# PCF MARINER LIMITED NOTES TO THE FINANCIAL STATEMENTS FOR THE PERIOD ENDED 31 AUGUST 2018

#### 1. STATUTORY INFORMATION

PCF Mariner Limited is a private company, limited by shares, registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page. The company changed its name from Prescription Care Services Limited on 16 March 2018.

On 28 February 2018 the company sold its trade, name and related assets to an unrelated third party, and then ceased trading. The company is in default of the terms of its loan stock and the loan stock holder has demanded repayment in full of all amounts owed.

## 2. ACCOUNTING POLICIES

#### Basis of preparing the financial statements

These financial statements have been prepared in accordance with the provisions of Section 1A "Small Entities" of Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention. The directors have not adopted the going concern basis of accounting, on the basis that the company has ceased to trade.

The presentation currency of the financial statements is the Pound Sterling (£).

## Adoption of Financial Reporting Standard 102 (FRS 102) Section 1A

These financial statements for the year ended to 31 August 2018 have been prepared in accordance with FRS 102 Section 1A, and all members have agreed to the abridgement of the financial statements.

#### Fixed assets

Depreciation or amortisation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Goodwill

5 years

Office & IT equipment

3 years

## **Financial instruments**

Basic financial assets, which include trade and other debtors and cash and bank balances, are initially measured at transaction price unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest

Basic financial liabilities, including trade and other creditors and bank loans, are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future receipts discounted at a market rate of interest.

## Taxation

Taxation for the year may comprise both current and deferred tax. Tax is recognised in the Income Statement, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted. Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date. Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the year end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

## 7. SECURED CREDITORS

The loan stock and accrued interest totalling £1,155,500 are secured by a fixed and floating charge debenture over the assets and undertaking of the business, attracting interest at 10% per annum. The loan stock principal's scheduled repayment is through in quarterly instalments commencing on 20 May 2018 until August 2019. However, the loan stock is immediately repayable in full as the company is in default of the loan stock agreement. The company has assigned all rights to future income and the realisation proceeds of sale of any assets to the loan stock holder as part settlement of the amounts owing, such amount being reduced accordingly upon any receipt.
