Notes to the Financial Statements
for the year ended 29 November 2021

1. Statutory information

The company is a private company limited by shares and registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

2. Compliance with applicable reporting framework

The financial statements have been prepared in compliance with FRS 102 Section 1A as it applies to the financial statements for the period and there were no material departures from the reporting standard.

3. Basis of measurement used in financial statements

The accounts have been prepared under the historical cost convention and in accordance with FRS 102, the financial reporting standard applicable in the UK and Republic of Ireland (as applied to small entities by section 1A of the standard).

4. Accounting policies

Functional and presentation currency policy

The financial statements are presented in sterling and this is the functional currency of the company.

Property, plant and equipment policy

Tangible fixed assets are stated at cost or valuation less depreciation. Depreciation is provided on all tangible fixed assets as follows:

Stocks policy

Stocks are valued at the lower of cost and estimated selling price (less any associated costs to enable such sales to complete).

Revenue recognition policy

Turnover from the sale of goods is recognised when the significant risks and rewards of ownership of the goods have transferred to the buyer. Turnover from the rendering of services is recognised by reference to the stage of completion of the contract. The stage of completion of a contract is measured by comparing the costs incurred for work performed to date to the total estimated contract costs.

Foreign currency translation and operations policy

Transactions in foreign currencies are initially recognised at the rate of exchange ruling at the date of the transaction. At the end of each reporting period foreign currency monetary items are translated at the closing rate of exchange. Non-monetary items that are measured at historical cost are translated at the rate ruling at the date of the transaction. All differences are charged to profit or loss.
