LDC (ST VINCENT'S) LIMITED

DIRECTORS' REPORT

FOR THE PERIOD ENDED 31 DECEMBER 2016

The directors present their annual report and audited financial statements for the Period ended 31 December 2016.

Principal activities

The principal activity of the Company was that of holding land for the purposes of investment property. The directors expect to build investment property on this in the future. The company was incorporated on 7 June 2016.

The company registration number is 10218310.

Directors

The directors who held office during the Period and subsequently, unless otherwise stated, were as follows:

D Faulkner	(Appointed 27 October 2016)
N Hayes	(Appointed 18 May 2017)
J Lister	(Appointed 7 June 2016)
R Simpson	(Appointed 7 June 2016)
C R Szpojnarowicz	(Appointed 7 June 2016)
J L Watts	(Appointed 26 October 2016)
NG Richards	(Appointed 7 June 2016 and resigned 30 September 2016)

Results and dividends

The results for the Period are set out on page 3.

No ordinary dividends were paid. The directors do not recommend payment of a final dividend.

Financial risk management

Debtors are monitored on an ongoing basis and provision is made for doubtful debts where necessary.

Going concern

The directors have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. Thus they continue to adopt the going concern basis in preparing the annual financial statements.

Further details regarding the adoption of the going concern basis can be found in the accounting policies in the financial statements.

Small companies exemption

In preparing this report, the directors have taken advantage of the small companies exemptions.

By order of the board

LDC (ST VINCENT'S) LIMITED

DIRECTORS' RESPONSIBILITIES STATEMENT

FOR THE PERIOD ENDED 31 DECEMBER 2016

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law), including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland". Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

LDC (ST VINCENT'S) LIMITED

PROFIT AND LOSS ACCOUNT

FOR THE PERIOD ENDED 31 DECEMBER 2016

There has been no movements on the statement of total comprehensive income for the period ending 31 December 2016.

LDC (ST VINCENT'S) LIMITED

BALANCE SHEET

AS AT 31 DECEMBER 2016

	Notes	2016 £	£
Fixed assets			
Investment properties	5		100,000

LDC (ST VINCENT'S) LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE PERIOD ENDED 31 DECEMBER 2016

1 Accounting policies

Company information

LDC (St Vincent's) Limited is a private company limited by shares incorporated in England and Wales. The registered office is South Quay House, Temple Back, Bristol, BS1 6FL.

1.1 Accounting convention

The principal accounting policies are summarised below. They have been applied consistently throughout the year and to the preceding year.

The nature of the company's operations and its principal activities are set out in the Directors' Report on page 1.

The financial statements have been prepared under the historical cost convention, modified to include certain items at fair value, and in accordance with Financial Reporting Standard 102 (FRS 102) issued by the Financial Reporting Council.

The functional currency of LDC (St Vincent's) Limited is considered to be pounds sterling because that is the currency of the primary economic environment in which the Company operates.

LDC (St Vincent's) Limited meets the definition of a qualifying entity under FRS 102 and has therefore taken advantage of the disclosure exemptions available to it in respect of its separate financial statements. LDC (St Vincent's) Limited is consolidated in the financial statements of its ultimate parent, The Unite Group plc, which may be obtained at South Quay House, Temple Back, Bristol, BS1 6FL. Exemptions have been taken in these separate Company financial statements in relation to presentation of a cash flow statement, financial instruments, intra-group transactions and remuneration of key management personnel.

1.2 Going concern

The financial statements have been prepared on the going concern basis, notwithstanding net current liabilities of £99,999 which the directors believe to be appropriate for the following reasons. The company is dependent for its working capital on funds provided to it by The Unite Group plc. The Unite Group plc has provided the company with an undertaking that for at least 12 months from the date of approval of these financial statements, it will continue to make available such funds as are needed by the company, and in particular, will not seek repayment of the amounts currently made available. This should enable the company to continue in operational existence for the foreseeable future by meeting its liabilities as they fall due for payment. As with any entity placing reliance on other group entities for financial support, the directors acknowledge that there can be no certainty that this support will continue, although, at the date of approval of these financial statements, they have no reason to believe that it will not do so. Based on this understanding the directors believe that it remains appropriate to prepare the financial statements on a going concern basis. The financial statements do not include any adjustments that would result from the basis of preparation being inappropriate.

1.3 Investment properties

Investment property, which is property held to earn rentals and/or for capital appreciation, is measured using the fair value model and stated at its fair value as the reporting end date. The surplus or deficit on revaluation is recognised in the profit and loss account.

(Continued)

1.4 Financial instruments

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument.

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities.

i. Financial assets and liabilities

All financial assets and liabilities are initially measured at transaction price (including transaction costs), except for those financial assets classified as at fair value through profit or loss, which are initially measured at fair value (which is normally the transaction price excluding transaction costs), unless the arrangement constitutes a financing transaction. If an arrangement constitutes a financing transaction, the financial asset or financial liability is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Financial assets and liabilities are only offset in the balance sheet when, and only when there exists a legally enforceable right to set off the recognised amounts and the Company intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Debt instruments which meet the following conditions are subsequently measured at amortised cost using the effective interest method:

- a. The contractual return to the holder is (i) a fixed amount; (ii) a positive fixed rate or a positive variable rate; or (iii) a combination of a positive or a negative fixed rate and a positive variable rate.
- b. The contract may provide for repayments of the principal or the return to the holder (but not both) to be linked to a single relevant observable index of general price inflation of the currency in which the debt instrument is denominated, provided such links are not leveraged.
- c. The contract may provide for a determinable variation of the return to the holder during the life of the instrument, provided that (i) the new rate satisfies condition (a) and the variation is not contingent on future events other than (1) a change of a contractual variable rate; (2) to protect the holder against credit deterioration of the issuer; (3) changes in levies applied by a central bank or arising from changes in relevant taxation or law; or (ii) the new rate is a market rate of interest and satisfies condition (a).
- d. There is no contractual provision that could, by its terms, result in the holder losing the principal amount or any interest attributable to the current period or prior periods.
- e. Contractual provisions that permit the issuer to prepay a debt instrument or permit the holder to put it back to the issuer before maturity are not contingent on future events, other than to protect the holder against the credit deterioration of the issuer or a change in control of the issuer, or to protect the holder or issuer against changes in levies applied by a central bank or arising from changes in relevant taxation or law.
- f. Contractual provisions may permit the extension of the term of the debt instrument, provided that the return to the holder and any other contractual provisions applicable during the extended term satisfy the conditions of paragraphs (a) to (c).

Debt instruments that are classified as payable or receivable within one year on initial recognition and which meet the above conditions are measured at the undiscounted amount of the cash or other consideration expected to be paid or received, net of impairment.

With the exception of some hedging instruments, other debt instruments not meeting these conditions are measured at fair value through profit or loss.

Commitments to make and receive loans which meet the conditions mentioned above are measured at cost (which may be nil) less impairment.

LDC (ST VINCENT'S) LIMITED

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE PERIOD ENDED 31 DECEMBER 2016

1 Accounting policies

(Continued)

Financial assets are derecognised when and only when a) the contractual rights to the cash flows from the financial asset expire or are settled, b) the Company transfers to another party substantially all of the risks and rewards of ownership of the financial asset, or c) the Company, despite having retained some, but not all, significant risks and rewards of ownership, has transferred control of the asset to another party.

Financial liabilities are derecognised only when the obligation specified in the contract is discharged, cancelled or expires.

i. *Equity instruments*

Equity instruments issued by the company are recorded at the fair value of cash or other resources received or receivable, net of direct issue costs.

ii. *Fair value measurement*

The best evidence of fair value is a quoted price for an identical asset in an active market. When quoted prices are unavailable, the price of a recent transaction for an identical asset provides evidence of fair value as long as there has not been a significant change in economic circumstances or a significant lapse of time since the transaction took place. If the market is not active and recent transactions of an identical asset on their own are not a good estimate of fair value, the fair value is estimated by using a valuation technique.

1.5 Reserves

The Company's reserves are as follows:

- Called up share capital reserve contains the nominal value of the shares issued

2 Critical accounting judgements and key sources of estimation uncertainty

In the application of the company's accounting policies, the directors are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

Critical judgements

Investment property

The valuation of investment property involves significant judgement and changes to the core assumptions, market conditions, rental income, levels of occupancy and property management costs could have a significant impact on the carrying value of these assets.

3 Employees

There were no employees during the period.

Directors' remuneration was borne by another group company in the period. Directors have not performed any qualifying services for this company in the period.

4 Taxation

The taxation charge for the period ended 31 December 2016 was £nil.

LDC (ST VINCENT'S) LIMITED

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE PERIOD ENDED 31 DECEMBER 2016

5 Investment property

	2016 £
Fair value	
At 7 June 2016	-
Additions	100,000
At 31 December 2016	<u>100,000</u>

Investment properties, which are all freehold/long leasehold, were revalued to fair value at 31 December 2016, based on a valuation undertaken by Jones Lang LaSalle, Chartered Surveyors, an independent valuer with recent experience in the location and class of the investment property being valued. The method of determining fair value was the discounted cash flows method and significant assumptions applied were as follows:

- Costs to complete: £35m
- Estimated future rent increase of 3%
- Discount rate (yield) of 4.75%

There are no restrictions on the realisability of investment property. There are no contractual obligations to purchase, construct or develop investment property or for repairs, maintenance or enhancements.

No contingent rents have been recognised in the current period and the future minimum lease payments that the company will receive is £nil.

Total interest and bank costs included within the cost of the property is £nil. The historical cost of the property is £100,000.

6 Creditors: amounts falling due within one year

	2016 £
Amounts due to group undertakings	99,999

Amounts due to group undertakings are interest free and repayable on demand.

7 Called up share capital

	2016 £
Ordinary share capital	
Issued and fully paid	
1 Ordinary of £1 each	1

8 Contingent liabilities

The Company had no contingent liabilities at 31 December 2016.

9 Capital commitments

The Company had no capital commitments at 31 December 2016.

LDC (ST VINCENT'S) LIMITED

FOR THE PERIOD ENDED 31 DECEMBER 2016

10 Controlling party

The company's immediate parent undertaking is LDC (Holdings) Limited, formerly LDC (Holdings) plc.

The company's ultimate parent undertaking is the Unite Group plc.

The largest and smallest group in which the results of the company are consolidated is that headed by The Unite Group plc. The consolidated accounts of this company and the company's parent company are available to the public and can be obtained from the registered office South Quay House, Temple Back, Bristol, BS1 6FL.
