ASSET REALISATIONS

Director's Injection

The sum of £5,000 was injected by the director to pay the costs of the liquidation.

COSTS OF REALISATIONS

Statement of Affairs Fee

The sum of £4,166.67 + VAT was drawn by Begbies Traynor (Central) LLP for their assistance with preparing the statement of affairs and arranging the decision procedure for creditors to consider the appointment of a liquidator. Further information in this matter can be found at section 6 of this report.

Irrecoverable VAT

The Company was not registered for VAT and as such, it has not been possible to reclaim the VAT element of expenditure within the Liquidation. Consequently, a total of £833.33 of VAT incurred on costs of the Liquidation is now irrecoverable.

What work has been done in the period of this report, why was that work necessary and what has been the financial benefit (if any) to creditors?

I have completed all statutory duties including the post appointment obligations, the statutory filing of returns, my investigations into the affairs of the Company and the conduct of its director and all other necessary functions of the Liquidator listed below. These functions are not of financial benefit to creditors but must be undertaken by the office to comply with statute.

Details of the types of work that generally fall into the headings mentioned below are available on our firm's website - <http://www.begbies-traynorgroup.com/work-details> Under the following headings we have explained the specific work that has been undertaken on this case. Not every piece of work has been described, but we have sought to give a proportionate overview which provides sufficient detail to allow creditors to understand what has been done, why it was necessary and what financial benefit (if any) the work has provided to creditors.

General Case Administration & Planning

Case planning - devising an appropriate strategy for dealing with the case and giving instructions to the staff to undertake the work on the case

Maintaining electronic case files

Maintaining the practice's electronic case management system and data.

Dealing with all routine correspondence and emails relating to the case.

Maintaining and managing the office holder's estate bank account.

Undertaking regular bank reconciliations of the bank account containing estate funds.

Undertaking periodic reviews of the progress of the case.

Overseeing and controlling the work done on the case-by-case administrators.

Filing returns at Companies House.

Compliance with the Insolvency Act, Rules and best practice

Preparing, reviewing and issuing a final account to creditors and members.
Filing final returns at Companies House.

Creditors

Dealing with creditor correspondence, emails and telephone conversations regarding their claims.
Maintaining up to date creditor information on the case management system.

Investigations:

Recovering the books and records.
Review records to identify any transactions or actions a liquidator may take against a third party in order to recover funds for the benefit of creditors.
Conduct an initial investigation into suspicious transactions, seeking and obtaining information from relevant third parties, such as bank, accountants, solicitors etc.
Preparing a report or return on the conduct of the directors as required by the Company Directors Disqualification Act.

5. OUTCOME FOR CREDITORS

Details of the sums owed to each class of the Company's creditors were provided in the director's statement of affairs.

On the basis of realisations, the outcome for each class of the Company's creditors is as follows:

Unsecured creditors

I am required by the Insolvency (England & Wales) Rules 2016 to inform creditors if:

- (a) I intend to declare a final dividend;
- (b) if no dividend will be declared; or
- (c) if no further dividend will be declared.

In this case we confirm that no dividend is available for unsecured creditors as the funds realised have already been used for defraying the expenses of the liquidation. Consequently, we have not taken steps to formally agree the claims of unsecured creditors.

6. REMUNERATION & EXPENSES

Remuneration

Our remuneration has been fixed by a resolution of creditors at a meeting held on 29 April 2022 as a set amount in the sum of £15,000.

We are also authorised to draw expenses for services provided by our firm and/or entities within the Begbies Traynor group, in accordance with our firm's policy.

To 24 April 2022, we have not been able to draw any sum on account of our approved fixed fee of £15,000.

What was the anticipated payment for administering the case in full and did the joint liquidators receive that payment?

We estimated that the cost of administering the case would be in the region of £15,000, and subsequently you provided approval for us to draw our remuneration up to that level. We anticipated that the remuneration actually drawn would be in the region of nil based on the value of assets to realise and the estimated costs to be discharged.

Details of what remuneration has been drawn is detailed above. All additional costs incurred over and above what has been approved are to be written off.

However, please note that should there be additional or unexpected asset realisations, we will look to draw further remuneration from those too, capped at the level that the creditors have approved.

Work undertaken prior to appointment

In addition to the post appointment costs, the costs relating to work undertaken prior to our appointment in assisting with the preparation of the statement of affairs and seeking the decisions of creditors on the nomination of liquidators were approved by the creditors on 29 April 2022.

Category 1 Expenses

To 24 April 2022, we have also incurred expenses in the sum of £310.48.

A copy of 'A Creditors' Guide to Liquidators Fees (E&W) 2021' which provides guidance on creditors' rights on how to approve and monitor a Liquidator's remuneration and on how the remuneration is set can be obtained online at www.begbies-traynor.com/creditorsguides. Alternatively, if you require a hard copy of the Guide, please contact our office and we will arrange to send you a copy.

7. LIQUIDATORS' EXPENSES

A statement of the expenses incurred since our appointment is attached at Appendix 2.

Creditors will recall that we estimated that the expenses of the liquidation would total £355.

As can be seen in Appendix 2, the expenses which have been incurred during the course of the liquidation have not exceeded our estimate.

8. UNREALISABLE ASSETS

There are no assets that have proved to be unrealisable.

9. OTHER RELEVANT INFORMATION

Investigations and reporting on directors conduct

You may be aware that a liquidator has a duty to enquire into the affairs of an insolvent company to determine its property and liabilities and to identify any actions which could lead to the recovery of funds. In addition, a

liquidator is also required to consider the conduct of the Company's directors and to make an appropriate submission to the Department for Business, Energy and Industrial Strategy. We can confirm that we have discharged our duties in these respects.

Connected party transactions

We have not been made aware of any sales of the Company's assets to connected parties.

Use of personal information

Please note that although it is our intention to conclude the liquidation, in the course of us continuing to discharge our statutory duties as liquidators, we may need to access and use personal data, being information from which a living person can be identified. Where this is necessary, we are required to comply with data protection legislation. If you are an individual and you would like further information about your rights in relation to our use of your personal data, you can access the same at <https://www.begbies-traynorgroup.com/privacy-notice>.
