#### **ADMINISTRATION AND PLANNING**

#### Statutory information

Statutory information may be found at Appendix 1.

The Joint Liquidators are required to meet a considerable number of statutory and regulatory obligations. Whilst many of these tasks do not have a direct benefit in enhancing realisations for the insolvent estate, they assist in the efficient and compliant progressing of the administration of the case, which ensures that work is carried out to high professional standards. A detailed list of these tasks may be found in Appendix 3.

The Joint Liquidators have met their statutory and regulatory duties to report to creditors, as listed below. In consideration of the need for transparency and engagement with creditors, care has been taken to ensure that reports and other communications with creditors have provided useful details of the strategies pursued and the outcomes anticipated.

During the Review Period, the following key documents have been issued:

This progress report.

#### Other administration tasks

During the Review Period, the following material tasks in this category were carried out:

• Case reviews etc.

#### **ENQUIRIES AND INVESTIGATIONS**

As previously reported, the Joint Liquidators' investigations into the Company's affairs have concluded.

#### **REALISATION OF ASSETS**

Detailed below is key information about asset realisation and strategy, however, more details about the work undertaken may be found at Appendix 3. The Joint Liquidators formulated and worked through a realisation strategy that sought to maximise realisations net of costs. The financial benefit of those efforts is described further below.

Asset realisations achieved in earlier reporting periods have been detailed in previous reports issued to creditors; only asset realisations not previously reported are detailed below.

#### **Intangible Assets**

As previously reported, the matter in respect of the intangible assets, including the Company trademark and patents, remains ongoing. A further update will be provided in due course.

#### Stock

As previously reported, the stock of the Company was sold to Solarplicity UK Holdings Limited for the sum of £100,000.00. However, upon this matter being referred to Wilkin Chapman LLP, an associated company, to pursue the funds due to the Company, it was discovered that the stock was in fact sold to Solar Smart Systems Limited, another associated company of Solarplicity UK Holdings Limited. A payment plan was agreed in respect of the outstanding balance at the initial rate of £1,000.00 per month, and this matter is to be reviewed on a regular basis, with a view to increasing the monthly payments. The total amount of £70,199.01 has been received to date.

#### **Book Debts**

As previously reported, the Joint Liquidators instructed Wilkin Chapman LLP to pursue the funds due to the Company in respect of the book debts which had a book value of £82,658.26 and an "uncertain" realisable value. The total amount of £26,683.72 has been received to date, with monthly payments of £1,000.00 being made in respect of the outstanding balance. This matter remains ongoing and subject to review of the monthly payments being made.

#### **CREDITORS**

Irrespective of whether sufficient realisations are achieved to pay a dividend to creditors, the Joint Liquidators have had to carry out key tasks which are detailed at Appendix 3. The following sections explain the anticipated outcomes to creditors and any distributions paid.

#### Secured creditors

The Company has not granted any charges over its assets.

#### **Preferential creditors**

There were no preferential creditors in the liquidation.

#### **Unsecured creditors**

HMRC was shown to be owed £3,690,000.00. A claim of £2,880,083.35 has been received in respect of its unsecured liability.

The trade and expense creditors as per the statement of affairs totalled £130,556.67, and the total amount of unsecured creditors detailed in the statement of affairs was £370,472,411.65.

Total claims received from unsecured creditors to date amount to £4,559,005.43. Please be advised that proofs of debt are still being received and therefore the total value of all unsecured claims is not known at present.

#### **Dividend prospects**

It is anticipated that a distribution will be made to unsecured creditors. A notice of intended dividend has been issued under separate cover.

#### **ETHICS**

Please also be advised that the Joint Liquidators are bound by the Insolvency Code of Ethics when carrying out all professional work relating to an insolvency appointment.

#### **General ethical considerations**

During the Review Period, no new threats to compliance with the Code of Ethics have been identified.

#### **Specialist Advice and Services**

When instructing third parties to provide specialist advice and services or having the specialist services provided by the firm, the Joint Liquidators are obligated to ensure that such advice or work is warranted and that the advice or work contracted reflects the best value and service for the work undertaken. The specialists chosen usually have knowledge specific to the insolvency industry and, where relevant, to matters specific to this insolvency appointment. Details of the specialists specifically chosen in this matter are detailed below.

#### **FEES AND EXPENSES**

#### **Pre-Appointment Costs**

The creditors authorised the fee of £5,000.00 for assisting the directors with placing the Company in Liquidation and with preparing the Statement of Affairs on 14 May 2018, which has been drawn in full by us, as Joint Liquidators.

#### The Joint Liquidators' fees

It is the firm's practice to ensure that work is conducted by the appropriate staff member at the appropriate level of experience. Junior members of staff deal with the day to day administration on cases and a manager and insolvency practitioner then oversees the work undertaken. Where the issues are complex and litigious, the work will be closely supervised or undertaken by a senior manager or insolvency practitioner.

The basis of the Joint Liquidators' fees was further approved by creditors on 27 July 2020 in accordance with the following resolution:

'Joint Liquidators' fees of £80,000.00 have already been approved and approval is sought for the additional Joint Liquidators' fees of £30,075.00 to be drawn on a time costs basis and be fixed by reference to the time given by them and their staff in attending to matters arising in the liquidation, such time to be charged at the hourly charge out rate of the grade of staff undertaking the work at the time it was undertaken. The estimated Joint Liquidators' fees be capped at £110,075.00.'

The time costs for the period 14 May 2021 to 13 May 2022 total £10,572.50, representing 50.95 hours at an average hourly rate of £207.51. The time costs for the period are detailed at Appendix 4.

The total time costs during the period of appointment amount to £105,250.00 representing 476.40 hours at an average hourly rate of £220.93 and a comparison between the original estimate and time costs to date is given at Appendix 5. The sum of £104,930.00 has been drawn on account of time costs incurred.

Having regard for the costs that are likely to be incurred in bringing this Liquidation to a close, the Joint Liquidators consider that:

- the adjusted fees estimate is likely to be exceeded; and
- the original expenses estimate has been exceeded.

The main reasons why the fees estimate is likely to be exceeded is due to work that still needs to be undertaken in order to progress and conclude the liquidation. The most material tasks are summarised in this report, and relate to the remaining asset realisations and the dividends to distribute to unsecured creditors whose claims have been agreed.

Given the realisations in this case to date, the Joint Liquidators will review the position regarding fees when the prospects of realising the remaining assets become clearer.

#### **Expenses**

The expenses, which include disbursements, that have been incurred and not yet paid during the period are detailed on Appendix 6. Also included in Appendix 6 is a comparison of the expenses likely to be incurred in the Liquidation as a whole with the original expenses estimate, together with reasons where any expenses are likely to exceed that estimate.

The category 1 expenses paid for in the period 14 May 2021 to 13 May 2022 total £0.47p are detailed at Appendix 6 and represent payments to parties not associated with the firm, who have provided services or goods for the administration of the assignment.

The category 2 expenses for the period 14 May 2021 to 13 May 2022 total £12.15. The basis of calculation of this category of expense was disclosed to creditors prior to their approval, which was given on 14 May 2018, and are also detailed at Appendix VII.

Information about this found the R3 website insolvency process may be on at http://www.creditorinsolvencyguide.co.uk/. A copy of 'A Creditors' Guide to Fees' together with the firm's charge-out rate and expenses policy may be found at www.wilkinchapman.co.uk/business-solutions. A hard copy of both the Creditors' Guide and the firm's charge-out rate and disbursement policy may be obtained on request.

## Other professional costs

#### **Solicitors**

The Joint Liquidators have instructed solicitors from Wilkin Chapman LLP, to pursue the funds due to the Company, and this matter is ongoing as at the date of this report. Their costs have been agreed on the basis of their standard hourly charge out rates, plus disbursements and VAT. Solicitors' fees for the period covered by this report amount to £1,720.00 plus VAT. The sum of £5,377.00 has been paid to date.

As mentioned above, Wilkin Chapman LLP is an associate of the Joint Liquidators' firm, and Matthew Dix (one of the Joint Liquidators) is a partner in Wilkin Chapman LLP. On 31 July 2019 creditors passed a resolution authorising the Joint Liquidators to instruct Wilkin Chapman LLP.

#### **Agents and valuers**

Lahar Consultants Limited were instructed as agents and valuers in relation to numerous valuation of the assets undertaken both prior to and after the liquidation. The agents' costs also relate to the private sale and the uplift and auction sale of the Company's assets. Their costs have been agreed on the basis of their standard sales commission rate, plus disbursements and VAT. The agents' fees/total time costs from the date of appointment amount to £18,737.95 and they have been paid in full.

#### **CREDITORS' RIGHTS**

An unsecured creditor may, with the permission of the court or with the concurrence of 5% in value of the unsecured creditors (including the creditor in question) request further details of the Joint Liquidators remuneration and expenses, within 21 days of receipt of this report. Any secured creditor may request the same details in the same time limit.

An unsecured creditor may, with the permission of the court or with the concurrence of 10% in value of the creditors (including the creditor in question), apply to court to challenge the amount and/or basis of the Joint Liquidators fees and the amount of any proposed expenses or expenses already incurred, within 8 weeks of receipt of this report. Any secured creditor may make a similar application to court within the same time limit.

#### CONCLUSION

The administration of the case will be continuing to finalise the following outstanding matters that are preventing this case from being closed:

There are outstanding payments in respect of the assets which are being pursued by solicitors. The Joint Liquidators have issued a notice of intended dividend under separate cover. Therefore, it is not possible to confirm the timescale for the conclusion of the liquidation at present.
