## **2 Accounting policies**

### **Summary of significant accounting policies and key accounting estimates**

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

### **Statement of compliance**

These financial statements have been prepared in accordance with Financial Reporting Standard 102 Section 1A - 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006.

### **Basis of preparation**

These financial statements have been prepared using the historical cost convention except that as disclosed in the accounting policies certain items are shown at fair value.

These financial statements are presented in Sterling (£).

### **Investments**

Investments in subsidiaries are measured at cost less impairment.

Interest income on debt securities, where applicable, is recognised in income using the effective interest method.

Dividends on equity securities are recognised in income when receivable.

### **Trade debtors**

Other debtors are initially recognised at fair value net of transaction costs and are subsequently measure at amortised cost using the effective interest method less provision for impairment.

### **Share capital**

Ordinary shares are classified as equity. Equity instruments are measured at the fair value of the cash or other resources received or receivable, net of the direct costs of issuing the equity instruments. If payment is deferred and the time value of money is material, the initial measurement is on a present value basis.
