1.2 Interpretation

- (a) Unless a contrary indication appears, in this Deed the provisions of clause 1.2 (*Construction*) of the Senior Facility Agreement apply to this Deed as though they were set out in full in this Deed, except that references to “this Agreement” will be construed as references to this Deed.
- (b) Unless a contrary indication appears, any reference in this Deed to:
 - (i) a “Chargor”, the “Security Agent” or any other “Secured Party” or any other person shall be construed so as to include its successors in title, permitted assigns and permitted transferees and, in the case of the Security Agent, any person for the time being appointed as Security Agent or Security Agents in accordance with the Finance Documents;
 - (ii) “this Deed”, the “Senior Facility Agreement”, any other Finance Document or any other agreement or instrument is a reference to this Deed, the Senior Facility Agreement, that other Finance Document or that other agreement or instrument as amended, supplemented, extended, restated, novated and/or replaced in any manner from time to time (however fundamentally and even if any of the same increases the obligations of any Obligor or provides for further advances); and

- (iii) “Secured Obligations” includes obligations and liabilities which would be treated as such but for the liquidation, administration or dissolution of or similar event affecting any Obligor.
- (c) Each undertaking of a Chargor (other than a payment obligation) contained in this Deed:
 - (i) must be complied with at all times during the Security Period; and
 - (ii) is given by such Chargor for the benefit of the Security Agent and each other Secured Party.
- (d) The terms of the other Finance Documents, and of any side letters between any of the parties to them in relation to any Finance Document, are incorporated in this Deed to the extent required to ensure that any disposition of the Real Property contained in this Deed is a valid disposition in accordance with section 2(1) of the Law of Property (Miscellaneous Provisions) Act 1989.
- (e) If the Security Agent or the Agent reasonably considers that an amount paid by any Obligor to a Secured Party under a Finance Document is capable of being avoided or otherwise set aside on the liquidation or administration of such Obligor, then that amount shall not be considered to have been irrevocably paid for the purposes of this Deed.
- (f) Unless a contrary indication appears in this Deed, the requirement for a Chargor to use “commercially reasonable endeavours” to overcome a prohibition on charging a licence shall be deemed to have been satisfied where such action would require the consent of a regulatory body, city authority, national authority and/or governmental body which has an absolute discretion to provide such consent and the relevant Chargor reasonably considers that to request such a consent could adversely affect the commercial terms upon which such licence would be granted.
- (g) The Parties intend that this document shall take effect as a deed notwithstanding the fact that a Party may only execute this document under hand.

1.3 Joint and several

The liabilities and obligations of each Chargor under this Deed are joint and several. Each Chargor agrees to be bound by this Deed notwithstanding that any other Chargor which was intended to sign or be bound by this Deed did not so sign or is not bound by this Deed.

1.4 Inconsistency between this Deed and the PIK Intercreditor Agreement

If there is any conflict or inconsistency between any provision of this Deed and any provision of the PIK Intercreditor Agreement, the provision of the PIK Intercreditor Agreement shall prevail.

1.5 Trust

All Security and dispositions made or created, and all obligations and undertakings contained, in this Deed to, in favour of or for the benefit of the Security Agent are made, created and entered into in favour of the Security Agent as trustee for the Secured Parties from time to time on the terms of the PIK Intercreditor Agreement.

1.6 Third party rights

Save as expressly provided to the contrary in this Deed, a person who is not a Party has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce or enjoy the benefit of any term of this Deed.

2. COVENANT TO PAY

2.1 Covenant to pay

- (a) Each Chargor, as principal obligor and not merely as surety, covenants in favour of the Security Agent that it will pay and discharge the Secured Obligations from time to time when they fall due.
- (b) Every payment by a Chargor of a Secured Obligation which is made to or for the benefit of a Secured Party to which that Secured Obligation is due and payable in accordance with the Finance Document under which such sum is payable to that Secured Party, shall operate in satisfaction to the same extent of the covenant contained in paragraph (a) above.

2.2 Default interest

Any amount which is not paid under this Deed when due shall bear interest on a daily basis (both before and after judgment and payable on demand) at the Default Rate from the due date until the date on which such amount is unconditionally and irrevocably paid and discharged in full.

3. GRANT OF SECURITY

3.1 Nature of security

All Security and dispositions created or made by or pursuant to this Deed are created or made:

- (a) in favour of the Security Agent;
- (b) with full title guarantee (subject to the Existing Debentures) in accordance with the Law of Property (Miscellaneous Provisions) Act 1994 (save for any Permitted Security); and
- (c) as continuing security for payment of the Secured Obligations.

3.2 Qualifying floating charge

 - (i) the Relevant Contracts, all rights and remedies in connection with the Relevant Contracts and all proceeds and claims arising from them; and
 - (ii) all Insurances and all claims under the Insurances and all proceeds of the Insurances.
- (b) To the extent that any Assigned Asset described in paragraph (a)(ii) above is not assignable, the assignment which that clause purports to effect shall operate as an assignment of all present and future rights and claims of such Chargor to any proceeds of such Insurances.
- (c) Notwithstanding paragraph (a) above, no Chargor shall assign any rights, title or interest in or to any licence or agreement regulating the relevant Chargor's interest in

a Joint Venture to the extent that the underlying terms or that licence or agreement prohibit such an assignment.

4.3 Notice of assignment and/or charge - prompt notice

- (a) Each Chargor shall, promptly upon the Existing Debentures Release Date and promptly following (and in any event within 5 Business Days of (subject to the Existing Debentures Release Date having occurred)) the execution of any Acquisition Agreement, the obtaining of any Insurance or the opening of any Charged Account after the date of this Deed:
 - (i) in respect of each of its Insurances, deliver a duly completed notice of assignment in the form set out in Schedule 5 (*Form of notice to and acknowledgement by Insurers*) to the provider of each such Insurance and shall use its reasonable endeavours to procure that each such person executes and delivers to the Security Agent an acknowledgement, substantially in the form set out in Schedule 5 (*Form of notice to and acknowledgement by Insurers*);
 - (ii) in respect of:
 - (A) each Acquisition Document; and
 - (B) each other Relevant Contact,(to the extent that such Chargor is a party to the relevant document), deliver a duly completed notice of assignment in the form set out in Schedule 4 (*Form of notice to and acknowledgement by Party to Relevant Contract*) to each other party to that document, and shall procure (in the case of each Acquisition Agreement) and shall (in other cases) use its best endeavours to procure that each such party executes and delivers to the Security Agent an acknowledgement, substantially in the form set out in Schedule 4 (*Form of notice to and acknowledgement by Party to Relevant Contract*); and

or, in each case, in such other form as the Security Agent shall agree.

4.4 Assigned Assets

The Security Agent is not obliged to take any steps necessary to preserve any Assigned Asset, to enforce any term of a Relevant Contract against any person or to make any enquiries as to the nature or sufficiency of any payment received by it pursuant to this Deed.

4.5 Excluded Property

- (a) There shall be excluded from the fixed charges created under this Deed any leasehold property held by a Chargor under a lease which either precludes absolutely or conditionally (including requiring the consent of any third party) that Chargor from creating any charge over its leasehold interest in that property (each an “**Excluded Property**”) until the relevant condition or waiver has been obtained.

- (b) For each Excluded Property, each relevant Chargor undertakes to:
- (i) apply for the relevant consent or waiver of prohibition or condition within 10 Business Days of the date of this Deed or the date of acquisition of the relevant leasehold property and, in respect of each Excluded Property which provides that the relevant third party will not unreasonably withhold its consent to charging, to use all reasonable endeavours to obtain that consent as soon as possible and to keep the Security Agent informed of the progress in obtaining such consent or waiver; and

he was appointed (including proceedings for recovery of rent or other monies in arrears at the date of his appointment);

- (h) to enter into or make any such agreement, arrangement or compromise as he shall think fit;
- (i) to insure, and to renew any insurances in respect of, the Security Assets as he shall think fit (or as the Security Agent shall direct);
- (j) to appoint and employ such managers, officers and workmen and engage such professional advisers as he shall think fit (including, without prejudice to the generality of the foregoing power, to employ his partners and firm);
- (k) to form one or more Subsidiaries of any Chargor and to transfer to any such Subsidiary all or any part of the Security Assets;
- (l) to operate any rent review clause in respect of any Real Property in respect of which he was appointed (or any part thereof) and to apply for any new or extended lease; and
- (m) to:
 - (i) give valid receipts for all monies and to do all such other things as may seem to him to be incidental or conducive to any other power vested in him or necessary or desirable for the realisation of any Security Asset;
 - (ii) exercise in relation to each Security Asset all such powers and rights as he would be capable of exercising if he were the absolute beneficial owner of the Security Assets; and
 - (iii) use the name of any Chargor for any of the above purposes.

18. APPLICATION OF PROCEEDS AND PIK INTERCREDITOR AGREEMENT

18.1 Application

All monies received by the Security Agent or any Receiver after the Debenture Security has become enforceable shall (subject to the rights and claims of any person having a security ranking in priority to the Debenture Security) be applied in accordance with and subject to the PIK Intercreditor Agreement.

18.2 Contingencies

If the Debenture Security is enforced at a time when no amounts are due under the Finance Documents (but at a time when amounts may become so due), the Security Agent or a Receiver may pay the proceeds of any recoveries effected by it into a blocked suspense account (bearing interest at such rate (if any) as the Security Agent usually grants for accounts of that size and nature).

18.3 Appropriation, PIK Intercreditor Agreement and suspense account

- (a) Subject to the PIK Intercreditor Agreement and Clause 18.1 (*Application*), the Security Agent shall apply all payments received in respect of the Secured Obligations in reduction of any part of the Secured Obligations in any order or manner which it may determine.
- (b) Any such appropriation shall override any appropriation by any Chargor.

- (c) All monies received, recovered or realised by the Security Agent under or in connection with this Deed may at the discretion of the Security Agent be credited to a separate interest-bearing suspense account for so long as the Security Agent determines (with interest accruing thereon at such rate (if any) as the Security Agent usually grants for accounts of that size and nature) without the Security Agent having any obligation to apply such monies and interest or any part of it in or towards the discharge of any of the Secured Obligations unless such monies would be sufficient to discharge all Secured Obligations in full.

19. SET-OFF

19.1 Set-off rights

- (a) The Security Agent and each other Secured Party may (but shall not be obliged to) set off any obligation which is due and payable by any Chargor and unpaid (whether under the Finance Documents or which has been assigned to the Security Agent or such other Secured Party by any other Chargor) against any obligation (whether or not matured) owed by the Security Agent or such other Secured Party to such Chargor, regardless of the place of payment, booking branch or currency of either obligation.
- (b) At any time after the Debenture Security has become enforceable (and in addition to its rights under paragraph (a) above), the Security Agent and each other Secured Party may (but shall not be obliged to) set-off any contingent liability owed by any Chargor under any Finance Document against any obligation (whether or not matured) owed by the Security Agent or such other Secured Party to the Chargor, regardless of the place of payment, booking branch or currency of either obligation.
- (c) If the obligations are in different currencies, the Security Agent or such other Secured Party may convert either obligation at a market rate of exchange in its usual course of business for the purpose of the set-off.
- (d) If either obligation is unliquidated or unascertained, the Security Agent or such other Secured Party may set off in an amount estimated by it in good faith to be the amount of that obligation.

19.2 Time deposits

Without prejudice to Clause 19.1 (*Set-off rights*), if any time deposit matures on any account which any Chargor has with the Security Agent or any other Secured Party at a time within the Security Period when:

- (a) this Debenture Security has become enforceable; and
- (b) no Secured Obligation is due and payable,

such time deposit shall automatically be renewed for such further maturity as the Security Agent or such other Secured Party in its absolute discretion considers appropriate unless the Security Agent or such other Secured Party otherwise agrees in writing.

20. DELEGATION

Each of the Security Agent and any Receiver may delegate, by power of attorney (or in any other manner) to any person, any right, power or discretion exercisable by them under this Deed upon any terms (including power to sub-delegate) which it may think fit. Neither the Security

Agent nor any Receiver shall be in any way liable or responsible to any Chargor for any loss or liability arising from any act, default, omission or misconduct on the part of any Delegate.

21. FURTHER ASSURANCES

21.1 Further action

Subject to the Agreed Security Principles each Chargor shall (and the Parent shall procure that each Chargor shall) at its own expense, promptly do all such acts and execute all such documents (including assignments, transfers, mortgages, charges, notices and instructions) as the Security Agent or a Receiver may reasonably specify (and in such form as the Security Agent or a Receiver may reasonably require) in favour of the Security Agent, a Receiver or its nominees in order to:

- (a) perfect the Security created or intended to be created under or evidenced by this Deed or for the exercise of any rights, powers and remedies exercisable by the Security Agent, any other Secured Party or any Receiver or any Delegate in respect of any Security Asset or provided by or pursuant to this Deed or by law; or
- (b) confer on the Security Agent, any Receiver or the Secured Parties Security over any property and assets of that Obligor located in any jurisdiction equivalent or similar to the Security intended to be conferred by or pursuant to this Deed; and/or
- (c) facilitate the realisation of the assets which are, or are intended to be, the subject of the Debenture Security.

21.2 Finance Documents

Each Chargor shall (and the Parent shall procure that each member of the Group shall) take all such action as is available to it (including making all filings and registrations) as may be necessary for the purpose of the creation, perfection, protection or maintenance of any Security conferred or intended to be conferred on the Security Agent or the Secured Parties by or pursuant to the Finance Documents.

21.3 Specific security

Without prejudice to the generality of Clause 21.1 (*Further action*), each Chargor will immediately upon request by the Security Agent execute any document contemplated by that clause over any Security Asset which is subject to or intended to be subject to any fixed security under this Deed (including any fixed security arising or intended to arise pursuant to Clause 6 (*Conversion of floating charge*)).

22. POWER OF ATTORNEY

Each Chargor, by way of security, irrevocably and severally appoints the Security Agent, each Receiver and any Delegate to be its attorney to take any action whilst an Event of Default is continuing or the Debenture Security has become enforceable which such Chargor is obliged to take under this Deed, including under Clause 21 (*Further assurances*), or, if no Event of Default is continuing, which such Chargor has failed to take and such failure has not been remedied within 10 Business Days of the Security Agent giving notice to the relevant Chargor and/or the Parent of such failure to comply. Each Chargor ratifies and confirms whatever any attorney does or purports to do pursuant to its appointment under this clause.

23. CURRENCY CONVERSION

All monies received or held by the Security Agent or any Receiver under this Deed may be converted from their existing currency into such other currency as the Security Agent or the Receiver considers necessary to cover the obligations and liabilities comprised in the Secured Obligations in that other currency at the Agent's Spot Rate of Exchange for the purchase of the relevant currency in the London foreign exchange market on the relevant day. Each Chargor shall indemnify the Security Agent against all properly incurred costs, charges and expenses incurred in relation to such conversion. Neither the Security Agent nor any Receiver shall have any liability to any Chargor in respect of any loss resulting from any fluctuation in exchange rates after any such conversion.

24. CHANGES TO THE PARTIES

24.1 Chargors

No Chargor may assign any of its rights or obligations under this Deed.

24.2 Security Agent

The Security Agent may assign or transfer all or any part of its rights under this Deed pursuant to the resignation or removal of the Security Agent in accordance with the PIK Intercreditor Agreement. Each Chargor shall, immediately upon being requested to do so by the Security Agent, enter into such documents as may be necessary or desirable to effect such assignment or transfer.

25. MISCELLANEOUS

25.1 New accounts

- (a) If the Security Agent or any other Secured Party receives, or is deemed to be affected by, notice, whether actual or constructive, of any subsequent Security (other than a Permitted Security) affecting any Security Asset and/or the proceeds of sale of any Security Asset or any guarantee under the Finance Documents ceases to continue in force, it may open a new account or accounts for any Chargor. If it does not open a new account, it shall nevertheless be treated as if it had done so at the time when it received or was deemed to have received such notice.
- (b) As from that time all payments made to the Security Agent or such other Secured Party will be credited or be treated as having been credited to the new account and will not operate to reduce any amount of the Secured Obligations.

25.2 Tacking

- (a) Each Finance Party shall perform its obligations under the Senior Facility Agreement (including any obligation to make available further advances).
- (b) This Deed secures advances already made under the Finance Documents as at the date of this Deed and further advances to be made.

25.3 Land Registry

- (a) Save in respect of any Short Leasehold Property or any Excluded Property (to the extent that it remains an Excluded Property), each Chargor shall apply to the Chief Land Registrar (and consents to such an application being made by or on behalf of the

Security Agent) for a restriction in the following terms to be entered on the Register of Title relating to any property registered at the Land Registry (or any unregistered land subject to first registration) and against which this Deed may be noted:

“No disposition of the registered estate by the proprietor of the registered estate is to be registered without a written consent signed by the proprietor for the time being of the charge dated [●] 2023 in favour of Ares Management Limited referred to in the charges register or their conveyancer.”

(b) Each Chargor:

- (i) authorises the Security Agent (acting reasonably) to make any application which the Security Agent deems appropriate for the designation of this Deed, the Senior Facility Agreement or any other Finance Document as an exempt information document under rule 136 of the Land Registration Rules 2003;
 - (ii) shall use its reasonable endeavours to assist with any such application made by or on behalf of the Security Agent; and
 - (iii) shall notify the Security Agent in writing as soon as it receives notice of any person's application under rule 137 of the Land Registration Rules 2003 for the disclosure of this Deed, the Senior Facility Agreement or any other Finance Document following its designation as an exempt information document.
- (c) No Chargor shall make any application under rule 138 of the Land Registration Rules 2003 for the removal of the designation of any such document as an exempt information document.
- (d) Each Chargor shall promptly make all applications to and filings with the Land Registry which are necessary or desirable under the Land Registration Rules 2003 to protect the Debenture Security.

25.4 Protective clauses

- (a) Each Chargor is deemed to be a principal debtor in relation to this Deed. The obligations of each Chargor under, and the security intended to be created by, this Deed shall not be impaired by any forbearance, neglect, indulgence, extension or time, release, surrender or loss of securities, dealing, amendment or arrangement by any Secured Party which would otherwise have reduced, released or prejudiced this Debenture Security or any surety liability of a Chargor (whether or not known to it or to any Secured Party).
- (b) Clause 19 (*Guarantee and indemnity*) of the Senior Facility Agreement apply in relation to this Deed as if references to the obligations referred to in such clauses respectively were references to the obligations of each Chargor under this Deed.

26. NOTICES

26.1 Senior Facility Agreement

Subject to Clause 26.2 (*Notices through Parent*):

- (a) Clause 32 (*Notices*) of the Senior Facility Agreement (other than clauses 32.3(c), 32.6 (*Electronic communication*) and 32.7 (*Use of websites*)) is incorporated into this Deed as if fully set out in this Deed; and

- (b) the address and fax numbers of each Party for all communications or documents given under or in connection with this Deed are those identified with its name in the execution pages to this Deed or subsequently notified from time to time by the relevant Party for the purposes of the Senior Facility Agreement or this Deed.

- (b) Any communication or document made or delivered to the Parent in accordance with this Clause 26 will be deemed to have been made or delivered to each of the Chargors.

27. CALCULATIONS AND CERTIFICATES

Any certificate of or determination by a Secured Party, the Security Agent or the Agent specifying the amount of any Secured Obligation due from the Chargors (including details of any relevant calculation thereof) is, in the absence of manifest error, conclusive evidence against the Chargors of the matters to which it relates.

28. PARTIAL INVALIDITY

All the provisions of this Deed are severable and distinct from one another and if at any time any provision is or becomes illegal, invalid or unenforceable in any respect under any law of any jurisdiction, neither the legality, validity or enforceability of any of the remaining provisions nor the legality, validity or enforceability of such provision under the law of any other jurisdiction will in any way be affected or impaired.

29. REMEDIES AND WAIVERS

No failure to exercise, nor any delay in exercising, on the part of the Security Agent (or any other Secured Party), any right or remedy under this Deed shall operate as a waiver, nor shall any single or partial exercise of any right or remedy prevent any further or other exercise, or the exercise of any other right or remedy. The rights and remedies provided are cumulative and not exclusive of any rights or remedies provided by law.

30. AMENDMENTS AND WAIVERS

Any provision of this Deed may be amended only if the Security Agent and the Chargors or the Parent on their behalf so agree in writing and any breach of this Deed may be waived before or after it occurs only if the Security Agent so agrees in writing. A waiver given or consent granted by the Security Agent under this Deed will be effective only if given in writing and then only in the instance and for the purpose for which it is given.

31. COUNTERPARTS

This Deed may be executed in any number of counterparts, and this has the same effect as if the signatures (and seals, if any) on the counterparts were on a single copy of this Deed.

32. RELEASE

32.1 Release

Upon the expiry of the Security Period and in relation to any asset which is the subject to a Permitted Disposal (but not otherwise) the Security Agent shall, at the request and cost of the

Chargors, take whatever action is necessary to release or re-assign (without recourse or warranty) the Security Assets from the Debenture Security.

32.2 Reinstatement

Where any discharge (whether in respect of the obligations of any Chargor or any security for those obligations or otherwise) is made in whole or in part or any arrangement is made on the faith of any payment, security or other disposition which is avoided or must be restored on insolvency, liquidation or otherwise (without limitation), the liability of the Chargors under this Deed shall continue as if the discharge or arrangement had not occurred. The Security Agent may concede or compromise any claim that any payment, security or other disposition is liable to avoidance or restoration.

33. GOVERNING LAW

This Deed and any non-contractual obligations arising out of or in connection with it shall be governed by English law.

34. ENFORCEMENT

- (a) The courts of England have exclusive jurisdiction to settle any dispute arising out of or in connection with this Deed (including a dispute relating to the existence, validity or termination of this Deed or any non-contractual obligation arising out of or in connection with this Deed) (a “**Dispute**”).
- (b) The Parties agree that the courts of England are the most appropriate and convenient courts to settle Disputes and accordingly no Party will argue to the contrary.
- (c) This Clause 34 is for the benefit of the Finance Parties and Secured Parties only. As a result, no Finance Party or Secured Party shall be prevented from taking proceedings relating to a Dispute in any other courts with jurisdiction. To the extent allowed by law, the Finance Parties and Secured Parties may take concurrent proceedings in any number of jurisdictions.

The Additional Chargor is required to enter into this Security Accession Deed as a condition of the Finance Documents.

IT IS AGREED as follows:

DEFINITIONS AND INTERPRETATION

Definitions

Save to the extent otherwise defined in this Security Accession Deed, terms defined in the Debenture have the same meaning when used in this Security Accession Deed.

Interpretation

Clauses 1.2 (*Interpretation*), 1.3 (*Joint and several*), 1.4 (*Inconsistency between this Deed and the PIK Intercreditor Agreement*), 1.5 (*Trust*) and 1.6 (*Third party rights*) of the Debenture are incorporated in this Security Accession Deed as if they were set out in full in this Security Accession Deed, but so that references in those clauses to “this Debenture” shall be construed as reference to this Security Accession Deed.

ACCESSION OF ACCEDING CHARGOR

Accession

The Additional Chargor agrees to be a Chargor for the purposes of the Debenture with immediate effect and agrees to be bound by all the terms of the Debenture (including to make the representations and warranties and comply with the undertakings set out therein) as if it had originally been a party to it.

Covenant to pay

- (a) The Additional Chargor, as principal obligor and not merely as surety, covenants in favour of the Security Agent that it will pay and discharge the Secured Obligations from time to time when they fall due.
- (b) Every payment by the Additional Chargor of a Secured Obligation which is made to or for the benefit of a Secured Party to which that Secured Obligation is due and payable

in accordance with the Finance Document under which such sum is payable to that Secured Party, shall operate in satisfaction to the same extent of the covenant contained in paragraph (a) above.

Default interest

Any amount which is not paid under this Security Accession Deed when due shall bear interest on a daily basis (both before and after judgment and payable on demand) at the Default Rate from the due date until the date on which such amount is unconditionally and irrevocably paid and discharged in full.

GRANT OF FIXED SECURITY

Nature of security

All Security and dispositions created or made by or pursuant to this Security Accession Deed are created or made:

in favour of the Security Agent;

as continuing security for payment of the Secured Obligations.

Qualifying floating charge

Paragraph 14 of schedule B1 to the Insolvency Act 1986 applies to any floating charge created by or pursuant to this Security Accession Deed (and each such floating charge is a qualifying floating charge for the purposes of the Insolvency Act 1986).

 - (i) the Real Property (if any) specified in Schedule 1 of this Security Accession Deed; and

- (d) by way of first fixed charge:
 - (i) all other Real Property (other than any Short Leasehold Property) and all interests in Real Property (other than any Short Leasehold Property) not charged by paragraph (a) above; and
 - (ii) the proceeds of sale of all Real Property;

- (e) by way of first fixed charge all plant and machinery (not charged by paragraph (a) or (b) above) and the benefit of all contracts, licences and warranties relating to the same;
- (f) by way of first fixed charge:
 - (i) all computers, vehicles, office equipment and other equipment (not charged by paragraph (c) above); and
 - (ii) the benefit of all contracts, licences (other than where the underlying terms of that licence prohibit the Additional Chargor from creating any charge over its interest in or rights under that licence or where that licence is, as a matter of legal construction of a personal nature (and therefore inalienable, unassignable or in respect of which Security cannot be validly granted), provided that at the time the relevant licence is being entered into (following the date of this Agreement) the Additional Chargor has used commercially reasonable endeavours to overcome any such prohibition) and warranties relating to the same,

other than any which are for the time being part of the Additional Chargor's stock-in-trade or work-in-progress;

- (g) by way of first fixed charge:
 - (i) the Charged Securities (if any) specified in Schedule 2 of this Security Accession Deed; and
 - (ii) all other Charged Securities (not charged by paragraph (i) above),

in each case, together with (A) all Related Rights from time to time accruing to those Charged Securities and (B) all rights which the Additional Chargor may have at any time against any clearance or settlement system or any custodian in respect of any Charged Investments but excluding any Charged Securities held in a Joint Venture where the terms of any agreement regulating the Additional Chargor's interest in that Joint Venture prohibits such Charged Securities from being charged, provided at the time the relevant Joint Venture is being entered into (following the date of this Agreement) that the Additional Chargor shall use commercially reasonable endeavours to obtain the consent of the relevant Joint Venture partner to the charging of such Charged Securities;

- (h) by way of first fixed charge:
 - (i) the Cash Collateral Accounts and all monies at any time standing to the credit of the Cash Collateral Accounts;
 - (ii) the Collection Accounts and all monies at any time standing to the credit of the Collection Accounts; and
 - (iii) all accounts of the Additional Chargor with any bank, financial institution or other person at any time (not charged by paragraphs (i) or (ii) above) and all monies at any time standing to the credit of such accounts,

in each case, together with all interest from time to time accrued or accruing on such monies, any investment made out of such monies or account and all rights to repayment of any of the foregoing;

- (i) by way of first fixed charge:
 - (i) the Intellectual Property (if any) specified in Schedule 4 of this Security Accession Deed; and
 - (ii) all other Intellectual Property (if any) (not charged by paragraph (i) above);
- (j) to the extent that any Assigned Asset is not effectively assigned under Clause 4.2 (*Security assignments*), by way of first fixed charge such Assigned Asset;
- (k) by way of first fixed charge (to the extent not otherwise charged or assigned in this Security Accession Deed):
 - (i) the benefit of all licences, consents, agreements and Authorisations held or used in connection with the business of the Additional Chargor or the use of any of its assets; and
 - (ii) any letter of credit issued in favour of the Additional Chargor and all bills of exchange and other negotiable instruments held by it; and
- (l) by way of first fixed charge all of the goodwill and uncalled capital of the Additional Chargor.

Security assignments

- (a) The Additional Chargor assigns and agrees to assign absolutely (subject to a proviso for reassignment on redemption) all of its present and future right, title and interest in and to:
 - (i) the Relevant Contracts, all rights and remedies in connection with the Relevant Contracts and all proceeds and claims arising from them; and
 - (ii) all Insurances and all claims under the Insurances and all proceeds of the Insurances.
- (m) To the extent that any Assigned Asset described in paragraph (a)(ii) above is not assignable, the assignment which that clause purports to effect shall operate as an assignment of all present and future rights and claims of the Additional Chargor to any proceeds of such Insurances.
- (n) Notwithstanding paragraph (a) above, the Additional Chargor shall not assign any rights, title or interest in or to any licence or agreement regulating the Additional Chargor's interest in a Joint Venture to the extent that the underlying terms or that licence or agreement prohibit such an assignment.

Excluded Property

- (a) There shall be excluded from the fixed charges created under this Security Accession Deed any leasehold property held by the Additional Chargor under a lease which either precludes absolutely or conditionally (including requiring the consent of any third party) the Additional Chargor from creating any charge over its leasehold interest in that property (each an "Excluded Property") until the relevant condition or waiver has been obtained.
- (o) For each Excluded Property, the Additional Chargor undertakes to:

- (i) apply for the relevant consent or waiver of prohibition or condition within 10 Business Days of the date of this Security Accession Deed or the date of acquisition of the relevant leasehold property and, in respect of each Excluded Property which provides that the relevant third party will not unreasonably withhold its consent to charging, to use all reasonable endeavours to obtain that consent as soon as possible and to keep the Security Agent informed of the progress in obtaining such consent or waiver; and
 - (ii) forthwith upon receipt of such consent or waiver, provide the Security Agent with a copy.
- (p) Immediately upon receipt of the relevant waiver or consent, the relevant formerly Excluded Property shall stand charged to the Security Agent (as trustee for the Secured Parties) under paragraph (b) of Clause 4.1 (*Fixed charges*). If required by the Security Agent at any time following receipt of that waiver or consent, the Additional Chargor shall execute a valid legal mortgage in such form as the Security Agent shall reasonably require within 10 Business Days of the relevant waiver or consent being granted.

FLOATING CHARGE

- (a) Subject to paragraph (b) below, the Additional Chargor charges and agrees to charge by way of first floating charge all of its present and future assets and undertaking (wherever located) not otherwise effectively charged by way of fixed mortgage or charge or assigned pursuant to Clause 4.1 (*Fixed charges*), Clause 4.2 (*Security assignments*) or any other provision of this Security Accession Deed.
- (q) There shall be excluded from the floating charge created pursuant to this Clause 5 (*Floating charge*):
 - (i) any licence, the underlying terms of which prohibit the Additional Chargor from creating any charge over its interest in or rights under that licence or where that licence is, as a matter of legal construction of a personal nature (and therefore inalienable, unassignable or in respect of which Security cannot be validly granted), provided that at the time the relevant licence is being entered into (following the date of this Security Accession Deed) the Additional Chargor has used commercially reasonable endeavours to overcome any such prohibition; and
 - (ii) any Charged Securities held in a Joint Venture where the terms of any agreement regulating the Additional Chargor's interest in that Joint Venture prohibits such Charged Securities from being Charged, provided that at the time the relevant Joint Venture is being entered into (following the date of this Agreement) the Additional Chargor has used commercially reasonable endeavours to obtain the consent of the relevant Joint Venture partner to the charging of such Charged Securities.

CONVERSION OF FLOATING CHARGE

Conversion by notice

The Security Agent may, by written notice to the Additional Chargor, convert the floating charge created under this Security Accession Deed into a fixed charge as regards all or any of the assets of the Additional Chargor specified in the notice if:

- (a) a Declared Default has occurred; or

- (r) the Security Agent (acting reasonably) considers any Security Assets to be in danger of being seized or sold under any form of distress, attachment, execution or other legal process or to be otherwise in jeopardy.

Small companies

The floating charge created under this Security Accession Deed by the Additional Chargor shall not convert into a fixed charge solely by reason of a moratorium being obtained under the Insolvency Act 2000 (or anything done with a view to obtaining such a moratorium (including any preliminary decision or investigation)) in respect of the Additional Chargor.

Automatic conversion

The floating charge created under this Security Accession Deed shall (in addition to the circumstances in which the same will occur under general law) automatically convert into a fixed charge:

- (a) in relation to any Security Asset which is subject to a floating charge if:
 - (i) the Additional Chargor creates (or attempts or purports to create) any Security (other than a Permitted Security) on or over the relevant Security Asset without the prior written consent of the Security Agent; or
 - (ii) any third party levies or attempts to levy any distress, execution, attachment or other legal process against any such Security Asset; and
- (s) over all Security Assets of the Additional Chargor which are subject to a floating charge if an administrator is appointed in respect of the Additional Chargor or the Security Agent receives notice of intention to appoint such an administrator (as contemplated by the Insolvency Act 1986).

Partial conversion

The giving of a notice by the Security Agent pursuant to Clause 6.1 (*Conversion by notice*) in relation to any class of assets of the Additional Chargor shall not be construed as a waiver or abandonment of the rights of the Security Agent to serve similar notices in respect of any other class of assets or of any other right of the Security Agent and/or the other Secured Parties.

Security power of attorney

The Additional Chargor, by way of security, irrevocably and severally appoints the Security Agent, each Receiver and any Delegate to be its attorney to take any action whilst an Event of Default is continuing or the Debenture Security has become enforceable which the Additional Chargor is obliged to take under this Security Accession Deed, including under Clause 21 (*Further assurances*) of the Debenture, or, if no Event of Default is continuing, which such Chargor has failed to take and such failure has not been remedied within 10 Business Days of the Security Agent giving notice to the Additional Chargor of such failure to comply. The Additional Chargor ratifies and confirms whatever any attorney does or purports to do pursuant to its appointment under this clause.

Counterparts

This Security Accession Deed may be executed in any number of counterparts and this has the same effect as if the signatures on the counterparts were on a single copy of this Security Accession Deed.

Governing law and jurisdiction

Clause 33 (*Governing law*) of the Debenture shall be incorporated in this Security Accession Deed as if set out here in full but so that references to the Debenture shall be construed as references to this Security Accession Deed.

THIS SECURITY ACCESSION DEED has been executed as, and is intended to take effect as, a deed by the Additional Chargor and is delivered and has been signed by the Security Agent on the date written on the first page of this Security Accession Deed.
