**Notes to the Financial Statements  
for the Year Ended 30 April 2017**

**1. STATUTORY INFORMATION**

Lizzb Ltd is a private company, limited by shares, registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

**2. ACCOUNTING POLICIES**

**Basis of preparing the financial statements**

These financial statements have been prepared in accordance with the provisions of Section 1A "Small Entities" of Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

**Turnover**

Turnover is accounted for as revenue when, and to the extent that, the company obtains a right to consideration in exchange for its performance of its obligations under the sales contract with the customer. The amount reported as revenue is the fair value of the right to consideration - usually the price specified in the contractual arrangement net of discounts and net of VAT, and after any allowance for credit risk and other uncertainties.

**Tangible fixed assets**

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Fixtures and fittings	- 25% on reducing balance
Computer equipment	- 33% on cost

**Stocks**

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

**Financial instruments**

Financial instruments are classified and accounted for, according to the substance of the contractual arrangement, as either financial assets, financial liabilities or equity instruments. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities.

## 6. BASIS OF PREPARATION

The financial statements have been prepared on a going concern basis, the applicability of which is dependent upon the continued support of its creditors and financiers. At the balance sheet date the company had net liabilities of £11,641 (2016:£3,771) and a reported loss of £8,135 (2016:£3,141).

In the opinion of the directors, the company has the support of its creditors and financiers for the foreseeable future and it is therefore appropriate to adopt the going concern basis.
