1. Introduction

- 1.1 This report is prepared pursuant to Section 92A of the Act in relation to the Company. It details the progress of the administration of the Company's estate in the Review Period, i.e. the twelve month period since the Company was placed into Liquidation. Statutory information regarding the Liquidation and definitions used in this report are provided in the appendix.
- 1.2 The Company's members resolved on 25 May 2021 to place the Company into Liquidation and appointed Linda Golding as Liquidator. Subsequently, David Kerr replaced Linda Golding as Liquidator of the Company on 25 June 2021 by order of the High Court of Justice.

2. Progress of the Liquidation

- 2.1 Attached is the Liquidator's Receipts and Payments Account for the Review Period. The contents are in the main self explanatory. The remaining funds are held in an interest-bearing account.

Cash at Bank

- 2.2 The Company's pre-Liquidation bank account was closed and the closing balance of £155,003.11 was transferred to the Liquidation account.

Tax Refunds

- 2.3 £281.25 is anticipated to be received from HMRC in relation to a pre-appointment corporation tax refund. In addition, £91.00 is expected to be received in respect of a pre-appointment VAT refund.

Statutory and General Administration

- 2.4 Prior to the Liquidator's appointment, a review of ethical issues was undertaken and no ethical threats were identified. A further review has been carried out and no threats have been identified in respect of the management of the Liquidation to date.
- 2.5 During the Review Period, the Liquidator has complied with their statutory and regulatory duties, including the following:
 - 2.5.1 checking all statutory documentation completed by the director(s) and arranging for statutory filing at Companies House and advertising in the Gazette;
 - 2.5.2 maintaining case files, which must include records to show and explain the administration of this Liquidation and any decisions made by the Liquidator that materially affect the administration;
 - 2.5.3 conducting periodic case reviews to ensure that the Liquidation is progressing efficiently, effectively and in line with the statutory requirements; and
 - 2.5.4 maintaining and updating the estate cash book and bank account, including regular bank reconciliations and processing receipts and payments.

3. The Liquidator's Remuneration and Expenses

- 3.1 At the meeting of members held on 25 May 2021, it was resolved that the fee for assisting with the placing of the Company into Liquidation and for attending to matters relating to, and arising in, the Liquidation be agreed at £3,000.00, plus VAT and disbursements. This fee has been paid in full and the VAT has been reclaimed from HMRC.
- 3.2 The meeting of members also resolved that the Liquidator be authorised to draw their firm's disbursements as categorised in SIP9 as Category 2. Attached is an appendix providing

information on the bases on which these disbursements are calculated. The Liquidator is entitled under statute to discharge their Category 1 expenses from the estate.

- 3.3** When instructing third parties to provide specialist advice and services, the Liquidator must ensure that such advice or work is warranted and that the advice or work contracted reflects the best value and service for the work undertaken. SFP maintains an approved supplier list and reviews these annually to ensure best value. Before instructing specialists on an assignment, the Liquidator assesses whether the instruction is warranted and which approved supplier is appropriate. If the Liquidator prefers to use a specialist that is not on the approved supplier list, that specialist undergoes an assessment process to ensure that best value and service is anticipated. The specialists chosen usually have knowledge specific to the insolvency industry and, where relevant, to matters specific to the insolvency appointment. Periodically throughout the Liquidation, the performance and fees of the specialists are reviewed to assess the value and service provided. The processes were formalised after the current Insolvency Code of Ethics came into force on 1 May 2020.
- 3.4** Members will note that details of expenses paid during the Review Period are provided in the attached Liquidator's Receipts and Payments Account. The Liquidator has incurred no other expenses in the Review Period.

4. Dividends and Distributions

Creditors

- 4.1** A notice to creditors to submit claims was published in the Gazette. In addition, several letters were sent to HMRC seeking confirmation that no tax liabilities remained.
- 4.2** No creditors' claims have been received.

Shareholders

- 4.3** The following distributions were made to the shareholder:

Date of distribution	£ per share distributed	Total amount distributed £
04 June 2021	13,540.00	135,400.00
22 March 2022	800.00	8,000.00
TOTAL		143,400.00

- 4.4** A final distribution will be paid to the shareholder once the pre-Liquidation tax refunds described above have been received and the Liquidator has received confirmation from HMRC that there are no tax matters or liabilities remaining.

5. Conclusion

- 5.1** At present the only issues remaining to be done are:
- 5.1.1** receipt of the anticipated pre-Liquidation tax refunds from HMRC;
 - 5.1.2** pursuit of clearance from HMRC;
 - 5.1.3** distribution to members of any residual funds after providing for costs to close the Liquidation;
 - 5.1.4** circulation of the proposed final account and the final account; and
 - 5.1.5** submission of the necessary documents to bring the Liquidation to a close.

- 5.2** The Liquidator will issue a further progress report shortly after the next anniversary of the appointment or a proposed final account when he is in a position to conclude the winding up, if that is sooner.
- 5.3** Should you have any queries regarding this report, please contact the Administrator dealing with this matter, Abigail Collins, by email at enquiries@sfpgroup.com.

Direct Expenses (Category 1 Expenses)

Category 1 Expenses are paid directly to the third party from the liquidation estate. These have been charged at cost (plus VAT where applicable), with no uplift. The quantum of these costs are dependent on the circumstances and needs of the case and are set by third parties. For example, the bank charges a set amount for transfers to/from foreign currency accounts. We may also have incurred other direct expenses, such as courier charges and Land Registry fees, which have been charged at cost. On occasions, the following Category 1 Expenses are paid, depending on the circumstances of the case.

Insurance

If possible, the current insurance policy should be maintained throughout the Liquidation process with the Liquidator's name noted which will prevent the requirement to take out any further cover. If additional insurance has been required, the premium may have been paid from the liquidation estate.

Solicitors' and agents' fees

Should solicitors or agents have been required, we will have provided you with quotes on a case by case basis.

A number of documents to place the company into Liquidation were required to be signed in the presence of a solicitor. A charge by the solicitor is usually applicable, however, unless arranged through this firm, this would have been a cost borne by the directors personally and would not have formed part of our disbursements.

Indirect Expenses (Category 2 Expenses)

All other expenses charged to the Liquidation are Category 2 Expenses. SFP charges the following expenses, the bases of which have been approved by shareholders' resolution. All prices are exclusive of VAT, which has been reclaimed where possible.

Mileage (where necessary)	45p per mile
---------------------------	--------------

Stationery, photocopying and postage	£10
--------------------------------------	-----

The expenses listed below have been incurred on the case and usually would be paid directly from the estate according to the external supplier's standard terms. However, in order to facilitate efficient progress of the Liquidation, they were invoiced by us immediately upon the Liquidator's appointment. For the avoidance of doubt, these were charged at cost and with no uplift:

Anti-Money Laundering Searches

In contemplation of the Liquidator's appointment, we usually carry out anti-money laundering searches of the Company's beneficial owners via an independent party's electronic databases. The supplier charges SFP £5.25 per individual search and this cost is included in the Liquidator's fees and disbursements invoice.

Swearing Fee

In some cases, the director(s) ask us to help liaise with a solicitor to enable the DOS to be sworn by remote means. Where the solicitors have billed SFP, we include this cost in the Liquidator's fees and disbursements invoice.

Specific Bond Premium

A bond is required to protect the assets of the company during the Liquidation process. The bond premium is scaled depending upon the level of assets under our control. Members were provided with a guide to the cost of this bond premium prior to the Liquidator's appointment, however the exact cost was ascertained once the Declaration of Solvency had been sworn.
