Nevada Investments 2 Limited

Strategic Report for the Year Ended 31 December 2018

The directors present their Strategic Report for the year ended 31 December 2018 for Nevada Investments 2 Limited ("the Company"). The Strategic Report provides a review of the business for the financial year and describes how the directors manage risks. The report outlines the developments and performance of the Company during the financial year, the position at the end of the year and discusses the main trends and factors that could affect the future. The Company is part of The Ardonagh Group Limited ("the Group" or "Ardonagh").

Principal activities and business review

The principal activity of the Company is that of a non-trading holding company, as such the Company does not generate any turnover. The results for the Company show turnover of £Nil (2017:£Nil) and loss before tax of £29.1m (2017: £Nil) for the year. At 31 December 2018 the Company had net assets of £12.5m (2017: £41.6m).

Outlook

The directors do not expect there to be any changes in the nature of the business in 2019.

Key performance indicators

The directors of the Group's manage operations on a divisional basis. For this reason, the Company's directors believe that a separate analysis for the Company is not necessary or appropriate for an understanding of the development, performance or position of the business. The development, performance and position of the Group which includes this Company is discussed in the Group's annual report.

The key performance indicator for the Company is the carrying value of its subsidiary, as this is the main asset of the Company. The performance of the subsidiary undertaking will determine whether an impairment to the carrying value is required and this is tested on a regular basis.

Principal risks and uncertainties

The Company's performance and value, as a holding company of the Group, is integrated with its investment in the Company's subsidiary. As such from the perspective of the Company, the principal risks and uncertainties are integrated with the principal risks of the Group and are managed separately. Accordingly, the principal risks and uncertainties are discussed in the Group's annual report.

A principal risk of this holding Company is the trading performance of its subsidiary. Trading performance in the subsidiary could create the need for impairment leading to a reduction in net asset and distributable reserves of the Company. The subsidiary sets performance targets for the year ahead and performance is reviewed regularly against these targets. Reasons for under performance are monitored and mitigating actions are taken. The investment is reviewed for impairment to ensure the appropriate carrying value in the holding company's financial statements.

Nevada Investments 2 Limited

Directors' Report for the Year Ended 31 December 2018

The directors present their annual report and the audited financial statements for the year ended 31 December 2018.

Directors of the Company

The directors, who held office during the year and up to the date of signing, were as follows:

A Erotocritou (appointed 2 March 2018 and resigned 1 August 2019)

D C Ross

M S Mugge (resigned 2 March 2018)

The following director was appointed after the year end:

D Cougill (appointed 1 August 2019)

Dividends

The directors do not recommend a final dividend payment to be made in respect of the financial year ended 31 December 2018 (2017: £Nil).

Financial risk management objectives and policies

Details of financial risk management objectives and policies can be found in the Strategic Report within the 'Principal risks and uncertainties' section on page 2.

Future developments

Details of future developments can be found in the Strategic Report within the 'Outlook' section on page 2.

Political donations

The Company has not made any political donations during the year (2017: £Nil).

Going concern

The Company's business activities, together with the factors likely to affect its future development are described in the Strategic Report on page 2. The directors have a reasonable expectation that the Company has adequate resources to continue in operational existence for a period of at least twelve months from the date of approval of the financial statements. Thus they continue to adopt the going concern basis of accounting in preparing the annual financial statements. Further details of this assessment can be found in Note 2 to these financial statements.

Directors' liabilities

All directors of the Company and fellow Group companies benefit from qualifying third party indemnity provisions, subject to the conditions set out in the Companies Act 2006, in place during the financial year and at the date of this report.

Disclosure of information to the auditor

Each director has taken steps that they ought to have taken as a director in order to make themselves aware of any relevant audit information and to establish that the Company's auditor is aware of that information. The directors confirm that there is no relevant information that they know of and of which they know the auditor is unaware.

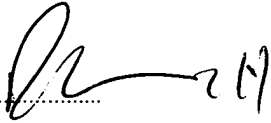

Nevada Investments 2 Limited

Directors' Report for the Year Ended 31 December 2018

Appointment of an auditor

During the year ended 31 December 2017, a formal tender process took place for the Company, led by The Ardonagh Group Limited Audit Committee. As a result of this tender process the Audit Committee recommended, and The Ardonagh Group Limited board approved on behalf of the Company, the proposed appointment of Deloitte LLP as an external auditor for the financial year ended 31 December 2018. The auditor, Deloitte LLP, is deemed to be reappointed under section 487 (2) of the Companies Act 2006.

Approved by the board on 27/9/2019 and signed on its behalf by:

Director

Statement of Directors' Responsibilities in respect of the Strategic Report, the Directors' Report and the Financial Statements

The directors are responsible for preparing the Strategic Report, the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law they have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law), including Financial Reporting Standard 101 Reduced Disclosure Framework ("FRS 101").

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the loss of the Company for that year. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether Financial Reporting Standard 101 Reduced Disclosure Framework has been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error, and have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the Company and to prevent and detect fraud and other irregularities.

Nevada Investments 2 Limited

Independent Auditor's Report to the Members of Nevada Investments 2 Limited

Report on the audit of the financial statements

Opinion

In our opinion the financial statements of Nevada Investments 2 Limited ("the Company"):

- give a true and fair view of the state of the Company's affairs as at 31 December 2018 and of its loss for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, including Financial Reporting Standard 101 "Reduced Disclosure Framework"; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

We have audited the financial statements which comprise:

- the Statement of Comprehensive Income;
- the Statement of Financial Position;
- the Statement of Changes in Equity; and
- the related notes 1 to 11;

The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 101 "Reduced Disclosure Framework".

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report.

We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the Financial Reporting Council's (the 'FRC's') Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We are required by ISAs (UK) to report in respect of the following matters where:

- the directors' use of the going concern basis of accounting in preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the Company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

We have nothing to report in respect of these matters.

Other information

The directors are responsible for the other information. The other information comprises the information included in the annual report other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in respect of these matters.

Responsibilities of directors

As explained more fully in the Statement Directors' Responsibilities, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the FRC's website at www.frc.org.uk/auditorsresponsibilities.

Report on other legal and regulatory requirements

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Strategic Report and the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Strategic Report and the Directors' Report have been prepared in accordance with applicable legal requirements.

In light of the knowledge and understanding of the Company and its environment obtained in the course of the audit, we have not identified any material misstatements in the Strategic Report or the Directors' Report.

Matters on which we are required to report by exception

Under the Companies Act 2006 we are required to report in respect of the following matters if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

We have nothing to report in respect of these matters.

Use of our report

This report is made solely to the Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Notes to the Financial Statements for the Year Ended 31 December 2018

1 Authorisation of financial statements

The Company is a private company limited by share capital incorporated and registered in England, United Kingdom. The registered office address can be found on page 1. The principal activity of the Company is disclosed on page 2 within the 'Strategic Report'. The financial statements for the year ended 31 December 2018 were authorised for issue by the board on 27/9/2019 and the Statement of Financial Position was signed on the board's behalf by DAVIDE SOUGILL

2 Accounting policies

Summary of significant accounting policies and key accounting estimates

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Basis of preparation

These financial statements were prepared in accordance with Financial Reporting Standard 101 'Reduced Disclosure Framework'.

As a wholly owned subsidiary of The Ardonagh Group Limited, the Company has taken advantage of the exemption under section 400 of the Companies Act 2006 not to prepare group financial statements, and its results are included in the consolidated financial statements of its ultimate parent.

These financial statements have been prepared on a historical cost basis. The financial statements are presented in GBP sterling (£), which is also the Company's functional currency.

IFRS 9, IFRS 15 and other new standards are applicable for financial reporting year starting on 1 January 2018 or later. These new standards did not have a material impact on the company.

Summary of disclosure exemptions

In preparing these financial statements, the Company applies the recognition, measurement and disclosure requirements of International Financial Reporting Standards as adopted by the EU ("Adopted IFRSs"), but makes amendments where necessary in order to comply with Companies Act 2006 and has set out below where advantage of the FRS 101 disclosure exemptions has been taken.

In these financial statements, the Company has taken advantage of the following disclosure exemptions under FRS 101 where relevant:

- (a) the requirements in paragraph 10(d) and 111 of IAS 1 Presentation of Financial Statements to prepare a Cash flow statement and the requirements in IAS 7 Statement of Cash Flows regarding the same;
- (b) the requirements in paragraph 10(f), 39(c) and 134-136 of IAS 1 Presentation of Financial Statements, which includes the need to provide details on capital management;
- (c) the requirements of paragraphs 30 and 31 in IAS 8 Accounting Policies, Changes in Accounting Estimates and Errors regarding disclosure of new IFRS standards not yet effective at the reporting date and their potential impact;

Nevada Investments 2 Limited

Notes to the Financial Statements for the Year Ended 31 December 2018

2 Accounting policies (continued)

(d) the requirements in paragraphs 17 and 18A of IAS 24 Related Party Disclosures around the need to disclose information on key management personnel and details on related party transactions entered into between two or more members of a group, provided that any subsidiary which is party to the transaction is wholly owned by such a member;

(e) the requirements of paragraphs 134(d) - 134(f) and 135(c) - 135(e) of IAS 36 Impairment of Assets in respect of disclosure of assumptions on which projections used in the impairment review are based and sensitivity analysis.

(f) the requirements of IFRS 7 'Financial Instruments: Disclosures';

(g) the requirements of paragraphs 45(b) and 46 to 52 of IFRS 2 'Share-Based Payments' because the arrangement concerns equity instruments of the Group.

Equivalent disclosures are included in the Group's consolidated financial statements as required by FRS 101 where exemptions have been applied.

Judgements made by the directors, in the application of these accounting policies that have significant effect on the financial statements and estimates with a significant risk of material adjustment in the next year are discussed in the Critical accounting judgements and key sources of estimation uncertainty disclosure on page 15.

Going Concern

The financial statements of the Company have been prepared on a going concern basis. At 31 December 2018 the Company had net assets of £Nil (2017: £41.6m). The Company was one of a number of group companies who at 31 December 2018 guaranteed bank and bond debt owed by Ardonagh Midco 3 Plc, an immediate holding company in the Group.

The directors believe the going concern basis to be appropriate following their assessment of the Company's financial position and its ability to meet its obligations as and when they fall due.

In reaching a conclusion on the going concern basis, the director's have performed an assessment of the Group's position which included:

- The current capital structure and liquidity of the Group and its base case and stressed cash flow forecasts over the calendar years 2019 and 2020.
- The principal risks facing the Group and its systems of risk management and internal control.
- 2019 liquidity to date is tracking favourably to plan.

Key assumptions that the directors have made in preparing the base case cash flow forecasts are that the Group:

- Invests to complete the major business transformation projects involving the finance function and broker system consolidation and that it achieves the projected synergies.
- Continues to benefit from the Revolving Credit Facility of £120m, which is limited to £90m whilst the Letter of Credit ancillary facility of £50m remains in place. None of the available £90m Revolving Credit Facility was utilised at 31 December 2018.
- Commences the main settlement of the ETV liabilities from the second half of 2019 and completes over a 24 month period.

Nevada Investments 2 Limited

Notes to the Financial Statements for the Year Ended 31 December 2018

2 Accounting policies (continued)

Key stress scenarios that the directors have considered are:

- A shortfall in base case projected operating cash flows due to adverse economic conditions, project over-spend and project delays.
- Deterioration in the quantum and acceleration of the settlement of the ETV liabilities compared to the base case.
- Mitigating actions within management control such as:
 - Delayed capital expenditure and a reduction in discretionary spend. This action could be utilised if trading performance and cash flows are not in line with the reforecast and can be managed by temporary spending deferrals.
 - Raising additional debt, additional shareholder support, and the potential sale of non-core assets.
- Impact of Brexit.

Following the assessment of the Company's financial position and of its ability to meet its obligations as and when they fall due, the Directors have a reasonable expectation that the Company will be able to continue to operate for at least the next twelve months from the date of approval of the financial statements. Therefore, the annual financial statements have been prepared on a going concern basis.

Share capital

Ordinary shares are classified as equity. Incremental cost directly attributable to the issue of new shares or options are shown in equity as a deduction, net of tax, from the proceeds.

TG impairment of investments

The carrying amount of the Company's assets are reviewed for impairment when events or changes in circumstances indicate that the carrying amount of the investment may not be recoverable. If any such indication exists, the asset's recoverable amount is estimated.

An impairment loss is recognised whenever the carrying amount of an asset or its cash-generating unit exceeds its recoverable amount. Impairment losses are recognised in the Statement of Comprehensive Income.

Calculation of recoverable amount

An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs to sell and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash flows.

Financial guarantees

Contracts meeting the definition of a financial guarantee are recognised at fair value under IFRS 9, or under IFRS 4 'Insurance Contracts' where the conditions required in order for it to be regarded as an insurance contract are satisfied. This is determined on a contract by contract basis, depending on whether the risk transferred represents a financial risk or an insurance risk.

Nevada Investments 2 Limited

Notes to the Financial Statements for the Year Ended 31 December 2018

3 Critical accounting judgements and key sources of estimation uncertainty

Estimates and judgements used in preparing the financial statements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable. The resulting accounting estimates will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant effect on the carrying amounts of assets and liabilities are discussed below.

Key sources of estimation uncertainty

Impairment of investments

Investments in subsidiaries are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of the asset may exceed its recoverable amount. An impairment test is performed by comparing the investment's carrying amount with its recoverable amount. The recoverable amount is the higher of its fair value less costs of disposal and its value in use. An impairment test requires the application of significant judgement because it relies on key assumptions, including revenue and an EBITDA multiple.

4 Operating result

The audit fee of £4,284 (2017: £4,200) for the audit of this Company was paid by other Group entities for which no recharge was made.

5 Staff costs

The Company had no employees in the current year or preceding year. All administration is performed by employees of the Group, for which no recharge is made to the Company.

6 Directors' remuneration

The emoluments of all directors are paid by other Group companies, which make no recharge to the Company. These directors are directors of The Ardonagh Group Limited and/or other fellow subsidiaries. Their total emoluments are included in the consolidated financial statements of The Ardonagh Group Limited.

Guarantees

On 25 May 2017, Ardonagh Midco 3 plc, a newly incorporated intermediate holding company, entered into a £90.0m super senior Revolving Credit Facility ("RCF").

On 20 June 2017, Ardonagh Midco 3 plc issued £400.0m of 8.375% Senior Secured Notes and USD520.0m of 8.625% Senior Secured Notes. On 22 June 2017, the £425.0m Senior Secured Notes and £75.0m floating rate super Senior Secured Notes issued by Ardonagh Finco plc in April 2015 were redeemed.

On 20 December 2017, Ardonagh Midco 3 plc issued an additional £55.0m of 8.375% Senior Secured Notes which are fungible with the existing GBP Senior Secured Notes issued on 20 June 2017. On the same date the commitments under the RCF were increased to £105.0m.

On 18 June 2018, Ardonagh Midco 3 plc issued an additional £98.3m of 8.375% Senior Secured Notes which are fungible with the existing GBP Senior Secured Notes issued on 20 June 2017 and 20 December 2017.

On 26 September 2018, the Group's RCF was amended and restated to include an additional £50.0m facility made available solely to provide a Letter of Credit ancillary facility for the same amount. On 5 October 2018, a letter of credit of £50.0m was issued for the benefit of specified entities within the Group solely to provide credit support in respect of potential redress liabilities relating to the sale of certain enhanced transfer value (ETV) products. See note 32 for further information relating to ETV redress liabilities. While the Letter of Credit ancillary facility remains in place the commitments under the RCF that may actually be utilized are contractually limited to £90.0m (excluding the Letter of Credit ancillary facility). Permissible RCF drawings are further limited by the terms of the Group's overall credit facility arrangement. The RCF facility had not been utilised at 31 December 2018 (31 December 2017: £30.0m utilised).

On 19 November 2018 USD235m additional 8.625% Senior Secured Notes were issued.

The obligations of Ardonagh Midco 3 plc under the Notes, RCF, and the subsequently issued 8.375% and 8.625% notes, are guaranteed and secured by Ardonagh Midco 2 plc, the immediate parent company of Ardonagh Midco 3 plc, and all its material and certain other subsidiaries.
