Charity's Activities and Achievements

During the year, the charity took over the activities previously carried out by Mesila UK (charity number 1114573). The transfer of entity was carried on advice from the charity's legal advisors. As such, the charity has continued to develop its own network of coaches to provide support for families to allow them to become financially aware and independent. The charity has also been successful in spreading a general awareness of the specific issues that are faced by families in the Orthodox, Jewish community.

The charity has also continued to donate funds to Mesila Israel. Mesila Israel's mission is to empower families and businesses to seek, achieve and maintain financial stability. Through these donations Mesila Israel has brought the principles of correct financial management to the forefront of public consciousness by raising public awareness of the importance of financial stability and independence through:

Charity's Activities and Achievements (Continued)

1. Education

Youth - elementary, junior high, high school and post high school programs.

Creation of public awareness towards economic responsibility.

Provision of solutions to counter long-term, problematic financial behaviour enabling people to get out and stay out of debt and poverty.

2. Prevention

Seminars, workshops, webinars and informational events on domestic budgeting.

Development of materials for distribution to the public highlighting the need for fiscal responsibility and the ways this can be achieved.

Development and distribution of learning resources for use in schools to educate students of all ages on financial matters.

Learning resources for couples (both young and old) on how to effectively manage a regular household budget and budgets for special occasions.

3. Coaching

Families - the process involves the 3 basic stages - awareness, change, and maintenance; and ends with a concluding session to launch the family into an independent future.

Businesses - Either a one-time business consulting session or ongoing business coaching which involves building a strategic business plan, implementation, on site visits and employee training.

Training new coaches is an ongoing concern both in the UK and in Israel as the demand continuously outstrips the supply. Mesila is committed to helping families and businesses facing the devastation of debt and has seen considerable success in turning them around setting them on their feet.

4. Training representatives

To this end;

Books, pamphlets, training programs have been developed.

Seminars, conferences and up-to-date training sessions have been provided by expert professionals.

The maintenance of a control centre to oversee all processes has been implemented.

Trustees' Report (Continued)

Reserves policy

The trustees only distribute funds that have been received by the charity and do not make donations in excess of donations received. The target level of reserves is equivalent to 3 months of expenditure for administering the charity. Although at the year end the level of reserves was below this level, there were sufficient pledges due just after the year end so that the trustees believe they have established a level of reserves sufficient for the needs of the charity.

The Statement of Financial Activities shows a net surplus for the year and reserves at the year end of £25,347.

Future Plans

Due to the ever increasing demand, the trustees expect that their services will continue to be required and intend to continue providing to Mesila Israel whilst having to retain flexibility as to the timing, and scale of grant making.

Investments Policy

The charity has a bank current account. This is the only investment to which the charity has title. In the event that there are significant surplus funds, the trustees will place such funds into a term deposit account.

Grant and Donation Making Policy

The charity's policy is to act according to the Trust Deed which enables grants and donations to be made from both income and capital. The charity does not make grants to the public.

Risk Management

The trustees regularly undertake a review of the major risks to which the charity is exposed, and systems designed to mitigate those risks are considered on an ongoing basis. There are two major risks that the trustees have identified, as follows:

(a) **Fall in the level of donations**

The level of donations is fundamental to the operation of the charity. The trustees are very active in promoting Melisa UK Limited's service provision across the Jewish communities and, as a result, are actively increasing the charity's donor base.

Risk Management (continued)

(b) Misappropriation of funds

The control of funds is key to any charity. The trustees meet regularly and discuss progress. This ensures that all expenses paid out from the charity are legitimate. The trustees decided that since they are having an independent examination, any misappropriation of funds should also come to light at that time.

Since the banking arrangements ensure that only the trustees have access to the bank account, this also reduces risk of misappropriation.

Trustees' Responsibilities in Relation to the Accounts

Law applicable to charities in England and Wales requires the trustees to prepare accounts for each financial year, which give a true and fair view of the state of the charity's financial activities during the year and of its financial position at the end of the year.

In preparing those accounts, the trustees are required to:

select suitable accounting policies and then apply them consistently;

make judgements and estimates that are reasonable and prudent;

follow applicable UK accounting standards and the Statement of Recommended Practice, subject to any departures disclosed and explained in the accounts;

prepare the accounts on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

This report has been prepared in accordance with the provisions applicable to companies subject to the small companies' regime and was approved by the trustees on 3 September 2020 and signed on their behalf by:

Independent Examiner's Report

to the Trustees of

Mesila UK Limited (company number 10561315, charity number 1179291)

for the Year Ended 30 November 2019

Respective Responsibilities of Trustees and Independent Examiner

I report on the accounts of Mesila UK Limited for the year ended 30 November 2019 which are set out on pages 7 to 11.

This report is made solely to the Charity's Trustees, as a body, in accordance with Chapter 3 of Part 8 of the Charities Act 2011. My examination has been undertaken so that I might state to the Charity's Trustees those matters I am required to state to them in an independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the Charity and the Charity's Trustees as a body, for my examination, for this report, or for the opinions I have formed.

Respective responsibilities of trustees and examiner

The trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from you as Trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no material matters have come to my which gives me cause to believe that in, any material respect:

- accounting records were not kept in accordance with section 386 of the Companies Act 2006; or
- the accounts do not accord with such records; or
- the accounts do not comply with relevant accounting requirements under section 396 of the Companies Act 2006 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
- the accounts have not been prepared in accordance with the Charities SORP (FRS102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
