Direct Expenses (Category 1 Distursements)

Category 1 Disbursements (as defined by Statement of Insolvency Practice 9), which can be specifically identified as relating to the administration of the case, have been charged to the estate at cost (plus VAT where applicable), with no uplift. The quantum of these costs are dependent on the circumstances and needs of the case and are set by third parties. For example, the bank charges £12 per transfer over £100,000. We may also have incurred other direct expenses, such as courier charges and Land Registry fees, which have been charged at cost to the estate.

Insurance if possible, the current insurance policy should be maintained throughout the Liquidation process with the Liquidator's name

noted which will prevent the requirement to take out any further cover. Should additional insurance be required, we will have

provided you with quotes on a case by case basis.

Solicitors' and agents' fees
Should solicitors or agents have been required, we will have provided you with quotes on a case by case basis.

A number of documents to place the company into Liquidation were required to be signed in the presence of a solicitor. A charge by the solicitor is usually applicable, however this would have been a cost borne by the directors personally and did not form part of our disbursements.

🚁 (indirect Expenses (Category 2 Disbursements) 🛰

These are costs that are directly referable to the appointment in question but not to a payment to an independent party. All prices are exclusive of VAT, which has been reclaimed where possible. £10 for companies with 5 or fewer members £5 per additional member £5 per individual search 45p per mile Anti-money laundering searches via external electronic databases Stationery, photocopying and postage Mileage (where necessary)

The expenses listed below have been incurred on the case and, ordinarily, would be paid directly from the estate according to the external supplier's standard terms. However, in order to facilitate efficient progress of the Liquidation, they were invoiced to the estate immediately upon the Liquidator's appointment. For the avoidance of doubt, these were charged at cost and with no uplift
