EXECUTIVE SUMMARY

This is the Joint Administrators' third progress report for the period 23 January 2021 to 22 July 2021 ("Review Period").

The Company entered Administration on 23 January 2020 and Tom Straw and Simon Thomas both Licensed Insolvency Practitioners of Moorfields Advisory Limited ("Moorfields"), were appointed to act as Joint Administrators.

This report should be read in conjunction with the Joint Administrators' Statement of Proposals ("the Proposals") circulated to all known creditors on 16 March 2020 and the previous reports dated 20 August 2020 and 17 February 2021. There has been no major deviation from the strategy as proposed.

To date, pre-appointment fees of £15,000 and post-appointment fees of £75,000 have been drawn in respect of the Administration. Further information regarding fees is given in Section 5.

Dividend prospects are as follows:

	Distribution / dividend	Anticipated distribution /
Creditor class	paid to date	dividend
Secured creditor	£298,000	£10,000
Preferential creditors	£202,333 being 100p/£	None
Unsecured creditors	£0.00	Prescribed part estimated at
		£20,033

An extension to the period of Administration of 12 months was granted by the relevant secured and preferential creditors and thus the Administration is now scheduled to end on 22 January 2022.

Statutory information relating to the Company and the Joint Administrators' appointment is attached at Appendix I.

2. THE PROGRESS OF THE ADMINISTRATION

2.1 The Joint Administrators' Receipts and Payments Account

Attached at Appendix II is a receipts and payments account for the Review Period together with a summary of the transactions in the previous review periods.

Receipts and payments are shown net of VAT throughout this report and appendices, unless otherwise stated.

For a detailed list of work undertaken by the Joint Administrators in the Review Period, please refer to Appendix V.

2.2 Trading

As previously reported, the Joint Administrators sought to achieve objective (b) of Schedule B1 of the Insolvency Act 1986, by trading the Company's business in administration, whilst marketing the Intellectual Property ("IP") of the Company for sale.

A trading receipts and payments account is attached at Appendix II. Please note, the trading costs have not been finalised and a provision is being held for corporation tax and payment for the consignment stock.

2.3 Realisation of Assets

No assets were realised during the Review Period, save for minimal bank interest.

2.4 Estimated Future Realisations

No further assets are expected to be realised.

2.5 Sale of Assets to a Connected Party

In accordance SIP 13, England & Wales, the Joint Administrators confirm that they are not aware of any sales to connected parties in the Review Period of the Administration.

Details of connected party transactions in previous periods were reported in earlier reports.

3. CREDITORS: CLAIMS AND DISTRIBUTIONS

3.1 Secured creditors

The Company granted security to, RBS Invoice Finance UK Limited, National Westminster Bank PLC, all referred to as ("RBS"), and Merino Industries Ltd ("Merino") (together "the Secured Creditors"), relating to corporate guarantees and overdraft facilities. A summary of outstanding registered charges as at the date of the appointment is provided below:

Date Charge Created	Date Charge Registered	Details of Charge	Name
17 November 16	17 November 16	Fixed & Floating Charges	Merino Industries Ltd
29 November 16	01 December 16	Fixed & Floating Charges	National Westminster Bank PLC
06 January 17 06 January 17		Fixed & Floating Charges	RBS Invoice Finance UK Limited
30 April 19 01 May 19		Fixed & Floating Charges	RBS Invoice Finance Limited

In accordance with the Directors' estimated Statement of Affairs, the Secured Creditors were owed the following amounts as at the date of administration:

• RBS £8,027,568

Merino £Nil

To date, funds totalling £88,000 have been distributed to RBS in respect of its fixed charge and £210,000 in respect its floating charge.

It is not anticipated that the secured creditor will be paid in full.

3.2 Preferential creditors

The only known preferential creditors are former employees of the Company for unpaid wages and holiday pay. Their claims are subject to a maximum limit set by the insolvency legislation. These were shown in the Statement of Affairs at £147,576.

r

Whilst a number of employees were made redundant upon or during the Administration, there were also a number of employees made redundant by the Company prior to Administration, who were due to be paid at the end of January 2020.

The Joint Administrators have received the redundancy payments service's preferential claim of £149,444.04, and the residual employee claims were calculated and agreed at £52,888.64.

On the 10 June 2021 a dividend of 100 pence in the pound was declared and paid to preferential creditors, being £202,332.68. Tax and national insurance of £13,214.43 was deducted and paid to HMRC.

3.3 Prescribed Part

Under the provisions of Section 176A of the Insolvency Act 1986 the Joint Administrators must state the amount of funds available to unsecured creditors in respect of the Prescribed Part. This provision only applies where the company has granted a floating charge to a creditor after 15 September 2003.

The Company granted a floating charge to each of the Secured Creditors after 15 September 2003, and therefore, the Prescribed Part provisions will apply.

Based on present information the Joint Administrators estimate that after allowing for costs the value of the Company's net property will be £281,915. The Prescribed Part is therefore calculated as follows:

	L
50% of £10,000	5,000
20% of balance (266,067 – 10,000)	<u>54,383</u>
	59,383
Less: ERA Costs	(14,350)
Less: Administration Costs:	(25,000)
Amount to be distributed	20,003

Please note that the net property and prescribed part calculation can only be estimated at this stage. The value of any prescribed part may be subject to change once the Joint Administrators' costs and expenses have been finalised.

3.3 Unsecured creditors

The Directors' Statement of Affairs indicates that there are unsecured creditor claims of £4,246,063.67.

The Joint Administrators have received 75 claims totalling £1,964,420.63 from unsecured creditors.

No defined clarification of creditors' claims has been undertaken. Based on current information, and in accordance with information available at the time of the Joint Administrators' proposals, the Joint Administrators do not anticipate there being sufficient funds to enable a distribution to be paid to the unsecured creditors of the Company, other than by virtue of the Prescribed Part.

4. INVESTIGATIONS

In accordance with the Company Directors Disqualification Act 1986 the Administrators would confirm that they have submitted a report on the conduct of the Directors of the Company to the Department for Business Energy & Industrial Strategy. As this is a confidential report, the contents cannot be disclosed

To complete this report a review of the Company's financial accounts, bank statements and directors' questionnaires was undertaken regarding the period leading up to the Administration to ascertain whether or not there had been any misconduct by the director in the form of any preference payments, transactions at an undervalue or wrongful trading.

The Joint Administrators' investigations have been concluded.

If creditors wish to bring any matters they believe to be relevant to the attention of the Joint Administrators, they are invited to do so in writing to Tom Straw and Simon Thomas at Moorfields, 20 Old Bailey, London, EC4M 7AN.

5. THE JOINT ADMINISTRATORS' FEES AND EXPENSES

5.1 Pre-Administration Costs

The pre-appointment costs were reported in the Proposals and are summarised below:

Professional Advisor	Nature of Work	Basis of Fees	Pre- appointment costs	Paid in prior Period	Outstanding
Moorfields	Pre-Administration advice	Time Costs	£32,665.00	£15,000	£17,665
Mayer Brown	Solicitors- Appointment documents, Consignment agreement, Landlord letters	Time Costs	£27,578.00	£20,000 Disbursements £66	£7,512

The pre-appointment costs have been approved by the secured and preferential creditors.

5.2 The Joint Administrators' Fees

In accordance with the Proposals, and pursuant to Rule 18.18 of the Rules, approval for remuneration was sought and agreed by the secured and preferential creditors, on the basis that the Joint Administrators' remuneration be fixed by reference to time properly given by them and their staff in attending to matters arising in the Administration.

When the Joint Administrators seek approval for their fees on a time cost basis, they have to provide a fee estimate. A fee estimate summary of £229,877, representing 677 hours at a "blended" rate of £341 per hour was provided in the Proposals.

To date, post-appointment fees of £75,000 have been drawn, which were drawn in the prior reporting period.

A breakdown of the time costs incurred during the Review Period and for the Administration as a whole is provided at Appendix III and further information regarding the charge-out rates of the Administrators and their staff is provided at Appendix IV.

Time costs for the Review Period are £42,464. This represents 145 hours at an average hourly rate of £311 per hour. Time costs for the cumulative period are £224,403, representing 675 hours.

A comparison of the Joint Administrators' time costs and fee estimate is attached at Appendix VI

Further information about creditors' rights can be obtained by visiting the creditors' information micro-site published by the Association of Business Recovery Professionals (R3) at http://www.creditorinsolvencyguide.co.uk/. Details about how an office holder's fees may be approved for each case type are available in a series of Guidance Notes issued with SIP 9, and they can be accessed at http://www.icaew.com/en/technical/insolvency/creditors-guides

Should you require a paper copy, please send your request in writing to the Joint Administrators and this will be provided to you at no cost.

5.3 Expenses

An amended SIP 9 was issued on 1 April 2021. The amended SIP 9 has changed some of the terminology and introduced additional disclosure requirements. The information below may therefore not reflect the information previously provided.

The expenses, which include disbursements, that have been incurred and not yet paid during the Review Period are detailed at Appendix VI. Also, at Appendix VI is a comparison of the expenses likely to be incurred in the Administration as a whole with the original expenses estimate, together with reasons where any expenses are likely to exceed that estimate.

The category 1 expenses paid for in the Review Period are detailed on the Receipts and Payments account at Appendix II and represent payments to parties not associated with the firm, who have provided services or goods for the administration of the assignment.

The category 2 expenses paid for in the period are detailed on the Receipts and Payments account at Appendix II. The basis of calculation of this category of expense was disclosed to creditors prior to their approval. Please note that some category 2 expenses that have previously been approved and their estimated costs or basis of their cost provided as part of the expenses estimate may not be discharged from the estate from 1 April 2021.

5.4 Other Professional Expenses

Other professional costs paid for in the Review Period are detailed on the Receipts and Payments account at Appendix II and further detailed at Appendix VI.

The statement excludes any potential tax liabilities that may be payable as an expense of the Administration in due course because amounts due will depend upon the position at the end of the tax accounting period.

6 EXIT FROM ADMINISTRATION

The period of the Administration has been extended to 22 January 2022. The reason for the extension is to provide additional time to finalise the costs of the Administration and facilitate distributions to the preferential creditors, secured creditors and unsecured creditors via the Prescribed Part

As outlined in the Proposals, it is the Joint Administrators' intention to exit the Administration by filing notice of dissolution with the Registrar of Companies as there are expected to be insufficient funds to enable a distribution to unsecured creditors other than by virtue of the Prescribed Part. The Company will then automatically be dissolved by the Registrar of Companies, three months after the notice is registered.

The Joint Administrators will be discharged from liability under Paragraph 98(3) of Schedule B1 to the Insolvency Act 1986 immediately upon their appointment as Joint Administrators ceasing to have effect.

7 ETHICS

Please also be advised that the Joint Administrators are bound by the Insolvency Code of Ethics when carrying out all professional work relating to an insolvency appointment.

General Ethical Considerations

During the Review Period, no new threats to compliance with the Code of Ethics have been identified

Specialist Advice and Services

When instructing third parties to provide specialist advice and services or having the specialist services provided by the firm, the Joint Administrators are obligated to ensure that such advice or work is warranted and that the advice or work contracted reflects the best value and service for the work undertaken. The firm reviews annually the specialists available to provide services within each specialist area and the cost of those services to ensure best value. The specialists chosen usually have knowledge specific to the insolvency industry and, where relevant, to matters specific to this insolvency appointment.

8 CREDITORS RIGHTS

8.1 **Creditors' Right** to Request Information

Any secured creditor, or unsecured creditor with the support of at least 5% in value of the unsecured creditors or with permission of the Court, may request in writing to the Joint Administrators to provide additional information regarding fees or expenses to that already supplied within this report. Such requests must be made within 21 days of receipt of this report.

8.2 **Creditors' Right** to Challenge Fees and/or Expenses

Any secured creditor, or unsecured creditor with the support of at least 10% in value of the unsecured creditors or with permission of the Court, may apply to the Court for one or more orders, reducing the amount or the basis of fees which the Joint Administrators are entitled to charge or otherwise challenging some or all of the expenses incurred.

Such applications must be made within 8 weeks of receipt by the applicant(s) of the progress report detailing the fees and/or expenses being complained of.

Please note that such challenges may not disturb fees or expenses (whether or not discharged from the estate) disclosed in prior progress reports.

Time spent on casework is recorded directly to the relevant case using a computerised time recording system and the nature of the work undertaken is recorded at that time in units of 6 minutes.

Where an officeholder's remuneration is approved on a time cost basis the time invoiced to the case will be subject to VAT at the prevailing rate.

Where remuneration has been approved on a time cost basis the time invoiced will be provided to any committee appointed by the creditors or in the absence of a committee to the creditors, the report will provide a breakdown of the remuneration drawn and will enable the recipients to see the average rates of such costs. The current hourly rates may be higher that the average rates, if hourly rates have increased over the period covered by the fee request.

Approved remuneration will be drawn at such times that sufficient funds are available.

EXPENSES

In accordance with SIP 9, expenses are any payments from the estate which are neither an office holder's remuneration nor a distribution to a creditor or a member. Expenses also includes disbursements. Disbursements are payments which are first met by the office holder, and then reimbursed to the office holder from the estate.

Expenses are divided into those that do not need approval before they are charged to the estate (category 1) and those that do (category 2).

Category 1 Expenses

Separate charges are made in respect of directly attributable expenses (Category 1 expenses) such as travelling, postage, photocopying (if external provider), statutory advertising and other expenses made on behalf of the assignment. These are payments made to persons providing the service to which the expense relates who are not an associate of the office holder.

Such expenses can be paid from the estate without approval from the Creditors' Committee or the general body of creditors. In line with SIP 9, it is our policy to disclose Category 1 expenses drawn but not to seek approval for their payment. We are prepared to provide such additional information as may reasonably be required to support the expenses drawn.

Category 2 Expenses

Category 2 expenses do require approval from creditors.

These are payments to associates or which have an element of shared costs. Before being paid, category 2 expenses require approval in the same manner as an office holder's remuneration. Category 2 expenses require approval whether paid directly from the estate or as a disbursement.

It is our policy, in line with the Statement, to seek approval for Category 2 expenses before they are drawn.

The following Category 2 expenses are currently charged by this firm

• Mileage allowances are paid at HM Revenue & Customs approved rates. For personnel using their own vehicles, these are currently 45 pence per mile for the first 10,000 miles and 25 pence per mile thereafter.

It should be noted that expenses might increase from time to time, however, increases would only be in line with inflation or increases from our supplier.

APPENDIX VI

Expenses

The expenses incurred in the Review Period are compared with the original expenses estimate as follows:

Expenses	Original expenses estimate £	Expenses incurred in the Review Period £	Expenses paid in the Review Period	Expenses unpaid £	Reason for any excess (if the expenses are likely to, or have, exceeded the original estimate)
Insurance of Assets	4,000	249	249	-

ERA Solutions	29,500	4,010	4,010	-	

Having regard for the costs that are likely to be incurred in bringing this Administration to a close, the Joint Administrators note that the original fee estimate has been exceeded.

However, given the limited realisations in this case to date, the Joint Administrators do not propose to draw fees in excess of the fees estimate at present. The Joint Administrators will review the position as regards fees when the prospects of realising the remaining assets become clearer.
