2. APPOINTMENT AND DUTIES OF CUSTODIAN

2.1 Appointment

- (a) Chargor hereby delegates to, and appoints, Custodian to act as custodian of the Crypto Assets upon the terms and subject to the conditions set out in this Agreement.

In connection therewith, Custodian confirms that, on the Effective Date, the Crypto Assets are in the Account Digital Currency Address controlled by Custodian and are, and will be, held for the account of Chargor in accordance with the terms and conditions of this Agreement.
- (c) The Parties:

- (e) to ensure that any codes, passwords, identifiers and private keys are duly safeguarded pursuant to Custodian's internal compliance policies, and not to, until the end of the Security Period, share any such codes, passwords, identifiers and private keys with any third party (which term excludes Affiliates and agents acting on behalf of Custodian), Chargor or (unless an Enforcement Event has occurred and the Restricted Period has expired) Collateral Agent;
- (f) to notify Chargor and Collateral Agent immediately in writing if Custodian reasonably suspects any technical or security failure which may compromise the safety and ownership of any Secured Property and take all and

any actions reasonably necessary and consistent with Custodian's internal compliance policies to protect the Secured Property if the safety of such Secured Property is or may be compromised;

- (g) not to appoint a sub-custodian under this Agreement;

- (l) not to lend, hypothecate, pledge or otherwise create or purport to create or permit to subsist any Security over all or any part of the Crypto Assets (a "**Third Party Interest**");
- (m) to promptly notify Collateral Agent in the event it is notified of or becomes aware of any Third Party Interest;
- (n) during the Security Period, to provide the other Parties with a report of the Account balance, and any transactions effected with respect to the Crypto Assets, in writing within ten (10) days of the end of each calendar month; and

- (a) Custodian:
 - (i) has no duty to inquire into or investigate the legality, validity, or accuracy of any information, data or instructions related to a Direction;
 - (ii) is released and held harmless by all Parties and shall have no liability whatsoever for following any Direction, being appointed as custodian under this Agreement, or for performing its duties under this Agreement, including if such performance is prevented, hindered or delayed by a Force Majeure Event, other than as a result of its negligence, fraud or wilful misconduct;
 - (iii) will perform only such duties as are expressly set forth in this Agreement and no additional duties or obligations shall be implied;
 - (iv) has the authority to do all acts that Custodian reasonably determines are necessary for it to perform its obligations under this Agreement and shall have no obligation to perform acts which it reasonably believes do not comply with any applicable laws;
 - (v) has no duty to inquire as to the provisions, or application, of any agreement or document other than this Agreement, notwithstanding its receipt of such agreement or document; and
 - (vi) shall not have any liability, obligation or responsibility whatsoever for any Force Majeure Event or any damage or interruptions caused by any computer viruses, spyware, scareware, Trojan horses, worms or other malware that may affect Custodian's computer or other equipment, or any phishing, spoofing or other attack, unless such damage or interruption directly resulted from Custodian's negligence, fraud

or wilful misconduct.

- (b) In the event of any Fork, Custodian may temporarily suspend operations, in whole or in part (with or without advance notice). Custodian will promptly select which, if any, of the forked networks to support and will immediately notify, in reasonable detail in writing, the other Parties of the details of such Fork and its selection of forked networks to support. With respect to a forked network that Custodian chooses not to support, Custodian will use commercially reasonable efforts to distribute any assets from that forked network in accordance with a Direction.
- (c) Custodian has no duty or responsibility to inquire into, make recommendations with respect to, supervise or determine the suitability of any transactions involving the Crypto Assets (and nothing herein will be construed as such).

2.6 No Interest

No Secured Property shall be subject to any Security or claim of any kind in favour of Custodian or of any creditor of Custodian. The Crypto Assets in the Account are not general assets of Custodian, shall not be reflected on Custodian's balance sheet as assets of Custodian, and are not available to satisfy claims of any creditors of Custodian.

2.7 Indemnity

- (a) Chargor will defend, indemnify, and hold harmless Custodian, its Affiliates, directors, officers, employees and agents from and against any and all Losses asserted in or incurred as a result of Proceedings:
 - (i) by a third party arising out of or in connection with the Crypto Assets, the Account or this Agreement, including any Force Majeure Event; and

in each case except to the extent arising out of negligence, fraud or wilful misconduct by Custodian of its duties under this Agreement.

- (b) Chargor further agrees to indemnify Custodian for actual, reasonable legal costs and expenses directly related to the Account, the Crypto Assets or this Agreement that are a result of any regulatory inquiry or investigation by any agency.
- (c) Custodian will not be liable on any account (including, without limitation, in contract or tort) for any Losses or Proceedings incurred, asserted or commenced by or against any Party in connection with the Account, the Crypto Assets or this Agreement other than (and except to the extent) arising out of any negligence, fraud or wilful misconduct by Custodian of its duties under this Agreement.

3. SECURITY INTEREST

3.1 Covenant to Pay

Subject to the limits on liability set out in Clause 3.2 below, Chargor, as primary obligor, covenants with Collateral Agent (for the benefit of itself and the other Secured Parties) that it will, on Collateral Agent's written demand, pay and discharge the Secured Obligations at the times and in the manner provided in the relevant Note Documents.

3.2 Limited Recourse

Chargor enters into this Agreement, and grants the Security Interest over the Secured Property in favour of Collateral

Agent herein, solely on a limited recourse basis. Collateral Agent acknowledges and agrees that any claim that it may seek to enforce against Chargor under this Agreement (or otherwise, including at law or in equity) is limited to the Secured Property only and is not a claim against Chargor generally, or against Chargor's assets as a whole or assets other than the Secured Property. This Clause 3.2 overrides any other provisions to the contrary in, and will survive the termination of, this Agreement.

3.3 Grant of Security Interest

- (a) As continuing security for the payment of the Secured Obligations, Chargor assigns by way of security absolutely with full title guarantee in favour of Collateral Agent (for the benefit of itself and the other Secured Parties) all of its rights, title and interest, both present and future, in this Agreement and the TON Custody and Staking Agreement (insofar as it relates to the Secured Property) as first ranking security granted in favour of the Secured Parties.
- (b) Chargor, with full title guarantee, grants in favour of Collateral Agent (for the benefit of itself and the other Secured Parties), as first ranking and continuing security for the payment and discharge of the Secured Obligations, Security, by way of first fixed charge, over all of Chargor's present and future rights, title and interest from time to time in and to:
 - (i) the Account;
 - (ii) the Crypto Assets; and
 - (iii) the Rights in respect of the Account and the Crypto Assets.
- (c) As further continuing security for the payment of the Secured Obligations, Chargor charges with full title guarantee in favour of Collateral Agent (for the benefit of itself and the other Secured Parties) by way of first floating charge all its present and future assets and rights not effectively assigned under paragraph (a) or charged by way of fixed charge under paragraph (b) of this Clause 3.3.
- (d) Notwithstanding the Security Interest granted pursuant to paragraphs (a) to (c) above, any Income received prior to an Enforcement Event shall not form part of the Secured Property.

3.4 Continuing and Independent Security

- (a) The Security Interest shall be a continuing security for the Secured Obligations and shall not be satisfied, discharged or affected by any intermediate payment or settlement of account (whether or not any Secured Obligations remain outstanding thereafter) or any other matter or thing whatsoever including the intermediate satisfaction by Debtor, Chargor or any other person of the whole or any part of the Secured Obligations except only any release and full discharge by Collateral Agent of all of the Security Interest.
- (b) The Security Interest shall be in addition to and independent of and shall not merge with or be prejudiced by any other Security or any guarantee or indemnity or other Right or document which Collateral Agent may at any time hold for the payment of the Secured Obligations.
- (c) Chargor waives any Right it may have of requiring Collateral Agent to: (i) enforce any Security or other Right; or (ii) claim any payment from or otherwise proceed against any other person, in each case before enforcing this Agreement.

3.5 Security Interest not affected

The Security Interest shall not be prejudiced or affected by:

- (a) any variation or amendment of, or waiver, release or discharge granted under or in connection with, any other

Security or any guarantee or indemnity or other document (including any of the Note Documents);

- (b) time being given, or any other indulgence or concession being granted, by Collateral Agent to Debtor or any other person;
- (c) any of the obligations of Debtor under the Note Documents or any documents ancillary thereto being or becoming illegal, invalid, unenforceable or ineffective in any respect;
- (d) any failure to take or fully take any Security contemplated by the Note Documents or any documents ancillary thereto;
- (e) any failure to realise or fully realise the value of, or any release, discharge, exchange or substitution of, any Security taken in respect of any of Debtor's obligations under the Note Documents or any documents ancillary thereto;
- (f) the Dissolution of Debtor, Chargor or any other person;
- (g) any change in the constitutional documents of Debtor, Chargor or any other person;
- (h) any amalgamation, merger or reconstruction that may be effected by Collateral Agent with any other person or any sale or transfer of the whole or any part of the undertaking, property and assets of Collateral Agent to any other person;
- (i) the existence of any claim, set-off or other right which Chargor may have at any time against Collateral Agent or any other person;
- (j) the making or absence of any demand for payment of any Secured Obligations on Debtor or any other person, whether by Collateral Agent or any other person;
- (k) any arrangement or compromise entered into by Collateral Agent with Debtor, Chargor or any other person; or
- (l) any other thing done or omitted or neglected to be done by Collateral Agent or any other person or any other dealing, fact, matter or thing which, but for this provision, might operate to prejudice or affect the Secured Obligations.

3.6 Acknowledgment of Security Interest

Custodian hereby:

- (a) acknowledges the Security granted by Chargor in favour of Collateral Agent over the Secured Property and Collateral Agent's rights in respect of the Secured Property under this Agreement and agrees to make all notations in Custodian's records pertaining to the Account and the Crypto Assets that are necessary or appropriate to note the Security Interest in the Secured Property; and
- (b) expressly agrees and confirms that, notwithstanding any terms to the contrary in the TON Custody and Staking Agreement, no Security shall be created or be purported to be created over the Secured Property in favour of Custodian.

4. COVENANTS

Subject to the express written consent of Collateral Agent, and save as otherwise expressly permitted by the Note Documents, Chargor shall (either directly or insofar as it is able by the powers of control and other means available to it) during the Security Period, comply with the following covenants:

4.1 Protection and preservation of Security Interest

Chargor shall:

- (a) maintain the Account at all times with Custodian;
- (b) immediately notify Collateral Agent if the Account Digital Currency Address has been changed;
- (c) not create or permit to subsist any Security over any Secured Property (other than pursuant to this Agreement);
- (d) not sell, transfer or otherwise dispose of any Secured Property or the right to receive or to be paid the proceeds arising on the disposal of the same (other than as permitted by this Agreement);
- (e) not take any action that would be reasonably likely to, or omit to take any action that would prevent any action or circumstance that would be reasonably likely to (i) dilute, reduce or otherwise adversely impact the value of any of the Secured Property or any of the Rights attaching to the Secured Property, (ii) adversely affect the validity or effectiveness of this Agreement or the Security Interest, or (iii) result in the rescission, termination, material variation or amendment of any agreement or Right evidencing the Secured Property, or the granting of any waiver or release thereunder;
- (f) not exercise any of its Rights relating to the Secured Property in a manner reasonably likely to be prejudicial to the interests of Collateral Agent, materially adversely affect the Security Interest, or otherwise prejudice the ability of Collateral Agent to enforce and realise the Security Interest; and
- (g) take all steps necessary to ensure that the Security Interest will at all times be legally valid and binding and have the effect and priority it is expressed to have.

4.2 General covenants

Chargor shall:

- (a) enforce any Rights and institute, continue or defend any Proceedings relating to any of the Secured Property as Collateral Agent may reasonably require from time to time;
- (b) not take any Security from any other person in respect of the Secured Obligations;
- (c) not file any claim or otherwise prove in the Dissolution of any person liable for any of the Secured Obligations in competition with Collateral Agent; and
- (d) not claim or exercise, or attempt to claim or exercise, any Right:
 - (i) to obtain or enforce any Security or to receive any payment or assets resulting from the same;
 - (ii) of payment, indemnity or guarantee (howsoever described or arising, including in connection with a Dissolution); or
 - (iii) of set-off, counterclaim, contribution or subrogation,

from any person who is liable for, or has provided any Security in respect of, any of the Secured Obligations, to the extent that such right would otherwise arise as a result of: (i) the enforcement of the Security Interest (in whole or in part), (ii) the exercise of any of Collateral Agent's Rights under this Agreement, or (iii) the payment by Chargor of any of the Secured Obligations.

Notwithstanding the foregoing, Chargor covenants to undertake one or more of the foregoing if directed to do so in writing by Collateral Agent. In the event that Chargor receives any sum or asset as a result of any of the above actions, it shall hold such sum or asset on trust and to the order of Collateral Agent.

4.3 Delivery of documents and information

- (a) Chargor shall provide to each other Party:
 - (i) such information concerning the Secured Property as such Party may reasonably request from time to time;
 - (ii) access, at reasonable times and on reasonable prior notice, to inspect and examine any records relating to the Secured Property held by Chargor;
 - (iii) notice in writing of any Proceedings made or threatened against it in connection with any Secured Property or of any fact, matter or circumstance which may, with the passage of time, give rise to any such Proceeding, together with, in each case, Chargor's proposals for settling, liquidating, compounding or contesting any such Proceeding; and
 - (iv) a copy of every circular, resolution, notice, report, set of accounts and any other document received by Chargor in respect of or in connection with any of the Secured Property.
- (b) Chargor shall, promptly on becoming aware of any of the same, give notice in writing to each other Party of:
 - (i) any representation or warranty set out in this Agreement that is incorrect or misleading in any material respect when made or deemed to be repeated; and
 - (ii) any breach of any covenant set out in this Agreement.

4.4 Further assurance

Chargor shall, at its own cost, as soon as is reasonably practicable, execute and do all such acts and things in such form as Collateral Agent or any Receiver may from time to time reasonably require:

- (a) for creating, registering, perfecting, preserving or protecting the Security created or intended to be created in respect of the Secured Property or the priority of the Security Interest; and
- (b) for facilitating the realisation of the Security Interest, for enforcing the same or exercising any of Collateral Agent's, any Receiver's or any other Secured Party's Rights hereunder.

5. REPRESENTATIONS AND WARRANTIES

Chargor represents and warrants on each day during the Security Period to and for the benefit of each other Party that, subject to the Legal Reservations:

- (a) it is duly incorporated, validly existing and in good standing under the laws of its jurisdiction of incorporation;
- (b) it has full power, capacity and authority and has taken all actions and obtained all consents, licences and authorisations necessary to enter into this Agreement and the transactions contemplated hereby and to perform its obligations hereunder, and all such consents, licences and authorisations remain in full force and effect and have not been superseded or amended in any way;
- (c) its entry into, and its performance of its obligations under this Agreement, will not:

- (i) breach or conflict with any applicable law, rule or regulation or its constitutional documents;
- (ii) breach, conflict with or constitute (with or without the elapsing of time) an event of default under any document which is binding upon it or any of its present or future assets; or
- (iii) result in the creation of any Security over its present or future assets (other than the Security Interest);
- (d) it is the sole legal and beneficial owner of all the Secured Property, free from all Security (other than the Security Interest);

- (f) it will not be entitled to claim immunity from suit, claim, execution, attachment or other legal process in any Proceedings taken in relation to this Agreement; and
- (g) the Security Interest is not liable to be avoided or otherwise set aside on the liquidation or administration of Chargor or otherwise.

6. CHARGOR'S RIGHTS BEFORE ENFORCEMENT

Until the occurrence of an Enforcement Event, Chargor shall be entitled to exercise and control the exercise of all Rights relating to the Secured Property, subject to the terms of this Agreement; provided that no such exercise of Rights or action results or would be reasonably likely to result in a material reduction in the value of the Secured Property or otherwise materially prejudice the ability of Collateral Agent to enforce the Security Interest.

7. DEALING WITH THE SECURED PROPERTY ON ENFORCEMENT

7.1 Enforcement Notice

- (a) Collateral Agent may issue an Enforcement Notice to Custodian at any time after the occurrence of an Enforcement Event.
- (b) Upon receipt by Custodian of an Enforcement Notice:
 - (i) Custodian will no longer take any instructions from Chargor with respect to the Secured Property; and
 - (ii) Collateral Agent directs Custodian, and Custodian agrees, to take all instructions with respect to the Secured Property under and in accordance with the terms of this Agreement and the TON Custody and Staking Agreement solely from or originated by Collateral Agent, a Receiver or a Delegate.
- (c) If an Enforcement Notice is issued by Collateral Agent within the Restricted Period, Collateral Agent (or a Receiver) may request Chargor to, and Chargor shall, use commercially reasonable endeavours to request consent from the Seller (as defined in the Toncoins Purchase Agreement) to offer, sell or otherwise dispose of some or all of the Crypto Assets. For the avoidance of doubt, it is acknowledged and accepted by Collateral Agent that the granting of any such consent by the Seller is at its sole discretion and Chargor can only request consent but not in any way ensure it is given.

7.2 Rights of Collateral Agent

The Security Interest shall become enforceable upon an Enforcement Event, at which point Collateral Agent shall have the right (but not the obligation), in its sole discretion, without any notice to or consent of Chargor or prior authorisation from any court, to enforce all or any part of the Security Interest, which shall include the power to:

- (a) take possession of and to collect the Secured Property, and in particular to take any steps necessary to secure and perfect its title or vest all or any of the Secured Property in the name of Collateral Agent, its nominee or Delegate and to receive and retain any Income thereon;
- (b) borrow or raise financing in respect of, and to grant Security over, the Secured Property;

- (d) exercise or direct the exercise of all Rights relating to the Secured Property in such manner as it may (in its discretion) think fit;
- (e) bring, prosecute, enforce, defend or abandon any Proceedings in relation to the Secured Property or to defend and oppose the same;
- (f) settle, adjust, refer to arbitration, compromise or arrange any Proceedings, accounts, questions and demands, and to make any arrangement or compromise with others as it shall think fit, relating in any way to the Secured Property;
- (g) appoint or engage such persons, on such remuneration as it shall reasonably determine, including any consultants, attorneys, accountants, managers, officers and agents, and to pay proper charges in respect of time spent by the forgoing in dealing with matters relating to the Secured Property or the enforcement thereof;

- (i) do all such other acts and things it may (in its discretion) consider necessary, desirable or expedient for the realisation of the Secured Property or incidental to the exercise of any of the Rights conferred on it under or in connection with the Note Documents and to concur in the doing of anything which it has the right to do and to do any such thing jointly with any other person,

provided that, during the Restricted Period, Collateral Agent shall not, and shall not cause Custodian or any other person to, offer, pledge, charge, sell, contract to sell, sell any option or contract to purchase, purchase any option or contract to sell, grant any option, right or warrant to purchase, or otherwise transfer or dispose of, directly or indirectly, the Crypto Assets or publicly disclose the intention to make any such offer, sale, pledge or disposition otherwise than in accordance with the Toncoins Purchase Agreement.

7.3 Enforcement Powers

For the purpose of all rights and powers implied or granted by statute, the Secured Obligations are deemed to have fallen due on the Original Date. The power of sale and other powers conferred by section 101 of the LPA 1925 and all other enforcement powers conferred by this Agreement shall be immediately exercisable at any time after an Enforcement Event has occurred.

7.4 Statutory Powers

The powers conferred on mortgagees, receivers or administrative receivers by the LPA 1925 and the Insolvency Act 1986 (as the case may be) shall apply to the Security created under this Agreement, unless they are expressly or impliedly excluded. If there is ambiguity or conflict between the powers contained in those Acts and those contained in this Agreement, those contained in this Agreement shall prevail.

7.5 Exercise of Powers

All or any of the powers conferred upon mortgagees by the LPA 1925 as varied or extended by this Agreement, and all or any of the rights and powers conferred by this Agreement on a Receiver (whether expressly or impliedly), shall become immediately exercisable by Collateral Agent without further notice to Chargor at any time after an Enforcement Event has occurred, irrespective of whether Collateral Agent has taken possession or appointed a Receiver of the Secured Property.

7.6 Disapplication of Statutory Restrictions

The restriction on the consolidation of mortgages and on power of sale imposed by sections 93 and 103 respectively of the LPA 1925 shall not apply to the Security constituted by this Agreement.

7.7 Protection of interests

- (a) The powers conferred on Collateral Agent by this Agreement are solely to protect its interests in the Secured Property and shall not impose any duty on Collateral Agent to exercise any of those powers.
- (b) Collateral Agent shall not, in respect of any of the Secured Property, have any duty or incur any liability for:
 - (i) ascertaining or taking action in respect of any fees, expenses, calls, instalments, conversions, exchanges, maturities, tenders or other matters relating to any Secured Property or the nature or sufficiency of any payment whether or not Collateral Agent has or is deemed to have knowledge of such matters; or
 - (ii) taking any necessary steps to preserve Rights against prior parties or any other rights relating to any of the Secured Property.

7.8 Obligations of Chargor

Upon enforcement of the Security Interest:

- (a) all Income arising from the Secured Property shall be paid to and retained by Collateral Agent, and any such assets which may be received by Chargor shall be promptly paid to and retained by Collateral Agent and, pending such payment, shall be segregated from any other property of Chargor and held in trust for Collateral Agent; and
- (b) Chargor shall procure that all Rights relating to the Secured Property are exercised in accordance with such instructions (if any) as may from time to time be given to Chargor by Collateral Agent, and Chargor shall deliver to Collateral Agent such forms of authorisation that it may request to enable Collateral Agent to exercise such Rights.

8. APPOINTMENT AND POWERS OF A RECEIVER

8.1 Appointment of a Receiver

- (a) At any time after:

- (i) an Enforcement Event has occurred; or
- (ii) a request has been made by Chargor to Collateral Agent for the appointment of a receiver and manager or receiver over the Secured Property,

then notwithstanding the terms of any other agreement between Chargor and any person, Collateral Agent may, without notice to Chargor or prior authorisation from any court (unless precluded by law) appoint in writing any person or persons to be a Receiver of all or any part of the Secured Property as Collateral Agent may choose in its discretion.

 - (ii) the appointment of an additional Receiver to act while the first Receiver continues to act.
- (g) The Receiver shall be the agent of Chargor (which shall be solely liable for the Receiver's acts, defaults and remuneration) unless and until Chargor is placed into liquidation, after which time the Receiver shall act as principal. In addition to those powers conferred by law, a Receiver shall have and be entitled to exercise all Rights of Collateral Agent under or pursuant to this Agreement including all Rights attaching to the Secured Property.
- (b) If there is more than one Receiver holding office at the same time, each Receiver may (unless the document appointing him states otherwise) exercise all the powers conferred on a Receiver under this Agreement individually and to the exclusion of any other Receiver.
- (c) A Receiver may:

 - (iv) delegate his powers in accordance with this Agreement; and
 - (v) use the name of Chargor and do all other acts and things which he may consider desirable or necessary for realising any Secured Property or incidental or conducive to any of the rights, powers or discretions conferred on a Receiver under or by virtue of this Agreement or law.
- (d) For the avoidance of doubt, and notwithstanding any other provision to the contrary in this Agreement, during the Restricted Period a Receiver shall not, and shall not cause Custodian or any other person to, undertake any action in breach of the Toncoin Purchase Agreement provided that, for the avoidance of doubt, a Receiver may request the reasonable assistance of Chargor in connection with the Toncoins Purchase Agreement in accordance with Clause 7.1(c).

9. APPLICATION OF MONEYS

All moneys realised, received or recovered by Collateral Agent or a Receiver shall (subject to the discharge of any liabilities having by applicable law preference or priority) be applied in or towards, in the following order of priority:

- (a) payment of all reasonable costs and expenses incurred by Collateral Agent (in its capacity as such hereunder or under the Note Documents) or any Receiver in connection with the exercise of any Rights relating to the Secured Property or the collection or sale of the Secured Property;
- (b) payment of the Secured Obligations (all amounts allocated to the Secured Obligations pursuant to this Clause 9 shall be applied by Collateral Agent in accordance with the terms of the Note Documents); and
- (c) payment of any surplus to Chargor, its successors or assigns, or as a court of competent jurisdiction may otherwise direct.

10. GENERAL RIGHTS OF CHARGE

10.1 Delegation

Collateral Agent or any Receiver may delegate in any manner to any person any of the Rights which are for the time being exercisable by it under this Agreement. Any such delegation may be made upon such terms and conditions (including power to sub-delegate) as Collateral Agent or any Receiver may think fit. Collateral Agent and the Receiver shall have no responsibility to monitor the actions of the Delegate. Collateral Agent and the Receiver shall have no liability whatsoever for the Delegate's acts, omissions, contracts or defaults.

10.2 Indulgence

Collateral Agent may at its discretion grant time or other indulgence, or make any other arrangement, variation or release with any person or persons not being a Party (whether or not such person or persons are jointly liable with Chargor) in respect of any of the Secured Obligations or of any other Security for them without prejudice to this Agreement.

10.3 Possession

If Collateral Agent, any Receiver or any Delegate or nominee shall take possession of the Secured Property, it may at any time relinquish such possession to Chargor.

10.4 Collateral Agent's and the Receiver's liability

Neither Collateral Agent nor any Receiver shall in any circumstances (whether by reason of taking possession of the Secured Property or for any other reason whatsoever and whether as mortgagee in possession or on any other basis whatsoever) be liable to account to Chargor or any other person for:

- (a) anything except Collateral Agent's or any Receiver's own actual receipts; or
- (b) any costs, charges, losses, damages, liabilities or expenses arising from any realisation of the Secured Property or from any exercise or non-exercise by Collateral Agent or any Receiver of any Right conferred upon it in relation to the Secured Property or from any act, default, omission or misconduct of Collateral Agent or any Receiver, their officers, employees or agents in relation to the Secured Property except to the extent that they shall be caused by Collateral Agent's or any Receiver's own negligence, fraud or wilful misconduct.

Such restrictions on the liability of Collateral Agent and any Receiver shall apply, *mutatis mutandis*, in respect of the liability of any Delegate, nominee, employee or agent of Collateral Agent or any Receiver.

10.5 Indemnity

Chargor agrees to keep Collateral Agent, each Receiver and their and Collateral Agent's respective nominees, employees, Delegates and agents (each an **Indemnified Party**) at all times fully indemnified against all liabilities, payments, losses and expenses (including, without limitation, those arising by reason of calls, instalments, actions, claims, damages, costs and interest) that may arise or become due as a result of or in connection with:

- (a) the performance of any function in relation to or the taking of any steps to perfect or administer the Security Interest; or
- (b) the preservation, defence or enforcement of any Rights vested in them under this Agreement,

except to the extent that any such liability, payment, loss or expense shall be caused by such Indemnified Party's own negligence, fraud or wilful misconduct.

11. PROTECTION OF THIRD PARTIES

- (a) No person dealing with Collateral Agent or any Receiver or any Delegate (including any purchaser) shall be concerned to enquire whether any event has happened upon which any of the Rights conferred under or in connection with this Agreement are or may be exercisable, whether any consent, regulation, restriction or direction relating to such Rights have been obtained or complied with or otherwise as to the propriety or regularity of acts purporting or intended to be in exercise of any such Rights or as to the application of any money borrowed or raised or other proceeds of enforcement.
- (b) The receipt of Collateral Agent or any Receiver shall be an absolute and conclusive discharge to a purchaser and shall release him of any obligation to see to the application of any moneys paid to or at the direction of Collateral Agent or any Receiver.
- (c) In the above paragraphs, "purchaser" includes any person acquiring, for money or money's worth, any Security over or in relation to any of the Secured Property.

12. RELEASE OF CHARGED PROPERTY

- (a) At the time Collateral Agent is satisfied that all the Secured Obligations have been unconditionally and irrevocably paid and discharged in full (or if Collateral Agent is satisfied that a Security or a guarantee for the Secured Obligations, in its discretion, has been provided in substitution for the Security Interest) Collateral Agent shall, at the request and cost of Chargor, execute and deliver such deeds and documents and do all such acts and things as may be necessary or reasonably requested to release the Secured Property from the Security Interest.
- (b) If Collateral Agent shall be required pursuant to the Note Documents to release the Secured Property from the Security Interest, such Secured Property shall be released from the Security Interest to the extent provided under, and subject to the terms and conditions set forth in, the Note Documents. In connection therewith, Collateral Agent, at the request and cost of Chargor, shall execute and deliver such deeds and documents and do all such acts and things as may be necessary or reasonably requested to effect or evidence such release.
- (c) Any release, discharge or settlement shall be deemed conditional on no payment or Security received by Collateral Agent in respect of the Secured Obligations being avoided, reduced or ordered to be refunded pursuant to any provision of any law relating to Dissolution or otherwise and, notwithstanding any such release, discharge or settlement, Collateral Agent or its nominee shall be at liberty to retain this Agreement and the Security Interest for such period as Collateral Agent shall deem necessary to provide Collateral Agent with a Security against any such avoidance, reduction or order for refund.

13. IRREVOCABLE POWER OF ATTORNEY AND PROXY

- (a) Chargor hereby appoints Collateral Agent, every Receiver and any person nominated in writing by Collateral Agent as attorney of Chargor, severally, to be the attorney and proxy of Chargor (with full powers of substitution and delegation) and on its behalf and in its name or otherwise, at such time and in such manner as such attorney may think fit:
 - (i) to do anything which Chargor is or may be obliged to do (but has not done) under this Agreement; and
 - (ii) generally to exercise all or any Rights, execute any documents, and do any acts or things which such attorney may deem proper or desirable in connection with the exercise of any of the Rights conferred on Collateral Agent in relation to the Secured Property or under or in connection with this Agreement,provided that neither Collateral Agent nor any other attorney appointed hereunder may exercise any rights as attorney until the occurrence of an Enforcement Event.
- (b) Chargor covenants to ratify and confirm whatever any attorney shall lawfully do or purport to do in the exercise or purported exercise of the above power of attorney.
- (c) The foregoing power of attorney is coupled with an interest, is given to secure a proprietary interest of the donee of the power and the performance of an obligation owed to the donee and accordingly is irrevocable for so long as this Agreement is in force.
- (d) The power of attorney granted under this Clause 13 shall terminate upon the termination of this Agreement.

14. MISCELLANEOUS

14.1 Certificate to be conclusive evidence

For all purposes, including in any relevant Proceedings, a copy of a certificate signed by an authorised signatory of Collateral Agent as to the amount of any indebtedness comprised in the Secured Obligations for the time being shall, in the absence of manifest error, be conclusive evidence against Chargor as to the amount thereof.

14.2 Consents, waivers, variations and rights

- (a) No consent, variation or waiver in respect of any provision of this Agreement shall be effective unless and until it is agreed in writing duly executed by or on behalf of:

 - (ii) in the case of a consent or waiver of a right in connection herewith, the person entitled to give the same or entitled to such right.
- (b) Any consent or waiver by a Party under this Agreement may be given subject to any conditions such Party thinks fit and shall be effective only in the instance and for the purpose for which it is given.
- (c) No failure by a Party to exercise or delay in exercising any right, power or remedy provided by law or under this Agreement (or any part-exercise thereof) shall operate to impair the same or be construed as a waiver of it.
- (d) No single or partial exercise of any such right, power or remedy shall prevent any further or other exercise of the same or the exercise of any other right.
- (e) No waiver of any such right shall constitute a waiver of any other right.
- (f) The rights provided in this Agreement are cumulative and not exclusive of any rights provided by law.

14.3 Costs

Chargor shall, promptly on demand, pay to, or reimburse, each other Party, on a full indemnity basis, all costs, charges, expenses, Taxes and liabilities of any kind (including, without limitation, legal, printing and out-of-pocket expenses) incurred by such other Party in connection with:

- (e) Custodian's obligations under this Agreement.

14.4 Counterparts

This Agreement (and each variation or waiver in respect of any provision of it) may be executed and delivered in any number of counterparts by the Parties, but shall not be effective until each Party has executed and delivered at least one counterpart. Each counterpart, once executed and delivered, shall constitute an original of this Agreement, but all the counterparts together shall constitute one and the same instrument.

14.5 Entire Agreement

This Agreement and any document referred to in this Agreement together constitute the entire agreement and understanding between the Parties, and supersede any previous agreement between the Parties relating to the

subject matter of this Agreement which shall cease to have any further force or effect.

14.6 Partial Invalidity

If any provision of this Agreement is or becomes or is found by a court or other competent authority to be illegal, invalid or unenforceable in any respect, in whole or in part, under any law of any jurisdiction, neither the legality, validity and enforceability in that jurisdiction of any other provision or part of this Agreement, nor the legality, validity or enforceability in any other jurisdiction of that provision or part or of any other provision of this Agreement, shall be affected or impaired.

14.7 Relationship of Parties

- (c) Chargor irrevocably waives (and irrevocably agrees not to raise) any objection which it might at any time have on the grounds of *forum non conveniens* or on any other ground to Proceedings arising out of or in connection with this Agreement being taken in any court referred to in this Clause 17, and agrees that any judgment in such Proceedings taken in any such court shall be conclusive and binding on it and may be enforced in any other jurisdiction.
