- 22.1 The Directors may, in accordance with the requirements set out in this Article, authorise any matter or situation proposed by them by any Director which would, if not authorised, involve a Director breaching his duty under section 175 of the Act to avoid conflicts of interest (" a Conflict").
- 22.2 Any authorisation under this Article will be effective only if:-
 - 22.2.1 the matter in question shall have been proposed by any director for consideration at a meeting of Directors in the same way that any other matter may be proposed to the Directors under the provisions of these Articles or in such other matter as the Directors may determine.
 - 22.2.2 any requirement as to the quorum of the meeting of the Directors at which the matter is considered is met without counting the Director in question; and
 - 22.2.3 the matter was agreed to without his voting or would have been agreed to if his vote had not been counted.
- 22.3 Any authorisation of a Conflict under this Article may (whether at the time of giving the authorisation or subsequently):-
 - 22.3.1 extend to any actual or potential conflict of interest which may reasonably be expected to arise out of the matter so authorised;

22.4.1 disclose such information to the Directors or to any Director or other officer or employee of the Company;

22.4.2 use or apply any such information in performing his duties as a Director;

where to do so would amount to a breach of that confidence.

22.7 A Director is not required, by reason of being a Director (or because of the fiduciary relationship established by reason of being a Director), to account to the Company for any remuneration, profit or other benefit which he derives from or in connection with a relationship involving a Conflict which has been authorised by the Directors or by the Company in general meeting (subject in each case to any terms, limits or conditions attaching to that authorisation) and no contract shall be liable to be avoided on such grounds.
