A schedule of statutory information in respect of the Company is attached at Appendix 1.

Details of the appointment of the Joint Administrators

Andrew Hosking and Frank Ofonagoro of Quantuma Advisory Limited were appointed Joint Administrators of the Company on 17 February 2021.

The Joint Administrators confirm that they are authorised to carry out all functions, duties and powers by either one or both of them.

2. THE PROGRESS OF THE ADMINISTRATION

The Joint Administrators' Receipts and Payments Account

Attached at Appendix 2 is a Receipts and Payments account covering the Review Period together with a summary of the transactions in the previous Review Periods. In accordance with the requirements of SIP 7, the Joint Administrators confirm that the account has been reconciled with that held at the bank.

The rest of this report describes the key developments in the Administration over the Review Period.

A summary is provided of the main asset realisations during the Review Period and an estimation of those assets yet to be realised, together with details of costs incurred but as yet remaining unpaid.

Administrative, Statutory & Regulatory Tasks

The Joint Administrators have met a considerable number of statutory and regulatory obligations. Whilst many of these tasks have not had a direct benefit in enhancing realisations for the insolvent estate, they have assisted in the efficient and compliant progressing of the Administration, which has ensured that the Joint Administrators and their staff have carried out their work to high professional standards. Details of the tasks carried out during the Review Period are included in Appendix 4.

Realisation of assets

Book Debts

On the Joint Administrators appointment, management advised that the book value of the Company's debtor schedule was £114,979.65, with an estimated recoverability of 50% (£57,489.82). The Joint Administrators instructed IWG's internal debt collection team due to their prior relationship with the debtors.

The prescribed part distribution, under which unsecured creditors received 100p in the \pounds , was paid outside of the Review Period on 25 August 2022. Following this distribution, the only remaining creditor of the Company was the charge holder. Accordingly, the Joint Administrators consider that it is more efficient to assign the amounts due to the Company in relation to the book debts to Genesis Finance S.á r.l. The assignment of the Company's debt is due to be completed in the next reporting period.

Contribution to Rental Costs

The Joint Administrators received fiscal contributions so that they may discharge their ongoing rental obligations during the Administration. Prior to the Review Period, the Joint Administrators had attempted to pay the rental obligations, however they were unable to obtain confirmation of the bank details from the Landlord. The Landlord then disputed the calculations of the value of the rent and so the Joint Administrators opened dialogue with the Landlord via their legal representatives, Norton Rose Fulbright. After a period of discussions, it was agreed on 31 March 2022 that the sum of £81,781.85 would be paid to the Landlord in full and final settlement of the Joint Administrators' rental obligation, with the Landlord forfeiting the lease whilst simultaneously withdrawing their unsecured claim in the administration.

Bank Interest

During the Review Period, the sum of £4.42 has been received in respect of bank interest, with £11.81 accrued to date.

3. CREDITORS: CLAIMS AND DISTRIBUTIONS

Secured Creditors

The Company had granted the following security:

Type of charge	Date created	Beneficiary	Amount outstanding at 17 February 2021 (£)
Floating charge	31 December 2020	Genesis Finance S.á r.l,	£1,516,870.42
Fixed and Floating charge	14 February 2020	Pathway Finance S.á r.l,	Nil
Fixed and Floating charge	22 January 2018	Pathway Finance S.á r.l,	Nil

Prior to the Review Period, the Joint Administrators' legal advisors, Norton Rose Fulbright, have confirmed the validity of the charge granted to Genesis Finance S.á r.l, and a first distribution of £54,647.76 was made under its floating charge in the previous review period.

It is not anticipated that the secured creditor will be paid in full.

Preferential Creditors

There are no known preferential creditors of the Company.

Secondary Preferential Creditors

In any insolvency process started from 1 December 2020, HM Revenue and Customs ('HMRC') is a secondary preferential creditor for the following liabilities:

- VAT
- PAYE Income Tax
- Employees' NIC
- CIS deductions
- Student loan deductions

This will mean that, if there are sufficient funds available, any of the above amounts owed by the Company will be paid after the preferential creditors have been paid in full.

Prescribed Part

Under Section 176A of the Insolvency Act 1986, where after 15 September 2003 a company has granted to a creditor a floating charge, a proportion of the net property of the company must be made available purely for the unsecured creditors. This equates to:

- 50% of net property up to £10,000;
- Plus, 20% of net property in excess of £10,000; and
- Subject to a maximum of £600,000.

Based on present information, the Joint Administrators estimate that, after allowing for costs and payment of preferential claims, the value of the Company's net property will be £17,492.43 which means that the prescribed part is estimated to be £17,492.43.

After the Review Period, a dividend of 100p in the £ was paid under the prescribed part on 25 August 2022 to unsecured creditors whose claims totalled £1.

Unsecured Creditors

Unsecured claims were estimated at £1,914,765 in the Director's Estimated Statement of Affairs.

After the Review Period a dividend of 100p in the £ in relation to the prescribed part was paid on 25 August 2022 to unsecured creditors whose claims totalled £1, there are no more known unsecured creditors of the Company.

4. OTHER MATTERS AND INFORMATION TO ASSIST CREDITORS

Investigations

As explained in our previous report, the Joint Administrators have carried out an initial review of the Company's affairs in the period prior to the appointment and submitted a confidential report on the conduct of the Directors (past and present) to the Insolvency Service on 17 May 2021.

Further Information

To comply with the Provision of Services Regulations, some general information about Quantuma Advisory Limited, including the complaints policy and Professional Indemnity Insurance, can be found at http://www.quantuma.com/legal-information.

Information about this insolvency process may be found on the R3 website here http://www.creditorinsolvencyguide.co.uk.

General Data Protection Regulation

In compliance with the General Data Protection Regulation, Creditors, Employees, Shareholders, Directors and any other Stakeholder who is an individual (i.e. not a corporate entity) in these insolvency proceedings is referred to the Privacy Notice in respect of Insolvency Appointments, which can be found at this link http://www.quantuma.com/legal-notices.

5. ETHICS

Please note that the Joint Administrators are bound by the Insolvency Code of Ethics when carrying out all professional work relating to an insolvency appointment. Further information can be viewed at the following link https://www.gov.uk/government/publications/insolvency-practitioner-code-of-ethics. Additionally, the Joint Administrators are also bound by the regulations of their Licensing Bodies.

General Ethical Considerations

Prior to being instructed on 8 September 2020, Quantuma Advisory Limited and the Joint Administrators have had a prior professional relationship with the directors of the Company and other entities within the IWG Group of Companies. This relationship consisted of professional services in assisting to prepare Estimated Outcome Statements for the various entities and, where appropriate, assisting in preparing the necessary documentation to administer a formal insolvency process for the entities.

The Joint Administrators identified that the instruction could be subject to the familiarity threat to the Code of Ethics, however it was noted that the Estimated Outcome Statement work was conducted by a separate team to those who work on the formal insolvency processes. Consequently, the Joint Administrators are considered to have acted on the independent advice of other professionals and therefore their duty to act objectively has not been impeded.

No other threats to compliance with the Code of Ethics have arisen.

Specialist Advice and Services

When instructing third parties to provide specialist advice and services or having the specialist services provided by the firm, the Joint Administrator is obligated to ensure that such advice or work is warranted and that the advice or work contracted reflects the best value and service for the work undertaken. The firm reviews annually the specialists available to provide services within each specialist area and the cost of those services to ensure best value. The specialists chosen usually have knowledge specific to the insolvency industry and, where relevant, to matters specific to this insolvency appointment. Details of the specialists specifically chosen in this matter are detailed below.

6. THE JOINT ADMINISTRATORS' FEES AND EXPENSES

A copy of 'A Creditors Guide to Administrators' Fees' effective from 1 April 2021 together with Joint Administrator's current schedule of charge-out rates and chargeable expenses, which includes historical charging information, may be found at https://www.quantuma.com/guide/creditors-guide-fees/.

A hard copy of both the Creditors' Guide and Quantuma Advisory Limited's current and/or historic chargeout rate and expenses policies may be obtained on request at no cost.

Joint Administrators' Fees

The basis of the Joint Administrators' fees was fixed on 28 April 2021 by the secured creditor as follows:

 That the Joint Administrators' fees be fixed at a set amount of £20,000 plus VAT in respect of the scope of work carried out to date as set out above and the work proposed to be undertaken for the Administration.

In accordance with this resolution, fees totalling £20,000 plus VAT have been paid.

We believe this case generally to be of average complexity and no extraordinary responsibility has to date fallen upon us as Joint Administrators.

Comparison of Estimates

For a detailed schedule of work undertaken by the Joint Administrators during the Review Period and for the period of the Administration as a whole, see Appendix 3. A detailed narrative list of the work undertaken during the Review Period is provided at Appendix 4

Joint Administrators' Expenses

An amended Statement of Insolvency Practice 9 (SIP 9), was issued on 1 April 2021. The amended SIP 9 has changed some of the terminology and introduced additional disclosure requirements. The information below may therefore not reflect the information previously provided.

The expenses, which include disbursements that have been incurred and not yet paid during the Review Period and the Whole Period are detailed below. This includes a comparison of the expenses likely to be incurred in the Administration as a whole with the original expenses estimate, together with reasons where any expenses are likely to exceed that estimate.

Please note that some Category 2 expenses that have previously been approved and their estimated costs or basis of their cost provided as part of the expenses estimate may not be discharged from the estate from 1 April 2021. These are indicated in the table above.

Since 1 April 2021, where expenses include shared, allocated or associate costs, they are classed as Category 2 expenses and require the approval of creditors.

Cost to Closure

Having regard for the costs that are likely to be incurred in bringing this Administration to a close, the Joint Administrators consider that the original expenses estimate is unlikely to be exceeded.

All professional costs are reviewed and analysed before payment is approved.

Creditors' right to request information

Any secured creditor, or unsecured creditor with the support of at least 5% in value of the Unsecured creditors or with permission of the Court, may request in writing the Joint Administrators to provide additional information regarding remuneration or expenses to that already supplied within this report. Such requests must be made within 21 days of receipt of this report.

Creditors' right to challenge remuneration and/or expenses

Any secured creditor, or unsecured creditor with the support of at least 10% in value of the Unsecured Creditors or with permission of the Court, may apply to the Court for one or more orders, reducing the amount or the basis of remuneration which the Joint Administrators are entitled to charge or otherwise challenging some or all of the expenses incurred.

Such applications must be made within 8 weeks of receipt by the applicant(s) of the progress report detailing the remuneration and/or expenses being complained of.

Please note that such challenges may not disturb remuneration or expenses disclosed in prior progress reports.

Future of the Administration

The Administration will continue in order to finalise the following matters:

- The assignment of the debtor ledger; and
- A final distribution will be made to the floating charge-holder by the end of the next period, as they are the only remaining creditor of the Company.

Should you have any queries in regard to any of the above please do not hesitate to contact Stephanie Villain on 02038 566720 or by e-mail at stephanie.villain@quantuma.com.
