- 1.4 As explained in more detail in the Statement of Proposals, the Joint Administrators are currently pursuing the second statutory objective; achieving a better result for the Company's creditors as a whole than would be likely if the Company were wound up (without first being in Administration).
- 1.5 A summary of the current and anticipated future positions are detailed below.

- 1.6 The Statement of Proposals at appendix 1 provides explanations of the events leading to the Administration and the progress of the Administration to date, as well as other statutory information.
- 1.7 This Proposal provides more detailed information on the work that the Joint Administrators anticipate they will undertake to complete the Administration together with their proposed basis of fees. To put this request into context, this Proposal provides further information on the Joint Administrators' costs to date, including the costs incurred prior to Administration. It also explains other matters for creditors' consideration, such as the proposed timing of the Joint Administrators' discharge on conclusion of the Administration.
- 1.8 Definitions of the terms used in this Proposal are provided in appendix 1 together with all statutory information pertaining to the Company.

2. Statement of pre-Administration costs

- 2.1 Attached at appendix 2 is a breakdown of the time costs of the Joint Administrators and their staff that was incurred prior to the Administration. The following work was undertaken prior to the Administration:-
 - Review of the financial information available;
 - Discussions with the investor regarding options available;
 - Providing general insolvency advice;
 - Review of the Company's assets;
 - Strategic case planning;
 - Preparation and filing of the relevant forms to Court of the appointment of the Joint Administrators;
 - Preparing internal files and paperwork.
- 2.2 Prior to Administration, the proposed Joint Administrators gathered information on the Company to ensure that they were in a position to consent to act as Joint Administrators and to formulate an initial strategy in order to achieve one of an Administration objective.
- 2.3 Solicitors were engaged to assist in order to issue an application to Court for the restoration of the Company and the appointment of the proposed Joint Administrators. A Court application was required as the Company had been dissolved and there was no other method in which the Company could be restored. In addition, as the application for the appointment of the proposed Joint Administrators was made by a creditor, a Court application was required.
- 2.4 Creditors instructed Carlton Huxley Limited ('CH') to investigate and locate the funds invested. A payment was made to CH in order to fund the investigation, ascertain whether there was a possible action, identify other investors in the same position, attempt to locate the director and former directors and ascertain whether the

individuals concerned had assets and, therefore, viable to pursue. This work was required to be undertaken prior to the Administration as the work completed provided the basis for the application to Court.

- 2.5 Counsel was also instructed as they were required to attend each Court hearing.
- 2.6 In conducting the above work, the following costs were incurred but remain unpaid:

| Cost | Amount (£) |
|-----------------------------------|------------|
| UHY Hacker Young LLP's time costs | 3,482.50 |
| Legal fees (including counsel) | 6,213.00 |
| Return of investigation funding | 54,796.22 |
| Court fees | 280.00 |
| Total | 64,771.72 |

2.7 The payment of the unpaid pre-Administration costs as an expense of the Administration is subject to approval under Rule 3.52 of the Rules and is not part of the Statement of Proposals subject to approval under Paragraph 53 of Schedule B1 of the Act. Further explanation of the approval process is provided in Section 9.

3. The Joint Administrators' fees

- 3.1 The Joint Administrators propose to fix their fees on the basis of 15% of the gross asset realisations. Please note that this fee proposal is to cover both the Administration and Liquidation, should the Company subsequently be placed into Liquidation. The fee is considered to be reflective of the contingent nature of the asset and is believed to be a fair and reasonable reflection of the work required.
- 3.2 The Statement of Proposals provides an account of the work undertaken to date and appendix 4 provides a detailed list of work undertaken and proposed to be undertaken by the Joint Administrators and their staff.
- 3.3 The charge-out rates of the Joint Administrators and their staff are detailed in appendix 4. The appropriate level of staff have been assigned to work on each aspect of the case based upon their seniority and experience; having regard to the complexity of the work, the financial value of the assets being realised and claims being agreed. The grades of staff instructed to assist in this matter and their key responsibilities include:-
 - Support Staff: maintenance of the creditors' contacts database, assisting with creditors' queries and routine correspondence;
 - Managers: reviewing the Company's position and affairs, handling asset realisations, reviewing draft statutory reports to creditors and overseeing the tax and VAT aspects of the case;
 - Directors: reviewing the Company's position and affairs, reviewing asset realisations, overseeing various aspects of the Administration; and
 - Partners: overseeing all aspects of the Administration.

3.4 Creditors may access a Guide to Administrators' Fees at by visiting https://www.r3.org.uk/media/documents/publications/professional/Creditors_Administration.pdf. A hard copy can be provided on request. Further information is set out below and in the appendices to explain the future time costs that the Joint Administrators anticipate incurring in this Administration.

4. The Joint Administrators' expenses

- 4.1 Expenses are amounts properly payable by the office holder from the estate which are not otherwise categorised as the office holder's remuneration or as a distribution to a creditor or creditors. These may include, but are not limited to, legal and agents' fees, trading expenses and tax liabilities.
- 4.2 Disbursements are expenses initially met by, and later reimbursed to, an office holder in connection with an insolvency appointment and will fall into two of the following categories:-
 - Category 1 disbursements are payments to independent third parties where there
 is specific expenditure directly referable to the appointment in question. These are
 charged to the estate at cost with no uplift. These include, but are not limited to,
 such items as advertising, bonding and other insurance premiums. Legislation
 provides that administrators may discharge category 1 disbursements from the
 funds held in the insolvent estate without further recourse to creditors.
 - Category 2 disbursements are also directly referable to the appointment in question but not to a payment to an independent third party. Payments may only be made in relation to category 2 disbursements after the relevant creditors have approved the bases of their calculation.
- 4.3 Appendix 3 provides details of the bases of category 2 disbursements that the Joint Administrators propose to recover from the insolvent estate and appendix 4 provides details of the category 1 and 2 disbursements as well as the other expenses that the Joint Administrators expect to incur in the Administration.

5. Proposed work to be undertaken

5.1 Set out in appendix 4 is a detailed list of tasks that the Joint Administrators propose that they and their staff will undertake. The most material tasks are summarised below. The estimated outcome statement attached to the Statement of Proposals provides an overview of the financial benefit that this work is expected to bring to creditors.

Administration (including statutory reporting)

5.2 The Joint Administrators are required to meet a considerable number of statutory and regulatory obligations. Whilst many of these tasks do not have a direct benefit in enhancing realisations for the insolvent estate, they assist in the efficient and compliant

progressing of the Administration, which ensures that the Joint Administrators and their staff carry out their work to high professional standards.

5.3 Primarily, these tasks include:

- Meeting all statutory reporting and filing requirements, including 6-monthly reports, seeking an extension where necessary, and issuing a final report and notices;
- Consulting with and instructing staff and independent advisers as regards practical, technical and legal aspects of the case to ensure efficient progress;
- Maintaining case files, which must include records to show and explain the Administration and any decisions made by the Joint Administrators that materially affect the Administration;
- Conducting periodic case reviews to ensure that the Administration is progressing efficiently, effectively and in line with the statutory requirements; and
- Maintaining and updating the estate cash book and bank accounts, including regular bank reconciliations and processing receipts and payments.

Investigations

- 5.4 The Joint Administrators are required to examine the conduct of the Company and its directors prior to the Administration with two main objectives:-
 - To identify what assets are available for realising for the benefit of creditors, including any potential actions against directors or other parties, such as challenging transactions at an undervalue or preferences; and
 - To enable the Joint Administrators to report to the Insolvency Service on the conduct of the directors so that the Insolvency Service may consider whether disqualification proceedings are appropriate ('CDDA' work).
- 5.5 In the early stages of the Administration, this work involves examining the Company's books and records, considering information received from creditors and the Company's accountants and seeking information from the Company's directors by means of questionnaires.
- 5.6 In the event that questionable transactions are identified, it may be necessary to conduct further investigations and instruct solicitors to assist in deciding the Joint Administrators' next steps in pursuing a recovery. If a potential recovery action is identified, it may be necessary to instruct professional agents in gathering evidence and in exploring further the existence and value of assets to target. If the Joint Administrators encounter resistance in making a recovery, formal legal action may be appropriate.
- 5.7 In addition, if the Insolvency Service decides to proceed with a disqualification, the Joint Administrators will be required to assist the Insolvency Service's investigators in their work, which may include providing the investigators with access to the

Company's books and records and agreeing statements to be given in evidence of those proceedings.

5.8 At this early stage, it is difficult to estimate the likely time costs and expenses that may be incurred in this work. The expenses estimates presented reflects the anticipated work in identifying potential causes of action.

Realisation of assets

5.9 The Statement of Proposals summarises the work carried out by the Joint Administrators to date in realising the Company's assets. The principal matter that requires further work is the investigation into the affairs of the Company to ascertain whether there is action available to pursue which would result in realisations back to the Company.

Creditors (claims and distributions)

- 5.10 As the Statement of Proposals explains, there a number of different classes of creditors involved in the Administration which require the Joint Administrators' attention. In particular, the Joint Administrators anticipate conducting the following key tasks:-
 - Liaising with creditors (or their representatives) in respect of the amounts owed to them and investments made;
 - Responding to creditors' queries and logging their claims and supporting information;
 - Maintaining the database as regards to creditors' contact details and claims; and
 - Dealing with a creditors' committee, if one is appointed.

Proposed work to be undertaken by the Joint Liquidators

- 5.11 At present, it is uncertain whether there will be sufficient funds to pay a dividend to unsecured creditors. However, in the event that a dividend is available, this will be carried out once the Company has moved from Administration to Creditors' Voluntary Liquidation.
- 5.12 As detailed above, the proposed fee for the Joint Administrators shall also cover the fee in the event that the Company is placed into Creditors' Voluntary Liquidation. An estimate of the Liquidation expenses is available at appendix 5.
- 5.13 In any event, the Joint Liquidators will be required to carry out the following activities in addition to continuing to realise the Company's assets and conduct investigations, where these have not been completed in the Administration:-
 - Meeting statutory requirements including: issuing notice of appointment, issuing annual progress reports and financial accounts to creditors;
 - Completing periodic tax returns;
 - Maintaining case files, which must include records to show and explain the administration of the Liquidation and any decisions made by the Joint Liquidators with a material affect;

- Conducting periodic case reviews to ensure that the Liquidation is progressing
 efficiently, effectively and in line with the statutory requirements;
- Maintaining and updating the estate cash book and bank accounts, including regular bank reconciliations and processing receipts and payments;
- Adjudicating on all creditors' claims, with the assistance of solicitors where necessary;
- Giving notice of the intention to declare a dividend; and
- Calculating, declaring and paying dividends to creditors and dealing with unclaimed dividends.

6. Other information to support the proposed fees

- 6.1 Attached at appendix 4 is the Joint Administrators' estimate of the expenses that have been or are likely to be incurred.
- 6.2 Please note that the estimate has been provided on the assumptions given below. In the event that it proves necessary for the Joint Administrators to incur additional expenses in performing their duties, they will provide further details in their progress reports, but there is no statutory obligation to ask creditors to approve any adjusted expenses estimate.
- 6.3 In summary, the Joint Administrators propose that their fees be calculated at 15% of gross asset realisations.
- 6.4 Fixing the Joint Administrators' fees in this way provides creditors with certainty as regards the fees irrespective of developments in the Administration (although the Joint Administrators have a statutory right to seek creditors' approval to adjust the fee in the event that circumstances change materially) and, if the Joint Administrators were to change their fees on the alternative basis of time costs incurred by them and their staff, it is very likely that this would result in a fee at least equal to, and likely in excess of, that proposed. On this basis, the Joint Administrators consider the proposed fee basis to be a fair and reasonable reflection of the work that they propose to undertake.
- 6.5 The proposed fees and the expenses estimate have been compiled on the assumptions set out below. Please note that these are assumptions only for the purposes of preparing the proposed fees and Expenses Estimate in accordance with the statutory provisions. It has been assumed that:-
 - investigations to the extent described in section 5 above will be carried out;
 - no exceptional work will need to be conducted in order to realise any funds following the investigation;
 - there will be no requirement to hold a physical creditors' meeting or additional decision procedure to consider the matters covered by this Proposal; and
 - there will be no need to extend the Administration for more than one year, approval for which will be sought from the relevant creditors at an appropriate time.

7. The Joint Administrators' discharge

7.1 The Act requires that in the absence of a creditors' committee the timing of the Joint Administrators' discharge from liability will be decided by the unsecured creditors. The Joint Administrators propose that this discharge will take effect when their appointment ceases to have effect, unless the Court specifies a time.

8. Invitation to form a creditors' committee

- 8.1 Attached at appendix 6 is a notice of invitation to form a creditors' committee. The purpose of the creditors' committee is to assist the Joint Administrators in discharging their functions. In particular, a creditors' committee takes on the responsibility for approving the basis of the Joint Administrators' fees and other costs described above.
- 8.2 In the absence of a committee, this responsibility falls to the unsecured creditors. In this case, the Joint Administrators do not see a need for a committee to be formed. Notwithstanding this, creditors are entitled to seek the formation of a committee, provided that there are sufficient nominations to form a committee. At least three nominations would be required and the requisite majority of creditors would also need to object to the proposed decision not to form a committee. Appendix 6 provides further information on these steps.

9. Approval process

- 9.1 The Joint Administrators are seeking creditors' approval of the proposed decisions set out below by means of a vote by correspondence. Creditors are invited to vote on these proposed decisions by completing and returning the enclosed voting form together with a proof of debt form, if one has not already been submitted. These forms are attached at appendix 5 together with a notice of decision procedure setting out the following proposed decisions:-
 - That the Joint Administrators' Proposals (i.e. the statutory Statement of Proposals at appendix 1), be approved;
 - That a creditors' committee will be established, if sufficient nominations are received are received by 29 May 2018 and those nominations are willing to be members of a committee;
 - That the Joint Administrators' remuneration be fixed by way of 15% of any gross asset realisations;
 - That the Joint Administrators be authorised to recover all category 2 disbursements, estimated to be £1,810.00 plus VAT;
 - That the unpaid pre-Administration costs set out in the Joint Administrators' Proposal be approved, in the sum of £64,771.72 plus VAT;
 - That the Joint Administrators be discharged from liability in respect of any action undertaken by them pursuant to paragraph 98 of Schedule B1 of the Act, such discharge to take effect when the appointment of Joint Administrators ceases to have effect, as defined by the Act, unless the court specifies a time;

- That the proposed Joint Liquidators be authorised to recover all category 2 disbursements, estimated to be £1,615.00 plus VAT.
- 9.2 The Joint Administrators must receive completed voting forms, together with a proof of debt form (if not already submitted), by no later than 23.59 on 29 May 2018 to enable your vote to be counted.
- 9.3 Whilst a decision by correspondence is being sought, creditors who meet a statutory threshold as set out in the notice attached at appendix 5 can require that a physical meeting of creditors be convened. Such a request must be made to the Joint Administrators within 5 business days of the date on which this Proposal was delivered. If you wish to request a physical meeting, please set out in writing which of the decisions above you wish the meeting to consider.
- 9.5 If any creditor has any queries in relation to the above, please do not hesitate to contact either of the Joint Administrators or Skevi Iacovou, on 020 7216 4885 or by email to s.iacovou@uhy-uk.com.

2. Introduction

- 2.1 This Statement of Proposals is prepared pursuant to Schedule B1 of the Act in relation to the Company, the purposes of which are to provide creditors with a full update as to the present position and to set out the Joint Administrators' Proposals for achieving an Administration objective.
- 2.2 The Statement of Proposals also includes information required to be provided to creditors pursuant to the Rules. Definitions of the terms used in the Statement of Proposals are provided in attachment 1 and statutory information pertaining to the Company is set out in attachment 2.
- 2.3 This Statement of Proposals is being delivered to creditors on 14 May 2018. Creditors are invited to decide whether to approve the Joint Administrators' proposals. Section 8 provides further details on this decision process.

3. Background to the Company

- 3.1 The business was incorporated on 20 July 2015 by Mr Karim Hamad and Mr Shadi Abu Ahmad. Both directors resigned on 27 October 2015 and Ms Genevieve Magnan was appointed director. Ms Magnan later resigned on 23 January 2017 and the current director, Mr Fedor Rodimstev was appointed.
- 3.2 The Company's registered address was 20-22 Wenlock Road, London, N1 7GU, however, as both Ms Magnan and Mr Rodimstev do not appear to be residents of the United Kingdom, it is uncertain whether the business traded from this address.
- 3.3 The Company provided unregulated investment services and traded using the website utmarkets.com.
- 3.4 The Company was dissolved via voluntary strike off on 14 March 2017. Various investors sought an investigation into the use of their monies as they did not receive a return. As a result, the investors instructed investigation firm Carlton Huxley ('CH') to look into the transactions undertaken by the Company in order to trace the investors' funds.
- 3.5 Following the investigation, an application was issued by the investors to restore the Company and place it into Administration.
- 3.6 A Court Order to restore the Company at Companies House was issues on 15 February 2018 and Companies House reflected this on 13 April 2018. An Administration Order was also issued at the High Court of Justice on 27 March 2018 and Peter Kubik and Michael Kiely of UHY Hacker Young LLP were appointed Joint Administrators.

Overview of the financial information

3.7 No financial information is available as no management accounts have been provided by the director and no accounts have been filed at Companies House.

Statutory information

3.8 Statutory information on the Company, including details of the directors, company secretary and shareholders is provided at attachment 2.

4. Events leading to the Administration

- 4.1 As detailed in Section 3 above, the Company's investors sought to recover their funds and, following the dissolution of the Company in March 2017, applied to Court to reinstate the Company and appoint Administrators.
- 4.2 Peter Kubik and Michael Kiely were appointed Joint Administrators of the Company on 27 March 2018 by Court Order following an application by a creditor.

- 4.3 The functions, duties and powers of the Joint Administrators can be carried out by either of them.
- 4.4 Please note that the EU Regulations on insolvency proceedings apply in this case and these proceedings are main proceedings as the centre of main interest is 20-22 Wenlock Road, London, N1 7GU, being the Company's registered office, and is based in the United Kingdom.

5. The purpose of the Administration

- 5.1 The purpose of an Administration is set out in Schedule B1, paragraph 3(1) of the Act.
- 5.2 In short, this provides that an Administrator of a company must perform his functions with the objective of:
 - (a) rescuing the company as a going concern, or
 - (b) achieving a better result for the creditors as a whole than would be likely to be achieved if the company were wound up (without first being in Administration), or
 - (c) realising property in order to make a distribution to one or more secured or preferential creditors.
- 5.3 These objectives form a hierarchy. The rescue of a company is the priority. If this is not possible, the Administrator seeks to achieve a better result for the creditors as a whole. In the event that this cannot be achieved, then the Administrator is permitted to realise assets for the benefit of the preferential or secured creditors.
- 5.4 Objective (a) could not be achieved as the business had stopped trading in March 2017.
- 5.5 The Joint Administrators shall seek to achieve objective (b). The sole asset in this matter is the potential return from the investigation. In the event that funds will be recovered, it is believed that there will be a better return to creditors than if the Company were wound up due to the higher costs associated with a petition for Liquidation rather than Administration application.
- 5.6 A detailed account of how the Joint Administrators have sought to achieve the objective of the Administration is set out below.

6. Management of the Company's affairs since the Administrators' appointment

Investigation

6.1 Immediately upon being appointed following the Court Order the Joint Administrators and their solicitors, Howes Percival LLP, had a meeting with CH in order to ascertain the current position of the investigation and determine the best route to proceed.

- 6.2 CH agreed to provide to the Joint Administrators copies of documents from their investigations and any further information or assistance required in order to pursue a potential recovery of investor funds.
- 6.3 The Joint Administrators and their solicitors are currently reviewing the information provided to ascertain whether any further information is required and what action to take.
- 6.4 As there are no other assets in this matter, a funder may be sought in order to fund the ongoing investigation and possible future litigation.

Receipts and payments account

6.5 As there have been no receipts or payments in this matter, I have not provided a receipts and payments account.

Post appointment strategy

- 6.6 As advised above, following the appointment of the Joint Administrators a meeting was held with CH to ascertain further information regarding the affairs of the Company and the potential action.
- 6.7 The Joint Administrators' staff are in the process of collating creditors' claims and have handled creditors' queries as they have arisen.
- 6.8 The Joint Administrators legal advisors, Howes Percival LLP, advised in respect of all legal issues arising in the Administration and in the investigation.
- 6.9 In addition, the Joint Administrators have instructed CH to assist with the investigation.

Investigation into the Company's affairs prior to the Administration

- 6.10 The Joint Administrators are undertaking a review of the Company's trading activities in order to establish whether or not there are actions that may be taken for the benefit of the Administration and consequently to enable a conduct report to be submitted in respect of Company directors in office at the commencement of the Administration and any who resigned in the three years prior to the Administration.
- 6.11 Should any creditor have any concerns about the way in which the Company's business had been conducted or information on any potential recoveries for the estate, they are invited to bring them to the attention of the Joint Administrators as soon as possible.

7. The estimated financial position and the outcome for creditors

7.1 The director has not, to date, submitted a completed Statement of Affairs. A letter requesting a Statement of Affairs be submitted was issued to the director on 10 April 2018. No response was received and no other contact details are available.

- 7.2 An estimated financial statement of the Company, together with a list of creditors is at attachment 4.
- 7.3 These details have been extracted from the information provided by CH and therefore no warranty can be given to the accuracy of the details given. The Joint Administrators have not carried out any work of the nature of an audit on the information.
- 7.4 In accordance with the standard format of a Statement of Affairs, no provision has been made for the costs of the Administration (including all professional fees).

Secured creditors

7.5 I am not aware of any secured creditor and no charges have been registered at Companies House.

Preferential claims

- 7.6 Preferential claims relates to employees' unpaid wages and outstanding holiday.
- 7.7 As the Company had ceased trading and had been dissolved, there are no preferential claims in this matter.

Prescribed part

- 7.8 Section 176A of the Act requires the Joint Administrators to make a prescribed part of the Company's net property, which is the balance remaining after discharging the preferential claims but before paying the floating charge-holder, available for the satisfaction of unsecured debts.
- 7.9 As there is no floating charge creditor in this matter the prescribed part will not apply.
- 8. The Joint Administrators' and proposed Joint Liquidators' fees and disbursements

Joint Administrators' and Joint Liquidators' remuneration

- 8.1 The Joint Administrators propose to be remunerated in respect of all work on a percentage of realisations basis of 15%.
- 8.2 Please note that this fee proposal is to cover both the Administration and Liquidation, should the Company subsequently be placed into Liquidation. The fee is considered to be reflective of the contingent nature of the asset and is believed to be a fair and reasonable reflection of the work required.
- 8.3 The Joint Administrators will seek approval for the basis of their fees from the unsecured creditors, unless a creditors' committee is formed.
- 8.4 Information to support the basis of the Joint Administrators' fees is provided in the Joint Administrators' Proposal, to which this Statement of Proposals forms an appendix.

Joint Administrators' and Joint Liquidators' expenses and disbursements

- 8.5 The estimated expenses, category 1 and 2 disbursements expected to be incurred in the Administration are estimated to be £50,662.35 and £1,810.00 plus VAT respectively.
- 8.6 The estimated expenses, category 1 and 2 disbursements expected to be incurred in the Liquidation are estimated to be £320.90 and £1,615.00 plus VAT respectively.
- 8.7 A breakdown of all expenses and disbursements are available at appendix 3 and 4 of the Proposals.

9. Approval of the Statement of Proposals

- 9.1 The Joint Administrators are seeking creditors' approval of the Statement of Proposals, which are summarised in Section 10, by means of a vote by correspondence.
- 9.2 Attached to the Joint Administrators' Proposal, to which the Statement of Proposals forms an appendix, is a notice of decision procedure and a voting form, which describes how creditors may lodge a vote on the proposed decision to approve the Statement of Proposals and on the other proposed decisions.
- 9.3 Creditors who meet a statutory threshold as set out in the notice can request a physical meeting of creditors to be convened. Such a request must be made to the Joint Administrators within five business days of the date the Statement of Proposals was delivered.

10. Summary of the Joint Administrators' Proposals

- 10.1 The Statement of Proposals is summarised below.
 - a. The Joint Administrators continue to manage the business, affairs and property of the Company in order to achieve the purpose of the Administration, in particular that:
 - i. they investigate and, if appropriate, pursue any claims that the Company may have against any person, firm or company, whether in contract or otherwise, including any officer or former officer of the Company or any person, firm or company that supplies or has supplied goods or services to the Company; and
 - ii. they do all such things and generally exercise all their powers as Joint Administrators as they consider desirable or expedient at their discretion in order to achieve the purpose of the Administration or protect and preserve the assets of the Company or maximise the realisations of those assets, or of any purpose incidental to these activities.

- b. The Joint Administrators end the Administration in one of the following ways, appropriate to the circumstances of the case at the time:
 - i. In the event that the Joint Administrators think that a distribution will be made to unsecured creditors (and they have not sought the court's permission to pay the distribution in the Administration) they shall send to the Registrar of Companies notice to move the Company from Administration to Creditors' Voluntary Liquidation. In such circumstances, Peter Kubik and Michael Kiely will be appointed Joint Liquidators and will be authorised to act either jointly or separately in undertaking their duties as Liquidators.

Note: Creditors may nominate a different person(s) as the proposed Liquidator(s) in accordance with paragraph 83(7)(a) of Schedule B1 of the Act and Rule 3.60(6)(b) of the Rules, but they must make the nomination(s) at any time after they receive the Statement of Proposals, but before it is approved.

ii. In the unlikely event that there is no remaining property that might permit a distribution to the Company's creditors, the Joint Administrators shall file a notice of dissolution of the Company to the Registrar of Companies, pursuant to paragraph 84 of Schedule B1 of the Act.
