3 Charging clause

3.1 Fixed Charges

Subject to clause 3.5 (Excluded Assets), each Charging Company, as security for the payment and discharge of the Secured Obligations, charges in favour of the Security Agent (for the benefit of itself and the other Secured Parties) with full title guarantee the following assets, both present and future, from time to time owned by it or in which it has an interest by way of first fixed charge:

- (b) The floating charges created by this clause 3.2 (Floating Charge) shall be deferred in point of priority to all fixed Security expressed to rank in priority to the floating charges validly and effectively created by a Charging Company under the Finance Documents.
- (c) Paragraph 14 of Schedule B1 to the Insolvency Act 1986 applies to the floating charge created pursuant to clause 3.2(a) (Floating Charge) above and the Security Agent may appoint an Administrator of a Charging Company pursuant to that paragraph.

3.3 Conversion of Floating Charge

If a Declared Default has occurred, the Security Agent may, by notice to any Charging Company, convert the floating charge created under this deed into a fixed charge as regards those assets which it specifies in the notice. Each relevant Charging Company shall promptly following request by the Security Agent execute a fixed charge over those assets in the form which the Security Agent requires, but on terms no more onerous to such Charging Company than this deed and not so as to override any provision in this deed which provides that any asset is to be excluded from the fixed charges by virtue of any of the provisions of clause 3.5 (Excluded Assets).

3.4 Automatic Conversion of Floating Charge

If any Charging Company creates (or purports to create) any Security (except any Security which is not prohibited from being created by the Finance Documents or which is created with the prior written consent of the Security Agent) on or over any Floating Charge Asset, or if any third party levies or attempts to levy any distress, attachment, execution or other legal process against any Floating Charge Asset, the floating charge created under this deed will automatically (without notice) and immediately be converted into a fixed charge over the relevant Floating Charge Asset.

3.5 Excluded Assets

- (a) Unless otherwise expressly agreed in writing between the relevant Charging Company and the Security Agent on or after the date of this deed, there shall be excluded from the Security created by clauses 3.1 (Fixed Charges) and 3.2 (Floating Charge) and from the operation of any further assurance provisions contained in the Finance Documents:
- (i) any asset or undertaking situated outside the United Kingdom (save that any such asset or undertaking will, notwithstanding the provisions of this clause 3.5(a)(i), be subject to the floating charge created by clause 3.2 (Floating Charge));
 - (ii) any assets of or interests in any joint venture or similar arrangement, any minority interest or any person that is not a member of the Group (save that any such asset or interests will, notwithstanding the provisions of this clause 3.5(a)(ii), be subject to the floating charge created by clause 3.2 (Floating Charge));
 - (iii) any asset or undertaking which a Charging Company is at any time prohibited from creating Security on or over by reason of any contract, licence, lease, instrument or other arrangement with a third party (including any asset or undertaking which a Charging Company is precluded from creating Security on or over without the prior consent of a third party) (save that, in the case of the Parent, any such asset or interests will, notwithstanding the provisions of this clause 3.5(a)(iii), be subject to the floating charge created by the Parent pursuant to clause 3.2 (Floating Charge));
 - (iv) any asset or undertaking subject to Security in favour of a third party (provided that such Security is not prohibited from being created by the Finance Documents or is created with the prior written consent of the Security Agent) where such Security expressly prohibits the creation of Security in favour of the Security Agent (save that any such asset or interests will, notwithstanding the provisions of this clause 3.5(a)(iv), be subject to the floating charge created by clause 3.2 (Floating Charge)); and
 - (v) any charge over the Accounts shall not include:
 - (A) any other client account solely containing amounts held on behalf of, or on trust for, clients of any member of the Group (including, but not limited to, refundable deposits); and
 - (B) any other account solely containing amounts reserved to pay the costs of any claim, action or proceeding of, or instituted by, NHS (England) including any additional transfer service amounts in relation to pension schemes, subject always to a maximum aggregate cap of £2,600,000 (or its equivalent in other currencies) until such time that the relevant claim, action or proceeding is fully discharged (save that any such asset or interests will, notwithstanding the provisions of this clause 3.5(a)(ii), be subject to the floating charge created by clause 3.2 (Floating Charge));

and, in each such instance, this deed will charge all amounts which the relevant Charging Company may receive, or has received, in connection with that asset or undertaking.

- (b) Each Charging Company shall use commercially reasonable endeavours to ensure that instruments and agreements which it enters into after the date of this Deed do not contain restrictions which would cause them to be excluded from the charges pursuant to clause 3.5(a) above by virtue of the provisions of either clause 3.5(a)(ii) or 3.5(a)(iii) above, provided that such Charging Company shall be under no requirement to comply with this clause 3.5(b) if such compliance would interfere with the ability of the relevant Charging Company to conduct its operations and business in the ordinary course as permitted by the Finance Documents.
- (c) For each instrument and agreement referred to in clauses 3.5(a)(ii) or 3.5(a)(iii) above and following the occurrence of a Declared Default, each relevant Charging Company undertakes to:
 - (i) on request from the Security Agent, apply for the relevant consent or waiver from such third party within fourteen (14) days of the date of such request; and
 - (ii) in respect of any instrument or agreement which provides that the relevant third party will not unreasonably withhold its consent to charging:
 - (A) to use all reasonable endeavours (for a reasonable amount of time) to obtain such consent as soon as possible; and
 - (B) to keep, if requested by the Security Agent, the Security Agent informed of the progress of its negotiations.
- (d) Forthwith upon receipt of the relevant waiver or consent referred to in (c) above, the relevant instrument or agreement shall stand charged to the Security Agent under clause 3.1 (Fixed Charges) or clause 3.2 (Floating Charge) as the case may be. If required by the Security Agent, at any time following receipt of that waiver or consent, the relevant Charging Company will forthwith execute a charge in such form as the Security Agent shall reasonably require but consistent with the terms of the charges created under this deed.

4.1 Continuing Security

This security is to be a continuing security notwithstanding any intermediate payment or settlement of all or any part of the Secured Obligations or any other matter or thing unless and until discharged by the Security Agent.

4.2 Other Security

This security is to be in addition to and shall neither be merged in nor in any way exclude or prejudice or be affected by any other security or other right which the Security Agent and/or any other Secured Party may now or after the date of this deed hold for any of the Secured Obligations, and this security may be enforced against each Charging Company without first having recourse to any other rights of the Security Agent or any other Secured Party.

- (b) If more than one person is appointed Receiver or Administrator of any assets, each Receiver or Administrator may act either jointly or severally unless the document appointing him states otherwise.
- (c) Section 109(1) of the Law of Property Act 1925 shall not apply to this deed.
- (d) Paragraph 14 of Schedule B1 to the Insolvency Act 1986 shall apply to the floating charge created by this deed.
- (e) The Security Agent shall be entitled to appoint a Receiver save to the extent prohibited by section 72A Insolvency Act 1986.
- (f) The powers of appointment of a Receiver under this Deed shall be in addition to all other statutory and other powers of appointment of the Security Agent under the LPA or otherwise.

10.6 Powers of Leasing

After the occurrence of a Declared Default, the Security Agent may lease, make agreements for leases at a premium or otherwise, accept surrenders of leases and grant options or vary or reduce any sum payable under any leases or tenancy agreements as it thinks fit, without the need to comply with any of the provisions of sections 99 and 100 of the Law of Property Act 1925.

10.7 Exercise of Powers

All or any of the powers conferred upon mortgagees by the Law of Property Act 1925 as varied or extended by this deed, and all or any of the rights and powers conferred by this deed on a Receiver (whether expressly or impliedly), may be exercised by the Security Agent without further notice to any Charging Company at any time after a Declared Default has occurred, irrespective of whether the Security Agent has taken possession or appointed a Receiver of the Charged Property.

10.8 Appropriation

- (a) In this deed, **financial collateral** and **security financial collateral arrangement** have the meaning given to those terms in the Financial Collateral Arrangements (No. 2) Regulations 2003 (No. 3226).
- (b) At any time after a Declared Default has occurred, and to the extent that any of the Charged Property constitutes financial collateral and this deed and the obligations of Charging Company hereunder constitute a security financial collateral arrangement, the Security Agent shall have the right to appropriate all or part of the financial collateral in or towards discharge of the Secured Obligations.
- (c) For the purpose of clause 10.8(b) above, the value of such financial collateral so appropriated shall be:

- (i) in the case of cash, the amount standing to the credit of each of the Accounts, together with any accrued but unposted interest, at the time the right of appropriation is exercised; and
- (ii) in the case of Subsidiary Shares, the market price of such Subsidiary Shares determined by the Security Agent by reference to a public index or by such other process as the Security Agent may select, including independent valuation.

In each case, the Security Agent must attribute a value to the appropriated financial collateral in a commercially reasonable manner.

- (d) Where the Security Agent exercises its rights of appropriation and the value of the financial collateral appropriated differs from the amount of the Secured Obligations, as the case may be, either:
 - (i) the Security Agent must account to the relevant Charging Company for the amount by which the value of the appropriated financial collateral exceeds the Secured Obligations; or
 - (ii) the relevant Charging Companies will remain liable to the Secured Parties for any amount whereby the value of the appropriated financial collateral is less than the Secured Obligations.

10.9 Restrictions on Notices

- (a) The Security Agent shall not be entitled to give any notice referred to in paragraph 1 of the notice in the form of Schedule 4 unless and until a Declared Default has occurred or any of the circumstances described in clause 3.3 (Conversion of Floating Charge) or clause 3.4 (Automatic Conversion of Floating Charge) have arisen.
- (b) The Security Agent shall not be entitled to give any notice or instruction (as the case may be) referred to in paragraph 2 of each notice in the form of Schedule 4 until a Declared Default has occurred.

11 Status, powers, removal and remuneration of Receiver

11.1 Receiver as Agent

Each Receiver shall be the agent of the relevant Charging Company which shall be solely responsible for his acts or defaults, and for his remuneration and expenses, and be liable on any agreements or engagements made or entered into by him.

11.2 Powers of Receiver

Each Receiver appointed under this deed shall have all the rights, powers, privileges and immunities conferred from time to time on an administrative receiver or other receivers duly appointed by the Law of Property Act 1925 and the Insolvency Act 1986 (each of which is deemed incorporated in this deed), so that the powers set out in Schedule 1 to the Insolvency Act 1986 shall extend to every Receiver, whether or not an administrative receiver. In addition, notwithstanding any winding-up or dissolution of the relevant Charging Company, each Receiver shall have power to:

- (a) develop, reconstruct, amalgamate or diversify any part of the business of the relevant Charging Company;
- (b) enter into or cancel any contracts on any terms or conditions;
- (c) incur any liability on any terms, whether secured or unsecured, and whether to rank for payment in priority to this security or not;
- (d) let or lease or concur in letting or leasing, and vary the terms of, determine, surrender leases or tenancies of, or grant options and licences over, or otherwise deal with, all or any of the Charged Property;
- (e) establish subsidiaries to acquire interests in any of the Charged Property and/or arrange for those subsidiaries to trade or cease to trade and acquire any of the Charged Property on any terms and conditions;
- (f) make and effect all repairs, renewals and improvements to any of the Charged Property and maintain, renew, take out or increase insurances;
- (g) exercise all voting and other rights attaching to the Subsidiary Shares and stocks, shares and other securities owned by the relevant Charging Company and comprised in the Charged Property;
- (h) redeem any prior Security on or relating to the Charged Property and settle and pass the accounts of the person entitled to that prior Security, so that any accounts so settled and passed shall (subject to any manifest error) be conclusive and binding on the relevant Charging Company and the money so paid shall be deemed to be an expense properly incurred by the Receiver;
- (i) appoint and discharge officers and others for any of the purposes of this deed and/or to guard or protect the Charged Property upon terms as to remuneration or otherwise as he may think fit;
- (j) settle any claims, accounts, disputes, questions and demands with or by any person who is or claims to be a creditor of the relevant Charging Company or relating to any of the Charged Property;
- (k) implement or continue the development of (and obtain all consents required in connection therewith) and/or complete any buildings or structures on any real property comprised in the Charged Property;
- (l) purchase or acquire any land or any interest in or right over land;
- (m) to the extent permitted by law to manage and use the Charged Property and to exercise and do (or permit the relevant Charging Company or any nominee of it to exercise and do) all such rights and things as the Receiver would be capable of exercising or doing if he were the absolute beneficial owner of the Charged Property;
- (n) exercise on behalf of the relevant Charging Company all the powers conferred on a landlord or a tenant by any legislation from time to time in force in any relevant jurisdiction relating to rents or agriculture in respect of any part of any freehold or leasehold interest held by the relevant Charging Company or in which the Charging Company is otherwise interested; and

- (o) do all other acts and things (including signing and executing all documents and deeds) as the Receiver considers to be incidental or conducive to any of the matters or powers in this clause 11.2 (Powers of Receiver), or otherwise incidental or conducive to the preservation, improvement or realisation of the Charged Property, and use the name of the relevant Charging Company for all such purposes,

and in each case may use the name of any Charging Company and exercise the relevant power in any manner which he may think fit.

11.3 Removal of Receiver

The Security Agent may by notice remove from time to time any Receiver appointed by it (subject to the provisions of section 45 of the Insolvency Act 1986 in the case of an administrative receivership) and, whenever it may deem appropriate, appoint a new Receiver in the place of any Receiver whose appointment has terminated, for whatever reason.

11.4 Remuneration of Receiver

The Security Agent may from time to time determine the remuneration of any Receiver and the maximum rate specified in section 109(6) of the LPA will not apply. The Security Agent may direct payment of such remuneration out of moneys accruing to the Receiver but the relevant Charging Company alone shall be liable for the payment of such remuneration and for all other costs, charges and expenses of the Receiver.

11.5 Several Receivers

If at any time there is more than one Receiver, each Receiver may separately exercise all of the powers conferred by this deed (unless the document appointing such Receiver states otherwise).

12 Application of moneys

12.1 Order of Application

All moneys received or recovered by the Security Agent or any Receiver pursuant to this deed shall (subject to the claims of any person having prior rights thereto) be applied in the order and manner specified by the Intercreditor Agreement notwithstanding any purported appropriation by any Charging Company.

12.2 Section 109 Law of Property Act 1925

Sections 109(6) and (8) of the Law of Property Act 1925 shall not apply to a Receiver appointed under this deed.

12.3 Suspense Account

- (a) Until the Secured Obligations are paid in full, the Security Agent may place and keep (for such time as it shall determine) any money received pursuant to this deed or on account of any Charging Company's liability in respect of the Secured Obligations in an interest bearing separate suspense account (to the credit of either the relevant Charging Company or the Security Agent as the Security Agent shall reasonably think fit) and the Receiver may retain the same for the period which he and the Security Agent (each acting reasonably) consider expedient without having any obligation to apply all or any part of that money in or towards discharge of the Secured Obligations.

- (b) If the security created by this deed is enforced at a time when no amount is due under the Finance Documents but at the time when amounts may or will become due, the Security Agent (or Receiver) may pay the proceeds of recoveries into a suspense account.

13 Protection of Third Parties

13.1 No Obligation to Enquire

No purchaser from, or other person dealing with, the Security Agent or any Receiver (or their agents) shall be obliged or concerned to enquire whether:

- (a) the right of the Security Agent or any Receiver to exercise any of the powers conferred by this deed has arisen or become exercisable or as to the propriety or validity of the exercise or purported exercise of any such power; or
- (b) any of the Secured Obligations remains outstanding or be concerned with notice to the contrary and the title and position of such a purchaser or other person shall not be impeachable by reference to any of those matters.

13.2 Receipt Conclusive

The receipt of the Security Agent or any Receiver shall be an absolute and a conclusive discharge to a purchaser, and shall relieve him of any obligation to see to the application of any moneys paid to or by the direction of the Security Agent or any Receiver.

14 Protection of Security Agent and Receiver

14.1 No Liability

Neither the Security Agent nor any Receiver shall be liable in respect of any of the Charged Property or for any loss or damage which arises out of the exercise or the attempted or purported exercise of, or the failure to exercise any of, their respective powers, unless caused by its or his gross negligence or wilful misconduct.

14.2 Possession of Charged Property

Without prejudice to clause 14.1 (No Liability), if the Security Agent or the Receiver enters into possession of the Charged Property, it will not be liable to account as mortgagee in possession and may at any time at its discretion go out of such possession.

14.3 Liability of Charging Companies

- (a) Each Charging Company shall be deemed to be a principal debtor and the sole, original and independent obligor for the Secured Obligations and the Charged Property shall be deemed to be a principal security for the Secured Obligations.
- (b) The liability of each Charging Company under this deed and the charges contained in this deed shall not be impaired by any forbearance, neglect, indulgence, extension of time, release, surrender or loss of securities, dealing, variation or arrangement by the Security Agent or any other Secured Party, or by any other act, event or matter whatsoever whereby the liability of the relevant Charging Company (as a surety only) or the charges contained in this deed (as secondary or collateral charges only) would, but for this provision, have been discharged.

- (c) Clause 23 (Guarantee and Indemnity) of the Senior Facilities Agreement will apply in relation to this deed as if incorporated in this deed, but on the basis that the obligations of each Guarantor arising under those clauses will be deemed to be substituted by the obligations of each Charging Company under this deed.

14.4 **Security Agent**

The provisions set out in clause 32 (Role of the Agent, the Arranger, the Issuing Bank and Others) of the Senior Facilities Agreement and clause 16 (The Security Agent) of the Intercreditor Agreement shall govern the rights, duties and obligations of the Security Agent under this deed.

15 **Cumulative Powers and avoidance of payments**

15.1 **Cumulative Powers**

The powers which this deed confers on the Security Agent, the other Secured Parties and any Receiver appointed under this deed are cumulative, without prejudice to their respective powers under the general law, and may be exercised as often as the relevant person reasonably thinks appropriate. The Security Agent, the other Secured Parties or the Receiver may, in connection with the exercise of their powers, join or concur with any person in any transaction, scheme or arrangement whatsoever. The respective powers of the Security Agent, the other Secured Parties and the Receiver will in no circumstances be suspended, waived or otherwise prejudiced by anything other than an express consent or amendment.

15.2 **Amounts Avoided**

If any amount paid by a Charging Company in respect of the Secured Obligations is capable of being avoided or set aside on the liquidation or administration of the relevant Charging Company or otherwise, then for the purposes of this deed that amount shall not be considered to have been paid.

15.3 **Discharge Conditional**

Any settlement or discharge between a Charging Company and any Secured Party shall be conditional upon no security or payment to that Secured Party by that Charging Company or any other person being avoided, set aside, ordered to be refunded or reduced by virtue of any provision or enactment relating to insolvency and accordingly (but without limiting the other rights of that Secured Party under this deed) that Secured Party shall be entitled to recover from that Charging Company the value which that Secured Party has placed on that security or the amount of any such payment as if that settlement or discharge had not occurred.

16 **Ruling off Accounts**

If the Security Agent or any other Secured Party receives notice of any subsequent Security or other interest affecting any of the Charged Property (except as permitted by the Finance Documents) it may open a new account for the relevant Charging Company in its books. If it does not do so then (unless it gives express notice to the contrary to the Parent), as from the time it receives that notice, all payments made by the relevant Charging Company to it (in the absence of any express appropriation to the contrary) shall be treated as having been credited to a new account of the relevant Charging Company and not as having been applied in reduction of the Secured Obligations.

17 Delegation

- (a) The Security Agent, any Receiver and any Delegate may, at any time, delegate by power of attorney or otherwise to any person for any period any of the rights, powers or discretions vested in it under this deed.
- (b) That delegation may be made upon any terms and conditions (including the power to sub delegate) and subject to any restrictions that the Security Agent, that Receiver or that Delegate (as the case may be) may, in its discretion, think fit in the interests of the Secured Parties and it shall not be bound to supervise, or be in any way responsible for any loss incurred by reason of any misconduct, omission or default on the part of any such delegate or sub delegate.

18 Redemption of Prior Charges

The Security Agent may, at any time after a Declared Default has occurred, redeem any prior Security on or relating to any of the Charged Property or procure the transfer of that Security to itself, and may settle and pass the accounts of any person entitled to that prior Security. Any account so settled and passed shall (subject to any manifest error) be conclusive and binding on each Charging Company. Each Charging Company will on demand pay to the Security Agent all principal monies and interest and all losses incidental to any such redemption or transfer.

19 Notices

Any communication made under or in connection with this deed shall be made be in accordance with clause 21 (Notices) of the Intercreditor Agreement.

20 Changes to Parties**20.1 Assignment by the Security Agent**

The Security Agent may at any time assign or otherwise transfer all or any part of its rights under this deed in accordance with the Finance Documents.

20.2 Changes to Parties

Each Charging Company authorises and agrees to changes to parties under clause 29 (Changes to the Lenders) and clause 31 (Changes to the Obligors) of the Senior Facilities Agreement, clause 17 (Changes to the Parties) of the Intercreditor Agreement, and authorises the Security Agent to execute on its behalf any document required to effect the necessary transfer of rights or obligations contemplated by those provisions.

21 Miscellaneous**21.1 Certificates Conclusive**

A certificate or determination of the Security Agent as to any amount payable under this deed will be conclusive and binding on each Charging Company, except in the case of manifest error.

21.2 Invalidity of any Provision

If any provision of this deed is or becomes invalid, illegal or unenforceable in any respect under any law, the validity, legality and enforceability of the remaining provisions shall not be affected or impaired in any way.

21.3 Counterparts

This deed may be executed in any number of counterparts, and this has the same effect as if the signatures on the counterparts were on a single copy of this deed.

21.4 Failure to Execute

Failure by one or more parties (**Non-Signatories**) to execute this deed on the date hereof will not invalidate the provisions of this deed as between the other parties who do execute this deed. Such Non-Signatories may execute this deed on a subsequent date and will thereupon become bound by its provisions.

21.5 Third Party Rights

The Contracts (Rights of Third Parties) Act 1999 shall not apply to this deed and no rights or benefits expressly or impliedly conferred by this deed shall be enforceable under that Act against the parties to this deed by any other person.

21.6 Covenant To Release

- (a) Once all the Secured Obligations has been paid in full and none of the Security Agent nor any Secured Party has any actual or contingent liability to advance further monies to, or incur liability on behalf of, any Charging Company, the Security Agent and each Secured Party shall, at the request and cost of each Charging Company, take any action which may be necessary to release, re-assign or discharge (as appropriate) the Charged Property from the security constituted by this deed.
- (b) In connection with a Non-Distressed Disposal pursuant to clause 10 (Non-Distressed transactions) of the Intercreditor Agreement, the Security Agent shall at the request and cost of the relevant Charging Company (and without any consent, sanction, authority or further confirmation from any other Secured Party) release, reassign or discharge (as appropriate) the relevant Charged Property from the security created by this deed.

22 Governing law and jurisdiction

- (a) This deed is governed by and shall be construed in accordance with English law. Any non-contractual obligations arising out of or in connection with this deed are governed by English law.
- (b) The courts of England have exclusive jurisdiction to settle any dispute arising out of or in connection with this deed (including a dispute regarding the existence, validity or termination of this deed or any non-contractual obligation arising out of or in connection with this deed) or the consequences of its nullity (**Dispute**).
- (c) The parties agree that the courts of England are the most appropriate and convenient courts to settle any Disputes between them and accordingly no party shall argue to the contrary.

In witness whereof this deed has been duly executed on the above date first above written.
