LIQUIDATORS' ACTIONS SINCE LAST REPORT

There is certain work that a Liquidator is required by the insolvency legislation to undertake in connection with the liquidation that provides no financial benefit for the creditors. A description of the routine work undertaken in the liquidation is contained in Appendix 1.

This is in addition to the case-specific work carried out with regard to asset realisations, creditor claims and investigations, details of which are given below.

RECEIPTS AND PAYMENTS ACCOUNT

A Receipts & Payments Account for the period from 28 September 2021 to 11 January 2024 is attached to this report in Appendix 2.

ASSET REALISATIONS

There have been no asset realisations in the period under review. As previously advised, in prior periods the sum of £3,000.00 was received from the director as a contribution to the Liquidator's costs in this matter, together with a settlement of £5,000.00 in relation to the director's outstanding loan account. The liquidation remained open solely to receive the final VAT reclaim from HM Revenue & Customs.

There are no other assets to be realised in the liquidation.

LIABILITIES

Secured Creditors

An examination of the Company's mortgage register held by the Registrar of Companies showed that the Company has no current charges over its assets.

The legislation requires that if the Company has created a floating charge after 15 September 2003, a prescribed part of the Company's net property (i.e. the money that would otherwise be available to the charge holder) should be ring-fenced for distribution to unsecured creditors. In this case there were no creditors secured by a floating charge such that the prescribed part provisions do not apply.

Preferential Creditors

The statement of affairs anticipated £1,500.00 in secondary preferential creditors. No preferential creditor claims have been received by the Liquidator to date.

Non-Preferential Unsecured Creditors

The statement of affairs included 5 non-preferential unsecured creditors with an estimated total liability of £33,900.00. I have received claims from 2 creditors to date at a total of £7,067.22.

DIVIDENDS

A dividend will not be declared to any class of creditor as the funds realised have been used to make payments to meet the expenses of the Liquidation.

LIQUIDATORS' REMUNERATION

At the meeting of creditors held on 28 September 2021, the creditors agreed that the Liquidator's remuneration would be fixed by reference to the time properly spent by the Liquidator and his staff in attending to matters arising in the liquidation, and that the Liquidator may withdraw fees as and when funds are available.

Time costs for the period from 28 September 2023 to 11 January 2024 total £1,237.45, which represents 4.37 hours at an average hourly rate of £282.86. Total time costs from 28 September 2021 to 11 January 2024 amount to £7,546.20, which represents 29.91 hours at an average hourly rate of £252.32. To date remuneration of £2,685.51 has been drawn against these time costs. Time costs are further analysed at Appendix 3 by reference to the grade of staff involved with the case and the tasks in which they have been involved.

Findlay James (Insolvency Practitioners) Limited have drawn £5,000.00 for assisting the directors with the formalities associated with placing the Company into Creditors' Voluntary Liquidation, including the convening of the meetings of members and creditors. You should have already received details of Findlay James current policy regarding charge out rates and disbursements and these have also been used by Company Liquidations Ltd in this matter. Should you require a further copy then please do not hesitate to contact me.

Please go to <https://www.r3.org.uk/what-we-do/publications/professional/fees> (April 2017 version) if you require further information relating to Liquidators' remuneration. This guide also gives important information about creditors' rights. Alternatively, a copy is available free of charge upon request.

LIQUIDATORS' EXPENSES

The former liquidator incurred total expenses in the liquidation of £314.49 (in relation to bonding and statutory advertising as per the attached Receipts & Payments Account) of which £nil was incurred since 28 September 2023. The former liquidator has drawn £314.49 to date of which £nil was drawn since 28 September 2023. No further sum has been drawn by the replacement Joint Liquidators.

SUMMARY

The winding up of the Company is now for all practical purposes complete and the Joint Liquidators are seeking their release as Liquidators of the Company. Creditors and members should note that provided no objections are received, the Joint Liquidators will obtain their release following the delivery of the final notice to the Registrar of Companies, following which our case files will be placed in storage.

Appendix 1

Work Undertaken:

A summary of the routine work undertaken by the Liquidators and their staff is below:

Area of work	Work undertaken	Why the work was necessary and benefit to creditors
Administration and Planning	• Keeping records for the liquidation • Filing of tax and VAT returns • Cashiering and bank reconciliations • Filing the relevant notices upon appointment. • Circulating notices to creditors, members, employees and other stakeholders advising of the appointment • Regular case reviews • Reviewing the circumstances of the case to determine the appropriate strategy • Uplifting of company documents	Although this work may not specifically benefit creditors it is necessary for the orderly conduct of the liquidation and to cover statutory and regulatory requirements.
Creditors	• Dealing with enquiries from creditors • Review of proofs of debt • Maintaining a list of creditor claims • Agreement of claims • Corresponding with HMRC regarding claims	Although there may be no direct benefit to general creditors there may be a benefit to individual creditors as well as being a regulatory requirement for the office holders. This is also essential if any distribution were to become payable.
Investigations	• Examining the company's records, bank statements and affairs with regard to the conduct of directors • Completion of statutory report to the Insolvency Service under the Company Directors Disqualification Act • Assist the Insolvency service with any further information requests • Searches of Companies House and request information from relevant third parties	The liquidators have a statutory duty to report on the conduct of directors. These activities can also help to identify further assets and legal actions to be pursued for the benefit of the liquidation estate.
Realisation of Assets	• Investigations into director's loan account • Corresponding with the director in this regard • Agreeing a settlement with the director	In all cases every effort is made to identify and realise whatever assets can be identified and to pursue legal actions that might realise sums for the liquidation estate on a commercial basis.

		Maximising realisations increases the likelihood and amount of distributions being available to creditors.
On-going/Future Activities Expected	• Continuing to maintain records for the company and reporting to creditors • Filing of tax returns and reports to Companies House etc • Closing the case	Necessary for bringing the liquidation to a conclusion.
