 - (iii) any **"Charging Company"**, any **"Secured Party"** or any other person shall be construed so as to include its successors in title, permitted assignees and transferees and, in the case of the Security Agent, any person for the time being appointed as Security Agent or Security Agents in accordance with the Finance Documents;

- (b) The terms of the documents under which the Secured Obligations arise and of any side letters between any Charging Company and any Secured Party relating to the Secured Obligations are incorporated in this deed to the extent required for any purported disposition of any Property contained in this deed to be a valid disposition in accordance with section 2(1) of the Law of Property (Miscellaneous Provisions) Act 1989.
- (c) The parties intend that this document shall take effect as a deed, notwithstanding the fact that a party may only execute it under hand.

1.5 **Second-ranking Security**

- (a) Where this deed purports to create a first fixed security interest over those assets charged under the 2018 Debenture, that security interest will be a second ranking security interest ranking subject to the equivalent security interest created by the 2018 Debenture until such time as the security interest created by the 2018 Debenture ceases to have effect. All references in this deed to "full title guarantee" shall be qualified by reference to the 2018 Debenture.
- (b) Where a right or asset has been assigned (subject to a proviso for reassignment on redemption) under the 2018 Debenture and the same asset or right is expressed to be assigned again under this deed, that second assignment will take effect as a fixed charge over the right or asset and will only take effect as an assignment if the relevant security interest created by the 2018 Debenture ceases to have effect at a time when this deed still has effect.

2. **COVENANT TO PAY**

Each Charging Company as primary obligor covenants with the Security Agent (for the benefit of itself and the other Secured Parties) that it will on demand pay the Secured Obligations when they fall due for payment in accordance with their terms.

3. **CHARGING CLAUSE**

3.1 **Fixed Charges**

Each Charging Company, as security for the payment and discharge of the Secured Obligations, charges in favour of the Security Agent with full title guarantee all of its right, title and interest in the following assets, both present and future, from time to time owned by it or in which it has an interest and, in each case, all Related Rights:

- (a) by way of first legal mortgage, all Property including the Property (if any) listed in schedule 1 (Property); and
- (b) by way of first fixed charge:
 - (i) all other interests (not effectively charged under clause 3.1(a)) in any Property;
 - (ii) all Subsidiary Shares and corresponding Distribution Rights;
 - (iii) all Investments (other than Subsidiary Shares) and corresponding Distribution Rights;
 - (iv) all Equipment;
 - (v) all Book Debts;
 - (vi) all Cash Collateral Accounts;

- (vii) all Material Intellectual Property;
- (viii) its goodwill and uncalled capital; and
- (ix) to the extent not effectively assigned by clause 3.2 (Security Assignment):
 - (A) the Assigned Agreements;
 - (B) the Insurances; and
 - (C) the Hedging Agreements.

3.2 **Security Assignment**

- (a) As further security for the payment and discharge of the Secured Obligations, each Charging Company assigns absolutely with full title guarantee in favour of the Security Agent all its right, title and interest in the following assets, both present and future, and, in each case, all Related Rights:

- (i) the Assigned Agreements;
- (ii) the Insurances; and
- (iii) the Hedging Agreements,

provided that on payment or discharge in full of the Secured Obligations the Security Agent will at the request and cost of the relevant Charging Company re-assign the relevant rights, title and interest in the assigned assets to that Charging Company (or as it shall direct).

- (b) For the avoidance of doubt, prior to the occurrence of a Declared Default, each Charging Company shall (in its sole discretion and in a manner which does not adversely affect the validity or enforceability of the security or cause an Event of Default to occur), subject to the other terms of the Finance Documents, continue to exercise all and any of its rights, remedies, discretions or judgements (including the giving of any waivers or consents) under and in connection with the Assigned Agreements, the Insurances and the Hedging Agreements and be entitled to all proceeds and claims arising therefrom.

3.3 **Fixed Security**

Clause 3.1 (Fixed Charges) and clause 3.2 (Security Assignment) shall be construed as creating a separate and distinct mortgage, fixed charge or security assignment over each relevant asset within any particular class of assets specified in this deed. Any failure to create effective fixed security (for whatever reason) over an asset shall not affect the fixed nature of the security on any other asset, whether within the same class of assets or not.

3.4 **Floating Charge**

As further security for the payment and discharge of the Secured Obligations, each Charging Company charges with full title guarantee in favour of the Security Agent by way of first floating charge all its present and future assets not effectively charged by way of fixed charge, including, for the avoidance of doubt, any leasehold property which is not Material Leasehold Property, under clause 3.1 (Fixed Charges) or assigned under clause 3.2 (Security Assignment) and, in each case, all Related Rights.

3.5 **Conversion of Floating Charge**

- (a) Subject to paragraph (b) below, if:

- (i) a Declared Default has occurred; or
- (ii) the Security Agent is reasonably of the view that any legal process or execution is being enforced against any Floating Charge Asset or that any Floating Charge Asset is in danger of being seized or otherwise in jeopardy; or
- (iii) the Security Agent reasonably considers that it is necessary to protect the priority of the security,

the Security Agent may, by notice to any Charging Company, convert the floating charge created under this deed into a fixed charge as regards those assets which it specifies in the notice.

- (b) The floating charge created under this deed may not be converted into a fixed charge solely by reason of the obtaining of a moratorium under section 1A of the Insolvency Act 1986 in relation to a Charging Company, or anything done with a view to obtaining such a moratorium.

3.6 Automatic Conversion of Floating Charge

If:

- (a) any Charging Company creates (or purports to create) any Security in breach of clause 6.2 (Negative Pledge) over any Floating Charge Asset;
- (b) any person levies or attempts to levy any distress, attachment, execution or other legal process against any Floating Charge Asset which is not discharged within two Business Days;
- (c) a resolution is passed or an order is made for the winding-up, dissolution, administration or re-organisation of any Charging Company or an administrator is appointed to any Charging Company; or
- (d) any person (who is entitled to do so) gives notice of its intention to appoint an administrator to any Charging Company or files such a notice with the court,

the floating charge created under this deed over the relevant Floating Charge Asset will automatically and immediately be converted into a fixed charge.

3.7 Leases Restricting Charging

- (a) There shall be excluded from the charge created by clause 3.1 (Fixed Charges) and from the operation of clause 4 (Further Assurance) any Property held by a Charging Company under a lease which either precludes absolutely or conditionally (including requiring the consent of any third party) that Charging Company from creating any charge over its leasehold interest in that property (each an "**Excluded Property**") until the relevant condition or waiver has been satisfied or obtained.
- (b) For each Excluded Property, each relevant Charging Company undertakes to apply for the relevant consent or waiver of prohibition or condition within fourteen days of the date of this deed (or, as the case may be, the date of the acquisition of the relevant Excluded Property) and, in respect of each Excluded Property which provides that the relevant third party will not unreasonably withhold its consent to charging, to use all reasonable endeavours to obtain that consent as soon as possible and to keep the Security Agent informed of the progress of its negotiations.
- (c) Forthwith upon receipt of the relevant waiver or consent, the relevant formerly Excluded Property shall stand charged to the Security Agent under clause 3.1 (Fixed

Charges). If required by the Security Agent at any time following receipt of that waiver or consent, the relevant Charging Company will forthwith execute a valid legal mortgage in such form as the Security Agent shall reasonably require.

3.8 **Intellectual Property Restricting Charging**

- (a) There shall be excluded from the charge created by clause 3.1 (Fixed Charges) and from the operation of clause 4 (Further Assurance) any Intellectual Property in which a Charging Company has an interest under any licence or other agreement which either precludes absolutely or conditionally (including requiring the consent of any third party) that Charging Company from creating any charge over its interest in that Intellectual Property (each an "**Excluded Intellectual Property**") until the relevant condition or waiver has been satisfied or obtained.
- (b) For each Excluded Intellectual Property, each relevant Charging Company undertakes to apply for the relevant consent or waiver of prohibition or condition within fourteen days of the date of this deed (or, as the case may be, the date of the acquisition of the relevant Excluded Intellectual Property) and, in respect of any licence or agreement which provides that the relevant third party will not unreasonably withhold its consent to charging, to use its reasonable endeavours to obtain such consent as soon as possible and to keep the Security Agent informed of the progress of its negotiations.
- (c) Forthwith upon receipt of the relevant waiver or consent, the relevant formerly Excluded Intellectual Property shall stand charged to the Security Agent under clause 3.1 (Fixed Charges). If required by the Security Agent, at any time following receipt of that waiver or consent, the relevant Charging Company will forthwith execute a valid fixed charge or legal assignment in such form as the Security Agent shall reasonably require.

4. **FURTHER ASSURANCE**

- (a) Subject to the Agreed Security Principles, each Charging Company shall promptly (and at its own expense) do all such acts or execute all such documents (including assignments, transfers, mortgages, charges, notices and instructions) as the Security Agent may reasonably specify (and in such form as the Security Agent may reasonably require in favour of the Security Agent or its nominee(s)):
 - (i) to perfect the Security created or intended to be created under or evidenced by this deed or for the exercise of any rights, powers and remedies of the Security Agent, any Receiver or the Secured Parties provided by or pursuant to this deed or by law;
 - (ii) to confer on the Security Agent or on the Secured Parties Security over any property and assets of that Charging Company located in any jurisdiction equivalent or similar to the Security intended to be conferred by or pursuant to this deed; and/or
 - (iii) following the occurrence of a Declared Default, to facilitate the realisation of the assets which are, or are intended to be, the subject of the Security created by this deed.
- (b) Subject to the Agreed Security Principles, each Charging Company shall take all such action as is available to it (including making all filings and registrations) as may be necessary for the purpose of the creation, perfection, protection or maintenance of any Security conferred or intended to be conferred on the Security Agent or the Secured Parties by or pursuant to this deed.

- (d) not do any act or thing whereby any lease or other document which gives any right to occupy any part of the Charged Property becomes or may become subject to determination or any right of re-entry or forfeiture prior to the expiration of its term; and

22.6 Waiver of Defences

The obligations of each Charging Company under this deed will not be affected by an act, omission, matter or thing which, but for this provision, would reduce, release or prejudice any of its obligations under this deed (without limitation and whether or not known to it or any Secured Party) including:

Until all amounts which may be or become payable in respect of the Secured Obligations have been irrevocably paid in full and unless the Security Agent otherwise directs, no Charging Company will exercise any rights which it may have by reason of performance by

it of its obligations under this deed or by reason of any amounts being payable, or liability arising under this deed:

- (a) to claim any right of indemnity or contribution in respect of any payment made or other satisfaction of that Charging Company's liability under this deed;

- (c) to claim or prove as a creditor of any Obligor in competition with any Secured Party.

Each Charging Company shall hold any benefit, payment or distribution received by it contrary to this clause 22.7 (Non-competition) on trust for the Secured Parties and shall promptly pay or transfer the same to the Security Agent or as the Security Agent may direct for application in accordance with clause 21 (Application of Enforcement Proceeds).

- (b) each other Charging Company waives any rights it may have by reason of the performance of its obligations under the Finance Documents to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights of the Secured Parties under any Finance Document or of any other security taken pursuant to, or in connection with, any Finance Document where such rights or security are granted by or in relation to the assets of the Retiring Charging Company.

22.9 Subsequent Security - Ruling-off Accounts

If the Security Agent or any other Secured Party receives notice of any subsequent Security or other interest affecting any of the Charged Property (except as permitted by the Facilities Agreement) it may open a new account for the relevant Charging Company in its books. If it does not do so then (unless it gives express notice to the contrary to the Obligors' Agent), as from the time it receives that notice, all payments made by the relevant Charging Company to it shall (in the absence of any express appropriation to the contrary) be treated as having been credited to a new account of the relevant Charging Company and not as having been applied in reduction of the Secured Obligations.

22.10 Redemption of Prior Charges

The Security Agent may, at any time after a Declared Default has occurred, redeem any prior Security on or relating to any of the Charged Property or procure the transfer of that Security to itself, and may settle and pass the accounts of any person entitled to that prior Security. Any account so settled and passed shall (subject to any manifest error) be conclusive and binding on each Charging Company. Each Charging Company will on demand pay to the Security Agent all principal monies and interest and all losses incidental to any such redemption or transfer.

At any time following the occurrence of (i) a Declared Default or (ii) an Event of Default which is continuing and if the relevant Secured Party has been instructed to do so by the Agent (acting on the instructions of the Majority Lenders), any Secured Party may set off any matured obligation due from a Charging Company under the Finance Documents (to the extent beneficially owned by that Secured Party) against any matured obligation owed by that Secured Party to that Charging Company, regardless of the place of payment, booking branch or currency of either obligation. If the obligations are in different currencies, the Secured Party may convert either obligation at a market rate of exchange in its usual course of business for the purpose of the set-off.

24. **CHANGES TO PARTIES**

24.1 **Assignment by the Security Agent**

The Security Agent may at any time assign or otherwise transfer all or any part of its rights under this deed in accordance with the Finance Documents.

Each Charging Company authorises and agrees to changes to parties under clause 26 (Changes to the Lenders) and clause 28 (Changes to the Obligors) of the Facilities Agreement and clause 20 (Changes to the Parties) of the Intercreditor Agreement and authorises the Security Agent to execute on its behalf any document required to effect the necessary transfer of rights or obligations contemplated by those provisions.

24.3 **Consent of Charging Companies**

Each Charging Company consents to the accession to this deed of additional Charging Companies and agrees that any such accession will be in no way prejudice the Security granted by it, or affect the covenants given by it, in this deed.

25. **CURRENCY**

25.1 **Conversion**

All monies received or held by the Security Agent or any Receiver under this deed may be converted into any other currency which the Security Agent considers necessary to discharge any obligations and liabilities comprised in the Secured Obligations in that other currency at a market rate of exchange then prevailing.

25.2 **No Discharge**

No payment to the Security Agent (whether under any judgment or court order or otherwise) shall discharge any obligation or liability in respect of which it was made unless and until the Security Agent has received payment in full in the currency in which the obligation or liability is payable or, if the currency of payment is not specified, was incurred. To the extent that the amount of any such payment shall on actual conversion into that currency fall short of that obligation or liability expressed in that currency, the Security Agent shall have a further separate cause of action in relation to the shortfall and shall be entitled to enforce the security constituted by this deed to recover that amount.

26. **MISCELLANEOUS**

26.1 **Invalidity of any Provision**

If any provision of this deed is or becomes invalid, illegal or unenforceable in any respect under any law, the validity, legality and enforceability of the remaining provisions shall not be affected or impaired in any way.

26.2 **Failure to Execute**

Failure by one or more parties ("**Non-Signatories**") to execute this deed on the date hereof will not invalidate the provisions of this deed as between the other parties who do execute this deed. Such Non-Signatories may execute this deed on a subsequent date and will thereupon become bound by its provisions.

26.3 **Covenant to Release**

Once all the Secured Obligations have been paid in full and none of the Security Agent nor any Secured Party has any actual or contingent liability to advance further monies to, or incur liability on behalf of, any member of the Group, the Security Agent and each Secured Party shall, at the request and cost of each Charging Company, take any action which is necessary to release the Charged Property from the security constituted by this deed.

27. **GOVERNING LAW AND JURISDICTION**

- (a) This deed and any dispute, controversy, proceedings or claims of whatever nature arising out of or in any way relating to this deed or its formation (including any non-contractual disputes or claims) shall be governed by and construed in accordance with English law.
- (b) The courts of England have exclusive jurisdiction to settle any dispute arising out of or in connection with this deed (including a dispute regarding the existence, validity or termination of this deed or any non-contractual obligations arising out of or in connection with this deed) (a "**Dispute**").
- (c) The parties to this deed agree that the courts of England are the most appropriate and convenient courts to settle Disputes and accordingly no party will argue to the contrary.

IN WITNESS whereof this deed has been duly executed and delivered on the above date first above written.

SCHEDULE 8

Form of Security Accession Deed

[THIS INSTRUMENT MUST BE REGISTERED AT THE COMPANIES REGISTRY

CONSIDER OTHER NECESSARY FILINGS]

THIS SECURITY ACCESSION DEED is made on ●

BETWEEN:

- (1) ● (a company incorporated in [●] with registered number ●) (the "**New Charging Company**"); and
- (2) ● as security trustee for itself and the other Secured Parties (the "**Security Agent**").

RECITAL:

This deed is supplemental to a debenture dated ● between, inter alia, the Charging Companies named therein and the Security Agent, as previously supplemented and/or amended by earlier Security Accession Deeds (if any) (the "**Debenture**").

NOW THIS DEED WITNESSES as follows:

1. INTERPRETATION

1.1 Definitions

Terms defined in the Debenture have the same meaning when used in this deed.

1.2 Construction

Clause 1.2 (Construction) of the Debenture will be deemed to be set out in full in this deed, but as if references in that clause to the Debenture were references to this deed.

2. ACCESSION OF NEW CHARGING COMPANY

2.1 Accession

The New Charging Company agrees to be a Charging Company for the purposes of the Debenture with immediate effect and agrees to be bound by all of the terms of the Debenture as if it had originally been a party to it as a Charging Company.

2.2 Covenant to Pay

The New Charging Company as primary obligor covenants with the Security Agent (for the benefit of itself and the other Secured Parties) that it will pay on demand the Secured Obligations when they fall due for payment in accordance with their terms.

2.3 Fixed Charges

The New Charging Company, as security for the payment and discharge of the Secured Obligations, charges in favour of the Security Agent with full title guarantee all of its right, title and interest in the following assets, both present and future, from time to time owned by it or in which it has an interest and, in each case, all Related Rights:

- (a) by way of first legal mortgage, all Property (including as specified in schedule 1 (Property)); and

- (b) by way of first fixed charge:
 - (i) all other interests (not effectively charged under clause 2.3(a)) in the Property;
 - (ii) all Subsidiary Shares (including as specified in schedule 2 (Subsidiary Shares)) and corresponding Distribution Rights;
 - (iii) all Investments (other than the Subsidiary Shares) and corresponding Distribution Rights;
 - (iv) all Equipment;
 - (v) all Book Debts;
 - (vi) all Cash Collateral Accounts (including as specified in schedule 3 (Cash Collateral Accounts (Blocked)));
 - (vii) all Material Intellectual Property (including as specified in schedule 4 (Material Intellectual Property));
 - (viii) its goodwill and uncalled capital; and
 - (ix) to the extent not effectively assigned by clause 2.4 (Security Assignment):
 - (A) the Assigned Agreements;
 - (B) the Insurances; and
 - (C) the Hedging Agreements.

2.4 **Security Assignment**

- (a) As further security for the payment and discharge of the Secured Obligations, the New Charging Company assigns absolutely with full title guarantee in favour of the Security Agent all its right, title and interest in the following assets and, in each case, all Related Rights:
 - (i) the Assigned Agreements (including as specified in schedule 5 (Assigned Agreements));
 - (ii) the Insurances (including as specified in schedule 6 (Insurance Policies)); and
 - (iii) the Hedging Agreements,

provided that on payment or discharge in full of the Secured Obligations the Security Agent will at the request and cost of the New Charging Company re-assign the relevant rights, title and interest in the assigned assets to the New Charging Company (or as it shall direct).
- (b) For the avoidance of doubt, prior to the occurrence of a Declared Default, the New Charging Company shall (in its sole discretion and in a manner which does not adversely affect the validity or enforceability of the security or cause an Event of Default to occur), subject to the other terms of the Finance Documents, continue to exercise all and any of its rights, remedies, discretions or judgements (including the giving of any waivers or consents) under and in connection with the Assigned Agreements, the Insurances and the Hedging Agreements and be entitled to all proceeds and claims arising therefrom.

2.5 **Fixed Security**

Clause 2.3 (Fixed Charges) and clause 2.4 (Security Assignment) shall be construed as creating a separate and distinct mortgage, fixed charge or security assignment over each relevant asset within any particular class of assets specified in this deed. Any failure to create effective fixed security (for whatever reason) over an asset shall not affect the fixed nature of the security on any other asset, whether within the same class of assets or not.

2.6 **Floating Charge**

As further security for the payment and discharge of the Secured Obligations, the New Charging Company charges with full title guarantee in favour of the Security Agent by way of first floating charge all its assets, both present and future, not effectively charged by way of first fixed charge under clause 2.3 (Fixed Charges) or assigned under clause 2.4 (Security Assignment) and, in each case, all Related Rights.

3. **INCORPORATION INTO DEBENTURE**

The Debenture and this deed shall be read together as one instrument on the basis that references in the Debenture to "this deed" will be deemed to include this deed.
