Accountant's report

You consider that the company is exempt from an audit for the year ended 31 July 2021 . You have acknowledged, on the balance sheet, your responsibilities for complying with the requirements of the Companies Act 2006 with respect to accounting records and the preparation of accounts. These responsibilities include preparing accounts that give a true and fair view of the state of affairs of the company at the end of the financial year and of its profit or loss for the financial year.

In accordance with your instructions, we have prepared the accounts which comprise the Profit and Loss Account, the Statement of Comprehensive Income, the Balance Sheet, the Statement of Changes in Equity and the related notes from the accounting records of the company and on the basis of information and explanations you have given to us.

We have not carried out an audit or any other review, and consequently we do not express any opinion on these accounts.

1. Accounting policies

Significant accounting policies

Statement of compliance

These financial statements have been prepared in compliance with FRS 102 – The Financial Reporting Standard applicable in the UK and Republic of Ireland and the Companies Act 2006.

Basis of preparation

The financial statements have been prepared on the going concern basis and under the historical cost convention as modified by the revaluation of land and buildings and certain financial instruments measured at fair value in accordance with the accounting policies.

The financial statements are prepared in sterling which is the functional currency of the company.

Turnover

Turnover comprises the invoiced value of goods and services supplied by the company, net of Value Added Tax and trade discounts.

Government grants

Government grants received are credited to deferred income. Grants towards capital expenditure are released to the income statement over the expected useful life of the assets. Grants received towards revenue expenditure are released to the income statement as the related expenditure is incurred.

Website cost

Planning and operating costs for the company's website are charged to the income statement as incurred.

Taxation

Taxation represents the sum of tax currently payable and deferred tax. Tax is recognised in the statement of income, except to the extent that it relates to items recognised in other comprehensive income or directly in capital and reserves.

The company's liability for current tax is calculated using the tax rates and laws that have been enacted or substantively enacted at the reporting date.

Current and deferred tax assets and liabilities are not discounted

Software License

Software License is stated at cost less amortisation. Amortisation is calculated on a straight line basis over the estimated expected useful economic life of the Software License of years.

Tangible fixed assets

Tangible fixed assets, other than freehold land, are stated at cost or valuation less depreciation and any provision for impairment. Depreciation is provided at rates calculated to write off the cost or valuation of fixed assets, less their estimated residual value, over their expected useful lives on the following basis:

2. Staff Costs
