Notes to the Financial Statements for the Year Ended 31 March 2020

1. STATUTORY INFORMATION

Bideford Window Cleaning Services Ltd is a private company, limited by shares, registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

The presentation currency of the financial statements is the Pound Sterling (£).

2. STATEMENT OF COMPLIANCE

These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" including the provisions of Section 1A "Small Entities" and the Companies Act 2006. There were no material departures from that standard.

3. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements have been prepared under the historical cost convention.

The principal accounting policies adopted in the preparation of the financial statements are set out below and remain unchanged from the previous period, and also have been consistently applied within the same accounts

The consequences of the COVID-19 pandemic and the measures taken to control its spread have materially and adversely affected the company's operations. The impact of the pandemic, as well as the effectiveness of government and central bank responses, remain unclear at this time. It is not possible to reliably estimate the duration and severity of these consequences, as well as their impact on the financial position and results of the company for future periods. The directors are optimistic that necessary measures can be taken to ensure the viability of the company and so they have continued to adopt the going concern basis of accounting as set out below..

Turnover

Turnover is measured at the fair value of the consideration received or receivable, excluding discounts, rebates, value added tax and other sales taxes.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Plant and machinery	- 15% straight line
Fixtures and fittings	- 33% straight line and 15% straight line

Tangible fixed assets are stated at cost (or deemed cost) or valuation less accumulated depreciation and accumulated impairment losses. Cost includes costs directly attributable to making the asset capable of operating as intended by management.

Financial instruments

Basic financial instruments with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised in the profit and loss account in administrative expenses. Loans and borrowings are initially recognised at the transaction price including transaction costs.

Notes to the Financial Statements - continued for the Year Ended 31 March 2020

3. ACCOUNTING POLICIES - continued

Taxation

Taxation for the year comprises current and deferred tax. Tax is recognised in the Statement of Income and Retained Earnings, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the year end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

Going concern

Having regard to the company's anticipated future revenues and costs including repayment of debt where appropriate, together with the expected availability of working capital, the directors consider that it is appropriate to prepare the financial statements on the going concern basis.
