TO ALL MEMBERS, CREDITORS AND THE REGISTRAR OF COMPANIES

1 INTRODUCTION

- 1.1 Martin Maloney and John Titley were appointed Joint Liquidators of The Retirement Shop Limited ("the Company") on 27 September 2018.
- 1.2 Martin Maloney and John Titley are authorised to act as insolvency practitioners in the UK by the Institute of Chartered Accountants in England and Wales.
- John Titley has now retired from practise and agreed to transfer the management of his insolvency caseload to other appropriate insolvency practitioners within Leonard Curtis, in accordance with Rules 12.36 and 12.37 of the Insolvency (England and Wales) Rules 2016 ("the Rules"). Therefore, an application was made to court for an order to remove John Titley as Insolvency Practitioner on each of his cases and replace him with Andrew Poxon of Leonard Curtis. The order was granted by court on 4 June 2019. Accordingly, John Titley ceased to act as Joint Liquidator of this case on 4 June 2019 and Andrew Poxon was appointed in his place. Andrew Poxon is licensed in the UK by the Institute of Chartered Accountants and England and Wales.
- 1.4 Pursuant to Section 106(1) of the Insolvency Act 1986 (as amended) ("the Act") and Rule 18.14 of the Rules, as the Company's affairs have been fully wound up, the Joint Liquidators now present an account of the winding up, showing how the Liquidation has been conducted and the Company's property disposed of, the outcome for creditors and other information that the Joint Liquidators are required to disclose.
- 1.5 All figures are stated net of VAT.

APPENDIX C

LEONARD CURTIS POLICY REGARDING FEES, EXPENSES AND DISBURSEMENTS

Staff Allocation and Charge Out Rates

We take an objective and practical approach to each assignment which includes active director involvement from the outset. Other members of staff will be assigned on the basis of experience and specific skills to match the needs of the case. Time spent by secretarial and other support staff on specific case related matters, e.g. report despatching, is not charged.

Where it has been agreed by resolution that the office holders' remuneration will be calculated by reference to the time properly given by the office holders and their staff in attending to matters as set out in a fees estimate, then such remuneration will be calculated in units of 6 minutes at the standard hourly rates given below. In cases of exceptional complexity or risk, the insolvency practitioner reserves the right to obtain authority from the appropriate body of creditors that their remuneration on such time shall be charged at the higher complex rate given below.

The following hourly charge out rates apply to all assignments undertaken by Leonard Curtis:

6 Jan 2014 onwards	Standard	Complex	1 Aug 2019 onwards	Standard	Complex
	. £	£		£	£
Director	450	562	Director	525	656

Administrator 3	210	262	Administrator 3	230	288
Administrator 4	150	187	Administrator 4	165	206
Support	0	0	Support	0	0

Office holders' remuneration may include costs incurred by the firm's in-house legal team, who may be used for non-contentious matters pertaining to the insolvency appointment.

Subcontractors

Where we subcontract out work that could otherwise be carried out by the office holder or his/her staff, this will be drawn to the attention of creditors in any report which incorporates a request for approval of the basis upon which remuneration may be charged. An explanation of why the work has been subcontracted out will also be provided.

Professional Advisors

Details of any professional advisor(s) used will be given in reports to creditors. Unless otherwise indicated the fee arrangement for each is based on hourly charge out rates, which are reviewed on a regular basis, together with the recovery of relevant disbursements.

The choice of professional advisors is based around a number of factors including, but not restricted to, their expertise in a particular field, the complexity or otherwise of the assignment and their geographic location.

Expenses

We are required to provide creditors with an estimate of the expenses we expect to be incurred in respect of an assignment and report back to them on actual expenses incurred and paid in our periodic progress reports. There are two broad categories of expenses: standard expenses and case specific expenses. These are explained in more detail below:

a) Standard Expenses – this category includes expenses which are payable in order to comply with legal or regulatory requirements and therefore will generally be incurred on every case. They will include:

Case-specific expenses - this category includes expenses (other than office-holders' fees) which are likely to be payable on every case but which will vary depending upon the nature and complexity of the case and the assets to be realised. They will include:

Туре	Description	Amount
Agents' fees	Costs of appointed agents in valuing and realising assets	Time costs plus disbursements plus VAT
Debt Collection fees	Costs of appointed debt collectors in realising debts	Generally agreed as a % of realisations plus disbursements plus VAT

Other disbursements	See disbursements section below	See disbursements section below

Disbursements

Included within both of the above categories of expenses are disbursements, being amounts paid firstly by Leonard Curtis on behalf of the insolvent entity and then recovered from the entity at a later stage. These are described as Category 1 and Category 2 disbursements.

- Category 1 disbursements: These are costs where there is specific expenditure directly referable both to the appointment in question and a payment to an independent third party. These may include, for example, advertising, room hire, storage, postage, telephone charges, travel expenses (excl. mileage), and equivalent costs reimbursed to the office holder or his or her staff. Category 1 disbursements may be drawn without prior approval.
- Category 2 disbursements: These are costs that are directly referable to the appointment in question but not to a payment to an independent b) third party. They may include shared or allocated costs that can be allocated to the appointment on a proper and reasonable basis, for example, business mileage. In the event of charging for category 2 disbursements the following items of expenditure are recharged on this basis and are believed to be in line with the cost of external provision:

General stationery, postage, telephone etc

£100 per 100 creditors/ members or part thereof £81.25 per box

Storage of office files (6 years) Business mileage
