# Notes to the Financial Statements For The Year Ended 30 November 2018

#### 1. STATUTORY INFORMATION

Skinnybrands Ltd is a private company, limited by shares, registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

#### 2. ACCOUNTING POLICIES

#### Basis of preparing the financial statements

These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" including the provisions of Section 1A "Small Entities" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention as modified by the revaluation of certain assets.

#### Going concern

The financial statements have been prepared on the going concern basis, which assumes that the company will continue in operational existence for the foreseeable future.

Since the year end around £1.35 million of further investment has been received. Costs have been dramatically cut, debts reduced and margins improved. At the date the financial statements have been approved the financial position of the company is more secure and the future is much more certain.

The directors are committed to providing the financial assistance necessary to the company for at least 12 months from the date of approval of these financial statements and as such believes it is appropriate to prepare the accounts on a going concern basis.

#### **Turnover**

Turnover is measured at the fair value of the consideration received or receivable, excluding discounts, rebates, value added tax and other sales taxes.

## Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Fixtures and fittings - 15% on cost Computer equipment - 33.3% on cost

#### Investments in subsidiaries

Investments in subsidiary undertakings are recognised at cost less any provision for impairment.

#### Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

#### **Taxation**

Taxation for the year comprises current and deferred tax. Tax is recognised in the Income Statement, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

### Notes to the Financial Statements - continued For The Year Ended 30 November 2018

#### 2. ACCOUNTING POLICIES - continued

#### Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the year end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

#### Hire purchase and leasing commitments

Rentals paid under operating leases are charged to profit or loss on a straight line basis over the period of the lease.

## Pension costs and other post-retirement benefits

The company operates a defined contribution pension scheme. Contributions payable to the company's pension scheme are charged to profit or loss in the period to which they relate.

### **Employee benefits**

Short term employee benefits, including holiday pay are recognised as an expense in the income statement in the period in which they are incurred.

#### Financial instruments

The following assets and liabilities are classified as financial instruments - Trade debtors, trade creditors and directors loan accounts. They are all measured at the undiscounted amount of cash and other consideration expected to be paid or received.

#### 3. EMPLOYEES AND DIRECTORS

The average number of employees during the year was 9 (2017 - 3).
