1. Employee numbers

The average number of persons employed by the company during the year amounted to 1 (2019: 1).

2. Going Concern

In accordance with his responsibilities as director, the director has considered the appropriateness of the going concern basis for the preparation of the financial statements. The director has reviewed the impact on the company following the UK leaving the EU (Brexit) and the COVID-19 outbreak and considers that these events are expected to affect the company. However with the continuing financial support from the shareholders, the director has a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. Thus the director continues to adopt the going concern basis of accounting in preparing the financial statements.
