1 Introduction and Statutory Information

- 1.1 I, Jeffrey Mark Brenner of B&C Associates Ltd, Concorde House, Grenville Place, Mill Hill, London, NW7 3SA, was appointed as Liquidator of Trip Industrial Limited (the **Company**) on 11 September 2017. This progress report covers the period from 11 September 2019 to 10 September 2020 (the **Period**) and should be read in conjunction with any previous progress reports which have been issued.
- 1.2 Information about the way that we will use, and store personal data on insolvency appointments can be found at <https://www.bcassociates.uk.com/policies-guidance>. If you are unable to download this, please contact my office and a hard copy will be provided to you.
- 1.3 Prior to Liquidation the registered office address of the Company was 2nd Floor, Princess Mary House, 4 Bluecoats Avenue, Hertford, SG14 1PB. The registered office has been changed to c/o B&C Associates Ltd, Concorde House, Grenville Place, Mill Hill, London, NW7 3SA.
- 1.4 The Company is one of 2040 companies (the **Companies**) operating a similar business model and with a similar creditor base all of which ceased trading on 5 April 2017. The Companies were placed into liquidation between 31 May 2017 and 8 February 2018 and separate annual reports have been and will be issued in respect of each of the Companies at the appropriate time.

2 Receipts and Payments

- 2.1 At Appendix A is my Receipts and Payments Account covering the Period of this report. Also attached at Appendix B, is a cumulative Receipts and Payments Account for the period from the date of my appointment as Liquidator to the end of the Period covered by this report.

3 Progress of the Liquidation

- 3.1 This section of the report provides creditors with an update on the progress made in the Liquidation during the Period.
- 3.2 The time spent on this case relates to the following matters:
- (i) Attending to correspondence and telephone calls with creditors
 - (ii) Recording and acknowledging creditor claims
 - (iii) Extensive investigation into the background and affairs of the Company including the purpose for setting the Company up, the manner in which it operated and carried on its business, and the role and scope of work undertaken by its key customers and suppliers.
 - (iv) Meeting and interviewing key customers and key suppliers to the Company
 - (v) Preparation and submission of a statutory report to the Secretary of State
 - (vi) Obtaining bonding and completing bond reviews to enable the Liquidator to continue to act
 - (vii) Updating the Insolvency Practitioners System
 - (viii) Review and statutory compliance which includes submissions to Companies House
 - (ix) Reviewing position in relation to outstanding debtors
 - (x) Correspondence with the bank in regard to release of funds held in client account operated on behalf of the Company
 - (xi) Attending meetings with HM Revenue & Customs (**HMRC**) and other creditors
 - (xii) Ongoing correspondence with HMRC
 - (xiii) Obtaining books and records
 - (xiv) Opening bank account and dealing with allocation of funds to the Company from the relevant general client account
 - (xv) Liaising with counsel and solicitors

- (xvi) Data Protection and Pension searches
- (xvii) Submission of outstanding VAT returns
- (xviii) Corporation tax returns (as applicable)
- (xix) PAYE schedules for claims submitted to HMRC
- (xx) Bank reconciliations
- (xxi) Case reviews

Administration (including statutory compliance & reporting)

- 3.3 An office holder must comply with certain statutory obligations under the Insolvency Act 1986 ('IA 1986') and other related legislation. Details about the work I anticipated would need to be done in this area were outlined to creditors in my initial fees information.
- 3.4 Where the costs of statutory compliance work or reporting to creditors exceeds the initial estimate, it will usually be because the duration of the case has taken longer than anticipated, possibly due to protracted asset realisations, which have in turn placed a further statutory reporting requirement on the Liquidator.
- 3.5 As noted in my initial fees information, this work will not necessarily bring any financial benefit to creditors but is required on every case by statute.

Realisation of Assets

- 3.6 Funds held in Client Account operated by CGLS Accountancy Services Limited ('CGLS')

As detailed in the previous annual report, the sum of £5.29 was realised in this matter.
- 3.7 Bank Interest Gross

The sum of £0.00 was received on funds held in the Liquidation current account in the period.
- 3.8 It is considered that the work the Liquidator and his staff have undertaken to date may bring a financial benefit to creditors. This may, depending on realisations and the extent of any 3rd party claims, result in a distribution to the preferential and unsecured creditors of the Company.

Creditors (claims and distributions)

- 3.9 Further information on the anticipated outcome for creditors in this case can be found at section 3 of this Report.
- 3.10 The Liquidator is not only required to deal with correspondence and claims from unsecured creditors, but also those of any secured and preferential creditors of the Company. This may involve separate reporting to any secured creditor and dealing with distributions from asset realisations caught under their security, most typically a debenture. In this case there is no secured creditor.
- 3.11 Claims from preferential creditors typically involve employee claims and payments made on behalf of the Company by the Redundancy Payments Service following dismissal.
- 3.12 The above work will not necessarily bring any financial benefit to creditors generally, however the Liquidator is required by statute to undertake this work. Similarly, if a distribution is to be paid to any class of creditor, work will be required to agree those claims and process the dividend payments to each relevant class of creditor. The more creditors a company has, the more time and cost will be involved by the Liquidator in dealing with those claims.

3.13 I consider the following matters worth noting in my report to creditors at this stage:

- There are 4 unsecured creditor claims in this case
- There are no secured creditors or preferential claims

Investigations

3.14 As previously advised, the Liquidator has carried out extensive investigations and has concluded that his investigations do not appear to disclose any potential claim based on misfeasance or fraud or any of the provisions of the IA 1986 and/or the Insolvency (England and Wales) Rules 2016, or any other potential claim or action on any other basis, that he might bring against the Director or any third parties to recover funds for the benefit of creditors in this matter.

Matters still to be dealt with

3.15 As detailed in the last annual progress report, the sum of £4,969.65 remains outstanding to the Company from Shield Contract Services (UK) Limited (SCS). The debt was disputed by SCS on the basis of set off against a counter claim it sought to assert against the Company. After various meetings and extensive correspondence in this regard, SCS made a global settlement offer intended to compromise the claims made against it by those of the 2,040 companies it was indebted to. Subsequent to the period covered in this report and following further lengthy correspondence, review and negotiation an agreement has been reached in this regard between SCS and the Liquidator. Further details will be given in the next report to creditors.

3.16 The Liquidator considers that the claim submitted by HMRC is overstated as it includes VAT and employee liabilities for periods after the Company ceased trading. The Company has since submitted nil returns for all complete VAT periods after 5 April 2017 and the Liquidator has provided further employee information. HMRC have yet to submit an updated VAT integrated claim in the Liquidation.

3.17 The claim submitted by CGLS remains subject to scrutiny and clarification, and CGLS has been asked to provide information to the Liquidator in support of parts of its claim.

4 Creditors

Unsecured Creditors

4.1 The Company did not grant any floating charges to a secured creditor. Accordingly, there is no requirement to create a fund out of the Company's net floating charge property for unsecured creditors (known as the Prescribed Part), which only applies to charges created after 15 September 2003.

4.2 I have received claims totalling £23,036.33 from 4 creditors, however, as noted previously in this report the claim from HMRC is likely to be revised downwards and other claims received are subject to ongoing review. In addition, there may be further creditor claims in the Liquidation not yet received. Claims received to date have not been adjudicated.

4.3 It appears unlikely that there will be sufficient funds realised after defraying the expenses of the Liquidation to pay a dividend to unsecured creditors. Should the position change the creditors will be notified and a Notice of Intended Dividend will be issued in due course, if appropriate.

5 Liquidator's Remuneration

5.1 Creditors approved the bases of the Liquidator's remuneration as a fixed fee and percentage of realisations. The fixed fee was set at £2,000.00 plus VAT, together with 5% of realisations on cash balances, 10% of realisations on tangible assets and book debts and 40% of realisations on assets not detailed on the Statement of Affairs.

- 5.2 The Liquidator has made the following realisations upon which the creditors have approved a percentage be taken as remuneration. Details of the realisations to date are set out below:

Asset category	Value of assets realised in period	Total value of assets realised since appointment	Remuneration % agreed	Total fees invoiced to date	Fees not yet drawn
Cash at bank	£0.00	£5.29	5%	£0.00	£0.26

- 5.3 The Liquidator has drawn £0.00 against the total set fee agreed of £2,000.00 approved by creditors.
- 5.4 A copy of 'A Creditors' Guide to Liquidators' Fees' is available on request or can be downloaded from www.icaew.com/en/technical/insolvency/creditors-guides.
- 5.5 Attached as Appendix B is additional information in relation to the Liquidator's fees, expenses and disbursements, including where relevant, information on the use of subcontractors and professional advisers.

6 Creditors' Rights

- 6.1 Within 21 days of the receipt of this report, a secured creditor, or an unsecured creditor (with the concurrence of at least 5% in value of the unsecured creditors) may request in writing that the Liquidator provide further information about his remuneration or expenses which have been itemised in this progress report.
- 6.2 Any secured creditor, or an unsecured creditor (with the concurrence of at least 10% in value of the unsecured creditors) may within 8 weeks of receipt of this progress report make an application to court on the grounds that, in all the circumstances, the basis fixed for the Liquidator's remuneration is inappropriate and/or the remuneration charged or the expenses incurred by the Liquidator, as set out in this progress report, are excessive.

7 Next Report

- 7.1 I am required to provide a further report on the progress of the liquidation within two months of the next anniversary of the liquidation, unless I have concluded matters prior to this, in which case I will write to all creditors with my final account.
- 7.2 Should you have any queries in relation to the contents of this report please contact Besa Mustafa of this office on 020 8906 7730 or by email at besa@bcassociates.uk.com.
