shareholders. The Company has taken advantage of the following exemptions:

Cash Flow Statement - The Company has taken advantage of the exemption, under FRS 102 paragraph 1.12 (b), from preparing a statement of cash flows, on the basis that it is a qualifying entity and its ultimate parent company, Atlantic Investments Holdings Limited, and intermediate holding company, Bridgepoint Group Limited, includes the Company's cash flows in their own consolidated financial statements.

Related Party Transactions - Under FRS 102 33.1A, the Company is exempt from the requirement to disclose related party transactions within the group on the grounds that 100% of the voting rights are controlled within the group.
