Directors' report For the year ended 31 December 2020

The directors present their report and the audited financial statements of Hollyblue Healthcare (Spring) Limited ("the company") for the year to 31 December 2020.

Principal activity

The principal activity of the company during the year was that of an investment property company operating in the care sector.

Results

The profit for the year, after taxation, amounted to £514,157 (2019: £439,304). During the year the company paid dividends of £1,648,761 (2019: £nil),

During the previous year the company's only tenant breached the conditions of their lease and were subsequently put into administration. The directors are currently assessing various options available to them, which include continuing to operate the care home for a period, leasing to another tenant or selling the asset.

Going concern

The directors have considered the impact of COVID-19 on their business - see note 2.3.

Directors

The directors who served the company during the year and up to the date of approval of this report were:

M C Glowasky
P A Smith
J C Diaz-Sanchez

Disclosure of information to the auditor

The directors at the time when this Directors' report is approved have confirmed that:

- so far as they are aware, there is no relevant audit information of which the company's auditor is unaware; and
- they have taken all the steps that ought to have been taken as directors in order to be aware of any relevant audit information and to establish that the company's auditor is aware of that information.

Independent auditor

The auditor, BDO LLP, has indicated its willingness to continue in office. A resolution concerning its re-appointment will be put to the directors at the board meeting approving these financial statements.

Small companies note

In preparing this report, the directors have taken advantage of the small companies exemptions provided by sections 414A and 414B of the Companies Act 2006.

This report was approved by the board and signed on its behalf by:

P A Smith

Director Date: 25 West 24

Directors' responsibilities statement For the year ended 31 December 2020

The directors are responsible for preparing the annual report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial period. Under that law the directors have prepared the financial statements in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards, comprising FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" Section 1A). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing the financial statements, the directors are required to:

- select suitable accounting policies for the company's financial statements and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. The directors are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent auditor's report to the members of Hollyblue Healthcare (Spring) Limited For the year ended 31 December 2020

Opinion on the financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 December 2020 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
 and
- have been prepared in accordance with the requirements of the Companies Act 2006.

We have audited the financial statements of Hollyblue Healthcare (Spring) Limited ("the company") for the year ended 31 December 2020 which comprise the statement of comprehensive income, statement of financial position, statement of changes in equity, and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report.

Independence

We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

Other information

The directors are responsible for the other information. The other information comprises the information included in the annual report other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Independent auditor's report to the members of Hollyblue Healthcare (Spring) Limited (continued) For the year ended 31 December 2020

Other Companies Act 2006 reporting

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Directors' report for the financial year for which the financial statements are
 prepared is consistent with the financial statements; and
- the Directors' report has been prepared in accordance with applicable legal requirements.

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the Directors' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- · certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit. ;or
- the directors were not entitled to prepare the financial statements in accordance with the small companies
 regime and take advantage of the small companies' exemptions in preparing the Directors' report and
 from the requirement to prepare a Strategic report.

Responsibilities of Directors

As explained more fully in the Directors' responsibilities statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Independent auditor's report to the members of Hollyblue Healthcare (Spring) Limited (continued) For the year ended 31 December 2020

Extent to which the audit was capable of detecting irregularities, including fraud

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. A summary of the procedures we designed and executed to detect irregularities, including fraud is set out below:

- performing analytical procedures to identify unusual or unexpected relationships that may indicate risks
 of material misstatement due to fraud and tested accordingly;
- reading minutes of those charged with governance and reviewing correspondence with regulatory bodies, such as HMRC and The Care Quality Commission, for indications of non-compliance with laws and regulations;
- assessing whether the accounting policies, treatments and presentation adopted in the financial statements is in accordance with United Kingdom Generally Accepted Accounting Practice and whether there are instances of potential bias in areas with significant degrees of judgement;
- in addressing the risk of fraud through management override of controls, testing the appropriateness of a sample of journal entries;
- assessing whether the judgements made in making accounting estimates are indicative of a potential bias; and evaluating the business rationale of any significant transactions that are unusual or outside the normal course of business;
- agreeing the property values adopted within the financial statements to third party valuations prepared
 by the company's independent property advisors or other evidence of open market value where
 appropriate, given the potential for management bias and the significance of this key figure within the
 financial statements;
- vouching balances and reconciling items in management's key control account reconciliations to supporting documentation as at 31 December 2020.

Our audit procedures were designed to respond to risks of material misstatement in the financial statements, recognising that the risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery, misrepresentation or through collusion. There are inherent limitations in the audit procedures performed and the further removed non-compliance with laws and regulations is from the events and transactions reflected in the financial statements, or the greater the concealment of irregularities, including fraud, the less likely we are to become aware of it.

A further description of our responsibilities is available on the Financial Reporting Council's website at: https://www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Use of our report

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

1. General information

Hollyblue Healthcare (Spring) Limited is a private company limited by shares incorporated and domiciled in England and Wales. The address of its registered office is 2 Merchants Drive Parkhouse, Carlisle, Cumbria, England, CA3 0JW.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared on a going concern basis, under the historical cost convention, as modified by the revaluation of freehold investment property measured at fair value through the Statement of comprehensive income, and in accordance with Financial Reporting Standard 102, "The Financial Reporting Standard applicable in the UK and Republic of Ireland", and the Companies Act 2006, as applicable to the small companies regime.

The preparation of financial statements in compliance with FRS 102 requires the use of certain critical accounting estimates. It also requires management to exercise judgement in applying the company's accounting policies (note 3).

The presentational currency is pound sterling.

The following principal accounting policies have been applied:

2.2 Financial reporting standard 102 - reduced disclosure exemptions

The disclosure requirements of section 1A of FRS 102 have been applied other than where additional disclosure is required to show a true and fair view.

2.3 Going concern

The financial statements have been prepared on a going concern basis. The immediate parent undertaking has confirmed to the directors its intention to continue to support the company for the foreseeable future.

During the prior year the company's only tenant breached the conditions of their lease and were put into administration. The directors are currently assessing various options available to them, which include continuing to operate the care home for a period, leasing to another tenant or selling the asset.

Whilst assessing these various options, the directors are of the opinion that the ability of the company to continue as a going concern is dependent on the ongoing financial support of the immediate parent undertaking, who have provided a legally binding letter of support in writing to the entity.

The directors consider the going concern basis to be appropriate following their assessment of the Company's financial position and its ability to meet its obligations as and when they fall due given this level of financial support from its immediate parent undertaking. In making the going concern assessment, the directors have taken into account the following:

- The capital structure and liquidity of the Company and its immediate parent undertaking;
- A number of scenarios to the base case cash flow forecasts for the next twelve months (from date of approval of the financial statements) and the resulting level of additional funding required during that period; and
- The ability of the immediate parent undertaking to provide the necessary financial support and the availability of resources at the parent's disposal.

Notes to the financial statements (continued) For the year ended 31 December 2020

2. Accounting policies (continued)

2.3 Going concern (continued)

Specifically in relation to the potential impact of the COVID-19 pandemic on the company, the directors have considered:

- The current trading performance of both this entity, its wider group, and the underlying assets operationally, following lockdown measures introduced by the government; and
- Market intelligence and government economic forecasts around the short to medium term economic impacts due to the COVID-19 pandemic on both the property sector and more specifically on the care home sector in which the underlying asset operates.

The directors are satisfied that given the financial support of the entity's immediate parent undertaking, the company is able to meet its obligations as they fall due over the next twelve months and as such they consider it appropriate to prepare the company's financial statements on the going concern basis. The financial statements do not include any adjustments that would arise if the financial support of the immediate parent undertaking was withdrawn and the entity was not able to continue as a going concern.

2.4 Turnover

Turnover, comprised of rental income, is recognised to the extent that it is probable that the economic benefits will flow to the company and the turnover can be reliably measured. Turnover is measured as the fair value of the consideration received or receivable, excluding discounts, rebates, value added tax and other sales taxes.

2.5 Investment property

Investment property is carried at fair value determined annually on the basis of reports compiled by external valuers. These reports provide both a market value and range of values around this with a degree of sensitivity. These are derived from the current market rents and investment property yields for comparable real estate, and are adjusted if necessary, for any difference in the nature, location or condition of the specific asset, including where events occurring since the balance sheet date provide additional information about the condition of the asset at the balance sheet date including any offers that have been received for the assets. No depreciation is provided. Changes in fair value are recognised in the Statement of comprehensive income.

2.6 Debtors

Short term debtors are measured at transaction price, less any impairment. Loans receivable are measured initially at fair value, net of transactions costs and are measured subsequently at amortised cost using the effective interest method, less any impairment.

2.7 Cash and cash equivalents

Cash is represented by cash in hand and deposits with financial institutions repayable without penalty on notice of not more than 24 hours.

Notes to the financial statements (continued) For the year ended 31 December 2020

2. Accounting policies (continued)

2.8 Financial instruments

Financial assets

Basic financial instruments, including trade and other debtors, and cash and bank balances, are initially recognised at transaction price, less any impairment.

Financial assets that are measured at cost and amortised cost are assessed at the end of each reporting period for objective evidence of impairment. If objective evidence of impairment is found, an impairment loss is recognised in the Statement of comprehensive income.

Financial liabilities

Financial liabilities, including trade and other payables, and loans from related parties are initially recognised at transaction price, less any impairment.

Financial liabilities that are measured at cost and amortised cost are assessed at the end of each reporting period for objective evidence of impairment. If objective evidence of impairment is found, an impairment loss is recognised in the Statement of comprehensive income.

2.9 Creditors

Short term creditors are measured at the transaction price. Other financial liabilities, including loans, are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method.

2.10 Taxation

Tax is recognised in the Statement of comprehensive income and is calculated on the basis of tax rates and laws that have been enacted or substantively enacted by the reporting date in the countries where the company operates and generates income.

Deferred tax balances are recognised in respect of all timing differences that have originated but not reversed by the Statement of financial position date, except that:

- the recognition of deferred tax assets is limited to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits; and
- any deferred tax balances are reversed if and when all conditions for retaining associated tax allowances have been met.

2.11 Operating leases

Leases of investment properties where the company retains substantially all risks and rewards incidental to ownership are classified as operating leases. Rental income from operating leases (net of any incentives given to the lessees) is recognised as profit or loss on a straight-line basis over the lease term.

Notes to the financial statements (continued) For the year ended 31 December 2020

3. Judgements in applying accounting policies and key sources of estimation uncertainty

In applying the company's accounting policies, the directors may be required to make judgements and estimates that could impact the amounts reported for assets and liabilities as at the Statement of financial position date and the amounts reported for revenue and expenses during the year.

The directors have not been required to use a significant degree of judgement in determining the timing and value of amounts recognised in the financial statements, other than that relating to the valuation of the investment properties. Their fair value is determined annually by the directors, based on information provided by quarterly valuations made by Cushman & Wakefield, the company's independent property advisers. The reports provide both a market value and range of values around this with a degree of sensitivity and are derived from the current market rents and investment property yields for comparable real estate. Consideration is also taken by the directors of tenant being in administration and the volatility of the market from quarter to quarter, including where events occurring since the balance sheet date provide additional information about the condition of the asset at the balance sheet date including any offers that have been received for the assets.

The directors are not aware of any significant sources of estimation uncertainty in the preparation of the financial statements.

4. Turnover

The whole of the turnover is attributable to the principal activity of the company being that of an investment property company operating in the care sector.

All turnover arose within the United Kingdom.

5. Operating profit

The operating profit is stated after charging/(crediting):

	2020 £	2019 £
Net deficit/(gain) on property revaluation	190,000	(67,000)
Rental income not recoverable	-	181,977
Realised loss on disposal of investment property	105,487	-
Fees payable to the company's auditor for the audit of the company's annual financial statements	7,200	3,625

6. Employees

The company has no employees (2019: nil) other than the three directors (2019: three), who did not receive any remuneration (2019: £nil).

Notes to the financial statements (continued) For the year ended 31 December 2020

Interest payable and similar charges		
	2020	2019
	£	£
Interest payable on loans from group undertakings	353	34,319
Total interest payable and similar charges	353	34,319

8. Interest receivable and similar income

Interest receivable and similar income included in the Statement of profit and loss comprises entirely of other interest receivable.

9. Tax on profit

	2020	2019
	£	£
Current tax		
Total current tax	-	149,995
Adjustments in respect of previous periods	(4,661)	227
Total current tax	(4,661)	150,222
Deferred tax		
Origination and reversal of timing differences	(36,100)	47,262
Total deferred tax	(36,100)	47,262
Tax on profit	(40,761)	197,484

Factors affecting tax charge for the year

The tax assessed for the year is lower than (2019: higher than) the standard rate of corporation tax in the UK of 19% (2019: 19%). The calculation is below:

	2020 £	2019 £
Profit before taxation	473,396	636,788
Profit multiplied by standard rate of corporation tax in the UK of 19% (2019: 19%) Effects of:	89,945	120,990
Income not taxable	(216,597)	(12,730)
Taxable losses in year on property	(141,005)	-
Expenses not deductible	36,100	41,735
Adjustments in respect of previous periods	(4,661)	227
Group relief surrendered	231,557	-
Origination and reversal of timing differences	(36,100)	47,262
	(40,761)	197,484

Notes to the financial statements (continued) For the year ended 31 December 2020

8. Tax on profit (continued)

As at the balance sheet date, the government had enacted legislation to keep the corporation tax rate at 19%. However, during the Budget in March 2021, the Chancellor of the Exchequer announced that the government would legislate to keep the corporation tax rate at 19% until 2023 at which point it would increase to 25%. This announcement does not amount to a significant impact on the deferred tax charge for the year.

9. Investment property

	Property £
Valuation	
As at 31 December 2019	5,580,000
Disposals	(1,100,000)
Net revaluation deficit	(190,000)
As at 31 December 2020	4,290,000

During the year, the Company sold one of its properties and recognised a loss on the property disposal of £105,487 (2019: £nil).

The 2020 valuations are based on the market values from quarterly valuations prepare by Cushman & Wakefield, the company's independent property advisers, on an open market value.

10. Debtors: amounts falling due within one year

	2020	2019
	£	Ł
Other debtors	-	21,457
Amounts owed from group undertakings	-	120,000
Amounts due from related party	1,023,697	-
Prepayments and accrued income	1,345	3,362
	1,025,042	144,819

Amounts due from group undertakings are unsecured, interest free and repayable on demand. Although these amounts are repayable on demand, they are unlikely to be fully recovered within twelve months.

11. Cash and cash equivalents

		2020	2019
		£	£
	1 - 1 - 1 - 1 - 1 - 1 - 1 - 1 - 1 - 1 -		
Cash at bank and in hand		81,621	139,189

Notes to the financial statements (continued) For the year ended 31 December 2020

12. Creditors: amounts falling due within one year

	2020 £	2019 £
Trade creditors	12,516	19,520
Amounts due to group undertakings	314,091	41,793
Amounts due to parent undertakings	581,190	-
Corporation tax	10,380	16,758
Accruals and deferred income	7,913	12,945
Other creditors	20	-
•	926,110	91,016

Amounts due to group undertakings are unsecured, interest free and repayable on demand.

13. Creditors: amounts falling due after more than one year

·	2020	2019
	3	£
Loans from parent undertakings	<u>-</u>	131,735
•		131,735

Loans from parent undertakings charged interest at LIBOR plus 6.5% per annum. Interest was payable semi-annually on the initial draw-down amount. The loan was repayable in full on 30 September 2026, however the loan was repaid in full during the year.

During the year, the company's immediate parent repaid their bank loan in full and took out the new loan of £15,682,000 repayable in January 2025. The new bank loan is secured by a fixed and floating charge over the assets of the company and that of its subsidiary. As at 31 December 2020 the outstanding bank loan amounted to £15,484,000 (2019: value of previous loan £17,050,000).

14. Deferred tax

	•	2020 £
Opening balance		453,838
Charge to the profit or loss		(36,100)
At 31 December	=	417,738
The deferred tax provision is made up as follows:	2020	2019
	£	£ 2019
Unrealised gains on property revaluation	417,738	453,838
	417,738	453,838

Notes to the financial statements (continued) For the year ended 31 December 2020

15. Loans

17.

Analysis of the maturity of loans is given below:

	2020 £	2019 £
